Ms. Evelia Centeno-Aguilar
1660 Leeson Lane
Corona, CA 92879

Dear Ms. Centeno-Aguilar:

Subject: Approval of Gripper Gasket's MAXADAPTOR Repair Couplings

This is in reference to your application in which you requested the City of San Diego (City) to evaluate the MAXADAPTOR Repair Couplings addition to the City's Wastewater Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the MAXADAPTOR Repair Couplings addition to the City's Wastewater Approved Materials List.

This product will be included in the next Wastewater Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the MAXADAPTOR Repair Couplings product is contingent on the following conditions:

- 1) The Gripper Gasket LLC product shall be manufactured at 1660 Leeson Lane, Corona CA 92879.
- 2) Gripper Gasket LLC shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) Gripper Gasket LLC shall provide application/installation procedures for the products to ensure they meet the current Standard Specifications for Public Works Construction (Greenbook) and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by Gripper Gasket LLC or any of Gripper Gasket LLC's list of authorized suppliers.

- 4) Any unilateral action by Gripper Gasket LLC without seeking prior consultation and agreement from the City regarding the above-mentioned conditions and limitations shall constitute a breach of agreement, resulting in the removal of MAXADAPTOR Repair Couplings from the City's Approved Materials List.

Congratulations on your success in being included on the City's Wastewater Approved Materials List.

Sincerely,

Anh Nguyen
