Dear Mr. Marazzini:

Subject: Approval of Quadex Structure Guard

This is in reference to your application in which you requested the City of San Diego (City) to evaluate the Quadex LLC (A Vortex Company) Structure Guard Epoxy Protective Coating addition to the City's Wastewater Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the Quadex LLC (A Vortex Company) Structure Guard Epoxy Protective Coating addition to the City's Wastewater Approved Materials List.

This product will be included in the next Wastewater Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the Quadex Structure Guard product is contingent on the following conditions:

- 1) The Quadex Structure Guard product shall be manufactured at 564 W. 9320 S. Sandy, UT 84070
- 2) Quadex LLC. (Vortex Company) shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) Quadex LLC. (Vortex Company) shall provide application/installation procedures for the products to ensure they meet the current Standard Specifications for Public Works Construction (Greenbook) and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by Quadex LLC (A Vortex Company) or any of Quadex LLC's (A Vortex Company) list of authorized suppliers.

- 4) Any unilateral action by Quadex LLC (A Vortex Company) without seeking prior consultation and agreement from the City regarding the above-mentioned conditions and limitations shall constitute a breach of agreement, resulting in the removal of Quadex LLC (A Vortex Company) Structure Guard from the City's Approved Materials List.

Congratulations on your success in being included on the City's Water Approved Materials List.

Sincerely,

Anh Nguyen
