Dear Mr. McGill:

Subject: Approval of Warren Environmental's 301-14 High-Performance Epoxy

This is in reference to your application in which you requested the City of San Diego (City) to evaluate the Warren 301-14 High-Performance Epoxy Protective Coating addition to the City's Wastewater Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the Warren 301-14 High-Performance Epoxy Protective Coating addition to the City's Wastewater Approved Materials List.

This product will be included in the next Wastewater Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the Warren 301-14 High-Performance Epoxy product is contingent on the following conditions:

- 1) The Warren Environmental product shall be manufactured at 1596 Fulenwider Road, Gainesville, GA 30507.
- 2) Warren Environmental & Coatings LLC shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) Warren Environmental & Coatings LLC shall provide application/installation procedures for the products to ensure they meet the current Standard Specifications for Public Works Construction (Greenbook) and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by Warren Environmental & Coatings LLC or any of Warren Environmental & Coatings LLC's list of authorized suppliers.

- 4) Any unilateral action by Warren Environmental & Coatings LLC without seeking prior consultation and agreement from the City regarding the above-mentioned conditions and limitations shall constitute a breach of agreement, resulting in the removal of Warren 301-14 High-Performance Epoxy Protective Coating from the City's Approved Materials List.

Congratulations on your success in being included on the City's Wastewater Approved Materials List.

Sincerely,

Anh Nguyen
