

**CONSTRUCTION NOTICE: 24-hour Work on Friars Road and Napa Street from Mar. 19 – Mar. 22**

Starting on March 19 and continuing through March 22, 24-hour construction will be in effect at the Morena Pump Station's Diversion Structure #3, part of the pump station's underground infrastructure located just west of the Friars Road and Napa Street intersection.

**What To Expect:** During 24-hour construction, you can expect crews to work both during daytime and nighttime hours at the construction site located just west of the Friars Road and Napa Street intersection. Noise and light impacts are expected in the area, however; crews are aware of nearby residences and will minimize impacts to the extent possible.

**When:** 24-hour construction will start on March 19 and will continue through March 22. Crews will be working during daytime and nighttime hours. Please note that construction schedules are subject to change due to weather impacts, site conditions and operational issues.

**Why:** Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Pump Station project is one of several major water infrastructure projects that are part of Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on [morena.purewatersd.org](http://morena.purewatersd.org). Please contact [purewatersd@sandiego.gov](mailto:purewatersd@sandiego.gov) or **833-MOR-PWSD (833-667-7973)** with questions about the City's Pure Water Program and the Morena Pump Station project, and a team member will get back to you within one business day.
