

Just like you, my family has felt the rising cost of everyday living. Our city is unaffordable for too many San Diegans. I will manage our city's finances responsibly and bring our budget under control because I have the experience to lead. I'm a lifelong San Diegan with deep roots in District 6 and will listen to your concerns and fight for you by:

- Opposing new taxes/fees on residents
- Repealing or reducing the trash tax
- Restoring free parking in Balboa Park
- Simplifying the permitting process to lower housing costs
- Removing dead trees from canyons to reduce fire risk
- Ensuring law enforcement has the resources they need
- Strengthening ADU standards to give neighbors a voice
- Restoring parking spaces and traffic lanes by removing underused bike lanes
