#### **4. COMMUNICATIONS AND REPORTS**

Chairperson:

Area Manager II:

Caleb Martin reported the following: The baseball field has recieved new lighting, improving visibility and safety for

future games and practices. Graffiti on the radar has been identified and will be taken care of promptly; there is no current activity on the field to allow it to rest and recover. Staff is actively maintaining and caring for the field to

ensure it remains in top condition, have spoken to sponsor to replace stolen trashcans. Homeless is still an ongoing issue.

## **Center Director Report**

Roberto Tamayo:

Winter Event Highlights

- Entertainment: Great turnout and energy throughout the event
- Food: Nachos were served and enjoyed by attendees
- Atmosphere: Good vibes all around and no complaints reported

Community & Programs

- MLK Rec / MLK Parade: Our group participated and supported both the MLK Recreation Center and the MLK Parade
- Area Drone Competition: Hosted a competition with 8 schools and roughly 100 students participating
- Toys for Tots: 134 children registered and received toys
- Basketball: We will be hosting upcoming basketball activities/programs at the center

If you tell me the audience (city staff, board, social media, etc.), I can tailor this further.

## **8<sup>th</sup> Council District:**

Yanet Lopez:

Happy New Year, everyone!

\*Thank you all for serving as an advisory group and for everything you do for our community. We'll continue to use this group as a point of reference for other CRGs and neighborhood efforts.

\*A few reminders on how to report issues in our neighborhood:

\* For non-emergency issues, please use the Get It Done app/website

\* To report storm water pollution, call (619) 235-1000

\*Looking forward to working together in the new year!

## **San Diego Police Department:**

- Southcrest, located in the Southeastern community area, is the 4th highest in reported issues •
- There were approximately 1,000 complaints reported about two weeks ago, as of January 13, 2026 •
- Identified as a "hot spot" for calls and service requests

## **White Legacy:**

Dwayne Hill:

- Deck paint was added to the rose bush walkway
- Flyers were passed out to encourage participation in the MLK Parade
- Participated in December winter events
