

Dear District 4 Voter:

I have been a resident of the 4th District for more than 50 years (5 decades) and I am running for the 4th District Council seat. I am a Lincoln High alumnus who attended the University of San Diego and I have worked for the city of San Diego (Fourth District), the County of San Diego (Third District), and the California State Senate (Thirty Ninth District). Presently I am the President/CEO and founder of Suseberry Strategic Group.

Non-profit Experience: I've worked for the Neighborhood House Association, Urban League of San Diego County, and Southeastern Economic Development Corporation (SEDC). I believe that a strong relationship with our local non-profits and small business owners can bring back pride to the 4th District. While working for SEDC as the Assistant Economic Development Manager, I managed and hosted the entrepreneur academy twice a year, working closely with the city of San Diego to assist small business owners in accessing their storefront improvements.

Small Business Owner: Executive Director/Founder of Enchantez Wingz 501c3 non-profit organization, President/CEO of Suseberry Economic Group which was created to continue my work strategizing with residents whose desire was to own their own businesses.
