Re: Skilled and Trained Workforce Report – Plan to Achieve – Plumbers – September 2025
Project: North City Pure Water Facility

To whom it may concern, We are currently only employing three journeyman plumbers. Due to the amount of work currently on the project, we are unable to bring out another worker at this time. If/when the work picks up, Shimmick will request another trained worker from the union.

Should you have any questions or wish to discuss this matter further, please don't hesitate to contact me.

RE: September 2025 STWF Compliance North City Pure Water

JLM Installations Inc. did not meet the Skilled and Trained Workforce Requirements for the month of September 2025. The only available Journeyman at the time was not a trained journeyman.

Moving forward JLM will ensure that we employ trained journeymen on the project to meet the requirements. We have requested a dispatch of a Trained Journeyman to the site for the work to be performed in October 2025. We also have attached a list of all presently employed journeyman we will pull from moving forward.

We anticipate having no more than 2 Journeyman on site at a time.

If you have any questions, please feel free to reach out to me,

Thank You
