Kiewit

To Whom It May Concern:

Kiewit Infrastructure West Co. did not meet the minimum apprentice graduation rate for employed skilled journeypersons for Laborer (60%) and Pipefitter (60%) for January 2026 on the North City Water Reclamation Plant Flow Equalization Basin Project. As the project progresses and the amount of available work increases, Kiewit will continue to monitor this goal and work towards meeting the percentage requirement.

Thank you,
