Project : North City Water Reclamation Plant Expansion

To Whom It May Concern:

Urbina's Master Sweeping, Inc. did not meet the minimum apprentice graduation rate for employed skilled journeypersons for the Operating Engineer (30%) on the North City Water Reclamation Plant Expansion. We are signatory to Operating Engineers Local 12 and will request for an apprentice when needed. We are approved to train apprentices for operating engineers when we can meet the required ratio of four journeymen to one apprentice. We will continue to monitor this goal and work towards meeting the percentage requirement.

Sincerely,

Esther Serna,
Administration
