The City of San Diego responses to questions received at the Mission Bay Restaurant email address follow:

1. Are there conditions under which the City would consider extending the lease term?  
**The proposed lease term is anticipated to be up to 15 years. Any term exceeding 15 years would be subject to applicable Surplus Land Act requirements and approval by the California Department of Housing and Community Development. If such approval is needed, the City would work with the selected proposer through that process.**
2. Financial Questions:
  - Profit & Loss Statements for Dana Landing for each of the last three years 2023-2025
  - Current rent roll for both landside and waterside uses
  - Sales reports for individual tenants
  - Three (3) years of fuel dock sales (both revenue and fuel volume)
  - Current aging report
  - Operating expense information (including landscaping)
  - How much rent annually is the primary leaseholder paying to the City?
  - How much rent is each subtenant paying?
  - What % rent of the leaseholder goes to the City? What % of rent of each subtenant goes to the City?

The City does not provide tenant-specific financial or sales information as part of this solicitation.

Proposers are responsible for conducting their own independent due diligence in evaluating the opportunity.

Any request for additional records may be submitted through the California Public Records Act (CPRA) process, and the City will review and respond in accordance with applicable law.

3. Historical occupancy reports  
Unknown.
4. Current Mission Bay occupancy data  
Unknown.
5. Rate schedule for the slips (\$ charged per month by slip size)  
See Attachment A.
6. Slip matrix (showing slip counts by slip size)  
See Attachment B.
7. Age and condition of the underground fuel tanks, and any historical information on the fuel dock  
The approximate age of the tanks is 27 years. The fuel dock was replaced in 1997. A copy of the fuel tanks permit is attached. See Attachment C.
8. About how many gallons of gas and diesel are sold each year?  
See Attachment D.
9. Whether a recent bathymetric survey has been completed  
Unknown.
10. Whether a current survey exists showing parcel boundaries  
A legal description is included in the current lease as an exhibit. The premises will remain the same size except for the approximately 1-acre parcel which according to the Mission Bay Park Master Plan is designated for potential restaurant use.
11. Site plans identifying square footage of existing buildings  
See Attachment E
12. Responsibility for maintaining water depth within the parcel  
The City is still researching if dredging has been conducted by the City in this location. If not, it will be the lessee's responsibility.
13. Responsibility for maintaining the rip rap within the parcel  
It will be the lessee's responsibility.
14. Are there any use restrictions associated with the additional 1-acre parcel

The only restrictions are those set forth in the Mission Bay Park Master Plan, which is attached to the RFP, the Surplus Land Act guidelines and the California Coastal Commission.

15. Clarification on parking requirements for boaters and landside tenants

There are no reserved parking spots for office or marina tenants.

16. Is there flexibility for operators to propose an alternative parking plan or allocation strategy?

Yes, there is flexibility, provided it does not contradict the Mission Bay Park Masterplan and conforms to Surplus Land Act guidelines and the California Coastal Commission.

17. Any known deferred maintenance issues?

Unknown.

18. Status of any preliminary environmental work or reports?

Unknown.

19. Copy of Wesco lease and subleases

The current lease and subleases are provided as Attachment F for informational purposes only. The existing lease reflects prior agreement and is not intended to represent or establish terms for any future lease. Any future agreement will be subject to negotiation and may differ

**CITY OF SAN DIEGO  
PERCENTAGE LEASE**

THIS LEASE AGREEMENT is executed between the CITY OF SAN DIEGO, a municipal corporation, hereinafter called "CITY," and WESCO SALES CORPORATION, a California corporation, hereinafter called "LESSEE."

**SECTION 1: USES**

1.1 Premises. CITY hereby leases to LESSEE and LESSEE leases from CITY all of that certain real property situated in the City of San Diego, County of San Diego, State of California, described in Exhibit "A" attached hereto and by this reference made part of this agreement. Said real property is hereinafter called the "premises" or "leased premises."

1.2 Uses. It is expressly agreed that the premises are leased to LESSEE solely and exclusively for the purposes of operation and maintenance of a commercial facility entailing the sale of fishing supplies, sporting goods related to marine activities, marine hardware and supplies, marine fuel and lubricants, restaurant, cocktail lounge, and snack bar; the rental of fishing gear, boats, motors, boat slips, dry boat storage, and aquatic sports equipment; and the sale and servicing of outboard motor boats, boat motors, and boat trailers, and of inboard motor boats and sail boats or combinations thereof, and for such other related or incidental purposes as may be first approved in writing by the City Manager and for no other purpose whatsoever. All uses shall be in accordance with the General Development Plan described in Sections 6.12 and 9.2. The use of the premises for any unauthorized purpose shall constitute a substantial default and subject this lease to termination at the sole option of the City.

LESSEE covenants and agrees to use the premises throughout the term hereof for the above-specified purposes and to diligently conduct the business thereon to produce the most gross income that can be reasonably expected. Failure to continuously use the premises for said purposes, or the use thereof for purposes not expressly authorized herein, shall be grounds for termination by CITY. The type and quality of food service furnished by LESSEE shall qualify for the

conditions and requirements of the "A" Card issued by the Department of Health to operators of food handling establishments.

- 1.3 Related Council Actions. By the granting of this lease, neither CITY nor the Council of CITY is obligating itself to any other governmental agent, board, commission, or agency with regard to any other discretionary action relating to development or operation of the premises. Discretionary action includes but is not limited to rezonings, variances, environmental clearances, or any other governmental agency approvals which may be required for the development and operation of the leased premises.
- 1.4 Quiet Possession. LESSEE, paying the rent and performing the covenants and agreements herein, shall at all times during the term peaceably and quietly have, hold, and enjoy the premises. If CITY for any reason cannot deliver possession of the premises to LESSEE at the commencement of the term, or if during the lease term LESSEE is temporarily dispossessed through action or claim of a title superior to CITY'S, then and in either of such events, this lease shall not be voidable nor shall CITY be liable to LESSEE for any loss or damage resulting therefrom, but there shall be determined and stated in writing by the City Manager of CITY a proportionate reduction of the minimum or flat rate rent for the period or periods during which LESSEE is prevented from having the quiet possession of all or a portion of the premises.
- 1.5 Easements and Reservations.
  - a. CITY hereby reserves all rights, title, and interest in any and all subsurface natural gas, oil, minerals, and water on or within the premises.
  - b. CITY reserves the right to grant and use easements or to establish and use rights-of-way over, under, along, and across the leased premises for utilities, thoroughfares, or access as it deems advisable for the public good.
  - c. CITY has the right to enter the premises for the purpose of making repairs to or developing municipal resources and services.

However, CITY shall not unreasonably or substantially interfere with LESSEE'S use of the premises and will reimburse LESSEE for physical damages, if any, to the permanent improvements located on the leased premises resulting from CITY exercising the rights reserved in

this section. Such reimbursement may include a reduction in the rent proportionate to the amount of physical damage as determined by CITY. CITY will pay the costs of maintenance and repair of all CITY installations made pursuant to these reserved rights.

- 1.6 Competent Management: Throughout the term of this lease agreement, LESSEE shall provide competent management of the leased premises to the satisfaction of the City Manager. For the purposes of this paragraph, "competent management" shall mean demonstrated ability in the management and operation of a marina with sales of boats and supplies, boat rentals and repairs, and related activities in a fiscally responsible manner.

## SECTION 2: TERM

- 2.1 Commencement. The term of this agreement shall be twenty-five (25) years commencing on the first day of the calendar month following execution by the City Manager. "Lease year" as used in this lease shall mean the 12-month period commencing on the first day of the calendar month following the execution of this lease by the City Manager.
- 2.2 Holdover. Any holding over by LESSEE after expiration or termination shall not be considered as a renewal or extension of this lease. The occupancy of the premises after the expiration or termination of this agreement constitutes a month-to-month tenancy, and all other terms and conditions of this agreement shall continue in full force and effect; provided, however, CITY shall have the right to apply a reasonable increase in rent to bring the rent to fair market value and to terminate the holdover tenancy at will.
- 2.3 Surrender of Premises. At termination of this lease for any reason, LESSEE shall execute, acknowledge, and deliver to CITY, within five (5) days after written CITY demand, a valid and recordable quitclaim deed covering all of the premises. The premises shall be delivered free and clear of all liens and encumbrances and in a decent, safe, and sanitary condition.

If LESSEE fails or refuses to deliver the required deed, CITY may prepare and record a notice reciting LESSEE'S failure to execute this lease provision, and the notice will be conclusive evidence of the termination of this lease and all LESSEE'S rights to the premises.

### SECTION 3: RENT

- 3.1 Time and Place of Payment. All rents required herein must be made payable to the City Treasurer and mailed to the Office of the City Treasurer, City of San Diego, P.O. Box 2289, San Diego, California, 92112-4165, or delivered to the Office of the City Treasurer, City Operations Building, 1222 First Avenue, Third Floor, San Diego, California.

The place of payment may be changed at any time by CITY upon thirty (30) days' written notice to LESSEE. Mailed rental payments shall be deemed paid upon the date such payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed paid upon actual receipt by the City Treasurer. LESSEE assumes all risk of loss and responsibility for late payment charges if payments are made by mail.

3.2 Rent.

- a. Minimum Rent. The annual minimum rent established for the first five (5) years following the effective date of this lease is One Hundred Thousand Dollars (\$100,000), which is Eight Thousand Three Hundred Thirty-three and 33/100 dollars on a monthly basis.

If the minimum rent is greater than the percentage rent on a calendar month basis, then 1/12 of the annual minimum rent is required to be paid for that month. Minimum rents are to be paid in monthly installments on or before the day of the calendar month when percentage rents are due pursuant to Section 3.3, Payment Procedure, hereof.

Provided, however, in the event that the combined total percentage rent payments and monthly installments during any lease year equal or exceed the required annual minimum rent for that year, then for the balance of such year, LESSEE shall discontinue paying monthly installments of the minimum rent and shall continue paying only percentage rents until the beginning of the ensuing lease year. Provided further, in the event minimum rents paid plus percentage rents paid exceed the annual minimum rent and also exceed the rent which would have been paid if the percentage rent had been paid on total gross income, the excess over the annual minimum rent shall be credited against the next

payable rent as it becomes due. It is the intent of this provision that LESSEE shall pay monthly installments of the annual minimum rent as a guarantee against the percentage rent requirement and that the greater of the two requirements, minimum or percentage, whichever occurs throughout the term, shall prevail on an annual basis.

- b. Minimum Rent Reduction. During the renovation and replacement of the boat slips, the City will reduce the minimum rent by the percentage amount of minimum rent attributable to the boat slips as determined by the City Manager. LESSEE will provide City with the total number of boat slips and the number of boat slips to be replaced so that the City will be able to determine the percentage of reduction of the minimum rent. The minimum rent will not be reduced unless approved in writing by the City Manager prior to the beginning of replacing the boat slips. In no event shall the minimum rent be reduced for a period in excess of six months which the parties agree is a reasonable time for completion of the dock replacement.
- c. Minimum Rent Adjustment. Effective at the beginning of the first day of the sixth lease year of this lease and at the beginning of each two and one-half year period thereafter during the term, the annual minimum rent shall be eighty percent (80%) of the annual average of actual rents paid or accrued during the two (2) years preceding the adjustment date. Said annual minimum rent shall then be divided by twelve (12) to establish the new monthly minimum rent. It is recognized that such adjustments shall be calculated by CITY upon completion of payments due for the preceding rental period in order to determine the amount of the adjustment to be effective on the dates stated herein. Until such calculations are completed, LESSEE shall continue paying monthly minimum rents at the prior rate. Any additional rents determined by the adjustment to be due for the months previously paid at the prior rate shall be paid to CITY within thirty (30) days following written notice. In no event shall any such minimum rent adjustment result in a decrease in the minimum rent requirement in effect immediately prior to the adjustment date.
- d. Percentage Rents. Percentage rents will be calculated on a calendar month basis and will consist of the following percentages of the gross income resulting from the use of the premises:

Percentages

Business Activities

Three Percent (3%)

Of gross income from sales of petroleum products excepting diesel fuel.

One and One-Half Percent (1-1/2%)

Of gross income from sales of diesel fuel.

Five Percent (5%)

Of gross income from commissions paid to LESSEE on sales involving property sold by LESSEE in which LESSEE has no financial interest.

Three Quarters of One Percent (3/4%)

Of gross income from sales of boats and boat motors, and any boat trailers and other accessories included in the boat and motor sale.

Four Percent (4%)

Of gross income from servicing of boats and motors, sales of boat and motor parts, accessories to boats and motors, and marine hardware.

Three Percent (3%)

Of gross income from sales of food and nonalcoholic beverages.

Six Percent (6%)

Of gross income from sales of alcoholic beverages.

Twenty-Five Percent (25%)

Of gross income from rentals of boat slips and related wet storage.

Twenty-Five Percent (25%)

Of gross income from commissions or any other compensation paid to LESSEE or sublessees for the right to install or operate coin-operated vending, game, or service machines or devices on the premises, including telephones, or 10% of the gross income from any such coin-operated machines or devices owned, rented, or leased by LESSEE or sublessees for use on the premises.

Twenty Percent (20%) Of gross income from rentals for small boat storage.

Ten Percent (10%) Of gross income from all other authorized activities.

The City Manager, in his sole discretion and subject to review of similar percentage rates paid by other LESSEES in Mission Bay, may approve another percentage rate or flat rate of rent for each other incidental service or operation supplementary to the permitted use(s) set forth under Section 1.2, Uses, hereof as may be approved in writing by the City Manager. Provided, however, any activity conducted on the premises without prior approval by the City Manager shall be subject to the requirements of Section 3.7, Unauthorized Use Charge, hereof.

- e. Percentage Rate Adjustment. At least four (4) months prior to the end of the tenth year of the term of this agreement and at least four (4) months prior to the end of each ten-year period thereafter, the parties hereto, by mutual consent or through appraisal as hereinafter set forth, will adjust the percentage rates of LESSEE'S gross income to be paid CITY effective upon the first day of the succeeding ten-year period. Said adjustment will be made to the degree necessary to provide a fair rental to CITY as determined by the City Manager and LESSEE, taking into consideration the criteria set forth in Section 3.2f., below. In no event shall any adjustment result in a decrease in any percentage rental rate. In the event that such adjustment is not made by mutual consent prior to two (2) months before the end of said ten-year periods, then the parties hereto will refer the matter to appraisal under the terms hereinafter set forth. The City Manager shall have the sole discretion to waive the appraisal process if it is concluded by the City Manager that no significant change in percentages is appropriate.
- f. Percentage Rate Appraisal. In the event the parties do not agree upon the amount of adjustment to said percentage rates as provided for in the previous section, then the adjustment shall be determined by a qualified professional independent real estate appraiser selected by mutual consent of the parties to this agreement from the list of appraisers approved by CITY and LESSEE. In the event the parties do not reach agreement as to selection of a mutually acceptable appraiser, then CITY and LESSEE shall each select a qualified professional independent real

estate appraiser who in turn will select a third qualified professional independent real estate appraiser, which third appraiser will be employed to set the percentage rates to be applied to LESSEE'S percentage rate adjustment. In the event a mutually acceptable third appraiser is not agreed upon between the two selected appraisers within ten (10) days, then the third appraiser will be appointed by the presiding judge of the Superior Court of the State of California, County of San Diego, acting in his or her individual capacity, upon application by either CITY or LESSEE with prior notice thereof to the other party. In the event the Superior Court judge declines to make the appointment, the parties hereto agree that the third appraiser shall be promptly determined in accordance with the rules of the American Arbitration Association. Said third appraiser shall complete the assignment within sixty (60) days of appointment. Each party shall pay the cost of its own selected appraiser, and both CITY and LESSEE agree to equally share the cost of the third mutually selected or court-appointed appraiser. Subject to the limitations contained herein regarding no reduction in percentage rates, CITY and LESSEE agree to accept and be bound by the percentage rates determined by the appraiser selected or appointed to complete the assignment.

In establishing the percentage rates for the items under controversy, the appraiser shall consider CITY'S property as a fee simple absolute estate, and as vacant and available for a full lease term equal to the initial full term of this lease on the open market for the authorized purposes of this lease at the commencement of the rental period under review. The appraiser will be guided by prevailing market percentage rates for similar operations primarily within the Southern California area, if available. In the event the appraisal is not completed in time to permit the percentage adjustment to be made upon the applicable commencement of the ten-year period, LESSEE agrees to continue to pay rent in accordance with the then-existing lease rates, and the adjustment, when determined, will be retroactive to said effective date of rental adjustment as hereinabove established. Any deficiency shall be paid by LESSEE to CITY within sixty (60) days after determination of the new percentage rate(s). IN NO EVENT; HOWEVER, SHALL ANY RENT ADJUSTMENT RESULT IN ANY DECREASE IN ANY PERCENTAGE RENTAL RATE.

- 3.3 Payment Procedure. On or before the last day of the calendar month following the calendar month in which the gross income subject to

rents was earned, LESSEE shall provide CITY with a correct statement together with a payment of rent on all applicable gross receipts in a form selected by CITY. The statement will be signed by LESSEE or its authorized agent attesting to the accuracy thereof, which shall be legally binding upon LESSEE. Each statement will indicate or include:

- a. One-twelfth of the annual minimum rent until the full annual rent is achieved in any lease year.
- b. Total gross receipts for the subject month, itemized as to business categories for which separate percentage rents are established. A gross receipts breakdown of each business conducted on the premises must be included when a reported category shows gross income to be from more than one business operation.
- c. The percentage rental due CITY, computed and totaled.
- d. The accumulated total of all rents previously paid for the current lease year.
- e. Payment in the greater of the two following amounts:

One-twelfth of the annual minimum rent or the total percentage rent due CITY computed as described in this section.

Any rents due CITY from sublease activities or operations will begin with the earliest of the following dates (whether or not prior approval was given by CITY as required by this lease and whether or not a separate percentage rent was established by CITY):

- (1) Sublease commencement date.
- (2) Physical occupancy date.
- (3) Earliest activity date (i.e., sale of goods, solicitation of business, construction or alterations, etc.).

- 3.4 Gross Income. "Gross income" or "gross receipts," as used in this lease, shall include all income resulting from occupancy of the leased premises from whatever source derived whether received or to become due. Provided, however, gross income shall not include federal, state, or municipal taxes collected from the consumer (regardless of whether the amount thereof is stated to the consumer

as a separate charge), sales of fixtures and equipment, deposits taken as security for return, any assessments made for construction or maintenance of common areas made by or performed by LESSEE or Sublessees, discounts and allowances to customers and paid over periodically by LESSEE to a governmental agency accompanied by a tax return or statement as required by law. Possessory interest taxes or other property taxes shall not be deducted by LESSEE in computing gross income. Gross income shall not include refunds for goods returned for resale on the premises or refunds of deposits. The amount of such taxes and refunds shall be clearly shown on the books and records of LESSEE. The percentage rent shall be calculated and paid by LESSEE on the basis of said gross income whether the income is received by LESSEE or by any sublessee, permittee or licensee, or their agents, and all gross income received by any sublessee, permittee, licensee, or other party as a result of occupancy of said premises or the operation thereof shall be regarded as gross income of LESSEE for the purpose of calculating the percentage rent hereunder required to be paid by LESSEE to CITY, except as may be otherwise specified by or pursuant to this lease.

### 3.5 Inspection of Records.

- a. Records. LESSEE shall, at all times during the lease term, keep or cause to be kept true and complete books, records, and accounts of all financial transactions in the operation of all business activities conducted upon and financial transactions resulting from the use of the premises. The records shall be supported by source documents such as sales slips, daily cash register tapes, purchase invoices, or other documents as necessary to allow CITY to easily determine the total gross income.

Any retail sales or charges will be recorded by means of cash registers or other comparable devices which display to the customer the amount of the transaction and automatically issue a receipt. The registers will be equipped with devices that lock in sales totals and other transaction numbers and sales details that are not resettable. Totals registered shall be read and recorded at the beginning and end of each business day.

In the event of admission charges or rentals, LESSEE shall issue serially numbered tickets for each such admission or rental and shall keep an adequate record of such tickets, as well as a record of unissued tickets.

All retail sales and charges may be recorded by a system other than cash registers or other comparable devices provided such system is approved by CITY.

- b. Financial Statements. Within sixty (60) days after the end of each lease year as previously established herein, LESSEE will, at its expense, submit to CITY a statement in which the total gross receipts and the corresponding amounts of rents paid CITY for the year are classified according to the categories of business established for any percentage rental and for any other business conducted on or from the premises. Said statement shall be signed by LESSEE or its authorized agent attesting to the accuracy thereof, which shall be legally binding upon LESSEE.
- c. Right to Inspect. All LESSEE'S books of account, records, and supporting documentation, as described under Section 3.5a., Records, will be kept for at least five (5) years and made available to CITY in one location within the City of San Diego. Said books and records shall be maintained separate from all other accounts not relating to the leased premises. The CITY, at its discretion, shall have the right to inspect and audit the business of LESSEE, its agents, sublessees, concessionaires, and licensees operating on and in connection with the premises as necessary and appropriate for CITY to determine the amounts of rent due CITY in compliance with the requirements of this lease. CITY may exercise its right to inspect and audit under this subsection, once each lease year without cause.

At CITY'S request, LESSEE shall promptly provide, at LESSEE'S expense, any necessary data to enable CITY to fully comply with all requirements of the state or federal government for lease information or reports concerning the premises. Such data will include, if required, a detailed breakdown of LESSEE'S receipts and expenses. CITY may exercise its right to inspect and audit under this subsection, once each year without cause. The books and records required to be kept under this subsection 3.5 shall refer solely to those which are related to the leased premises.

- d. Audit Cost. The full cost of CITY'S audit(s) will be borne by CITY unless one or both of the following conditions exists, in which case LESSEE hereby agrees to pay CITY'S cost of audit(s):
  - (1) The audit(s) reveal an underpayment of more than five percent (5%) or more than \$10,000, whichever is less,

between the rent due as reported and paid by LESSEE pursuant to this lease and rent due as determined by the audit(s); or

- (2) LESSEE has failed to maintain complete and true books, records, accounts, and supporting source documents in strict accordance with this section hereof.
- (3) Subject to the requirements of the California Public Records Act, CITY shall hold all sales figures and related information and records and reports obtained from LESSEE, in confidence, except as may be necessary for the enforcement of CITY's rights under this lease.

LESSEE shall pay any deficiency determined by the audit(s) plus interest on such amount as defined in Section 3.6, Delinquent Rent and Audit Fees, hereof, within thirty (30) days of notice thereof by CITY. CITY will credit any overpayment against incoming rents. Any overpayment determined after the end of this lease will be refunded by CITY within thirty (30) days of confirmation by the City Manager of the audit(s) findings.

- e. Default. LESSEE'S failure to keep complete and accurate records by means of double-entry bookkeeping and make them available for CITY inspection is, like all other failures to comply with covenants of this lease, a breach of this lease and cause for termination.

- 3.6 Delinquent Rent and Audit Fees. If LESSEE fails to pay the rent when due, LESSEE will pay, in addition to the unpaid rents, five percent (5%) of the delinquent rent. If the rent is still unpaid at the end of fifteen (15) days, LESSEE shall pay an additional five percent (5%) [being a total of ten percent (10%)], which is hereby mutually agreed by the parties hereto to be appropriate to compensate CITY for loss resulting from rental delinquency, including lost interest, opportunities, legal costs, and the cost of servicing the delinquent account.

In the event CITY audit(s), if applicable, discloses that the rent for the audited period(s) has been underpaid in excess of five percent (5%) of the total required rent, then LESSEE shall pay CITY the cost of the audit(s) plus ten percent (10%) per year on the amount by which said rent was underpaid, in addition to the unpaid rents as shown to be due CITY as compensation to CITY for administrative costs and loss of interest as previously described herein. In the event CITY audit(s)

discloses that the unpaid rent is less than five percent (5%) of the total rent, and should LESSEE fail to pay said unpaid rent within thirty (30) days after written notice from CITY, an additional fee of ten percent (10%) of said unpaid amount shall be added to the unpaid amount to compensate CITY for costs and losses due to such nonpayment. LESSEE agrees to pay such amounts and further agrees that the specific late charges represent a fair and reasonable estimate of the costs that CITY will incur from LESSEE'S late payment. Acceptance of late charges and any portion of the late payment by CITY shall in no event constitute a waiver of LESSEE default with respect to late payment, nor prevent CITY from exercising any of the other rights and remedies granted in this lease.

- 3.7 Unauthorized Use Charge. LESSEE shall pay CITY twenty percent (20%) of the gross receipts for any service or use that is not permitted by this lease. This payment is subject to the due date provided in this lease for rental payments and the provision for delinquent rent. The existence of the twenty percent (20%) charge in this clause and the payment of this charge or any part of it, does not constitute an authorization for a particular service or use, and does not waive any CITY rights to terminate a service or use or to default LESSEE for participating in or allowing any unauthorized use of the leased premises.
- 3.8 Development as Additional Consideration. LESSEE agrees that additional and substantial consideration for granting this lease is LESSEE'S obligation to develop the leased premises in accordance with the CITY-approved Development Plan identified in Section 6.12, Development Plan, hereof.

#### SECTION 4: ASSIGNMENT

- 4.1 Time is of Essence; Provisions Binding on Successors. Time is of the essence of all of the terms, covenants, and conditions of this lease, and, except as otherwise provided herein, all of the terms, covenants, and conditions of this lease shall apply to, benefit, and bind the successors and assigns of the respective parties, jointly and individually.
- 4.2 Assignment and Subletting. LESSEE shall not assign this lease or any interest therein and shall not sublet the premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person, except employees, agents, and guests of LESSEE, to use or

occupy the premises or any part thereof, without the prior written consent of the City Manager in each instance. A consent to assignment, subletting, occupation, or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation, or use by another person. Any such assignment or subletting without such consent shall be void and shall, at the option of CITY, terminate this lease. This lease shall not, nor shall any interest therein, be assignable as to the interest of LESSEE by operation of law, without the written consent of the City Manager.

"Assignment" for the purposes of this clause shall include any transfer of any ownership interest in this lease by LESSEE or by any partners, principals, or stockholders, as the case may be, from the original LESSEE, its general partners, or principals.

Approval of any assignment or sublease shall be conditioned upon the assignee or sublessee agreeing in writing that it will assume the rights and obligations thereby assigned or subleased and that it will keep and perform all covenants, conditions, and provisions of this agreement which are applicable to the rights acquired.

The City Manager shall require, as a condition to approval of any sublease of the majority portion of the leasehold or any assignment, that the LESSEE pay additional consideration to CITY, as hereinafter set forth in Section 4.4, Additional Consideration, commencing at the effective date of such proposed sublease of the majority portion of the leasehold or assignment and shall further require that this lease or the requested sublease otherwise be revised to comply with standard CITY lease requirements that are then current.

- 4.3 Encumbrance. Subject to prior consent by CITY, which shall not be unreasonably withheld, LESSEE may encumber this lease, its leasehold estate, and its improvements thereon by deed of trust, mortgage, chattel mortgage, or other security instrument to assure the payment of a promissory note or notes of LESSEE, upon the express condition that the net proceeds of such loan or loans be devoted exclusively to the purpose of developing the leased premises in accordance with Sections 6.12 and 9.2, Development Plan, hereof. However, a reasonable portion of the loan proceeds may be disbursed for payment of incidental costs of construction, including but not limited to the following: off-site improvements for service of the premises; on-site improvements; escrow charges; premiums for hazard insurance or other insurance or bonds required by CITY; title insurance premiums; reasonable loan costs such as discounts, interest, and commissions;

and architectural, engineering, and attorneys' fees and such other normal expenses incidental to such construction.

Any subsequent encumbrances on the premises or on any permanent improvements thereon must first have the approval in writing of the City Manager. Such subsequent encumbrances shall also be for the exclusive purpose of development of the premises. Provided, however, after the premises are fully developed in accordance with said Development Plan to the satisfaction of the City Manager, proceeds from refinancing or from such subsequent encumbrances may be used to reduce LESSEE'S equity so long as LESSEE pays additional consideration to the CITY as hereinafter set forth in Section 4.4, Additional Consideration therefrom. LESSEE understands and specifically agrees that the City Manager shall have the sole and absolute discretion to approve or disapprove any such proposed subsequent encumbrance, including but not limited to amending the lease to provide then-current rents and provisions.

In the event any such approved deed of trust or mortgage or other security-type instrument should at any time be in default and be foreclosed or transferred in lieu of foreclosure, CITY will accept the approved mortgagee or beneficiary thereof as its new tenant under this lease with all the rights, privileges, and duties granted and imposed in this lease.

Upon prior written approval by CITY, said mortgagee or beneficiary may assign this lease to its nominee, if nominee is a reputable, qualified, and financially responsible person in the opinion of CITY. Any deed of trust, mortgage, or other security instrument shall be subject to all of the terms, covenants, and conditions of this lease and shall not be deemed to amend or alter any of the terms, covenants, or conditions hereof. Pursuant to City Charter Section 225, the City Manager must approve every person or entity which will have a financial interest in this lease. The CITY's approval will not be unreasonably withheld, so long as all such persons and entities are of good character and reputation in the community.

- 4.4 Additional Consideration in the Event of Assignment, Majority Subletting, or Refinancing. LESSEE acknowledges that CITY expends considerable sums for maintenance of Mission Bay Park areas adjacent to the leasehold. LESSEE further acknowledges that the expenditure of such funds enhances the value of the leasehold. LESSEE and CITY agree that the exact amount of such enhancement is impossible to ascertain. However, CITY desires to be reimbursed to a reasonable

extent in consideration for the continued maintenance of adjacent park areas. Therefore, LESSEE and CITY agree that in the event of an assignment; in the event of a subletting of the majority portion of the leasehold; or in the event of a refinancing creating an encumbrance against the leasehold after the permanent improvements have been constructed, pursuant to the Development Plan as described in Section 6.12 hereof, LESSEE shall pay to CITY two percent (2%) of the gross amount paid for the leasehold in connection with an approved assignment of the lease, two percent (2%) of any amount paid LESSEE in consideration of a sublease of all or a majority portion of the leasehold, or two percent (2%) of the amount of any increased loan or encumbrance against the property over and above the amount of the encumbrance needed to finance the improvements. The amount upon which the two percent (2%) shall be based shall be the total consideration resulting from the transaction including total cash payments and the market value of noncash consideration, including but not limited to stocks, bonds, deferred payments, secured and unsecured notes, and forbearances regarding claims and judgments, less \$2.25 million for the cost of improvements described in Section 9.12, hereof, reduced annually by \$90,000. In determining the two percent (2%) transfer fee, costs of the closing the transaction (i.e., commissions, title policies, appraisal and survey costs) shall be excluded from the gross amount paid provided that such amounts shall not exceed two percent (2%) of the proceeds of the subject transaction, and such closing and investment costs shall be the only exclusions from such gross proceeds in determining the two percent (2%) transfer fee. Prior to CITY'S consent to any assignment, majority subletting, or refinancing, LESSEE shall deliver to CITY a written statement of all sums due and owing to CITY from LESSEE pursuant to the provisions of this paragraph, together with an acknowledgement from the proposed assignee, sublessee, or refinancing agency as to the amount due CITY. The sum due CITY shall be payable in full to CITY concurrent with the completion of the transaction, be it an assignment, a sublease, or a refinancing. Any assignment, subletting, or refinancing in violation of the terms and conditions of this paragraph shall be void. The provisions of this paragraph shall not apply to:

- a. An assignment or transfer of a beneficial interest in the leasehold resulting from devise, bequest, intestate succession, or by operation of law for the benefit of the spouse or descendants (i) of LESSEE (if an individual) or (ii) of LESSEE'S principal owner or chief executive officer (if LESSEE is other than an individual);

- b. Such other assignment for which the City Manager determines that the legal equitable ownership interests in the leasehold have remained unchanged, such as a change in the legal or fictitious name of the LESSEE without any other change in the equity in beneficial use of, or legal title to, the leasehold as an asset or the income produced thereby.

4.5 Defaults and Remedies.

a. Default. In the event that:

- (1) LESSEE shall default in the performance of any covenant or condition required by this lease to be performed by LESSEE and shall fail to cure said default within thirty (30) days following written notice thereof from CITY; or if any such default is not curable within thirty (30) days, and LESSEE shall fail to commence to cure the default(s) within said thirty-day period and diligently pursue such cure to completion; or
- (2) LESSEE shall voluntarily file or have involuntarily filed against it any petition under any bankruptcy or insolvency act or law; or
- (3) LESSEE shall be adjudicated a bankrupt; or
- (4) LESSEE shall make a general assignment for the benefit of creditors;

then CITY may, at its option, without further notice or demand upon LESSEE or upon any person claiming rights through LESSEE, immediately terminate this lease and all rights of LESSEE and of all persons claiming rights through LESSEE to the premises or to possession thereof; and CITY may enter and take possession of the premises. Provided, however, in the event that any default described in Section 4.5a.(1) hereinabove is not curable within thirty (30) days after notice to LESSEE, CITY shall not terminate this lease pursuant to the default if LESSEE immediately commences to cure the default and diligently pursues such cure to completion.

In the event there is a deed of trust or mortgage on the leasehold interest, CITY shall give the mortgagee or beneficiary written notice of the default(s) complained of, and the same mortgagee or

beneficiary shall have thirty (30) days from such notice to cure the default(s) or, if any such default is not curable within thirty (30) days, to commence to cure the default(s) and diligently pursue such cure to completion. The thirty-day period may be extended during such time as mortgagee or beneficiary pursues said cure with reasonable diligence.

- b. Right of Substitution. Any lender holding a beneficial interest in the leasehold, whose qualifications as an assignee have been approved by CITY, shall have the absolute right to substitute itself to the estate of LESSEE hereunder and to commence performance of this lease. If such mortgagee or beneficiary shall give notice in writing of its election to so substitute itself within the thirty-day period after receiving written notice by CITY of the default, and the default, if curable, is cured by such mortgagee or beneficiary, then this lease shall not terminate pursuant to the default. In that event, CITY expressly consents to the substitution and authorizes the mortgagee or beneficiary to perform under this lease with all the rights, privileges, and obligations of LESSEE, subject to cure of the default, if possible, by mortgagee or beneficiary. LESSEE expressly agrees to assign all its interest in and to its leasehold estate to mortgagee or beneficiary in that event.

4.6 Eminent Domain. If all or part of the premises are taken through condemnation proceedings or under threat of condemnation by any public authority with the power of eminent domain, the interests of CITY and LESSEE (or beneficiary or mortgagee) will be as follows:

- a. In the event the entire premises are taken, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- b. In the event of a partial taking, if, in the opinion of CITY, the remaining part of the premises is unsuitable for the lease operation, this lease shall terminate on the date of the transfer of title or possession to the condemning authority, whichever first occurs.
- c. In the event of a partial taking, if, in the opinion of CITY, the remaining part of the premises is suitable for continued lease operation, this lease shall terminate in regard to the portion taken on the date of the transfer of title or possession to the condemning authority, whichever first occurs, but shall continue

for the portion not taken. The minimum rent shall be equitably reduced to reflect the portion of the premises taken.

- d. Award. All monies awarded in any such taking shall belong to CITY, whether such taking results in diminution in value of the leasehold or the fee or both; provided, however, LESSEE shall be entitled to any award attributable to the taking of, or damages to LESSEE'S then remaining leasehold interest in installations or improvements of LESSEE. CITY shall have no liability to LESSEE for any award not provided by the condemning authority.
- e. Transfer. CITY has the right to transfer CITY'S interests in the premises in lieu of condemnation to any authority entitled to exercise the power of eminent domain. If a transfer occurs, LESSEE shall retain whatever interest it may have in the fair market value of any improvements placed by it on the premises in accordance with this lease.
- f. No Inverse Condemnation. The exercise of any CITY right under this lease shall not be interpreted as an exercise of the power of eminent domain and shall not impose any liability upon CITY for inverse condemnation.

4.7 Control by Specified Individuals or Entities. The corporation named herein as LESSEE shall remain owned and controlled by the Frank W. Butler Trust, Frank W. Butler as trustee, at least to the extent of 95 percent of the issued stock of said corporation, and he shall actively administer and supervise the business enterprise operated on the premises. In the event Mr. Butler becomes incapacitated, then the stockholders shall select a manager acceptable to CITY to so administer and supervise the lease operations. Sale or transfer of stock or divestment of any interest in said corporation, except as provided for in subsection 4.4 by the Frank W. Butler Trust, Frank W. Butler as trustee, in excess of 5 percent shall be considered an assignment of interest and shall be treated in accordance with the provisions of Section 4.2, Assignment and Subletting, hereof; provided, however, that the stock of any stockholder may be assigned to his or her spouse or direct lineal heirs upon notification in writing to CITY.

## SECTION 5: INSURANCE RISKS/SECURITY

5.1 Indemnity. LESSEE agrees to defend, indemnify, protect, and hold the CITY, its agents, officers, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to LESSEE'S employees, invitees, guests, agents, or officers, which arise out of or are in any manner directly or indirectly connected with the development or operation of the leasehold or the work to be performed under this agreement, and all expenses of investigating and defending against same; provided, however, that LESSEE'S duty to indemnify and hold harmless shall not include any claims or liability arising from the established active negligence, sole negligence, or sole willful misconduct of the CITY, its agents, officers, or employees.

5.2 Insurance.

a. LESSEE shall take out and maintain at all times during the term of this lease the following insurance at its sole expense:

- (1) Public liability and property damage insurance in the amount of not less than One Million Dollars (\$1,000,000). Combined Single Limit Liability with an occurrence claims form. This policy shall cover all injury or damage, including death, suffered by any party or parties from acts or failures to act by CITY or LESSEE or by authorized representatives of CITY or LESSEE on or in connection with the use or operation of the premises.
- (2) Fire, extended coverage, and vandalism insurance policy on all insurable property on the premises in an amount to cover 100 percent of the replacement cost. Any proceeds from a loss shall be payable jointly to CITY and LESSEE. The proceeds shall be placed in a trust fund to be reinvested in rebuilding or repairing the damaged property. If there is a mortgage or trust deed on the leasehold in accordance with Section 4.3, Encumbrance, hereof, the proceeds may be paid to the approved mortgagee or beneficiary so long as adequate provision reasonably satisfactory to CITY has been made in each case for the use of all proceeds for repair and restoration of damaged or destroyed improvements on the premises.

- b. LESSEE'S responsibility to maintain said insurance also includes the following:
- (1) Additional Insured. All insurance policies will name CITY as an additional insured, protect CITY against any legal costs in defending claims, and will not terminate without thirty (30) days' prior written notice to CITY. All insurance companies must be satisfactory to CITY and licensed to do business in California. All policies will be in effect on or before the first day of the lease, except "course of construction fire insurance" shall be in force on commencement of all authorized construction on the premises, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. A copy of the insurance policy will remain on file with CITY during the entire term of the lease. At least thirty (30) days prior to the expiration of each policy, LESSEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the terms of this lease.
  - (2) Modification. By providing LESSEE sixty (60) days' prior written notice, CITY may require the reasonable revision of amounts and coverages to bring insurance amounts and coverages into line with comparable marinas in San Diego County. Said revisions shall not occur more than once every three (3) years. Due consideration shall be given to inflation and additional risks as reflected by court awards in the community. CITY'S requirements shall be designed to assure protection from and against the kind and extent of risk existing on the premises. LESSEE also agrees to obtain any additional insurance required by CITY for new improvements, in order to meet the requirements of this lease.
  - (3) Accident Reports. LESSEE shall report to CITY any accident causing more than TEN THOUSAND DOLLARS (\$10,000) worth of property damage or any serious injury to persons on the premises. This report shall contain the names and addresses of the parties involved, a statement of the circumstances, the date and hour, the names and addresses of any witnesses, and other pertinent information.
  - (4) Failure to Comply. If LESSEE fails or refuses to take out and maintain the required insurance or fails to provide the proof of coverage, CITY has the right to obtain the insurance. LESSEE

shall reimburse CITY for the premiums paid with interest at the maximum allowable legal rate then in effect in California. CITY shall give notice of the payment of premiums within thirty (30) days of payment stating the amount paid, names of the insurer(s), and rate of interest. Said reimbursement and interest shall be paid by LESSEE on the first (1st) day of the month following the notice of payment by CITY.

Notwithstanding the preceding provisions of this Subsection (4), if LESSEE fails or refuses to take out or maintain insurance as required in this lease or fails to provide the proof of insurance, CITY has the right to declare this lease in default without further notice to LESSEE, and CITY shall be entitled to exercise all legal remedies in the event of such default.

- 5.3 Waste, Damage, or Destruction. LESSEE agrees to give notice to CITY of any fire or other damage causing more than Ten Thousand (\$10,000.00) Dollars worth of damage that may occur on the leased premises within ten (10) days of such fire or damage. LESSEE agrees not to commit or suffer to be committed any waste or injury or any public or private nuisance, to keep the premises clean and clear of refuse and obstructions, and to dispose of all garbage, trash, and rubbish in a manner satisfactory to CITY. If the leased premises shall be damaged by any cause which puts the premises into a condition which is not decent, safe, healthy, and sanitary, LESSEE agrees to make or cause to be made full repair of said damage and to restore the premises to the condition which existed prior to said damage; or, at CITY'S option, LESSEE agrees to clear and remove from the leased premises all debris resulting from said damage and rebuild the premises in accordance with plans and specifications previously submitted to CITY and approved in writing in order to replace in kind and scope the operation which existed prior to such damage, using for either purpose the insurance proceeds as set forth in Section 5.2, Insurance, hereof.

LESSEE agrees that preliminary steps toward performing repairs, restoration; or replacement of the premises shall be commenced by LESSEE within thirty (30) days, and the required repairs, restoration, or replacement shall be completed within a reasonable time thereafter. CITY shall not allow any deduction in the minimum annual rent requirement for such period or periods that said premises are untenable by reason of such damage and LESSEE is encouraged to maintain business interruption insurance.

## SECTION 6: IMPROVEMENTS/ALTERATIONS/REPAIRS

- 6.1 Acceptance of Premises. By signing this lease, LESSEE represents and warrants that it has independently inspected the premises and made all tests, investigations, and observations necessary to satisfy itself of the condition of the premises. LESSEE agrees it is relying solely on such independent inspection, tests, investigations, and observations in making this lease. LESSEE further acknowledges that the premises are in the condition called for by this lease, that CITY has performed all work with respect to the premises, and that LESSEE does not hold CITY responsible for any defects, whether apparent or latent, in the premises.
- 6.2 Entry and Inspection. CITY reserves and shall always have the right to enter said premises for the purpose of viewing and ascertaining the condition of the same, or to protect its interests in the premises, or to inspect the operations conducted thereon. In the event that such entry or inspection by CITY discloses that said premises are not in a decent, safe, healthy, and sanitary condition, CITY shall have the right, after ten (10) days' written notice to LESSEE, to have any necessary maintenance work done at the expense of LESSEE, and LESSEE hereby agrees to pay promptly any and all costs incurred by CITY in having such necessary maintenance work done, in order to keep said premises in a decent, safe, healthy, and sanitary condition. Further, if at any time CITY determines that said premises are not in a decent, safe, healthy, and sanitary condition, CITY may at its sole option, without additional notice, require LESSEE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy, and sanitary. Said bond shall be in an amount adequate in the opinion of CITY to correct the said unsatisfactory condition. LESSEE shall pay the cost of said bond. The rights reserved in this section shall not create any obligations on CITY or increase obligations elsewhere in this lease imposed on CITY.
- 6.3 Maintenance. LESSEE agrees to assume full responsibility and cost for the construction, operation and maintenance of the premises throughout the term. LESSEE will make all repairs and replacements necessary to maintain and preserve the premises in a decent, safe, healthy, and sanitary condition satisfactory to CITY and in compliance with the Development Plan described in Sections 6.12 and 9.2, Development Plan, hereof and with all applicable laws.

- 6.4 Improvements/Alterations. No improvements, structures, or installations shall be constructed on the premises, and the premises may not be altered by LESSEE without prior written approval by the City Manager. Further, LESSEE agrees that major structural or architectural design alterations to approved improvements, structures, or installations may not be made on the premises without prior written approval by the City Manager and that such approval shall not be unreasonably withheld. This provision shall not relieve LESSEE of any obligation under this lease to maintain the premises in a decent, safe, healthy, and sanitary condition, including structural repair and restoration of damaged or worn improvements. CITY shall not be obligated by this lease to make or assume any expense for any improvements or alterations.
- 6.5 Utilities. LESSEE agrees to order, obtain, and pay for all utilities and service and installation charges in connection with the development and operation of the leased premises. All utilities will be installed underground.
- 6.6 Construction Bond. Whenever there is any construction to be performed on the premises, LESSEE shall cause to be deposited with CITY, prior to commencement of said construction, a faithful performance bond in the amount of 100 percent of the estimated construction cost of the work to be performed. The bond may be in cash or may be a corporate surety bond or other security satisfactory to CITY. The bond shall insure that the construction commenced by LESSEE shall be completed in accordance with the plans approved by CITY or, at the option of CITY, that the uncompleted construction shall be removed and the premises restored to a condition satisfactory to CITY. The bond or cash will be held in trust by CITY for the purpose specified above or, at CITY'S option, it may be placed in an escrow or other trust approved by CITY.
- 6.7 Liens. LESSEE shall at all times save CITY free and harmless and indemnify CITY against all claims for labor or materials in connection with operations, improvements, alterations, or repairs on or to the premises and the costs of defending against such claims, including reasonable attorneys' fees.

If improvements, alterations, or repairs are made to the premises by LESSEE or by any party other than CITY, and a lien or notice of lien is filed, LESSEE shall within five (5) days of such filing either:

- a. take all actions necessary to record a valid release of lien, or

- b. cause to be filed with CITY a bond, cash, or other security acceptable to CITY sufficient to pay in full all claims of all persons seeking relief under the lien.

6.8 Taxes. Subject to the laws of appeal, LESSEE agrees to pay, before delinquency, all taxes, assessments, and fees assessed or levied upon LESSEE or the premises, including the land, any buildings, structures, machines, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by LESSEE or levied by reason of the business or other LESSEE activities related to the leased premises, including any licenses or permits. LESSEE recognizes and agrees that this lease may create a possessory interest subject to property taxation, and that LESSEE may be subject to the payment of taxes levied on such interest, and that LESSEE shall pay all such possessory interest taxes. LESSEE further agrees that payment for such taxes, fees, and assessments will not reduce any rent due CITY.

6.9 Signs. LESSEE agrees not to erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings, or similar devices or advertising without the prior written consent of CITY. If any such unauthorized item is found on the premises, LESSEE agrees to remove the item at its expense within 24 hours notice thereof by CITY, or CITY may thereupon remove the item at LESSEE'S cost.

6.10 Ownership of Improvements and Personal Property.

- a. Any and all improvements, fixtures which are permanently affixed to the premises, structures, and installations or additions to the premises now existing or constructed on the premises by LESSEE shall at lease expiration or termination be deemed to be part of the premises and shall become, at CITY'S option, CITY'S property free of all liens and claims, except as otherwise provided in this lease.
- b. If CITY elects not to assume ownership of all or any improvements, fixtures, structures, and installations, CITY shall so notify LESSEE thirty (30) days prior to termination or one-hundred-eighty (180) days prior to expiration, and LESSEE shall remove all such improvements, structures, and installations as directed by CITY at LESSEE'S sole cost on or before lease expiration or termination. If LESSEE fails to remove any improvements, structures, and installations as directed, LESSEE agrees to pay CITY the full cost of any removal.

- c. LESSEE-owned machines, appliances, equipment (other than fixtures), and other items of personal property shall be removed by LESSEE by the date of the expiration or termination of this lease. Any said items which LESSEE fails to remove will be considered abandoned and become CITY'S property free of all claims and liens, or CITY may, at its option, remove said items at LESSEE'S expense.
- d. If any removal of such personal property by LESSEE results in damage to the remaining improvements on the premises, LESSEE agrees to repair all such damage.
- e. Any necessary removal by either CITY or LESSEE which takes place beyond said expiration or termination hereof shall require LESSEE to pay rent to CITY at the rate in effect immediately prior to said expiration or termination.
- f. Notwithstanding any of the foregoing, in the event LESSEE desires to dispose of any of its personal property used in the operation of said premises upon expiration or termination of this lease, then CITY shall have the first right to acquire or purchase said personal property.

6.11 Unavoidable Delay. If the performance of any act required of CITY or LESSEE is directly prevented or delayed by reason of strikes, lockouts, labor disputes, unusual governmental delays included but not limited to the submissions and approvals set forth in Sections 6.12 and 6.14 below, acts of God, fire, floods, epidemics, freight embargoes, or other causes beyond the reasonable control of the party required to perform an act, said party shall be excused from performing that act for the period equal to the period of the prevention or delay. Provided, however, this provision shall not apply to obligations to pay rental as required pursuant to this lease. In the event LESSEE or CITY claims the existence of such a delay, the party claiming the delay shall notify the other party in writing of such fact within ten (10) days after the beginning of any such claimed delay.

6.12 Development Plan. LESSEE agrees to develop and maintain at all times during the lease term, the leased premises, in accordance with the General Development Plan approved by the City Manager, which plan is hereby incorporated by this reference. Said development of the leased premises includes new docks at an estimated cost of \$2,500,000. The general contents and provisions of the Development Plan are described in Section 9.2 hereof. The City

Manager or his designee shall have the authority to authorize changes to the plan provided that the basic concept may not be modified without City Council approval, and a document evidencing any approved changes shall be filed in the Office of the City Clerk. Failure by LESSEE to comply with the General Development Plan shall constitute a major default and subject this lease to termination by CITY.

- 6.13 Hazardous/Toxic Waste. LESSEE will not allow the installation of additional underground storage tanks, except as required and approved in the implementation of the improvements required by Section 9.2 and shall in no event allow the release of hazardous substances in, on, under, or from the premises. For the purposes of this provision, a release shall include but not be limited to any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing of hazardous substances. "Hazardous substances" shall mean those hazardous substances listed by the Environmental Protection Agency in regularly released reports and any other substances incorporated into the State's list of hazardous substances. A copy of the presently effective EPA and the State lists is on file in the City Clerk's Office as City Clerk Document 769704 and by this reference is incorporated herein.

In the event of any release of a hazardous substance, LESSEE shall be responsible for all costs of remediation and removal of such substances in accordance with all applicable rules and regulations of governmental authorities.

LESSEE agrees to assume the defense of, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from LESSEE'S operations on the premises, including but not limited to costs of environmental assessments, costs of remediation and removal, any necessary response costs, damage for injury to natural resources or the public, and costs of any health assessment or health effect studies.

If LESSEE knows or has reasonable cause to believe that any hazardous substance has been released on or beneath the premises, LESSEE shall give written notice to the City Manager within ten (10) days of receipt of such knowledge or cause for belief. Provided, however, if LESSEE knows or has reasonable cause to believe that such substance is an imminent and substantial danger to public health and safety, LESSEE shall notify the City Manager immediately upon

receipt of this knowledge or belief and shall take all actions necessary to alleviate such danger. LESSEE will notify the City Manager immediately of any notice of violation received or initiation of environmental actions or private suits relative to the premises. In addition, LESSEE and LESSEE'S sublessees shall not utilize or sell any hazardous substance on the property without the prior written consent of CITY.

At any time within the twelve (12) months before the expiration or earlier termination of this lease, LESSEE, at CITY'S sole option, shall cause an environmental assessment of the premises to be completed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. Said environmental assessment shall be obtained at the sole cost and expense of LESSEE and shall establish what, if any, hazardous substances exist on, in, or under the premises, and in what quantities. If any hazardous substances exist in quantities greater than that allowed by CITY, county, state, or federal laws, statutes, ordinances, or regulations, then said environmental assessment shall include a discussion of these substances with recommendations for remediation and removal necessary to effect compliance with those laws or statutes and estimates of the cost of such remediation or removal. LESSEE shall cause the remediation and/or removal recommended in the environmental assessment such that compliance with environmental law is achieved and shall be solely responsible for all costs and expenses incurred.

- 6.14 Coastal Commission Approval. LESSEE shall comply with the California Coastal Act, at its sole cost, and apply to the San Diego Regional Coastal Commission or other such authorized state body for any necessary coastal development permit authorizing construction of the required improvements, including the new docks, in the Coastal Zone. LESSEE will proceed with diligence to obtain such permit, but if unable to do so within twelve (12) months after the effective date of this lease, this lease will, at CITY'S option, terminate. In such event, this lease will remain in full force and effect as to every provision except the improvements shown in Section 9.2, Development Plan, will not be required and the lease will expire effective May 31, 1997.
- 6.15 Failure to Meet Development Schedule. Should LESSEE fail to complete construction in accordance with the schedule of development of the General Development Plan hereof, it is specifically agreed by LESSEE and CITY that CITY will be entitled to damages in

the amount of Four Hundred Dollars (\$400.00) for every day of failure to meet said schedule of development until completion of development, said amount representing liquidated damages therefor. In the event that construction is not completed within 24 months following the date specified for completion in the Development Plan, CITY may, at its option, terminate this lease.

6.16 Redevelopment Plan. LESSEE agrees that it shall submit and CITY agrees that it shall consider a Redevelopment Plan based on the following terms and conditions:

- a. On or before the fifth lease year, LESSEE will prepare and submit a proposed Redevelopment Plan which shall include new or modified uses of the above-described property which are compatible with the purposes of MISSION BAY PARK and highest and best use of the real property. LESSEE shall propose lease modifications necessary to accomplish the redevelopment and CITY agrees it shall consider granting a lease extension if warranted by the Redevelopment Plan.
- b. LESSEE will provide CITY with a projection of anticipated income to the CITY from the uses proposed in the Redevelopment Plan together with a projection of income from the same premises as utilized at the time that the Plan is submitted.
- c. The Plan shall be prepared by individuals or companies acceptable to the CITY. The CITY shall have the right to hire consultants to determine the validity, financial feasibility and similar considerations with respect to the Plan.
- d. The Plan shall be prepared at no cost to the CITY.
- e. Prior to approval of the Plan, LESSEE shall be required to provide CITY with financial and other information with respect to any operating entity which might administer the operation of the activities proposed in the Plan in the event the operator of said activities is other than LESSEE.
- f. The CITY may, at its sole discretion, accept, reject or modify the Redevelopment Plan and LESSEE agrees to be bound by such acceptance or rejection, or to negotiate such modifications.

In addition, LESSEE shall comply with any and all notices issued by the City Manager or his authorized representative under the authority of any such law, statute, ordinance, or regulation.

7.3 CITY Approval. The approval or consent of CITY, wherever required in this lease, shall mean the written approval or consent of the City Manager unless otherwise specified, without need for further resolution by the City Council.

7.4 Nondiscrimination. LESSEE agrees not to discriminate in any manner against any person or persons on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status or physical disability in LESSEE'S use of the premises, including, but not limited to the providing of goods, services, facilities,

privileges, advantages, and accommodations, and the obtaining and holding of employment.

- 7.5 Equal Opportunity. LESSEE will comply with Title VII of the Civil Rights Act of 1964, as amended; Executive Orders 11246, 11375, and 12086; the California Fair Employment Practices Act; and any other applicable federal and state laws and regulations hereafter enacted. Further, LESSEE will cause the foregoing provisions to be inserted in all subleases and all subcontracts for any work covered by this lease so that such provisions will be binding upon each sublessee and subcontractor.

LESSEE understands that failure to comply with the requirements listed above and/or submitting false information in response to these requirements may result in termination of this lease and debarment from participating in CITY contracts for a period of not less than one (1) year.

LESSEE acknowledges that the CITY seeks to promote employment and business opportunities for local residents and firms on all CITY contracts. LESSEE is encouraged to solicit applications for employment, bids and proposals for subcontracts, and work associated with this lease from local residents and firms as opportunities occur. LESSEE is encouraged to hire qualified local residents and firms.

- 7.6 Partial Invalidity. If any term, covenant, condition, or provision of this lease is found invalid, void, or unenforceable by a court of competent jurisdiction, the remaining provisions will remain in full force and effect.

- 7.8 Number and Gender. Words of any gender used in this lease shall include any other gender, and words in the singular number shall include the plural, when the tense requires.

The numbers of the paragraphs and pages of this lease may not be consecutive. Such lack of consecutive numbers is intentional and shall have no effect on the enforceability of this lease.
- 7.10 Entire Understanding. This lease contains the entire understanding of the parties. LESSEE, by signing this agreement, agrees that there is no other written or oral understanding between the parties with respect to the leased premises. Each party has relied on its own examination of the premises, advice from its own attorneys, and the warranties, representations, and covenants of the lease itself. Each of the parties in this lease agrees that no other party, agent, or attorney of any other party has made any promise, representation, or warranty whatsoever which is not contained in this lease.

The failure or refusal of any party to read the lease or other documents, inspect the premises, and obtain legal or other advice relevant to this transaction constitutes a waiver of any objection, contention, or claim that might have been based on these actions. No modification, amendment, or alteration of this lease will be valid unless it is in writing and signed by all parties.

- 7.11 CITY Employee Participation Policy. It is the policy of CITY that all CITY contracts, agreements, or leases with consultants, vendors, or LESSEES shall include a condition that the contract, agreement, or lease shall be unilaterally and immediately terminated by CITY if the contractor or LESSEE knowingly employs an individual who, within the twelve months immediately preceding such employment, did in his/her capacity as a CITY officer or employee participate in negotiations with or otherwise have an influence on the recommendation made to the City Council in connection with the selection of the contractor or LESSEE. It is not the intent of this policy that these provisions apply to members of the City Council.
- 7.12 Corporate Authority. Each individual executing this lease on behalf of LESSEE represents and warrants that he/she is duly authorized to execute and deliver this lease on behalf of said corporation, in accordance with a duly adopted resolution of the Board of Directors of

the corporation or in accordance with the bylaws of the corporation, and that this lease is binding upon the corporation in accordance with its terms, and that LESSEE is a duly qualified corporation and all steps have been taken prior to the date hereof to qualify LESSEE to do business in the state where the premises are situated.

- 7.13 Drug-free Workplace. LESSEE shall be required to abide by the omnibus drug legislation passed by Congress on November 18, 1988, by adopting and enforcing a policy to maintain a drug-free workplace by doing all of the following:

- 7.14 Schedule of Prices. All prices of merchandise, equipment, and services of LESSEE and its sublessees shall be comparable with prices of like merchandise, equipment, and services offered in Mission Bay or San Diego Bay.
- 7.15 Standard of Employees. LESSEE and its employees shall at all times conduct themselves and the operations on the leased premises in a creditable manner.

- 7.16 Supersedure. It is mutually agreed that this lease, upon its commencement date, supersedes and annuls that certain lease executed on September 27, 1956; with Dana Landing, a California corporation, City Clerk Document 541839, and amended by City Clerk Documents 641091, 648500, 666416, 738539, 741283, and 755165; and assigned by City Clerk Documents 622497, 648461, 738519, 741282, 755104, 755164, and 765363, whereby Wesco Sales Corporation is the successor in interest to Dana Landing, Inc. Said lease, as amended and assigned, is hereafter void and of no effect except as to any rentals and fees which may have accrued or any rights and remedies accrued or granted to CITY under such agreement.
- 7.17 Public Access. LESSEE shall allow the general public access to the perimeter walkways around the entire leased premises at all times in so far as practicable unless closure is allowed with the City Manager's prior written consent.

- 7.19 Transient Slip Facilities. LESSEE shall maintain a minimum of five (5) slips, which shall be specially marked for use by transient boats only. In no event shall these slips designated for transients be rented or occupied by the same person or boat for longer than seventy-two (72) consecutive hours. It is the intent of this condition to provide overnight slip space for boats normally berthing outside the Mission Bay area. Any method of circumventing this provision in violation of the intent herein expressed shall be construed as a breach of this condition and may result in termination of this lease.
- 7.20 Live Bait.
- a. LESSEE may sell bait in connection with the purpose of this lease but may not maintain any live bait receivers within the water area of the leased premises, as long as adequate supplies are available in the opinion of the City Manager from other sources within Mission Bay. Provided that LESSEE cannot obtain bait of sufficient quantity and/or quality at a price comparable to other bait receivers in the San Diego area, in the opinion of the City Manager, upon written permission from the City Manager, LESSEE may install, maintain, and operate bait receivers on the

leased premises or at such other sites as may be acceptable to the City Manager.

- b. The City shall not contract or lease to more than 4 retail providers of marine fuel in Mission Bay Park.

7.21 Damaged Equipment. LESSEE shall salvage if possible within 24 hours any property, real or personal, of LESSEE'S declared by CITY to be a menace to navigation or a nuisance within Mission Bay and to salvage or cause to be salvaged any sunken vessel or property upon the leased premises, irrespective of ownership. CITY may require that any boats not kept in a clean and operable condition be removed from the leased premises.

7.22 Enforcement of Live-Aboard Regulation. LESSEE shall be responsible for the enforcement, both within and in connection with the leased premises, of the following live-aboard regulation:

"No person shall remain overnight on board any watercraft or houseboat in Mission Bay Park unless the watercraft or houseboat has a self-contained toilet on board that does not discharge into the waters of the Bay. No owner of any watercraft or houseboat shall allow it to be occupied overnight in Mission Bay Park for a period of more than ninety (90) days, whether successive or cumulative, during any one calendar year. A watercraft or houseboat is presumed to be occupied overnight when there are one or more persons on board after midnight. The lessees of Mission Bay Park lands are primarily responsible for the enforcement of this subsection on the water abutting their leased premises."

The above Live-Aboard Regulation is presently set forth in the San Diego Municipal Code Section 63.25.71 and is subject to amendment or modification by the City Council. LESSEE also agrees to comply or secure compliance with any such amendment or modification.

7.23 Local Coastal Program. Should a local coastal program (hereinafter the "Local Coastal Program") ever be adopted for the Mission Bay Park segment of the CITY Local Coastal Program, and should the Local Coastal Program provide for the collection of a traffic impact mitigation fee from commercial lessees in Mission Bay Park in order to fund all or a portion of the cost of a beach shuttle or other substantially similar public access improvements, LESSEE agrees to

contribute its fair and equitable share, as calculated pursuant to the Local Coastal Program, to such a traffic impact mitigation program; provided that the amount payable by LESSEE shall be reasonable and shall not exceed the amount LESSEE would have paid had the entire amount to be funded by traffic impact mitigation fees been reasonably, equitably, and fairly apportioned among all of the commercial lessees in Mission Bay Park. This Section shall not be altered or amended without the prior written approval of the California Coastal Commission or an amendment to California Coastal Permit No. 6-93-75/EL.

7.24 Boat Rentals. For purposes of this lease, "vessels" include ships of all kinds, motorboats, sailboats, personal watercraft, and every structure adapted to be navigated from place to place upon the water for recreation or for the transportation of merchandise or persons. LESSEE shall be permitted to rent vessels to the general public subject to prior written approval from the City Manager as to the number and type of vessels available for rent. The City Manager may, upon written notice to LESSEE and with reasonable cause, modify any approval previously given. LESSEE shall carry commercial general liability insurance, the amounts and coverages of which shall be based upon the City Manager's assessment of the risk associated with the rental operation.

All vessels for rent which are required by law to be registered with the California Department of Motor Vehicles shall be currently registered as rental vessels and carry proper registration numbers and stickers. All vessels for rent shall be identified by LESSEE through the use of distinctive markings or logos. Each rental vessel shall be equipped with a waterproof map detailing all current regulations and activity zones for Mission Bay, along with all safety equipment required by law. At any time that LESSEE is renting a vessel or vessels, LESSEE shall have at least one operational chase boat and staff to operate it available on the waters of Mission Bay. No rental vessel may be stored on public property outside the leasehold. LESSEE agrees that the City Manager or his designees shall have the authority to immediately terminate any rental activities which are not in conformance with the stipulations of this lease or current boating regulations.

7.25 Plastic Food Containers.

- a. LESSEE shall not, after the effective date of this agreement, provide to its customers any prepared food in polystyrene foam.

food packing, nor shall LESSEE, obtain or keep any polystyrene foam food packing of a type, design and condition suited for providing prepared food to its customers for consumption off the leased premises.

- b. LESSEE'S food packaging for prepared food to be consumed on the premises or for takeout food shall be degradable, and LESSEE shall provide upon demand evidence in the form of paid invoices to indicate the purchase of biodegradable containers in amounts sufficient to indicate compliance with this section. LESSEE'S food packaging for prepared food to be consumed off the premises shall be biodegradable unless LESSEE demonstrates to the satisfaction of CITY that biodegradable food packaging materials are not available for purchase in the quantities required by LESSEE. In the event that biodegradable food packaging materials are not available for purchase in the quantities required by LESSEE, LESSEE may limit its use of such packaging to the amount actually available.
- c. For purposes of this lease, the following definitions are applicable:
  - (1) "Prepared food" means foods or beverages which are prepared on the leased premises by cooking, chopping, slicing, mixing, freezing or squeezing, and which require no further preparation to be consumed.
  - (2) "Food packaging" means all bags, sacks, wrapping, containers, bowls, plates, trays, cartons, cups, straws and lids which are not intended for reuse, on or in which any foods or beverages are placed or packaged on the leased premises.
  - (3) "Takeout food" means prepared foods or beverages requiring no further preparation to be consumed and which are purchased in order to be consumed off the leased premises.

7.26 Trash and Refuse. LESSEE shall provide containers on or immediately adjacent to the leased premises to receive trash and refuse generated aboard vessels using LESSEE'S docking or launching facilities. Refuse containers shall be located so as to be conveniently used by occupants of vessels using LESSEE'S facilities and shall be of sufficient size and number to contain the refuse generated aboard all vessels using LESSEE'S facilities. The containers shall be covered and emptied regularly enough to prevent them from overflowing or

creating unhealthful, unsightly, or unsanitary conditions. The contents of the containers shall be disposed of by LESSEE or others acting pursuant to LESSEE'S direction at authorized landfills or other garbage reception areas as provided under law applicable at the time of collection.

7.27 Disabled Access Compliance. LESSEE agrees to comply with the California Government Code, Sections 11135-11139.5; the Federal Rehabilitation Act of 1973, Section 504, Title V; the Americans with Disabilities Act of 1990 (ADA); and any other applicable state and federal laws and regulations hereafter enacted protecting the rights of people with disabilities. LESSEE'S compliance shall include but not necessarily be limited to the following:

1. LESSEE shall not discriminate against qualified persons with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs, and termination of employment.
2. No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs, or activities of LESSEE.
3. LESSEE shall post a statement addressing the requirements of the ADA in a prominent place at the work site.
4. Where required by law, LESSEE shall comply with CITY'S disabled access requirements by bringing up to code and making accessible any areas of the premises which deny access to disabled persons. All such improvements and alterations shall be at the sole cost of LESSEE.
5. LESSEE shall include language in each sublease agreement which indicates the sublessee's agreement to abide by the foregoing provisions. LESSEE and sublessees shall be individually responsible for their own ADA employment programs.

LESSEE understands that failure to comply with the above requirements and/or submitting false information in response to these requirements shall constitute a default under this lease.

MITIGATION MONITORING AND REPORTING PROGRAM

DANA LANDING MARINA LEASE APPROVAL

DEP NO. 94-0324

This Mitigation Monitoring and Reporting Program is designed to ensure compliance with Public Resources Code Section 21081.6 during implementation of mitigation measures. This program identifies at a minimum: the department responsible for the monitoring, what is to be monitored, how the monitoring shall be accomplished, the monitoring and reporting schedule, and completion requirements. All mitigation measures contained in the Mitigated Negative Declaration (Dep No. 94-0324) shall be made conditions of the lease agreement as may be further described below:

1. Any barges or other types of construction platforms placed above existing eelgrass beds during construction shall be moved every two weeks if the work is done between April and September, and every month if the work is done between October and March.
2. At the conclusion of the construction and repair of the marina facilities, a post-eelgrass study shall be conducted to confirm there have been no impacts to the eelgrass beds. The survey shall be submitted to the Environmental Analysis Section of the Development Services Department for review. Should the post construction survey reveal that eelgrass impacts have occurred, the permittee shall comply with all aspects of the "Southern California Eelgrass Mitigation Policy" (National Marine Fisheries Service, revised August, 1992), to repair the habitat.

The above mitigation monitoring and reporting program will not require additional fees and/or deposits to be collected prior to the issuance of building permits, certificates of occupancy and/or final maps to ensure the successful completion of the monitoring program.

## Mitigated Negative Declaration

DEP No. 94-0324  
SCH No. 94071004

**SUBJECT:** Dana Landing Construction & Upgrading. COUNCIL APPROVAL of a lease between the City of San Diego and Wesco Sales Corporation for Dana Landing, that would include the rebuilding of the docks and upgrading of the existing marina facilities and parking lot. The project is located at 2590 Ingraham Street on City owned tidelands. The site falls within the Coastal Zone and is part of the Mission Bay Park Community Plan Area. Applicant: Wesco Sales Corporation

- I. PROJECT DESCRIPTION: See attached Initial Study.
- II. ENVIRONMENTAL SETTING: See attached Initial Study.
- III. DETERMINATION:

The City of San Diego conducted an Initial Study which determined that the proposed project could have a significant environmental effect. The specific mitigation identified in Section V of this Mitigated Negative Declaration will protect the site from any long term impacts. The project now avoids or mitigates the potentially significant environmental effects previously identified, and the preparation of an Environmental Impact Report will not be required.

IV. DOCUMENTATION:

The attached Initial Study documents the reasons to support the above Determination.

V. MITIGATION, MONITORING AND REPORTING PROGRAM:

The following two conditions shall be incorporated into the lease between the City of San Diego and Wesco Sales Corporation.

1. Any barges or other types of construction platforms placed above existing eelgrass beds during construction should be moved every two weeks if the work is done between April and September, and every month if done between October and March.
2. At the conclusion of the construction and repair of the marina facilities, a post-eelgrass study shall be conducted to confirm there have been no impacts to the eelgrass beds. The survey shall be submitted to the Environmental Analysis Section of the Planning Department for review. Should the post construction survey reveal that eelgrass impacts have

occurred, the permittee shall comply with all aspects of the "Southern California Eelgrass Mitigation Policy", (National Marine Fisheries Service, revised August, 1992) to repair the habitat.

INITIAL STUDY  
DEP No. 94-0324  
SCH No. 94071004

SUBJECT: Dana Landing Construction & Upgrading. COUNCIL APPROVAL of a lease between the City of San Diego and Wesco Sales Corporation for Dana Landing that would include the rebuilding of the docks and upgrading of the existing marina facilities and parking lot. The project is located at 2590 Ingraham Street on City owned tidelands. The site falls within the Coastal Zone and is part of the Mission Bay Park Community Plan Area. Applicant: Wesco Sales Corporation

I. PURPOSE AND MAIN FEATURES:

The proposed project would remove the existing 164 docks and flotation system and replace them with new docks and pilings equaling the same number of boatslips. As well, an upgrade of the existing marina facilities and parking area would be undertaken. The reconfigured parking area would contain 190 spaces. Access to the site would be from Ingraham street. The unzoned area contains 4.67 acres.

II. ENVIRONMENTAL SETTING:

The project site is located to the west of Ingraham Street and just north of West Mission Bay Drive. The site is unzoned but designated for recreational use under the Progress Guide and General Plan and the Mission Bay Coastal Access Study.

The proposed site is surrounded by Mission Bay and recreational land to the north, south, east and west.

III. ENVIRONMENTAL ANALYSIS: See attached Initial Study checklist.

IV. DISCUSSION:

Biology

Mission Bay Park contains valuable natural resources, including high quality marine habitat supporting sensitive species. The "Mission Bay Park Natural Resource Management Plan" was prepared in 1990 by the City of San Diego Park and Recreation Department to protect and manage natural resources in the Park, and to insure its viable productivity. As indicated in the management plan, the Dana Landing boat docks lie

above an eelgrass meadow. Eelgrass (Zostera Marina) is an aquatic grass which grows on the low intertidal to high subtidal slopes in Mission Bay and the Flood Control Channel. Eelgrass play a particularly important role in the marine ecology of bay and channel waters as a primary and secondary food source for fish and bird species.

The extent of the eelgrass beds fluctuate in response to seasonal conditions and water quality. Eelgrass grows in water as shallow as +1 Mean Lower Low Water (MLLW) down to -6 MLLW where the water temperature is warm with good light. Shading from dock structures and boats prevent eelgrass growth. As well, turbidity caused by propeller action, dredging and construction activities in shallow areas may also impact growth. The last major eelgrass beds in southern California are found in Mission Bay and San Diego Bay. This limited distribution increases the importance of eelgrass habitat in Mission Bay.

An eelgrass survey was conducted at the project site during June, 1994, for the purpose of delineating the existing eelgrass beds. The survey revealed the presence of high quality eelgrass. Conclusions of the survey indicated no long-term impacts to the habitat if the docks are placed in the same location as the existing docks. Short-term impacts could occur, due to shading, if barges or other types of construction platforms are placed over existing eelgrass beds for extended periods of time.

V. RECOMMENDATION:

On the basis of this initial evaluation:

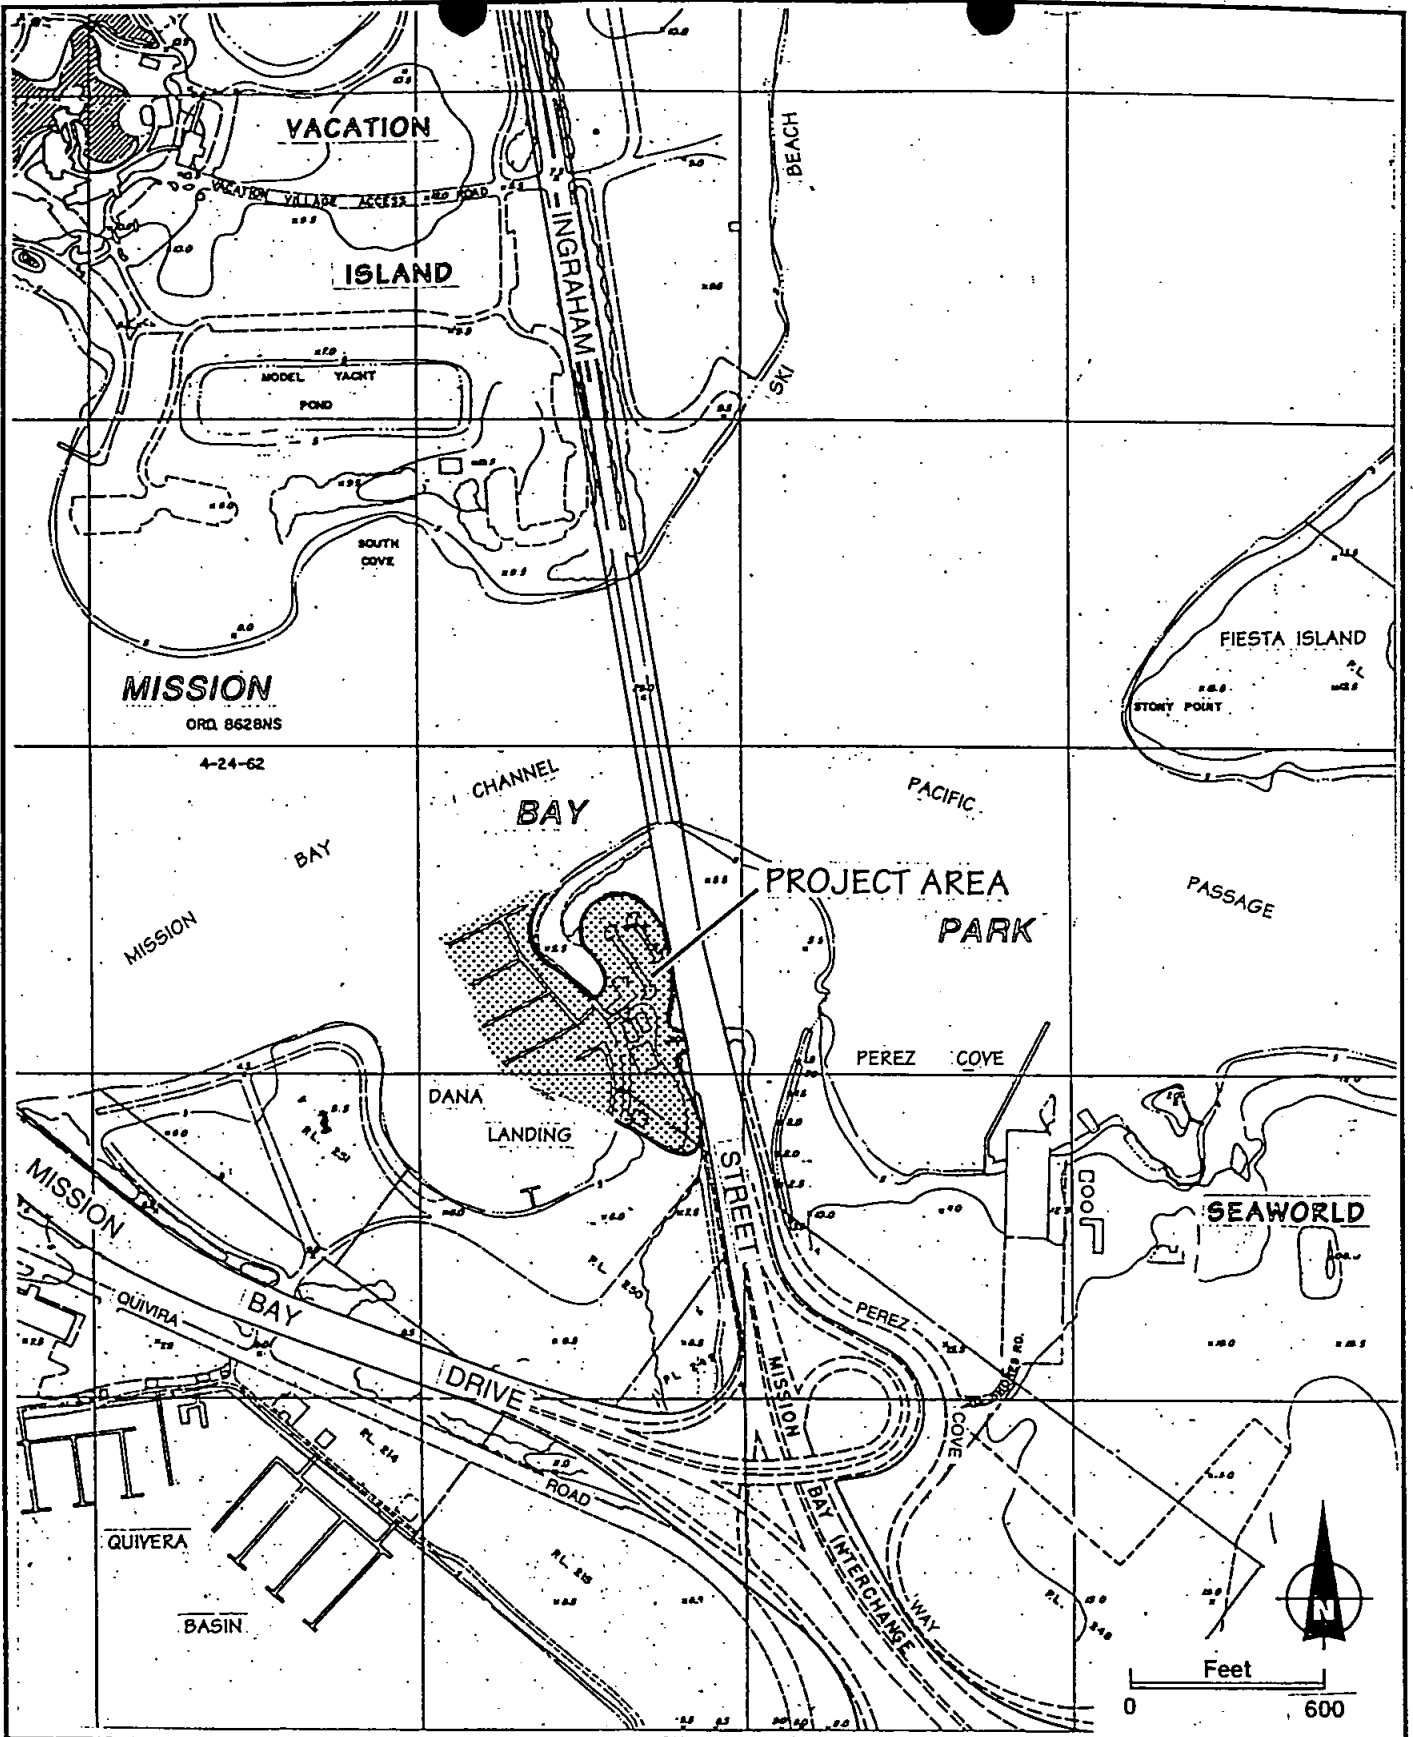

\_\_\_\_\_ The proposed project would not have a significant effect on the environment, and a NEGATIVE DECLARATION should be prepared.

  X   Although the proposed project could have a significant effect on the environment, there will not be a significant effect in this case because the mitigation measures described in Section IV above have been added to the project. A MITIGATED NEGATIVE DECLARATION should be prepared.

\_\_\_\_\_ The proposed project MAY have a significant effect on the environment, and an ENVIRONMENTAL IMPACT REPORT should be required.

FIRST AMENDMENT TO LEASE

This FIRST AMENDMENT TO LEASE is executed by and between the CITY OF SAN DIEGO, a municipal corporation (hereinafter referred to as "CITY") and WESCO SALES CORPORATION (hereinafter referred to as "LESSEE").

HERETOFORE, CITY and WESCO SALES CORPORATION entered into that certain lease agreement dated and filed July 17, 1995 in the Office of the City Clerk as Document No. 0018192. Said lease agreement required the renovation of the Marina Facilities to be completed by April 30, 1997 or penalties of \$400 per day would accrue. In addition, LESSEE was to submit a Redevelopment Plan on or before the fifth lease year.

WHEREAS, the CITY and LESSEE hereto desire to amend said agreement, to allow for construction of a new Dockmaster's Office & Marina Facilities Building rather than renovation, acceleration of the Redevelopment Plan in the manner herein set forth, and waiving of the current penalty in exchange for a revised penalty date based on completion of the General Development Plan (Amended).

NOW, THEREFORE, for good and valuable consideration, mutually exchanged between the parties, the parties hereby agree that the following Sections are amended as follows:

- 6.3 Maintenance. LESSEE agrees to assume full responsibility and cost for the construction, operation and maintenance of the premises throughout the term. LESSEE will make all repairs and replacements necessary to maintain and preserve the premises in a decent, safe, healthy, and sanitary condition satisfactory to CITY and in compliance with the General Development Plan (Amended) described in Sections 6.12 Development Plan and 9.2 General Development Plan (Amended) hereof and with all applicable laws.
- 6.11 Unavoidable Delay. If the performance of any act required of CITY or LESSEE is directly prevented or delayed by reason of strikes, lockouts, labor disputes, unusual governmental delays including but not limited to the submissions and approvals set forth in Sections 6.12, 6.14 and 6.15 as amended herein, acts of God, fire, floods, epidemics, freight embargoes, or other causes beyond the reasonable control of the party required to perform an act, said party shall be excused from performing that act for the period equal to the period of the prevention or delay. Provided, however, this provision shall not apply to obligations to pay rental as required pursuant to this lease. In the event LESSEE or CITY claims the existence of such a delay, the party claiming the delay shall notify the other party in writing of such fact within ten (10) days after the beginning of any such claimed delay.

DOCUMENT NO. 00-18527

FILED JUN 08 1998  
OFFICE OF THE CITY CLERK  
SAN DIEGO, CALIFORNIA

- 6.12 Development Plan. LESSEE agrees to develop, at no cost to CITY, the leased premises, in accordance with the General Development Plan, as heretofore amended and approved by the City Manager and filed in the Office of the City Clerk which plan is hereby incorporated by this reference. Said development of the leased premises includes new docks at an estimated cost of \$1,500,000 and redevelopment of the land area improvements in a phased redevelopment at an additional cost of approximately \$2,156,000. The general contents and provisions of the Development Plan (Amended) are described in Section 9.2 (Amended) hereof. The City Manager or his designee, with LESSEE'S approval of any change requiring extra expense to LESSEE, shall have the authority to authorize changes to the plan, provided that the basic concept may not be modified without City Council approval and LESSEE'S consent, and a document evidencing any approved changes shall be filed in the Office of the City Clerk. Failure by LESSEE to comply with the General Development Plan and complete development as scheduled shall constitute a major default and subject this lease to termination by CITY as set forth herein.
- 6.14 Coastal Commission Approval. LESSEE shall comply with the California Coastal Act, at its sole cost, and apply to the San Diego Coast Regional Commission or other such authorized state body for any necessary coastal development permit authorizing the construction of improvements in the Coastal Zone. LESSEE will proceed with diligence to obtain such permit(s), but if unable to obtain such permit(s) despite LESSEE'S best efforts within twenty four (24) months from the effective date of this lease amendment, this lease will remain in full force and effect as to every provision except development of the improvements shown in Section 9.2 Development Plan (Amended) will not be required and the lease will expire effective July 31, 2002.
- 6.15 Failure to Meet Development Schedule. In the event LESSEE fails to complete construction in accordance with the Redevelopment Schedule of the General Development Plan hereof, it is specifically agreed by LESSEE and CITY that CITY will be entitled to liquidated damages in the amount of Four Hundred Dollars (\$400.00) per day for every day LESSEE fails to meet the completeness date for each phase set forth in the Redevelopment Schedule. In the event that construction is not completed within 12 months following the date specified for completion of all phases of the General Development Plan (Amended), CITY may, at its option, terminate this lease with no further action required by City.
- 6.16 Redevelopment Plan (Amended). LESSEE herein submits and CITY approves, subject to all necessary permits, approvals and inspections by other City Departments, the attached Development Plan and Redevelopment Schedule as described in attached EXHIBIT 9.2. General Development Plan (Amended).

6.17 Water Quality. No discharge of sewage into marina waters or waters of Mission Bay is allowed. LESSEE agrees to require and monitor the placement of dye tablets in the holding tanks of any and all vessels moored at this marina. No vessel may moor at this marina without holding tank facilities. Dye tablets shall be required for all vessels moored at the marina and be made available for all boaters at the Dockmaster's Office. Presence of dye tablets will be checked at first occupancy at the marina and periodically thereafter. Pump-out facilities are available at several locations on Mission Bay.

Nothing herein is intended to change any other terms or conditions of the existing lease agreement.

1.5 Notwithstanding the foregoing, those terms defined in Articles 1.1 through 1.4, above are subject to modification, revision or alteration by other terms and conditions of this Sublease, addenda, exhibits and other attachments hereto.

## ARTICLE 2 — TERM

2.1 The Term of this Sublease shall commence on the Commencement Date, which shall be the earlier of:

- (a) the date upon which Sublessee occupies the Premises for the conduct of business; or
- (b) the later of:
  - (i) The Anticipated Commencement Date; or
  - (ii) The date, as reasonably determined by Sublessor, upon which the Sublessee Improvements are substantially complete and the Premises are available for the use and occupancy of Sublessee (or would have been so available, but for delay caused by Sublessee), and Sublessee has been provided the opportunity to move into the Premises over a weekend, regardless of Sublessee's completion of installation of Sublessee's trade fixtures, work stations, furnishings and telephone, communication or computer systems.

2.2 The "Initial Term" of this Sublease shall commence on the Commencement Date and continue for the Anticipated Term, plus so many additional days as are necessary such that the Sublease terminates on the last day of a calendar month (the "Termination Date"), unless sooner terminated as otherwise provided herein. The "Term" of this Sublease shall include the Initial Term and any other period of Sublessee's occupancy resulting either from Sublessee's holding over with Sublessor's consent (pursuant to Article 23), or from Sublessee's exercise of an express option to renew, re-Sublease or extend the Term, or other express agreement to extend the Term, all made in accordance with this Sublease (or a modification or addendum thereto made in accordance with this Sublease). Unless expressly stated to the contrary herein, any and all references herein to "months" during the Term shall be deemed to refer to full calendar months of the Term, beginning the Commencement Date (if the Commencement Date is the first day of a calendar month) or the first day of the first full calendar month after the Commencement Date (if the Commencement Date is not the first day of a calendar month).

2.3 Sublessor shall tender possession of the Premises to Sublessee and notify Sublessee of the Commencement Date by means of a Notice of Sublease Term Commencement Date ("NLT") indicating the basis for the Commencement Date. Within seven (7) days after receipt of the NLT, Sublessee shall either confirm the Commencement Date by executing and returning the NLT to Sublessor, or notify Sublessor in writing of any objection to the Commencement Date, or the Commencement Date specified in the NLT shall be deemed conclusive as between Sublessor and Sublessee.

### ARTICLE 3 — BASIC MONTHLY RENT

3.1 The first installment of Basic Monthly Rent is due upon Sublessee's execution of this Sublease. All other installments of Basic Monthly Rent are payable in advance on the first day of each calendar month, together with any monthly installments of estimated Tax Rent, Operating Expense Rent and Capital Expense Rent (collectively "Total Monthly Rent"). If the Commencement Date is not the first day of the calendar month, Total Monthly Rent shall be prorated. All amounts due Sublessor relating to this tenancy other than Total Monthly Rent ("Additional Rent"), are due and payable within thirty (30) days after receipt of Sublessor's invoice. All amounts due Sublessor relating to this tenancy are rent, and subject to all remedies of Sublessor for nonpayment of rent. Sublessee's obligation to pay all amounts owing under this Sublease shall survive Sublessee's relinquishment of possession to Sublessor, or the expiration or early termination of this Sublease.

3.2 If Total Monthly Rent is not received by Sublessor by the fifth (5th) day of the month in which it is due, or Additional Rent is not received by Sublessor within thirty (30) days after receipt of Sublessor's invoice, then Sublessee shall pay Sublessor a "Late Charge" of ten percent (10%) of the unpaid amount. Sublessee agrees that Sublessee's late payment causes Sublessor to incur costs which are impracticable or extremely difficult to fix, and that the Late Charge is a fair and reasonable estimate of such costs. Sublessor's acceptance of a Late Charge shall not constitute a waiver of Sublessee's default or interest pursuant to Article 26.8, or prevent Sublessor from exercising any of the other rights and remedies of Sublessor under this Sublease.

3.3 All amounts due Sublessor shall be paid by Sublessee, without deduction or offset, in lawful money of the United States of America at the office of Sublessor or to such other person or at such other place as Sublessor notifies Sublessee. Sublessor reserves the right to require that payments be made by certified check when Sublessee is in default hereunder.

### ARTICLE 4 — TAX RENT

Any item of cost or expense included in Property Taxes shall not be included in either Operating Expenses or Capital Expenses.

4.2 Each year of the Term, Sublessee shall pay to Sublessor the Proportional Share of the amount of annual Property Taxes which exceed Base Year Property Taxes ("Tax Rent"), as follows. As soon as practical after the beginning of a Year, Sublessor shall estimate Tax Rent for the Year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the Comparison Year to be retroactively due). As soon as practical after the end of a Year, Sublessor shall determine the actual Tax Rent for the Year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated) If this Sublease does not terminate on the last day of the last Comparison Year, Tax Rent shall be prorated.

4.3 Sublessee shall pay any taxes levied upon the personal property or trade fixtures of Sublessee. Sublessee shall directly and fully reimburse Sublessor for any Property Taxes assessed for Alterations made by Sublessee which are above-Marina standard.

### ARTICLE 5 — OPERATING EXPENSE RENT

- (a) Required by directive of a government, quasi-government or regulatory agency or authority pursuant to either a law or statute (or interpretation of same) newly enacted or promulgated after the execution of this Sublease; or
- (b) Made after the execution of this Sublease with the intent of reducing Operating Expenses.

Any item of cost or expense included in Capital Expenses shall not be included in either Property Taxes or Operating Expenses.

6.2 For each calendar year during the Term, Sublessee shall pay to Sublessor the Proportional Share of any Capital Expenses which Sublessor amortizes (with interest pursuant to Article 27.8) in such calendar year ("Capital Expense Rent"), as follows. As soon as practical after the beginning of a calendar year (or the Term, if applicable), Sublessor shall estimate Capital Expense Rent for the calendar year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the calendar year to be retroactively due). As soon as practical after the end of a calendar year, Sublessor shall determine the actual Capital Expense Rent for the calendar year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated). If this Sublease does not terminate on the last day of the calendar year, Capital Expense Rent shall be prorated.

7.1 The Initial Security Deposit is due upon Sublessee's execution of this Sublease. During the Term, Sublessee shall deposit additional amounts with Sublessor so that the total amount held by Sublessor ("Security Deposit") is not less than Sublessee's then current Total Monthly Rent. The Security Deposit shall be held by Sublessor as security for the faithful performance by Sublessee of all of the terms, covenants and conditions of this Sublease to be kept or performed by Sublessee. Sublessor shall not be required to segregate the Security Deposit from its general funds or pay Sublessee any interest thereon. The Security Deposit shall not be used by Sublessee for payment of last month's rent, Sublessor may use, apply or retain all or any part of the Security Deposit for the payment of rent or any other sum in default, or to compensate Sublessor for any loss or damage which Sublessor has suffered or may suffer due to Sublessee's default of this Sublease. If Sublessee fully and faithfully performs every provision of this Sublease to be performed by Sublessee, then Sublessor shall return to Sublessee any Security Deposit which has not been so used, applied or retained within sixty (60) days of the termination of this Sublease; however, Sublessor may retain such Security Deposit as reasonably necessary to secure any remaining obligations of Sublessee under Articles 4, 5 and 6, which Sublessee acknowledges cannot be fully ascertained until as soon as practical after the end of the Comparison Year (or calendar year). Sublessee waives application of the provisions of California Civil Code section 1950.7 to the extent contrary to the foregoing.

## ARTICLE 22 — ASSIGNMENT AND SUBLETTING

22.1 Sublessee shall not Assign this Sublease without the prior written consent of Sublessor and the City of San Diego, which shall not be unreasonably withheld, conditioned or delayed. "Assign" or "Assignment" is defined to include: an assignment of the Sublease; a subSublease of all or any part of the Premises; any permitted occupancy or conduct of business in any or all of the Premises by anyone other than Sublessee; Sublessee's pledging, sale, transfer, hypothecation or encumbrance of the Sublease; Sublessee's change in business status or organization; Sublessee's dissolution, merger, consolidation or other reorganization; Sublessee's sale or other transfer of a controlling share of the voting capital stock of Sublessee; and, the sale of fifty-one percent (51%) or more of the interests of Sublessee. "Assignee" is defined to include: an assignee; subSublessee; or any other person or entity which may claim a right to possession of the Premises by or through Sublessee.

Sublessor: 

22.2 Sublessee shall give Sublessor thirty (30) days' prior written notice of any proposed Assignment, including the proposed Assignee's name and address, the proposed terms, the proposed use, the proposed Assignee's financial statements, bank and credit references, and such additional information as Sublessor may reasonably require. Within said thirty (30) days, Sublessor shall notify Sublessee of Sublessor's approval or disapproval of the proposed Assignment. Sublessor shall also have the right to terminate this Sublease either in its entirety or with respect to only that portion of the Premises which Sublessee has proposed to Assign (the "Proposed Portion"). If Sublessor elects to terminate the Proposed Portion, then Sublessee's Total Monthly Rent and Proportional Share shall be reduced accordingly as of the proposed date of the Assignment. Sublessor shall make such permanent improvements as may be reasonably necessary to demise the Proposed Portion from the remaining Premises Sublessee shall not be entitled to any portion of the profit which Sublessor may realize as a result of any such termination and reletting of the Proposed Portion or the Premises.

22.3 Sublessee may retain all rents and other consideration from any permitted Assignment; however, Sublessee or any subsequent assignor or Sublessor shall not be released from any liability under this Sublease as the result of any Assignment. Sublessee shall cause Assignee to execute an agreement with Sublessor upon a form furnished by Sublessor binding Assignee to all the non-monetary terms of this Sublease (excepting rights to extend this Sublease or expand the Premises, unless so granted by Sublessee), and as security for Sublessee's obligations under this Sublease, Sublessee assigns to Sublessor the right to collect all rent resulting from any Assignment in the event of Sublessee's default and apply such rent to the satisfaction of Sublessee's obligations under this Sublease. Sublessee shall pay a reasonable processing fee to Sublessor for each Assignment, not to exceed Five Hundred Dollars (\$500.00).

#### ARTICLE 23 — HOLDING OVER

23.1 Sublessee's failure to restore possession of the Premises to Sublessor at the end of the Term will cause damage to Sublessor which is impracticable or extremely difficult to ascertain. If Sublessee holds over after the Term without the prior written consent of Sublessor (which Sublessor may withhold in its sole discretion, without regard to Article 27.1), then Sublessee shall be a Sublessee-at-sufferance. Sublessee shall perform each and every term, condition and covenant of this Sublease during any such holding over except that: Sublessee shall not be entitled to any parking discounts or special modes of parking during such holding over; and, in lieu of Total Monthly Rent or Additional Rent due under the Sublease, for each month or portion thereof which Sublessee holds over Sublessee shall pay Sublessor liquidated damages of two hundred percent (200%) of the Total Monthly Rent payable by Sublessee to Sublessor in the last full month of the Term. Nothing herein shall prevent Sublessor from exercising any other rights under this Sublease or the law to regain possession of the Premises. Acceptance of any payment from Sublessee after expiration of this Sublease shall not constitute a renewal or extension thereof.

#### ARTICLE 24 — DEFAULTS

24.1 Sublessee shall be in default of this Sublease if Sublessee fails to pay, within three (3) business days after receipt of written notice from Sublessor, any Basic Monthly Rent or Additional Rent, or fails to cure, within thirty (30) days after receipt of notice from Sublessor, Sublessee's failure to observe any other term of this Sublease (however, Sublessee shall cure in such shorter time as reasonably necessary due to an Emergency, and if more than thirty [30] days are reasonably required to cure, then no default will have occurred if Sublessee commences to cure within the thirty [30] day period and diligently prosecutes same to completion). Sublessor may give Sublessee a single notice of default inclusive of the requirements of California Code of Civil Procedure section 1161, et. seq.

24.2 Sublessor shall not be in default or liable to Sublessee under this Sublease for any failure to observe any term of this Sublease, unless Sublessee notifies Sublessor of such default and Sublessor fails to cure same within thirty (30) days after receipt Sublessee's notice (however, Sublessor shall cure in such shorter time as reasonably necessary due to an Emergency, and if more than thirty [30] days are reasonably required to cure, then no default will have occurred if Sublessor commences to cure within the thirty [30] day period and diligently prosecutes same to completion).

## ARTICLE 25 — REMEDIES, ATTORNEYS' FEES & WAIVER OF JURY TRIAL

25.1 If Sublessee defaults under this Sublease, Sublessor may avail itself of any remedy available under law in Sublessor's sole discretion (without obligation under Article 27.1). No remedy or election hereunder shall be deemed exclusive and, wherever possible, each remedy shall be cumulative with all other remedies. If Sublessee abandons the Premises, or Sublessee's right to possession is terminated by the Sublessor because of a default, and Sublessor proceeds under California Civil Code section 1951.2, this Sublease shall terminate, and Sublessor shall be entitled to recover from Sublessee: the worth at the time of award of the unpaid rent which had been earned at time of termination; the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Sublessee proves could have been reasonably avoided; the worth at the time of award of the amount by which the unpaid rent for the balance of the Term after the time of award exceeds the amount of such rental loss that Sublessee proves could be reasonably avoided; and any other amount necessary to compensate Sublessor for damage caused by Sublessee's failure to observe this Sublease (or which, in the ordinary course of things would be likely to result therefrom, including, without limitation, any costs of obtaining mitigating rental income, such as excused rent, brokerage commissions, Sublessee improvements, parking concessions, Sublease takeovers, cash payments, advertising, moving costs or any other cost or Sublessee concession related to the releasing of the Premises upon the default of Sublessee). The "worth at the time of award" shall be computed by allowing interest at ten percent (10%) per annum on amounts due prior to award, and discounting amounts due after award at the discount rate of the Federal Reserve Bank of San Francisco at the time of award, plus one percent (1%).

25.2 In any action brought by either Sublessor or Sublessee against the other to enforce or interpret any provision of this Sublease (including any claim in a bankruptcy or an assignment for the benefit of creditors), the prevailing party shall recover from the other party all reasonable costs and attorneys' fees of such action (including those incurred either prior to such action in the proposed resolution or contemplation of such action, in a prior unlawful defamer action rendered moot by Sublessee's vacancy, in the maintenance or enforcement of any judgment resulting from said action, or in the appeal from any such judgment), whether such costs were incurred or services were performed by in-house or outside counsel.

25.3 Sublessor and Sublessee each hereby waive their respective rights to trial by jury of any cause of action, claim, counterclaim or cross-complaint in any action, proceeding and/or hearing brought by either Sublessor against Sublessee, or Sublessee against Sublessor, as to any matter whatsoever arising out of or in any way connected with this Sublease, the relationship of Sublessor and Sublessee, Sublessee's use or occupancy of the Premises, any claim of injury or damage, or the enforcement of any remedy under any law, statute, or regulation, emergency or otherwise, now or hereafter in effect. Notwithstanding the foregoing, Sublessor and Sublessee agree that this waiver shall not be effective where the legal effect of such waiver would be to invalidate in whole or in part, or to limit or impair in any manner any policy of insurance in force for the benefit of Sublessor or Sublessee or to limit or impair any rights, remedies or coverage afforded thereunder.

## ARTICLE 26 — NOTICE

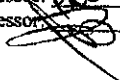

26.1 Notice shall be given to Sublessee at the Premises. Notice shall be given to Sublessor at 21500 Nordoff Street, Chatsworth, CA 91311 Attention: Frank Butler with copy to The Law Offices of Shai Oved at 20700 Ventura Blvd., Suite 220, Woodland Hills, CA 91364. Either party may, by written notice to the other, specify a different address for notice purposes. Any requirement under this Sublease to give "notice" or "notify" shall require a writing, delivery thereof evidenced by signed receipt (whether personally delivered, or sent by certified mail or a nationally recognized overnight courier service). Notice given by facsimile transmission shall not be valid unless the party to whom the transmission is addressed acknowledges timely receipt of the transmission in writing. If either party refuses to sign a receipt acknowledging delivery, notice may be given by first-class mail and shall be deemed effective two (2) business days after mailing. Notice from or to any single person or entity executing this Sublease as Sublessee shall be deemed effective as to all persons or entities executing this Sublease as Sublessee.

## ARTICLE 2 — TERM

2.1 The Term of this Sublease shall commence on the Commencement Date, which shall be the earlier of:

- (a) the date upon which Sublessee occupies the Premises for the conduct of business; or
- (b) the later of:

- (i) The Anticipated Commencement Date; or

- (ii) The date, as reasonably determined by Sublessor, upon which the Sublessee Improvements are substantially complete and the Premises are available for the use and occupancy of Sublessee (or would have been so available, but for delay caused by Sublessee), and Sublessee has been provided the opportunity to move into the Premises over a weekend, regardless of Sublessee's completion of installation of Sublessee's trade fixtures, work stations, furnishings and telephone, communication or computer systems.

2.2 The "Initial Term" of this Sublease shall commence on the Commencement Date and continue for the Anticipated Term, plus so many additional days as are necessary such that the Sublease terminates on the last day of a calendar month (the "Termination Date"), unless sooner terminated as otherwise provided herein. The "Term" of this Sublease shall include the Initial Term and any other period of Sublessee's occupancy resulting either from Sublessee's holding over with Sublessor's consent (pursuant to Article 23), or from Sublessee's exercise of an express option to renew, re-Sublease or extend the Term, or other express agreement to extend the Term, all made in accordance with this Sublease (or a modification or addendum thereto made in accordance with this Sublease). Unless expressly stated to the contrary herein, any and all references herein to "months" during the Term shall be deemed to refer to full calendar months of the Term, beginning the Commencement Date (if the Commencement Date is the first day of a calendar month) or the first day of the first full calendar month after the Commencement Date (if the Commencement Date is not the first day of a calendar month).

2.3 Sublessor shall tender possession of the Premises to Sublessee and notify Sublessee of the Commencement Date by means of a Notice of Sublease Term Commencement Date ("NLT") indicating the basis for the Commencement Date. Within seven (7) days after receipt of the NLT, Sublessee shall either confirm the Commencement Date by executing and returning the NLT to Sublessor, or notify Sublessor in writing of any objection to the Commencement Date, or the Commencement Date specified in the NLT shall be deemed conclusive as between Sublessor and Sublessee.

### ARTICLE 3 — BASIC MONTHLY RENT

3.1 The first installment of Basic Monthly Rent is due upon Sublessee's execution of this Sublease. All other installments of Basic Monthly Rent are payable in advance on the first day of each calendar month, together with any monthly installments of estimated Tax Rent, Operating Expense Rent and Capital Expense Rent (collectively 'Total Monthly Rent'). If the Commencement Date is not the first day of the calendar month, Total Monthly Rent shall be prorated. All amounts due Sublessor relating to this tenancy other than Total Monthly Rent ("Additional Rent"), are due and payable within thirty (30) days after receipt of Sublessor's invoice. All amounts due Sublessor relating to this tenancy are rent, and subject to all remedies of Sublessor for nonpayment of rent. Sublessee's obligation to pay all amounts owing under this Sublease shall survive Sublessee's relinquishment of possession to Sublessor, or the expiration or early termination of this Sublease.

3.2 If Total Monthly Rent is not received by Sublessor by the fifth (5th) day of the month in which it is due, or Additional Rent is not received by Sublessor within thirty (30) days after receipt of Sublessor's invoice, then Sublessee shall pay Sublessor a "Late Charge" of ten percent (10%) of the unpaid amount. Sublessee agrees that Sublessee's late payment causes Sublessor to incur costs which are impracticable or extremely difficult to fix, and that the Late Charge is a fair and reasonable estimate of such costs. Sublessor's acceptance of a Late Charge shall not constitute a waiver of Sublessee's default or interest pursuant to Article 26.8, or prevent Sublessor from exercising any of the other rights and remedies of Sublessor under this Sublease.

3.3 All amounts due Sublessor shall be paid by Sublessee, without deduction or offset, in lawful money of the United States of America at the office of Sublessor or to such other person or at such other place as Sublessor notifies Sublessee. Sublessor reserves the right to require that payments be made by certified check when Sublessee is in default hereunder or if any payment by Sublessor has been returned unpaid.

### ARTICLE 4 — TAX RENT

Any item of cost or expense included in Property Taxes shall not be included in either Operating Expenses or Capital Expenses.

4.2 Each year of the Term, Sublessee shall pay to Sublessor the Proportional Share of the amount of annual Property Taxes which exceed Base Year Property Taxes ("Tax Rent"), as follows. As soon as practical after the beginning of a Year, Sublessor shall estimate Tax Rent for the Year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the Comparison Year to be retroactively due). As soon as practical after the end of a Year, Sublessor shall determine the actual Tax Rent for the Year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated) If this Sublease does not terminate on the last day of the last Comparison Year, Tax Rent shall be prorated.

4.3 Sublessee shall pay any taxes levied upon the personal property or trade fixtures of Sublessee. Sublessee shall directly and fully reimburse Sublessor for any Property Taxes assessed for Alterations made by Sublessee which are above-Marina standard.

If this Sublease does not terminate on the last day of the Comparison Year, Operating Expense Rent shall be prorated.

#### ARTICLE 6 — CAPITAL EXPENSE RENT

- (a) Required by directive of a government, quasi-government or regulatory agency or authority pursuant to either a law or statute (or interpretation of same) newly enacted or promulgated after the execution of this Sublease; or
- (b) Made after the execution of this Sublease with the intent of reducing Operating Expenses.

Any item of cost or expense included in Capital Expenses shall not be included in either Property Taxes or Operating Expenses.

6.2 For each calendar year during the Term, Sublessee shall pay to Sublessor the Proportional Share of any Capital Expenses which Sublessor amortizes (with interest pursuant to Article 27.8) in such calendar year ("Capital Expense Rent"), as follows. As soon as practical after the beginning of a calendar year (or the Term, if applicable), Sublessor shall estimate Capital Expense Rent for the calendar year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the calendar year to be retroactively due). As soon as practical after the end of a calendar year, Sublessor shall determine the actual Capital Expense Rent for the calendar year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated). If this Sublease does not terminate on the last day of the calendar year, Capital Expense Rent shall be prorated.

During the Term, Sublessee shall deposit additional amounts with Sublessor so that the total amount held by Sublessor ("Security Deposit") is not less than Sublessee's then current Total Monthly Rent. The Security Deposit shall be held by Sublessor as security for the faithful performance by Sublessee of all of the terms, covenants and conditions of this Sublease to be kept or performed by Sublessee. Sublessor shall not be required to segregate the Security Deposit from its general funds or pay Sublessee any interest thereon. The Security Deposit shall not be used by Sublessee for payment of last month's rent, Sublessor may use, apply or retain all or any part of the Security Deposit for the payment of rent or any other sum in default, or to compensate Sublessor for any loss or damage which Sublessor has suffered or may suffer due to Sublessee's default of this Sublease. If Sublessee fully and faithfully performs every provision of this Sublease to be performed by Sublessee, then Sublessor shall return to Sublessee any Security Deposit which has not been so used, applied or retained within sixty (60) days of the termination of this Sublease; however, Sublessor may retain such Security Deposit as reasonably necessary to secure any remaining obligations of Sublessee under Articles 4, 5 and 6, which Sublessee acknowledges cannot be fully ascertained until as soon as practical after the end of the Comparison Year (or calendar year). Sublessee waives application of the provisions of California Civil Code section 1950.7 to the extent contrary to the foregoing.

If the Interruption is reasonably estimated by Sublessor to exceed one hundred eighty (180) days, then Sublessee may, within thirty (30) days after the Interruption, elect to terminate the Sublease upon thirty (30) days' prior written notice. Notwithstanding the foregoing, this Sublease shall not be terminated if Sublessor takes action within said thirty (30) days' notice period which will result in the restoration of Sublessee's reasonable access to, and use of the Premises within said one hundred eighty (180) days' period.

**ARTICLE 20 — SUBORDINATION**

20.1 Subject to the provisions of Article 23.2, this Sublease shall be subject and subordinate to all present and future ground or underlying leases of the Marina or Project and to the lien of any mortgage, trust deed or other encumbrances now or hereafter in force against the Marina or Project or any part thereof, and to any and all renewals, modifications, consolidations, replacements, substitutions and extensions thereof, as if the mortgage, trust deed or other encumbrance and all of its renewals, modifications, consolidations, replacements, substitutions and extensions had been executed, delivered and recorded prior to execution of this Sublease.

20.2 In the event of the termination of the Master Lease or the foreclosure of any mortgage, trust deed or other encumbrance, or upon a transferor conveyance in lieu of such foreclosure, then so long as the Sublease is then in full force and effect and Sublessee is not in default under any of the terms, covenants or conditions of the Sublease, Sublessee agrees to attorn to and accept any such successor owner as lessor under the Sublease and to be bound by and perform all of the obligations imposed by the Sublease, and successor owner will not disturb the possession of Sublessee and will be bound by and perform all of the obligations of Sublessor, except that successor owner will not be liable for: any act, omission or default of Sublessor, or be subject to any claims, offsets, defenses, credits or deductions which Sublessee might have against Sublessor; any rent, additional rent or other sum Sublessee paid to Sublessor more than one (1) month in advance, or by any security deposit, cleaning deposit or other prepaid charge Sublessee paid to Sublessor and not held by or paid over to successor owner; any conflict between the provisions of the Sublease and any other Sublease affecting the Marina or Project; or, constructing or completing any improvements to the Premises, Marina or Project required under this Sublease, whether prior to or during the Term, or in connection with any renewal, extension or expansion hereof.

20.3 Sublessee shall, within five (5) business days after receipt of Sublessor's written request, execute such further instruments or assurances as Sublessor may reasonably deem necessary to evidence or confirm the subordination, nondisturbance and attornment pursuant to this Article. Sublessee waives the provisions of any current or future statute, rule or law contrary to the provisions of this Article which may give Sublessee any right or election to terminate or otherwise adversely affect this Sublease and the obligations of the Sublessee hereunder in the event of any the foreclosure of any mortgage, trust deed or other encumbrance, or upon a transfer or conveyance in lieu of such foreclosure.

If Sublessee holds over after the Term without the prior written consent of Sublessor (which Sublessor may withhold in its sole discretion, without regard to Article 27.1), then Sublessee shall be a Sublessee-at-sufferance. Sublessee shall perform each and every term, condition and covenant of this Sublease during any such holding over except that: Sublessee shall not be entitled to any parking discounts or special modes of parking during such holding over; and, in lieu of Total Monthly Rent or Additional Rent due under the Sublease, for each month or portion thereof which Sublessee holds over Sublessee shall pay Sublessor liquidated damages of two hundred percent (200%) of the Total Monthly Rent payable by Sublessee to Sublessor in the last full month of the Term. Nothing herein shall prevent Sublessor from exercising any other rights under this Sublease or the law to regain possession of the Premises. Acceptance of any payment from Sublessee after expiration of this Sublease shall not constitute a renewal or extension thereof.

24.2 Sublessor shall not be in default or liable to Sublessee under this Sublease for any failure to observe any term of this Sublease, unless Sublessee notifies Sublessor of such default and Sublessor fails to cure same within thirty (30) days after receipt of Sublessee's notice (however, Sublessor shall cure in such shorter time as reasonably necessary due to an Emergency, and if more than thirty [30] days are reasonably required to cure, then no default will have occurred if Sublessor commences to cure within the thirty [30] day period and diligently prosecutes same to completion).

No remedy or election hereunder shall be deemed exclusive and, wherever possible, each remedy shall be cumulative with all other remedies. If Sublessee abandons the Premises, or Sublessee's right to possession is terminated by the Sublessor because of a default, and Sublessor proceeds under California Civil Code section 1951.2, this Sublease shall terminate, and Sublessor shall be entitled to recover from Sublessee; the worth at the time of award of the unpaid rent which had been earned at time of termination; the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Sublessee proves could have been reasonably avoided; the worth at the time of award of the amount by which the unpaid rent for the balance of the Term after the time of award exceeds the amount of such rental loss that Sublessee proves could be reasonably avoided; and any other amount necessary to compensate Sublessor for damage caused by Sublessee's failure to observe this Sublease (or which, in the ordinary course of things would be likely to result therefrom, including, without limitation, any costs of obtaining mitigating rental income, such as excused rent, brokerage commissions, Sublessee improvements, parking concessions, Sublease takeovers, cash payments, advertising, moving costs or any other cost or Sublessee concession related to the releasing of the Premises upon the default of Sublessee). 25.2 In any action brought by either Sublessor or Sublessee against the other to enforce or interpret any provision of this Sublease (including any claim in a bankruptcy or an assignment for the benefit of creditors), the prevailing party shall recover from the other party all reasonable costs and attorneys' fees of such action (including those incurred either prior to such action in the proposed resolution or contemplation of such action, in a prior unlawful defamer action rendered moot by Sublessee's vacancy, in the maintenance or enforcement of any judgment resulting from said action, or in the appeal from any such judgment), whether such costs were incurred or services were performed by in-house or outside counsel.

25.3 Sublessor and Sublessee each hereby waive their respective rights to trial by jury of any cause of action, claim, counterclaim or cross-complaint in any action, proceeding and/or hearing brought by either Sublessor against Sublessee, or Sublessee against Sublessor, as to any matter whatsoever arising out of or in any way connected with this Sublease, the relationship of Sublessor and Sublessee, Sublessee's use or occupancy of the Premises, any claim of injury or damage, or the enforcement of any remedy under any law, statute, or regulation, emergency or otherwise, now or hereafter in effect. Notwithstanding the foregoing, Sublessor and Sublessee agree that this waiver shall not be effective where the legal effect of such waiver would be to invalidate in whole or in part, or to limit or impair in any manner any policy of insurance in force for the benefit of Sublessor or Sublessee or to limit or impair any rights, remedies or coverage afforded thereunder.

## ARTICLE 26 — NOTICE

26.1 Notice shall be given to Sublessee at the Premises. Notice shall be given to Sublessor at 21500 Nordoff Street, Chatsworth, CA 91311 Attention: Frank Butler with copy to The Law Offices of Shai Oved at 20700 Ventura Blvd., Suite 220, Woodland Hills, CA 91364. If either party refuses to sign a receipt acknowledging delivery, notice may be given by first-class mail and shall be deemed effective two (2) business days after mailing. **Article 28**

In addition to all other rent payable pursuant to this sublease (Basic Monthly Rent, tax rent, operating expense rent, percentage rent and capital expense rent) Sublessee shall pay Percentage Rent due the City of San Diego on Sublessee's Gross Sales pursuant to the schedule attached hereto, marked Exhibit "C" and by this reference and incorporated herein. The City percentage rent shall be paid on or before the 21st day of each month after the month in which this sublease commences. Sublessor and the City of San Diego shall have the right at any time to inspect and/or audit Sublessee's books and records. Should the results of any such audit reveal an underpayment of the percentage rent due for the audit period of 3% or more, Sublessee shall pay all sums found due immediately, together with all costs of the audit and legal fees and costs incurred by Sublessor and the City of San Diego.

**Article 29**

Sublessee acknowledge that Sublessor does not provide any security for the marina and, consequently, Sublessee assumes all responsibility for vandalism, damages to or theft from the subleased improvements and will hold Sublessor and the City of San Diego free and harmless from any claims in connection therewith.

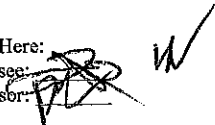

**Article 30**

Cost of living adjustments ("COL"). On March 1 of each year commencing March 1, 2003, the Basic Monthly Rent shall be adjusted by the change, if any, in the Consumer Price Index of the Bureau of Labor Statistics of the US Department of Labor for Urban Wage Earners and Clerical Workers for San Diego, California. All items (1982-1984 = 100) herein referred to as the "CPI."

The Basic Monthly Rent payable in accordance with Article 1.1(h) shall be calculated as follows: the Basic Monthly Rent set forth in paragraph 1.1(h) of the attached Sublease, shall be multiplied by a fraction the numerator of which shall be the C.P.I. of the calendar month 2 (two) months prior to the month(s) specified above during which the adjustment is to take effect, and the denominator of which shall be the C.P.I. of the calendar month which is 2 (two) months prior to the first month of the term of this lease as set forth in paragraph 1.1(e) ("Base Month"). The sum so calculated or the sum arrived at as a result of the minimum annual increases set forth above, which ever is greater, shall constitute the new monthly rent hereunder.

In the event the compilation and/or publication of the C.P.I. shall be transferred to any other governmental department or bureau or agency or shall be discontinued, then the index most nearly the same as the C.P.I. shall be used to make such calculation. In the event that Lessor and Lessee cannot agree on such alternative index, then the matter shall be submitted for decision to the American Arbitration Association in accordance with the then rules of said association and the decision of the arbitrators shall be binding upon the parties. The cost of said Arbitrators shall be paid equally by lessor and lessee.

- (a) the date upon which Sublessee occupies the Premises for the conduct of business; or
- (b) the later of:
  - (i) The Anticipated Commencement Date; or
  - (ii) The date, as reasonably determined by Sublessor, upon which the Sublessee Improvements are substantially complete and the Premises are available for the use and occupancy of Sublessee (or would have been so available, but for delay caused by Sublessee), and Sublessee has been provided the opportunity to move into the Premises over a weekend, regardless of Sublessee's completion of installation of Sublessee's trade fixtures, work stations, furnishings and telephone, communication or computer systems.

2.2 The "Initial Term" of this Sublease shall commence on the Commencement Date and continue for the Anticipated Term, plus so many additional days as are necessary such that the Sublease terminates on the last day of a calendar month (the "Termination Date"), unless sooner terminated as otherwise provided herein. The "Term" of this Sublease shall include the Initial Term and any other period of Sublessee's occupancy resulting either from Sublessee's holding over with Sublessor's consent (pursuant to Article 23), or from Sublessee's exercise of an express option to renew, re-Sublease or extend the Term, or other express agreement to extend the Term, all made in accordance with this Sublease (or a modification or addendum thereto made in accordance with this Sublease). ARTICLE 3 - BASIC MONTHLY RENT

3.1 The first installment of Basic Monthly Rent is due upon Sublessee's execution of this Sublease. All other installments of Basic Monthly Rent are payable in advance on the first day of each calendar month, together with any monthly installments of estimated Tax Rent, Operating Expense Rent and Capital Expense Rent (collectively "Total Monthly Rent"). If the Commencement Date is not the first day of the calendar month, Total Monthly Rent shall be prorated. All amounts due Sublessor relating to this tenancy other than Total Monthly Rent ("Additional Rent"), are due and payable within thirty (30) days after receipt of Sublessor's invoice. All amounts due Sublessor relating to this tenancy are rent, and subject to all remedies of Sublessor for nonpayment of rent. Sublessee's obligation to pay all amounts owing under this Sublease shall survive Sublessee's relinquishment of possession to Sublessor, or the expiration or early termination of this Sublease.

3.2 If Total Monthly Rent is not received by Sublessor by the fifth (5th) day of the month in which it is due, or Additional Rent is not received by Sublessor within thirty (30) days after receipt of Sublessor's invoice, then Sublessee shall pay Sublessor a "Late Charge" of ten percent (10%) of the unpaid amount. Sublessee agrees that Sublessee's late payment causes Sublessor to incur costs which are impracticable or extremely difficult to fix, and that the Late Charge is a fair and reasonable estimate of such costs. Sublessor's acceptance of a Late Charge shall not constitute a waiver of Sublessee's default or interest pursuant to Article 26.8, or prevent Sublessor from exercising any of the other rights and remedies of Sublessor under this Sublease.

3.3 All amounts due Sublessor shall be paid by Sublessee, without deduction or offset, in lawful money of the United States of America at the office of Sublessor or to such other person or at such other place as Sublessor notifies Sublessee. Sublessor reserves the right to require that payments be made by certified check when Sublessee is in default hereunder or if any payment by Sublessor has been returned unpaid.

ARTICLE 4 - TAX RENT

4.1 "Property Taxes" is all costs and expenses which Sublessor incurs for real and personal property taxes, or any other assessments upon Sublessor's legal or equitable interest in the Land, Marina or Common Areas and all or any related facilities and improvements (including, without limitation, Subleasehold taxes, any non-progressive tax on or measured with respect to gross receipts), whether imposed by a government authority or agency, or by a special assessment district (including districts established for transportation plans, funds or systems), and any reasonable expenses of Sublessor in successfully contesting any of the foregoing; excepting any net income, franchise, capital stock, estate or inheritance taxes. Any item of cost or expense included in Property Taxes shall not be included in either Operating Expenses or Capital Expenses.

4.2 Each year of the Term, Sublessee shall pay to Sublessor the Proportional Share of the amount of annual Property Taxes which exceed Base Year Property Taxes ("Tax Rent"), as follows. As soon as practical after the beginning of a Year, Sublessor shall estimate Tax Rent for the Year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the Comparison Year to be retroactively due). As soon as practical after the end of a Year, Sublessor shall determine the actual Tax Rent for the Year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated). If this Sublease does not terminate on the last day of the last Comparison Year, Tax Rent shall be prorated.

4.3 Sublessee shall pay any taxes levied upon the personal property or trade fixtures of Sublessee. Sublessee shall directly and fully reimburse Sublessor for any Property Taxes assessed for Alterations made by Sublessee which are above-Marina standard.

ARTICLE 5 - OPERATING EXPENSE RENT

5.1 "Operating Expenses" is all costs and expenses which Sublessor incurs for operating, maintaining, repairing, improving, managing and administering the Land, Marina and Common Areas, including, without limitation costs of utilities and services provided pursuant to Article g; costs of maintenance performed pursuant to Article I; parking facility operation, maintenance and management; business licenses or similar licenses or taxes; insurance Sublessor provides pursuant to Article 15. Sublessee:  
Sublessor:

5.2 Any item of operation, maintenance, repair, improvement, management or administration of the Marina provided to or supplied from another Marina owned or operated by Sublessor shall be reasonably allocated between such other Marina and the Marina. Operating Expenses shall not be offset for any revenue derived from operation of the Marina or Common Areas, however, Operating Expenses shall exclude costs and expenses of: obtaining new Sublessees (including leasing commissions, attorneys' fees, and improvements to premises); items for which Sublessor is directly reimbursed pursuant to Sublessee Subleases or insurance policies of Sublessees or Sublessor; depreciation and amortization; special services or benefits provided to other Sublessees and not Sublessee; violations of this Sublease by Sublessor; violations by other Sublessees of their Subleases; overhead and profit paid to subsidiaries or affiliates of Sublessor, to the extent same exceeds same if such services were not rendered by a subsidiary or affiliate, principle or interest on debt, or any mortgage; and, ground Sublease rent (if any).

5.3 For each Year, Sublessee shall pay to Sublessor the Proportional Share of the amount, if any, of Operating Expenses for such Year ("Operating Expense Rent"), as follows. As soon as practical after the beginning of a Comparison Year, Sublessor shall estimate Operating Expense Rent for the Year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the Comparison Year to be retroactively due). As soon as practical after the end of a Year, Sublessor shall determine the actual Operating Expense Rent for the Year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated). If this Sublease does not terminate on the last day of the Comparison Year, Operating Expense Rent shall be prorated.

#### ARTICLE 6 - CAPITAL EXPENSE RENT

6.1 "Capital Expenses" is defined as all costs and expenses Sublessor incurs (without offset for any revenue derived from any source whatsoever) for making or installing capital improvements, modifications or additions to the Land, Marina or Common Areas, which are either:

- (a) Required by directive of a government, quasi-government or regulatory agency or authority pursuant to either a law or statute (or interpretation of same) newly enacted or promulgated after the execution of this Sublease; or
- (b) Made after the execution of this Sublease with the intent of reducing Operating Expenses.

Any item of cost or expense included in Capital Expenses shall not be included in either Property Taxes or Operating Expenses.

6.2 For each calendar year during the Term, Sublessee shall pay to Sublessor the Proportional Share of any Capital Expenses which Sublessor amortizes (with interest pursuant to Article 27.8) in such calendar year ("Capital Expense Rent"), as follows. As soon as practical after the beginning of a calendar year (or the Term, if applicable), Sublessor shall estimate Capital Expense Rent for the calendar year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the calendar year to be retroactively due). As soon as practical after the end of a calendar year, Sublessor shall determine the actual Capital Expense Rent for the calendar year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated). If this Sublease does not terminate on the last day of the calendar year, Capital Expense Rent shall be prorated.

#### ARTICLE 7 - SECURITY DEPOSIT

7.1 The Initial Security Deposit is due upon Sublessee's execution of this Sublease. During the Term, Sublessee shall deposit additional amounts with Sublessor so that the total amount held by Sublessor ("Security Deposit") is not less than Sublessee's then current Total Monthly Rent. The Security Deposit shall be held by Sublessor as security for the faithful performance by Sublessee of all of the terms, covenants and conditions of this Sublease to be kept or performed by Sublessee. Sublessor shall not be required to segregate the Security Deposit from its general funds or pay Sublessee any interest thereon. The Security Deposit shall not be used by Sublessee for payment of last month's rent. Sublessor may use, apply or retain all or any part of the Security Deposit for the payment of rent or any other sum in default, or to compensate Sublessor for any loss or damage which Sublessor has suffered or may suffer due to Sublessee's default of this Sublease. If Sublessee fully and faithfully performs every provision of this Sublease to be performed by Sublessee, then Sublessor shall return to Sublessee any Security Deposit which has not been so used, applied or retained within sixty (60) days of the termination of this Sublease; however, Sublessor may retain such Security Deposit as reasonably necessary to secure any remaining obligations of Sublessee under Articles 4, 5 and 6, which Sublessee acknowledges cannot be fully ascertained until as soon as practical after the end of the Comparison Year (or calendar year). Sublessee waives application of the provisions of California Civil Code section 1950.7 to the extent contrary to the foregoing.

## ARTICLE 26 - NOTICE

26.1 Notice shall be given to Sublessee at the Premises or at 1536 Bunena Vista, San Clemente, CA 92672. - (a) the date upon which Sublessee occupies the Premises for the conduct of business; or
- (b) the later of:
  - (i) The Anticipated Commencement Date; or
  - (ii) The date, as reasonably determined by Sublessor, upon which the Sublessee Improvements are substantially complete and the Premises are available for the use and occupancy of Sublessee (or would have been so available, but for delay caused by Sublessee), and Sublessee has been provided the opportunity to move into the Premises over a weekend, regardless of Sublessee's completion of installation of Sublessee's trade fixtures, work stations, furnishings and telephone, communication or computer systems.

2.2 The "Initial Term" of this Sublease shall commence on the Commencement Date and continue for the Anticipated Term, plus so many additional days as are necessary such that the Sublease terminates on the last day of a calendar month (the "Termination Date"), unless sooner terminated as otherwise provided herein. The "Term" of this Sublease shall include the Initial Term and any other period of Sublessee's occupancy resulting either from Sublessee's holding over with Sublessor's consent (pursuant to Article 23), or from Sublessee's exercise of an express option to renew, re-Sublease or extend the Term, or other express agreement to extend the Term, all made in accordance with this Sublease (or a modification or addendum thereto made in accordance with this Sublease). ARTICLE 3 - BASIC MONTHLY RENT

3.1 The first installment of Basic Monthly Rent is due upon Sublessee's execution of this Sublease. All other installments of Basic Monthly Rent are payable in advance on the first day of each calendar month, together with any monthly installments of estimated Tax Rent, Operating Expense Rent and Capital Expense Rent (collectively "Total Monthly Rent"). If the Commencement Date is not the first day of the calendar month, Total Monthly Rent shall be prorated. All amounts due Sublessor relating to this tenancy other than Total Monthly Rent ("Additional Rent"), are due and payable within thirty (30) days after receipt of Sublessor's invoice. All amounts due Sublessor relating to this tenancy are rent, and subject to all remedies of Sublessor for nonpayment of rent. Sublessee's obligation to pay all amounts owing under this Sublease shall survive Sublessee's relinquishment of possession to Sublessor, or the expiration or early termination of this Sublease.

3.2 If Total Monthly Rent is not received by Sublessor by the fifth (5th) day of the month in which it is due, or Additional Rent is not received by Sublessor within thirty (30) days after receipt of Sublessor's invoice, then Sublessee shall pay Sublessor a "Late Charge" of ten percent (10%) of the unpaid amount. Sublessee agrees that Sublessee's late payment causes Sublessor to incur costs which are impracticable or extremely difficult to fix, and that the Late Charge is a fair and reasonable estimate of such costs. Sublessor's acceptance of a Late Charge shall not constitute a waiver of Sublessee's default or interest pursuant to Article 26.8, or prevent Sublessor from exercising any of the other rights and remedies of Sublessor under this Sublease.

3.3 All amounts due Sublessor shall be paid by Sublessee, without deduction or offset, in lawful money of the United States of America at the office of Sublessor or to such other person or at such other place as Sublessor notifies Sublessee. Any item of cost or expense included in Property Taxes shall not be included in either Operating Expenses or Capital Expenses.

4.2 Each year of the Term, Sublessee shall pay to Sublessor the Proportional Share of the amount of annual Property Taxes which exceed Base Year Property Taxes ("Tax Rent"), as follows. As soon as practical after the beginning of a Year, Sublessor shall estimate Tax Rent for the Year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the Comparison Year to be retroactively due). As soon as practical after the end of a Year, Sublessor shall determine the actual Tax Rent for the Year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated) If this Sublease does not terminate on the last day of the last Comparison Year, Tax Rent shall be prorated.

4.3 Sublessee shall pay any taxes levied upon the personal property or trade fixtures of Sublessee. Sublessee shall directly and fully reimburse Sublessor for any Property Taxes assessed for Alterations made by Sublessee which are above-Marina standard.

ARTICLE 5 - OPERATING EXPENSE RENT

5.1 "Operating Expenses" is all costs and expenses which Sublessor incurs for operating, maintaining, repairing, improving, managing and administering the Land, Marina and Common Areas, including, without limitation costs of utilities and services provided pursuant to Article g; costs of maintenance performed pursuant to Article 11; parking facility operation, maintenance and management; business licenses or similar licenses or taxes; insurance Sublessor provides pursuant to Article 15. Sublessor:

5.2 Any item of operation, maintenance, repair, improvement, management or administration of the Marina provided to or supplied from another Marina owned or operated by Sublessor shall be reasonably allocated between such other Marina and the Marina. Operating Expenses shall not be offset for any revenue derived from operation of the Marina or Common Areas, however, Operating Expenses shall exclude costs and expenses of: obtaining new Sublessees (including leasing commissions, attorneys' fees, and improvements to premises); items for which Sublessor is directly reimbursed pursuant to Sublessee Subleases or insurance policies of Sublessees or Sublessor; depreciation and amortization; special services or benefits provided to other Sublessees and not Sublessee; violations of this Sublease by Sublessor; violations by other Sublessees of their Subleases; overhead and profit paid to subsidiaries or affiliates of Sublessor, to the extent same exceeds same if such services were not rendered by a subsidiary or affiliate, principle or interest on debt, or any mortgage; and, ground Sublease rent (if any).

5.3 For each Year, Sublessee shall pay to Sublessor the Proportional Share of the amount, if any, of Operating Expenses for such Year ("Operating Expense Rent"), as follows. As soon as practical after the beginning of a Comparison Year, Sublessor shall estimate Operating Expense Rent for the Year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the Comparison Year to be retroactively due). As soon as practical after the end of a Year, Sublessor shall determine the actual Operating Expense Rent for the Year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated). If this Sublease does not terminate on the last day of the Comparison Year, Operating Expense Rent shall be prorated.

#### ARTICLE 6 - CAPITAL EXPENSE RENT

6.1 "Capital Expenses" is defined as all costs and expenses Sublessor incurs (without offset for any revenue derived from any source whatsoever) for making or installing capital improvements, modifications or additions to the Land, Marina or Common Areas, which are either:

- (a) Required by directive of a government, quasi-government or regulatory agency or authority pursuant to either a law or statute (or interpretation of same) newly enacted or promulgated after the execution of this Sublease; or
- (b) Made after the execution of this Sublease with the intent of reducing Operating Expenses.

Any item of cost or expense included in Capital Expenses shall not be included in either Property Taxes or Operating Expenses.

6.2 For each calendar year during the Term, Sublessee shall pay to Sublessor the Proportional Share of any Capital Expenses which Sublessor amortizes (with interest pursuant to Article 27.8) in such calendar year ("Capital Expense Rent"), as follows. As soon as practical after the beginning of a calendar year (or the Term, if applicable), Sublessor shall estimate Capital Expense Rent for the calendar year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the calendar year to be retroactively due). As soon as practical after the end of a calendar year, Sublessor shall determine the actual Capital Expense Rent for the calendar year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated). If this Sublease does not terminate on the last day of the calendar year, Capital Expense Rent shall be prorated.

#### ARTICLE 7 - SECURITY DEPOSIT

7.1 The Initial Security Deposit is due upon Sublessee's execution of this Sublease. During the Term, Sublessee shall deposit additional amounts with Sublessor so that the total amount held by Sublessor ("Security Deposit") is not less than Sublessee's then current Total Monthly Rent. The Security Deposit shall be held by Sublessor as security for the faithful performance by Sublessee of all of the terms, covenants and conditions of this Sublease to be kept or performed by Sublessee. Sublessor shall not be required to segregate the Security Deposit from its general funds or pay Sublessee any interest thereon. The Security Deposit shall not be used by Sublessee for payment of last month's rent, Sublessor may use, apply or retain all or any part of the Security Deposit for the payment of rent or any other sum in default, or to compensate Sublessor for any loss or damage which Sublessor has suffered or may suffer due to Sublessee's default of this Sublease. If Sublessee fully and faithfully performs every provision of this Sublease to be performed by Sublessee, then Sublessor shall return to Sublessee any Security Deposit which has not been so used, applied or retained within sixty (60) days of the termination of this Sublease; however, Sublessor may retain such Security Deposit as reasonably necessary to secure any remaining obligations of Sublessee under Articles 4, 5 and 6, which Sublessee acknowledges cannot be fully ascertained until as soon as practical after the end of the Comparison Year (or calendar year). Sublessee waives application of the provisions of California Civil Code section 1950.7 to the extent contrary to the foregoing.

**ARTICLE 8 - USE**

8.1 Sublessee shall use the Premises solely for the Permitted Use and shall not use or permit the Premises to be used for any other purpose without the prior written consent of Sublessor. Sublessee shall not use or occupy the Marina, Common Areas or Premises in a manner which: is a violation of any law or certificate of occupancy; is a nuisance; obstructs, injures or interferes with the rights of other Sub lessees or occupants of the Marina; invalidates or increases the cost of any insurance policy described in Article 15; or violates rules, orders, regulations and requirements of any insurance fire rating bureau. The Premises shall not be used for any lodging, sleeping or unlawful purpose. Sublessee shall, at Sublessee's sole cost and expense, comply with all directives, orders and regulations of any government authority which concern Sublessee's particular use, design, specification or construction of the Premises (as compared to compliance generally required throughout the Marina, in which case recovery of costs may be subject to Article 6).

- (a) the date upon which Sublessee occupies the Premises for the conduct of business; or
- (b) the later of:
  - (i) The Anticipated Commencement Date; or
  - (ii) The date, as reasonably determined by Sublessor, upon which the Sublessee Improvements are substantially complete and the Premises are available for the use and occupancy of Sublessee (or would have been so available, but for delay caused by Sublessee), and Sublessee has been provided the opportunity to move into the Premises over a weekend, regardless of Sublessee's completion of installation of Sublessee's trade fixtures, work stations, furnishings and telephone, communication or computer systems.

2.2 The "Initial Term" of this Sublease shall commence on the Commencement Date and continue for the Anticipated Term, plus so many additional days as are necessary such that the Sublease terminates on the last day of a calendar month (the "Termination Date"), unless sooner terminated as otherwise provided herein. The "Term" of this Sublease shall include the Initial Term and any other period of Sublessee's occupancy resulting either from Sublessee's holding over with Sublessor's consent (pursuant to Article 23), or from Sublessee's exercise of an express option to renew, re-Sublease or extend the Term, or other express agreement to extend the Term, all made in accordance with this Sublease (or a modification or addendum thereto made in accordance with this Sublease). ARTICLE 3 - BASIC MONTHLY RENT

3.1 The first installment of Basic Monthly Rent is due upon Sublessee's execution of this Sublease. All other installments of Basic Monthly Rent are payable in advance on the first day of each calendar month, together with any monthly installments of estimated Tax Rent, Operating Expense Rent and Capital Expense Rent (collectively "Total Monthly Rent"). If the Commencement Date is not the first day of the calendar month, Total Monthly Rent shall be prorated. All amounts due Sublessor relating to this tenancy other than Total Monthly Rent ("Additional Rent"), are due and payable within thirty (30) days after receipt of Sublessor's invoice. All amounts due Sublessor relating to this tenancy are rent, and subject to all remedies of Sublessor for nonpayment of rent. Sublessee's obligation to pay all amounts owing under this Sublease shall survive Sublessee's relinquishment of possession to Sublessor, or the expiration or early termination of this Sublease.

3.2 If Total Monthly Rent is not received by Sublessor by the fifth (5th) day of the month in which it is due, or Additional Rent is not received by Sublessor within thirty (30) days after receipt of Sublessor's invoice, then Sublessee shall pay Sublessor a "Late Charge" of ten percent (10%) of the unpaid amount. Sublessee agrees that Sublessee's late payment causes Sublessor to incur costs which are impracticable or extremely difficult to fix, and that the Late Charge is a fair and reasonable estimate of such costs. Sublessor's acceptance of a Late Charge shall not constitute a waiver of Sublessee's default or interest pursuant to Article 26.8, or prevent Sublessor from exercising any of the other rights and remedies of Sublessor under this Sublease.

3.3 All amounts due Sublessor shall be paid by Sublessee, without deduction or offset, in lawful money of the United States of America at the office of Sublessor or to such other person or at such other place as Sublessor notifies Sublessee. Any item of cost or expense included in Property Taxes shall not be included in either Operating Expenses or Capital Expenses.

As soon as practical after the beginning of a Year, Sublessor shall estimate Tax Rent for the Year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the Comparison Year to be retroactively due). As soon as practical after the end of a Year, Sublessor shall determine the actual Tax Rent for the Year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated) If this Sublease does not terminate on the last day of the last Comparison Year, Tax Rent shall be prorated.

4.3 Sublessee shall pay any taxes levied upon the personal property or trade fixtures of Sublessee. Sublessee shall directly and fully reimburse Sublessor for any Property Taxes assessed for Alterations made by Sublessee which are above-Marina standard.

5.3 For each Year, Sublessee shall pay to Sublessor the Proportional Share of the amount, if any, of Operating Expenses for such Year ("Operating Expense Rent"), as follows. As soon as practical after the beginning of a Comparison Year, Sublessor shall estimate Operating Expense Rent for the Year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the Comparison Year to be retroactively due). As soon as practical after the end of a Year, Sublessor shall determine the actual Operating Expense Rent for the Year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated). - (a) Required by directive of a government, quasi-government or regulatory agency or authority pursuant to either a law or statute (or interpretation of same) newly enacted or promulgated after the execution of this Sublease; or
- (b) Made after the execution of this Sublease with the intent of reducing Operating Expenses.

Any item of cost or expense included in Capital Expenses shall not be included in either Property Taxes or Operating Expenses.

6.2 For each calendar year during the Term, Sublessee shall pay to Sublessor the Proportional Share of any Capital Expenses which Sublessor amortizes (with interest pursuant to Article 27.8) in such calendar year ("Capital Expense Rent"), as follows. As soon as practical after the beginning of a calendar year (or the Term, if applicable), Sublessor shall estimate Capital Expense Rent for the calendar year, which Sublessee shall pay in equal monthly installments (underpayment of estimates from the beginning of the calendar year to be retroactively due). As soon as practical after the end of a calendar year, Sublessor shall determine the actual Capital Expense Rent for the calendar year and either invoice Sublessee for any underpayment, or credit any overpayment to Total Monthly Rent next due (or refund the overpayment to Sublessee, if this Sublease has terminated). If this Sublease does not terminate on the last day of the calendar year, Capital Expense Rent shall be prorated.

7.1 The Initial Security Deposit is due upon Sublessee's execution of this Sublease. During the Term, Sublessee shall deposit additional amounts with Sublessor so that the total amount held by Sublessor ("Security Deposit") is not less than Sublessee's then current Total Monthly Rent. The Security Deposit shall be held by Sublessor as security for the faithful performance by Sublessee of all of the terms, covenants and conditions of this Sublease to be kept or performed by Sublessee. Sublessor shall not be required to segregate the Security Deposit from its general funds or pay Sublessee any interest thereon. The Security Deposit shall not be used by Sublessee for payment of last month's rent, Sublessor may use, apply or retain all or any part of the Security Deposit for the payment of rent or any other sum in default, or to compensate Sublessor for any loss or damage which Sublessor has suffered or may suffer due to Sublessee's default of this Sublease. If Sublessee fully and faithfully performs every provision of this Sublease to be performed by Sublessee, then Sublessor shall return to Sublessee any Security Deposit which has not been so used, applied or retained within sixty (60) days of the termination of this Sublease; however, Sublessor may retain such Security Deposit as reasonably necessary to secure any remaining obligations of Sublessee under Articles 4, 5 and 6, which Sublessee acknowledges cannot be fully ascertained until as soon as practical after the end of the Comparison Year (or calendar year). Sublessee waives application of the provisions of California Civil Code section 1950.7 to the extent contrary to the foregoing.

If in Sublessor's reasonable opinion repairs can be completed within one hundred twenty (120) days after the Damage Event and the Damage Event occurred prior to the last year of the Term, Sublessor shall repair same during which time this Sublease shall remain in full force and effect (subject to Article 19). If in Sublessor's reasonable opinion repairs cannot be completed within one hundred twenty (120) days after the Damage Event, the Damage Event occurred during the last year of the Term, or the Damage Event is not insured, Sublessor may either repair same during which time this Sublease shall remain in full force and effect (subject to Article 19) or terminate this Sublease upon at least thirty (30) days' prior written notice to Sublessee (subject to Article 19). Sublessor's obligation to repair the Premises shall only extend those items required to be insured by Sublessor pursuant to Article 15.1 (b), unless Sublessee assigns to Sublessor the proceeds of any insurance required pursuant to Article 15.2(b) with respect to above-Marina standard Alterations and pays to Sublessor any deductible under such policy. Sublessee hereby waives application of California Civil Code sections 1932(2) and 1933(4).

#### ARTICLE 18 - EMINENT DOMAIN

18.1 If all or any portion of the Land, Marina, Common Areas or Premises is taken for any public or quasi-public purpose by any lawful power or authority by exercise of the right of appropriation, condemnation or eminent domain, or sold in lieu of such taking ("Taking"), then if the Taking substantially interferes with Sublessee's use and occupancy of the Premises, this Sublease shall terminate on the date of Taking. If the Taking does not substantially interfere with Sublessee's use and occupancy of the Premises, Sublessor may either terminate this Sublease or, after the Taking, restore the Premises to substantially the same condition prior thereto, Sublessee shall not assert any claim for any interest in this Sublease; however, Sublessee shall be entitled to bring a separate action for relocation expenses, and damages to Sublessee's personal property, trade fixtures and goodwill.
