Subject: Bird Rock Elementary Joint Use Area Adjustment for Whole Site Modernization

Dear Andy,

The Whole Site Modernization project at Bird Rock Elementary will require a temporary adjustment to the Joint Use Area from May 28, 2026 through late 2029 . Please see the attached plan outlining the temporary reduction in the joint use field which will be utilized as a construction laydown area to support the contractor's operations.

Public and maintenance access to the field is expected to be maintained throughout the duration of the project.

Please let us know if you have any questions or need further information.

Best regards,
