Directors Reports

Chair/CPC Representative, Vice Chair Report, Treasurer/ DIF Report/Alternate CPC Representative, Secretary/Secretary Report

1) **Briefing: San Diego City Environmental Services Department briefing and update on new trash collection system.**

2) **Discussion Item: The obligations of community group members, the requirements of the Brown Act.** Brief review of the rules under which we operate.

3) Action Item: NCPG Director Elections:

The following director positions are open for nomination and a vote by the NCPI Board.

1) Chair 2) Vice Chair 3) Secretary 4) Treasurer

4) Action Item: Support for issues considered by the City of San Diego Climate Advisory Board and Mobility Board.

Support installation of a high visibility crosswalk at Mission Gorge Rd. and Mission Gorge Place. This intersection supports the main flow of pedestrian traffic in Grantville to the Grantville Union Trolley station and is adjacent to two of the largest residential developments in Grantville. Support also for additional sewer and water main upgrades in the Grantville/Adobe Falls area.

5) Action Item: Consider authorization, for one year, a CIP-DIF committee.

The purpose of the committee would be to: 1) Recommend Capital Improvement Projects (CIP) projects and prioritize Development Impacts Fees (DIF) expenditures, with review and approval by the board; 2) Make annual recommendations to the board; 3) Monitor the progress of the NCPG's CIP recommendations.

6) Committee Reports

- Rules & Procedures
- Rock Quarry Committee: Report from committee and consideration of re-authorization. If authorized by NCPG, Committee to meet no less than quarterly to review residents' comments and complaints, receive updates from the operator and maintain appropriate records. The committee shall also communicate all relevant issues for the annual City review.
- Elections Committee
- Traffic Safety
- Community Outreach

7) Action Item: Reimbursement to Secretary for purchase of webcam
