DATE/TIME: JANUARY 20, 2026 0940 HOURS
NUMBER: OR 26-04
SUBJECT: SB 719 Annual POST Learning Portal Pursuit Training- 2026
SCOPE: ALL MEMBERS OF THE DEPARTMENT
DEPARTMENT PROCEDURE AFFECTED: 1.03- Pursuit Procedures

Portions of this document are deemed by the San Diego Police Department to be exempt from public disclosure because the public interest served by not disclosing the information clearly outweighs the public interest served by disclosure, pursuant to California Government Code section 7922.000.

On October 4, 2005, Senate Bill (SB) 719 was signed into law. This law, which went into effect January 1, 2006 requires law enforcement agencies to establish pursuit policies, continually provide annual pursuit training to their officers, and ensure all pursuits are documented and submitted to the California Highway Patrol (CHP) within 30 days.

In accordance with SB 719, the Training Unit has created a video on the POST Learning Portal Website which addresses the mandate and reviews our Department's pursuit policy. You must log into the POST Learning Portal (Instructions below) in order to complete the video and the portal can be accessed through the use of Microsoft Edge or Goggle Chrome as the search engine. You **MUST** zoom to 150% resolution at full screen in order to allow the interactive target drag-to-drop zones to work properly within the module.

All sworn members of the Department shall view the video in its entirety on their individual POST account. At the conclusion of the video, officers will be able to print a proof of completion certificate showing they have completed the course. In addition, the attestation form (attached to this order and also available on the F drive in the Training Folder) **MUST** also be printed, filled out, and ink signed. BOTH the certificate **AND** the signed attestation forms will need to be forwarded to In-Service Training at **(Redacted – record exempt)** attention Officer **(Redacted – record exempt)**. Supervisors will assure completion of their personnel.

The training video shall be completed by March 13th, 2026.

Click on the box “Vehicle Pursuit Policy S2526”, a new window will open, click “continue”, another side window will open click on “Continue attempt 1”. If pop up blocker is preventing the content, click on “launch course” this should begin the course.

Please note that you must be full screen and zoom the screen resolution to 150% resolution. This is most important to allow the drag and drop portion of the “Who Does What” module. This portion can be frustrating, if you are still having issues with the 150% resolution, drag slightly above or below the box area until the correct answer binds.
