

## Infrastructure Priorities Survey - Projects Form for Planning Groups

**Instructions:** Please list infrastructure project ideas and answer questions in Column A pertaining to each project. Copy and paste columns to add more projects. Return completed forms to [PublicSpaces@sandiego.gov](mailto:PublicSpaces@sandiego.gov) by **August, 2025**.

**Planning Group Name: Downtown**

Questions	Project Idea 1	Project Idea 2	Project Idea 3	Project Idea 4
<b>1. Please share specific infrastructure project ideas/ suggestions for your community?</b>	Traffic calming (velocity reduction) on Ash St in Cortez Hill	Traffic calming (velocity reduction) at the 94 offbound ramp.	Complete streets	Highway offramps; improving pedestrian safety and
<b>2. Where is your suggested project located?</b>	Ash and 9th - 7th Ave.s	F and 15th St.s	Throughout; immediately, ensuring support for Implementation Phases 3A1-2; 3B1-3	Front and Date; Cedar and Second; Sixth and Date
<b>3. How will this project positively impact the community?</b>	It will keep community members alive. Vehicles routinely drive at very high speeds on that stretch of road; it is very dangerous to the people who live there, work there, and (especially) those who stay at the two hotels there who don't know to be wary.	It will keep community members alive. Vehicles routinely drive at very high speeds on that stretch of road; it is very dangerous to the people who live there, work there, and shop and visit there.	Providing residents more options to get around our City safely and easily, and even actively, while encouraging less-polluting modes of travel, and enhancing our neighborhoods, is a win-win-win for all of us	It will drastically improve the safety and lived experience of Downtown residents, and businesses. The offramps appear to be designed to maximize vehicle volume at the expense of safety and welfare of anyone doing multimodal transportation, and creates an environment that is hostile to that multimodal transportation. The City should prioritize the physical environment of Downtown to maximize vitality and safety.
<b>4. Please select the category most related to your project idea.</b>	Mobility	Mobility	Mobility	Mobility
