

## Infrastructure Priorities Survey - Projects Form for Planning Groups

Instructions: Please list infrastructure project ideas and answer questions in Column A pertaining to each project. Copy and paste columns to add more projects. Return completed forms to [PublicSpaces@sandiego.gov](mailto:PublicSpaces@sandiego.gov) by **August, 2025**

### Planning Group Name: Eastern Area Communities Planning Committee (EACPC) - Webster

Questions	Project Idea 1	Project Idea 2	Project Idea 3	Project Idea 4
<b>1. Please share specific infrastructure project ideas/ suggestions for your community?</b>	Pocket Park on Marilou Rd between 49th and Brookline	Sidewalks on A St. between 49th and 47th Street.	Complete undergrounding throughout Webster	Install trash can --with regular collection schedule - on Federal at 50th Street
<b>2. Where is your suggested project located?</b>	Marilou Rd between 49th and Brookline	A St. from 47th to 49th street.	Webster	The corner of Federal and 58th St
<b>3. How will this project positively impact the community?</b>	Webster current has no parks and a pocket park could provide not only beautification and a point of pride for the community, but also a green gathering area for residents to meet and enjoy a space that is focused on nature and community	Sidewalks will provide a safe walkable area for pedestrians on this busy street.	Undergrounding will help beautify our communities by removing unsightly overhead lines that will allow us to create more tree canopies and help the city meet its Climate Action goals as well as provide opportunities for additional street lights that are badly needed in older communities. Webster was promised complete undergrounding back in 2008 and we ask that the City please give us priority on this now.	There is no trash recepticle here and it's is a very high traffic and pedestrian area. The trash accumulation on this corner brings blight to Webster. We need a trash recepticle and regularly scheduled trash pick up to help keep this corner clean and discourage littering
<b>4. Please select the category most related to your project idea.</b>	Parks and Play Areas	Mobility	Other	Other & Public Saftey
