Planning Group Name: Jamacha

Questions	Project Idea 1	Project Idea 2	Project Idea 3
1. Please share specific infrastructure project ideas/ suggestions for your community?	Add Storm Drains on the westside of Jamacha Rd and upgrade Storm water drains from 7105-7108 Jamacha Rd	Keiller Neighborhood Park, build new Playground for age 5 years to Adults (40-250 pounds); Please add, flat swing and ADA friendly equipment like the Waterfront Park downtown, round swing to lie on, climbing equipment, and see-saw ; rope climbing structure for 12 year olds and adults; security lights and camera; wifi; lights; benches on field; two covered picnic shelters; pavillion; excersize equipment; poop bag station; storage shed onto the back of the comfort station to store art and craft supplies to provide Summer Night Movies in the Park.	Add Stop Sign or 3 way Street Light, traffic calming measure
2. Where is your suggested project located?	From Lobrico Ct thru 68th St. And 68th St. -Imperial Avenue, and from Imperial Avenue and 69th St to Jamacha Rd.	7400 Lisbon St.	Imperial Avenue and Viewcrest Dr. intersection.
3. How will this project positively impact the community?	Prevent reoccurrence of January 2024 flooding, and increase safety of residents walking to avoid puddles	This recommendation will comply with State ADA laws. As well as stop age discrimination of kids over 5 yearsold that do not have age appropriate play equipment with a park tailored for toddlers. This will improve quality of life, benefit all residents, excersize will increase health of kids and adults with Diabetes and reduce complications of diabetes. Add an area with a restroom for the community to gather. This will provide equity witing District 4 and City of San Diego.	This will reduce speed and reduce deaths and increase safety. There have been a few vehicle related pedestrain deaths, car crashes due to drag racing,
4. Please select the category most related to your project idea.	Flood resiliency and water quality	Parks and Recreation	Mobility Asset

Project Idea 4	Project Idea 5	Project Idea 6	Project Idea 7	Project Idea 8
Add crosswalk reflectors to all stop signs within Jamacha	Add Light up Stop signs	Add sidewalk on west side of Imperial Avenue	Limit hours or replace the loud trolley horn at night	Add sidewalk on Jamacha Rd.
Jamacha Rd, Lisbon St, Woodrow Ave, and Imperial Ave and 68th St. and 69th St.	A. On Lisbon St. in front of Keiller Leadership Acedemy B. Stop sign at 68th St. and Jamacha Rd.	On the North west side of Imperial Avenue from Lisbon St thru start of Lemon Grove Avenue and encourage Lemon Grove to continue thru Massachusetts Ave.	68th St. thru Foster St.	69th St-68th St
This will add visibility to the darker areas and increase pedestrian safety preventing accidents from speeding vehicles that do not stop at stop signs.	This will reduce liklyhood of students and parents being hit by cars speeding down Lisbon St. and promote safer streets	Pedestrains have been injured and killed crossing the street. The side with sidewalk has a steep wooded hill and people like to walk on the trolley side with more visability and light	This will prevent interruption of sleep with loud horn	This is a public safety issue, students walk in the middle of the street due to no sidewalks.

Add speed bumps on streets with frequent speeding in Jamacha	Add street light	Install curb extenders or pavement markings that only allow standard automobiles to fit parking spots, and add warning signs of no commercial vehicle parking.	Add Jamacha Community signs	Replace Jamacha Community sign that the City removed
A. Joanna Dr. B. Jamacha Rd. between Chester St. and 68th St. C. Woodrow Ave D. Viewcrest Dr.	Jamacha Rd. and 68th St.	On meadowbrook Dr. between Blackstone Ct and Jamacha Rd	A. Westside of Imperial Avenue, across from backyard of 1442 Angelus Ave at the entrance of City of San Diego heading from Lemon Grove B. Northside of 68th St. and Imperial Avenue	1560 Woodrow Ave
Increase safety as many cars and police vehicles are speeding on this street. Due to no sidewalks students walk in the middle of the street on their way to Boys in Girls Club.		The diesel pollution will be greatly reduced by banning parking of these diesel fuel vehicles; A traffic calming measure that will stop illegal parking of Overweight Commercial vehicles over 6ft tall and over 20 feet long from parking on residential streets in Jamacha	These signs will encourage community participation, They will educate residents on name and boundaries of their Community	This sign was removed and residents are not aware of the name of their actual community

Project Idea 14	Project Idea 15	Project Idea 16	Project Idea 17	Project Idea 18	Project Idea 19
Remove 3 minute parking limit 7-4, from Lisbon Street. The charter school Keiller Leadership des not have school buses.	Add sign Keiller Parking only mno parking by school staff	Add cameras and no dumping signs with fines in areas with frequent dumping	Removal of bike lanes on Lisbon St	Upgrade stormwater drains.	Fund existing CIP Projects in Jamacha
7400 Lisbon St	7400 Lisbon St. The park havd 10 designated parking spots	A. Between Imperial ave and Angelus St on Viewcrest Dr. B. 69th st near storm channel drain	Lisbon st between Meadowbrook Dr and Imperial Ave	7105-7108 Jamacha Rd	See attached map for the boundaries of Jamacha Community. Whichis a separate community from Lomita.
Improve access to the park and quality of life.	Increase access to the park, as lots drive and require parking spots especially to reduce carrying heavy objects like coolers, used inside the park.	There are a few areas with frequent dumping of mattresses and other items . This is a fire hazzard and unsanitary. Taking steps to recuce illegal dumping will improve the quality of lives of residents and increase home buyers.	This will add parking, and improve the quality of life of residents. The Community Plan listed widening of Lisbon St. which was made narrower by the bike lanes.	This will help prevent flooding of homes between 69th St and 68th St.	Jamacha is a Community of Concern that has never received equity from the City of San Diego, nor District 4. The lives of residents will be improved by funding all unfunded projects.
