DATE: April 28, 2026
TO: Andy Field, Director, Parks and Recreation Department
FROM: Kimberly Carroll, Associate Management Analyst, Opportunity Fund Evaluation Committee Chair
SUBJECT: Fiscal Year 2027 Opportunity Fund Allocation Recommendations

BACKGROUND

The Opportunity Fund Evaluation Committee (Committee) was reestablished in April 2026 in accordance with Council Policy 700-48, Opportunity Fund Council Policy (Attachment A). The purpose of the Committee was to conduct an evaluation of the Recreation Center Fund (RCF) balances, Fiscal Year 2027 (FY27) RCF budget proposals, as well as the FY27 Opportunity Fund (OF) proposals (Attachment D) to provide a recommendation to the Parks and Recreation Department Director on which RCFs should be allocated OF budget for FY27.

The committee consisted of the following department employees:

Name	Title	Division
Kimberly Carroll	Associate Management Analyst	Citywide Recreation Services
Jerome Abbott	District Manager	Community Parks I
Alysandra Perez	Area Manager	Balboa Park
Adrian Zolla	Senior Management Analyst	Community Parks II
Juan Razo	Supervising Recreation Specialist	Citywide Recreation Services
Richard Dhu	Senior Park Ranger	Park Ranger
Vicki Granowitz	Philanthropic Public Partner	San Diego Parks Foundation

The Committee reviewed the Opportunity Fund Council Policy, Objective Scoring Matrix (Attachment B), ActiveNet and SAP reports to verify the amount of funds available for the FY27 OF allocations which are projected to total \$555,000, including a \$25,000 donation from the Carmel Valley RCF and a \$10,000 donation from Lois J. Mangarelli (Canyonside) RCF. Using the Objective Scoring Matrix, the Committee identified rankings for each RCFs based on four factors: FY27 estimated available funds, proposed FY27 RCF budget, proximity of recreation center within a Community of Concern as identified in the 2021 Climate Equity Index, and whether the recreation center is adjacent to an aquatic facility.

RECOMMENDATION

As part of the review process, the Committee evaluated sites with the highest Objective Scoring Matrix scores, along with each site’s total estimated FY27 available funds and proposed FY27 RCF budgets.

For the second consecutive year, the Committee required that all sites being considered for OF allocations submit proposed budgets that, at a minimum, plan to expend all FY27 available funds, less \$5,000. This requirement resulted in an increase in average proposed budgets across RCFs and enabled the Committee to raise the baseline allocation from \$65,000 in FY26 to \$85,000 for FY27.

As outlined in the FY27 Budget Allocation Outlook (Attachment C), sites may be eligible for additional subsidy through General Fund Come Play Outside funding. However, due to uncertainty regarding the availability of these funds in FY27, they have not been included in the current allocation calculations.

In addition, funding from the Park After Dark County grant is no longer available, as the grant will not be renewed for its final year. Federal Housing and Urban Development (HUD) Community Project Funding for the Summer for All of Us – Come Play Outside expansion remains available and has been incorporated into the calculations for sites designated to receive these funds.

The committee identified fourteen (14) sites eligible for OF allocations with a target of providing each RCF with a budget of \$85,000 for programs, events, and maintenance.

The Committee recommends the Opportunity Funds for FY27 be allocated as follows:

Site name	OF Score	FY27 Est. Available Funds	Proposed FY27 Budget		OF Funds Allocated		FY27 Grant Funding	FY27 Budget Outlook

TOTAL O.F. ALLOCATED FUNDS \$555,000								

*Colina Del Sol, Park De La Cruz, Bay Terraces, City Heights, and Encanto RCF's were allocated Federal HUD grant funding that will be available in FY27 budgets.

CONSIDERATIONS

Colina del Sol Recreation Center, Park de la Cruz Recreation Center, and City Heights Recreation Center, located in Council District 9, and Bay Terraces Senior & Community Center and Encanto Recreation Center, located in Council District 4, are recipients of Federal HUD grant funding beginning in FY27, with funding anticipated to continue for four years. As a result, the FY27 Budget Outlook for these sites reflects these additional resources, resulting in higher budget levels compared to other locations.

East Village Green Recreation Center Fund (EVG), located in Council District 3, is anticipated to support a new recreation center scheduled to open at the beginning of FY27; the exact opening date has not yet been determined. The Department established the EVG fund in FY25 to begin collecting revenue in advance of the facility's opening. Revenue generated in FY25 and FY26, along with ongoing revenue from downtown permits, will be used to support startup costs for the new center and surrounding parks. As a result, EVG did not receive a second allocation of Opportunity Funds this fiscal year.

San Ysidro Center Fund (RCF), located in Council District 8, has an available FY27 budget of \$96,478 which is over the \$85,000 baseline. This site was not allocated Opportunity Funds this fiscal year.

Encanto Recreation Center Fund (RCF), located in Council District 4, will receive the remaining \$1,323 in available Opportunity Funds in addition to \$33,000 in grant funding, bringing its total FY27 budget to \$115,002 to help support programs, special events, and enhanced maintenance at the site.

CONCLUSION

Upon approval, these recommendations will be incorporated into the FY27 RCF Budget Proposals for City Council consideration and appropriation. All sites will undergo a review process each fiscal year, and allocated funds will be adjusted accordingly to accommodate the funding changes at each site and community needs.

SUBJECT: PARKS AND RECREATION DEPARTMENT OPPORTUNITY
FUND POLICY
POLICY NO.: 700-48
EFFECTIVE DATE: April 14, 2023

BACKGROUND:

In response to the 2021 Parks Master Plan and the 2021 Audit of Equity in Recreation Programming, the Parks and Recreation Department (Department) developed a user fee, the *Opportunity Fund Fee*, as part of the 2022 Department Fee Schedule update. Per Council Resolution R-313898, a special fund, the Opportunity Fund (Fund), was established to collect the *Opportunity Fund Fees* (Fees). The Fund supports *Equitable Programs* and minor improvement projects in communities of concern, as defined by the 2019 Climate Equity Report.

PURPOSE:

Establish a transparent policy for the Department's use of the Fund that increases *Equitable Programs* and projects and formalizes procedures for evaluation and distribution of the Fees.

DEFINITIONS:

Equitable Programs – Recreation programs that benefit all individuals and communities.

Objective Scoring System – A data driven tool that scores a set collection of data by means of a formula so that different scorers will arrive at the same score for the same set of data.

Opportunity Fund Fees – Fees derived from permitted activities in parks such as events, facility use by sports leagues, room and pool rentals, and ongoing recreation-based business operations by commercial and non-profit entities.

Recreation Center Fund – A special revenue fund that collects revenue from programs and permits at a recreation center and within its service area. Funds are budgeted annually with community input and are used to support recreation programs, events, and services in the *Recreation Service Area*.

CITY OF SAN DIEGO, CALIFORNIA
COUNCIL POLICY

CURRENT

Recreation Service Area – A defined geographic area of parks, recreation centers, and pools that provide services to the surrounding community.

Special Fund – A non-general fund account that receives revenue for specifically identified purposes.

POLICY:

- I. The City Council wishes to establish a special fund to collect Fees that the Mayor or designee may allocate and disburse in accordance with this policy for Department programs, equipment, supplies, projects, or other purposes beneficial to the Department.
 - A. Appropriation of the Fees shall comply with Council Policy 000-02.
 - B. Fees shall be distributed throughout the Department as follows:
 1. 100% of the projected available Fees will be allocated on an annual basis to support *Equitable Programs* and services in the Department.
 2. Each fiscal year distribution of Fees is determined according to the *Objective Scoring System*, or at the discretion of the Director of the Parks and Recreation Department (Director). Fees will be distributed into that year's approved *Recreation Center Funds* during the first quarter of the subsequent fiscal year.
 3. Distribution of Fees may be reassessed as conditions change, or at the discretion of the Director.
 4. The Director will provide an annual report to Council on the disbursement and use of the Fees.
- II. Guidelines for distribution of the Fund:
 - A. Each Recreation Center Director (RCD), with community input, will identify funding needs for the recreation center and neighborhood parks. Funding needs will be based on multiple factors, including analysis of data for individual recreation center priorities and geographic service areas. Based on results of the analysis, the RCD will submit a preliminary budget proposal to the Director, or designated appointing authority, for use of the Fees.

CITY OF SAN DIEGO, CALIFORNIA
COUNCIL POLICY

CURRENT

- B. The Department will create an Evaluation Committee responsible for evaluating all Fund budget proposals using an *Objective Scoring System*. The Evaluation Committee will provide recommendations regarding Fund allocations to the Parks and Recreation Board for public comment and review and then to the Director or designated appointing authority.
