To Whom It May Concern,

In DEC 2025 on the Pure Water Program (PWP) - Central Area Small Scale Facility project, National Coating and Lining Co did not meet the Apprentice Graduation ratios required for the classification of Industrial Journeyman Painter.

As the project progresses and the amount of available work increases, National Coating and Lining Co will continue to monitor this goal and work towards the percentage requirement.

Sincerely,

Jessica Thurman

Regarding: Skilled and Trained Workforce Report December 2025

To whom it may concern:

Truline Masonry Inc is submitting this letter to support December 2025 Skilled and Trained Workforce report.

Truline Masonry Inc has two apprenticeable occupations with the following percentage results:

- **Bricklayer ratio of skilled journeypersons performing work is 30%**
- **Bricktender ratio of skilled journeypersons performing work is 0%**

Truline Masonry Inc requested apprentice graduates to both labor unions during the month of December 2025, Bricklayers and Allied Craftworkers Local 4 and Laborers Local 89. Local 4 dispatched a brick layer graduate with masonry experience. Local 89 did not have any graduates of apprenticeship available. I have submitted proof of both dispatch requests to unions.

Moving forward:

- **Truline Masonry will continue to make a monthly request for graduates, during duration Truline Masonry is onsite of project.**

Truline Masonry will continue to add a note for special instructions when requesting a dispatch; special instructions will read: Trained apprentice graduate.
