**Statement: Councilmember Campillo Comments on Unanimous City Budget Adoption**

**SAN DIEGO** — Following today’s unanimous vote to adopt the City of San Diego’s Fiscal Year 2027 Budget, Councilmember Raul Campillo (District 7) released the following statement:

**“The question I asked at the beginning of the budget season was this: does the final budget protect the basics for people to live safely now, while investing in the future for this city to flourish later? In large part, the answer is yes. While no budget is as good as we all want, this unanimously approved budget is significantly better than the original proposal, thanks in large part due to public input. We were able to come together to significantly reduce the City’s budget deficit while maintaining vital public safety services and community programs. I fought hard for critical restorations to the parks, libraries, and arts and culture programming in my district and across the city because we all deserve a safe, prosperous city.**

**“Through continued advocacy and persistence, my colleagues and I helped ensure restorations to the team that works to install safety improvements at intersections that need them most, keeping our children and families safe each day. I will continue to advocate for common sense solutions that help us find an optimal balance between today’s needs and our vision for tomorrow.”**
