### Art Splash: Colorful Connections - Session 1

**Seniors**

**Tuesdays: 7/14 to 8/11**

**Time: 12 to 12:30 PM – Craft Room**

Our Art Splash Adult Art Education Program is tailored for seniors who love creating art. Our classes encourage creativity, connection, and overall well-being. Participants are introduced to great artists, art styles, and techniques while exploring themed lessons and creating original artwork. During this session, we will paint coastal art, a Paris skyline, a landscape inspired by Elspeth McLean's dot painting, and create a still life canvas collage inspired by Robin Anne Cooper's art. Classes are led by a trained and qualified teacher who creates a fun, social, and creative experience for all participants. New lessons are offered each session, and no previous art experience is required.
