To Whom It May Concern,

In February 2026 on the Pure Water Program (PWP) - Central Area Small Scale Facility project, NATIONAL COATING AND LINING COMPANY did not meet the Apprentice Graduation ratios required for the classifications of Painter. This was largely due to a very small crew size and little work on site.

As the project progresses, NATIONAL COATING AND LINING COMPANY will continue to monitor this goal and work towards the percentage requirement.

Thank You,

Jessica Thurman
