Brush clearing and some leveling on either side of raised berm hill would need to be done

Fence panels over berm and into water to secure venue

New RV spots

Access gate needs to be left open

August 8, 2026

Dear Mission Bay Friends.

On September 18<sup>th</sup> – 20<sup>th</sup>, 2026, the 62<sup>nd</sup>, annual San Diego Bayfair World Series of Power Boat Racing returns to Mission Bay Park. As you know Fiesta Bay in the Park was designed specifically to attract world-class powerboat and Unlimited Hydroplane racing to San Diego, and each year the fastest boats in the world compete in front of thousands of spectators. Thunderboats Unlimited Inc. is a nonprofit organization dedicated to producing this Family Focused Festival on behalf of our community. But Bayfair is more than just the largest Family Festival and Sports Competition in our region...with entertainment and fun for everyone in the family, the event also represents a major economic boost to San Diego and the Mission Bay area specifically. In the past San Diego and the Park are showcased by nationally televised shows, furthering our community's positive image across the country and internationally.

We know you share our concerns about Mission Bay Park. Over the years extensive water quality analyses, avian and noise monitoring studies have been conducted before and after the event and have found the festival produces absolutely no adverse impact on Mission Bay or its sensitive eco-systems. Additionally, we take pride in our record of leaving the Park in better condition than we found it. Working closely with Park Officials during each race, our staff and volunteers make certain all areas are left clean and free of litter.

So come out and enjoy the sun, beach, racing excitement and the other attractions San Diego Bayfair has to offer. More than 500 of your friends and neighbors right here in San Diego volunteer their time and services annually to produce this World Class event for the enjoyment of San Diegans and visitors alike. You'll see all their hard work has paid off in producing an Event we can all take pride in.

If you have any questions or we can assist in any other way, please feel free to call me at (858) 578-7454 or our e-mail is bayfair@daviesec.com.

Warmest Regards,

*Jeff Thomas*

Jeff Thomas  
Chairman of the Board

San Diego Bayfair, P.O. Box 600426, San Diego, California 92160 •

**PRIVACY ACT STATEMENT**

**Privacy Act Notice**

**Authority:** 33 U.S.C. §1233 authorizes the collection of this information.  
**Purpose:** The Coast Guard will use this information to determine whether an event poses an extra or unusual hazard to the safety of life and whether or not, and under which conditions, to permit the event on the navigable waters of the United States.  
**Routine Uses:** The information will be used by and disclosed to Coast Guard personnel to evaluate the request. Additionally, the Coast Guard may share the information with facility operators, law enforcement or other government agencies as necessary to promote public safety during the requested marine event.  
**Disclosure:** Furnishing this information is voluntary; however, failure to furnish the requested information may delay or prevent the approval of the requested marine event.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The Coast Guard estimates that the average burden for this report is 60 minutes. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: United States Coast Guard, Commandant (WWM-1) Stop 7509, 2703 Martin Luther King Jr. Ave SE, Washington, DC, 20593-7509 or Office of Management and Budget, Paperwork Reduction Project (1625-0008), Washington, DC 20503.
