Report Prepared by: **City of San Diego Historical Resources Board and Staff**

Date of commission/board review: **March 26, 2026**

MINIMUM REQUIREMENTS FOR CERTIFICATION

A. Enforce Appropriate State or Local Legislation for the Designation and Protection of Historic Properties.

A. Preservation Laws

1. Are you considering amending or revising your certified ordinance this year? **Yes, through the Preservation and Progress initiative, the City of San Diego will be completing a comprehensive update to the City's Heritage Preservation Program that will streamline processes for new homes and other uses while protecting places of historic, architectural and cultural importance and encouraging their adaptive reuse.**

<https://www.sandiego.gov/planning/work/historic-preservation-planning/preservation-and-progress>

REMINDER: Pursuant to the *CLG Agreement*, the Office of Historic Preservation (OHP) must have the opportunity to review and comment on ordinance changes prior to adoption. Please communicate directly with the OHP Local Government Unit staff to coordinate the review. Changes that do not meet the CLG requirements could affect certification status.

Certified Local Government Program: 2024-2025 Annual Report

(Reporting period is from October 1, 2024 through September 30, 2025)

D. Review Responsibilities

1. Who takes responsibility for design review or Certificates of Appropriateness?

- All projects subject to design review go the commission.
- Some projects are reviewed at the staff level without commission review.

What is the threshold between staff-only review and full-commission review? **The City of San Diego has a three-tiered system of design review for historical sites. The HRB has authority for recommendations on projects that may have adverse impacts on historical resources. The Design Assistance Subcommittee (DAS) of the HRB provides informal input to applicants and staff on projects affecting historical resources. Heritage Preservation staff reviews and approves minor modifications to historical resources that are consistent with the Secretary of the Interior's Standards. If staff approves a project as a minor modification or if the DAS review concludes that a project is consistent with the Standards, the full HRB would not normally consider the project, although projects with major community interest may go forward to the full HRB for review and comment.**

2. California Environmental Quality Act (CEQA)

- Explain the historic preservation staff and commission role in *providing input* to CEQA documents prepared for or by the local government. **Heritage Preservation staff reviews all environmental documents for projects prepared for the City that may have an effect on a designated historical resource or on a potentially significant historical resource during the public review period. Historical Resources staff prepares the Historical Resources section of environmental documents prepared by the City of San Diego.**
- Explain the staff and commission role in *reviewing* CEQA documents for projects that are proposed within the jurisdiction of the local government. **Draft CEQA documents are reviewed and approved by Heritage Preservation staff prior to public review when a designated historical resource would be impacted by a proposed project. The final CEQA document for projects affecting designated historical resources is formally reviewed by the HRB in association with review of a site development permit for the substantial alteration of a historical resource. In this circumstance, the HRB makes a formal recommendation on the project and the environmental document, specifically the adequacy of the proposed mitigation measures, to the Planning Commission.**

Certified Local Government Program: 2024-2025 Annual Report

(Reporting period is from October 1, 2024 through September 30, 2025)

3. Section 106 of the National Historic Preservation Act

- Explain the staff and commission role in *providing input* to Section 106 documents prepared for, or by, the local government. **Heritage Preservation staff reviews and approves the Historical Resources section of all Section 106 documents for projects prepared for the City that may have an effect on a National Register eligible resource prior to the public review period. Historical Resources staff prepares the Historical Resources section of Section 106 documents prepared by the City of San Diego.**
- Explain the staff and commission role in *reviewing* Section 106 documents for projects that are proposed within the jurisdiction of the local government: **The Section 106 consultation process is completed before the Section 106 document is distributed for public review. The HRB reviews all of the information for projects on which they make a recommendation. The HRB along with its Policy and Design Assistance Subcommittees and/or appointed ad hoc committees also participates in Section 106 consultations initiated by other agencies for federal projects affecting National Register eligible sites, including negotiations on any Programmatic Agreements.**

III. Maintain a System for the Survey and Inventory of Properties that Furthers the Purposes of the National Historic Preservation Act

A. Historical Contexts: initiated, researched, or developed in the reporting year (excluding those funded by the OHP)

Reminder: California CLG procedures require CLGs to submit survey results, including historic contexts, to the OHP. If you have not done so, submit an electronic copy or link if available online with this report.

Context Name	Description	How it is Being Used	Date Submitted to the OHP
University Community Plan Area Historic Context Statement	A historic context statement in conjunction with a community plan update for the University Community Plan area.	The historic context statement provides the basis for future identification, evaluation and designation of historical resources in the University community.	March 28, 2025
Hillcrest Focused Plan Amendment Historic Context Statement	A historic context statement for the Hillcrest Focused Plan Amendment area to include identifying historical resources associated with a potential historic district identified in the 2016 Uptown Community Plan Update.	The historic context statement provides the basis for identification, evaluation and designation of historical resources in the Hillcrest neighborhood including resources associated with LGBTQ+ history.	March 28, 2025
Clairemont Community Planning Area Historic Context Statement	A historic context statement is being prepared in conjunction with an update to the Clairemont Community Plan to assist in the identification of historic resources important to that community.	The historic context statement will inform the policies of the Clairemont Community Plan Update and the analysis in the associated EIR, and will provide the basis for future identification, evaluation and designation of resources in the Clairemont community.	April 24, 2026
College Area Historic Context Statement	A historic context statement is being prepared in conjunction with an update to the College Area Community Plan to assist in the identification of historic resources important to that community. B. New Surveys or Survey Updates (excluding those funded by the OHP)

Note: The evaluation of a single property is not a survey. Also, material changes to a property that is included in a survey, is not a change to the survey and should not be reported here.

Survey Area	Context Based-yes/no	Level: Reconnaissance or Intensive	Acreage	# of Properties Surveyed	Date Completed	Date Submitted to the OHP
University Community Plan Area Focused Reconnaissance Survey	Yes	Reconnaissance	8,500	11,000 ¹	July 30, 2024	March 28, 2025
Hillcrest Focused Plan Amendment area – Hillcrest Neighborhood, Uptown Community Plan	Yes	Intensive	380	302	July 30, 2024	March 28, 2025
Mid-City Focused Reconnaissance Survey	Yes	Reconnaissance	8,052	52,453 ²	In progress	N/A

Explain how you are using the survey data: **These surveys are conducted as part of a community plan update or amendment process. The community plan constitutes the land use element of the City’s General Plan for the subject area and is used to make land use and planning decisions for 10 or more years. The community plan survey, guided by a historic context, will be used as a planning tool to inform the plan update by making it possible to evaluate resources for land use planning purposes and to identify and preserve significant historical resources, particularly areas of shared development history. Areas of shared**

¹ Reconnaissance survey of a portion of the community – residential properties constructed prior to 1990.

² Reconnaissance survey of the entire planning area including all property types and focused on areas of shared/common development history.

Certified Local Government Program: 2024-2025 Annual Report

(Reporting period is from October 1, 2024 through September 30, 2025)

development history may either be identified as potential historic districts and mapped and flagged for future intensive survey or as areas not rising to a level of historic significance to be exempted from further historic evaluation when undergoing a development project review (typically generic post-war tracts). Areas identified as potential historic districts or containing many individually eligible resources are reviewed to determine whether land use designations and zoning would have the potential to apply overwhelming development pressure that could adversely impact these resources. Potentially significant individual resources identified by the surveys are evaluated at the project level when a permit application is submitted.
