

School Electrification for Clean Air and Healthy Communities

City of San Diego Climate Advisory Board - August 2026

**Why Schools?
Why Now?**

Schools as Changemakers

**Student Health and
Academic Performance**

Major Energy Users

**Local Workforce
Opportunities**

**Bond Funding & Facilities
Master Plans**

Goals to Electrify

—— All-Electric New Construction

—— Electrified Existing Buildings

—— 100% Clean Energy

—— Green Jobs Curriculum

—— Electric Buses and Vehicles

Green Energy Career Opportunities

**What is a
PLA and Why
School
Districts?**

**What are the
Benefits of PLAs?**

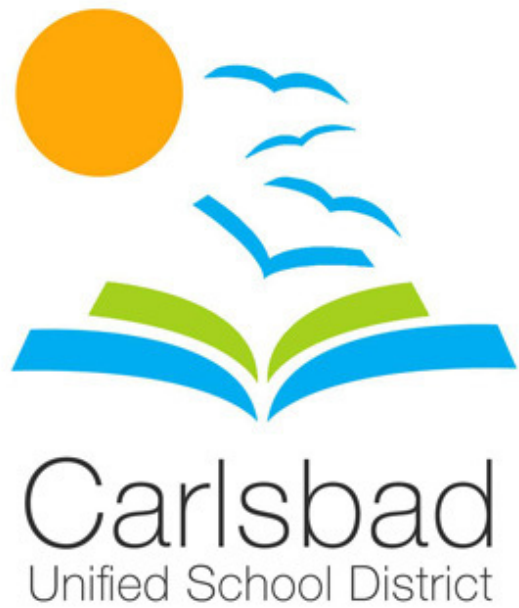

**Expanding
Green
Energy Jobs
at IBEW 569**

Scaling and Replicating Impact

10

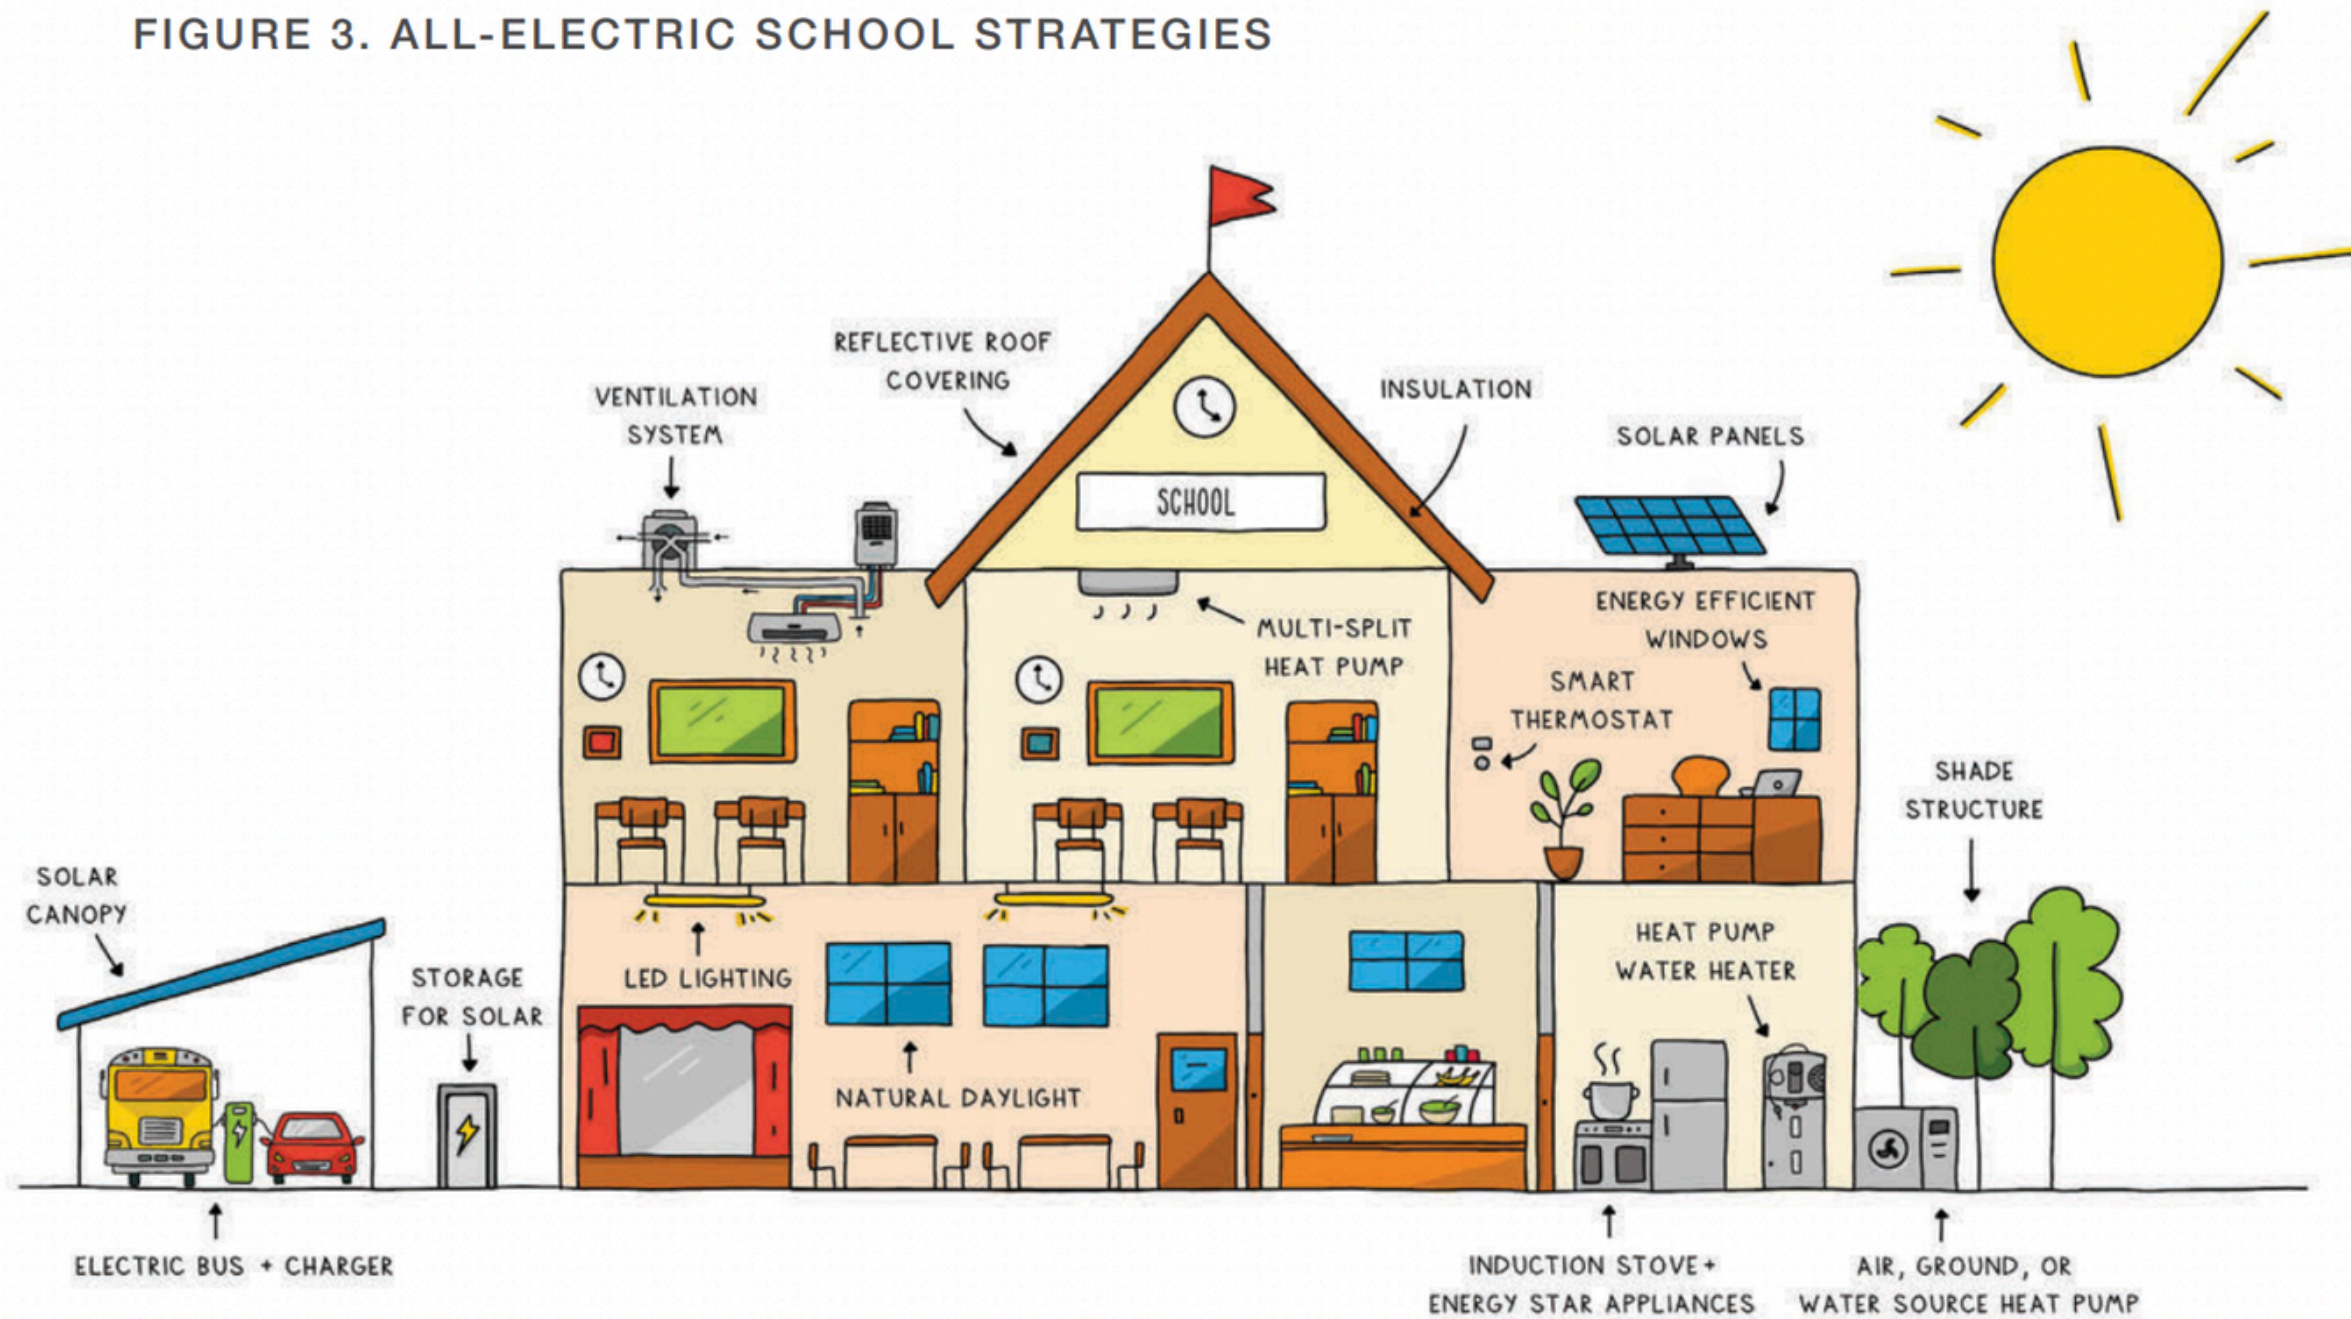

Partnering for Success

Electrified Schools = Safe and Resilient!
