Public Comment

Public Comment on an Agenda Item: If you wish to address the Board on an item for today's agenda, please complete and submit a speaker form before the Board hears the agenda item. You will be called at the time the item is heard.

Written Comment through Webform: In lieu of in-person attendance, members of the public may submit their comments using a [web form](#). If using the web form, indicate the agenda item number you wish to submit a comment for. Instructions for word limitations and deadlines are noted on the web form. On the web form, members of the public should select Mobility Board.

Virtual Public Comment: When the Chair introduces the item, you would like to comment on (or indicates it is time for Non-Agenda Public Comment), raise your hand by either tapping the “Raise Your Hand” button on your computer, tablet, or Smartphone, or by dialing *9 on your phone. You will be taken in the order in which you raised your hand. You may only speak once on a particular item. When the Chair indicates it is your turn to speak, click the unmute prompt that will appear on your computer, tablet, or Smartphone, or dial *6 on your phone.

Public Comment on Matters Not on the Agenda: You may address the Board on any matter not listed on today's agenda. Please complete and submit a speaker form. However, California's open meeting laws do not permit the Board to discuss or take any action on the matter at today's meeting. At its discretion, the Board may add the item to a future meeting agenda or refer the matter to staff or a committee. Individuals' comments are limited to three minutes per speaker. At the discretion of the Chair, if a large number of people wish to speak on the same item, comments may be limited to a set period of time per item.

Item 2: Approval of the Meeting Minutes (Action)

Chair Reeves asked the Mobility Board to review and approve the minutes from its April 1, 2026 meeting.

There were no public comments on this item.

Action: Upon a motion by Steve Gelb and a second by Michael Donovan, the Mobility Board voted to approve the April 1, 2026 meeting minutes with all members in attendance voting “yes” to approve the meeting minutes.

Item 3: Non-Agenda Public Comment

There were no public comments on this item.

Item 4: City of San Diego Crash Data (Information)

Sergeant Minter from the City of San Diego's Police Department shared information on the duties and functions of the Traffic Division, a future traffic complaint module in the Get it Done App, and future e-citation technology which will include a mobile printer. He shared collision data from 2025 and explained how data was collected and shared with the Transportation Department for Vision Zero reporting.

There were no public comments on this item.

Board members asked about the integration of data to the Vision Zero dashboard. Sergeant Minter explained that data integration was currently a manual process. The Board asked how e-bikes are distinguished between e-bike classification and Sergeant Minter offered to check and respond back to the Board. Board members discussed a lack of traffic enforcement in the City and how structural changes to the roadways may be a way to enhance safety with limited personnel resources for traffic enforcement officers. Cameras were suggested as a tool for enforcement to support limited officers.

Note, the May 2026 Mobility Board Agenda was published without an item 5. The subsequent item numbers reflect the agenda items for the meeting.

Item 6: Subcommittee Updates (Discussion/ Possible Action)

6.a. ATI Workplan Subcommittee Activities

Vice Chair Salayev reviewed the letter prepared by the ATI Subcommittee to share feedback on the Bicycle Master Plan Update.

There were no public comments on this item.

The Board discussed amending the letter to be addressed to the City Planning Department Director with the Transportation Department Director included as a cc.

Action: Upon a motion by Michael Donovan and a second by Steve Gelb, the Mobility Board voted to approve the letter with the suggested amendment. All members in attendance voted "yes".

6.b. Budget Subcommittee Activities

Chair Reeves provided an overview of the FY 2027 budget letter prepared by the Budget Subcommittee.

There were no public comments on this item.

Members of the Board attended the budget committee hearings earlier in the week and noted that there was significant discussion about the loss of the multi-modal team in the current draft budget.

Action: Upon a motion by Stephan Vance and a second by Steve Gelb, the Mobility Board voted to approve the letter. All members in attendance voted "yes".

Item 7: Staff Updates

Phil Trom, Mobility Board staff liaison, noted that Bike Anywhere Day will be hosted later this month (May 21st) and there will be a station at the Civic Center Plaza. The Bicycle Master Plan Update has concluded its current comment period with over 2,000 comments collected during the review period. A draft of the Mid-City Community Plan Update will be released over the summer and the mobility planning team is also making good progress on the Street Design Manual and the Streets for All program.

Sarah Pierce, Mobility Board staff liaison, noted that she and Chair Reeves attended a workshop for the North Park AARP quick-build event held on April 22nd. Discussion at the collaborative event centered around permitting for quick-build projects and touched on the future of the City's Streets for All program.

There were no public comments on this item.

Vice Chair Salayev noted that Bike SD worked with SDSU students on a State of the Ride Report which looks at community plans and the Bicycle Master Plan. It found that around 70-75% of the 2013 Bicycle Master Plan has been implemented.

Item 8: Updates from Members

Harry Bubbins noted Mobility Board representation at recent budget hearings. Members expressed the importance of transportation issues and projects. He also published an op-ed in the San Diego Union Tribune regarding bikeshare. At the recent ATI meeting, funding was approved for the Torrey Pines Road guard rail project. Stephan Vance noted that Katie Crist was a co-writer on a recent paper which will be circulated to Mobility Board members. Michael Donovan noted that there is discussion about removing a bike lane on State Street in front of church. Anar Salayev noted that the State of the Ride report determined that the median traffic stress across all bike lanes when removing residential areas is a 3 on a 4-point scale. He may present SDSU report to the Mobility Board at a future meeting. He also noted that there is a bike ride scheduled for Saturday that will end at Waterfront Park to discuss the City's budget. Chair Reeves shared that the Port will provide an update later this year after the completion of the Port Master Plan Update.

There were no public comments on this item.

Item 9: Schedule for Future Meetings

Sarah Pierce, Mobility Board staff liaison, noted that the update on SB 99 item may be pushed to later in the summer. Other items in the summer may include an update on the City's slow streets program (Streets for All) and the Mid-City Community Plan Update.

There were no public comments on this item.

Steve Gelb noted his support for the State of the Ride Report and noted that having Katie Crist coming to present her research could be informative.
