CONSTRUCTION UPDATE

Full Day Lane Closures on Miramar Road Between Carroll Road and Distribution Avenue

To accommodate ongoing work on Miramar Road, **two eastbound lanes and one westbound lane of Miramar Road will be closed between Carroll Road and Distribution Avenue. These lanes will remain closed for the entire day on Tuesday, December 9.**

Access for businesses on Miramar Road will remain open throughout this closure. An increase in traffic is expected in this area, please plan extra time during your morning and afternoon commute or use an alternate route if possible.

The North City Pure Water Pipeline project is one of several major infrastructure projects that are part of Phase 1 of Pure Water San Diego. The pipeline will start on Eastgate Mall and follow Miramar Road to Kearny Villa Road and continue along Candida Street to Via Pasar and Via Excelencia. From there, the pipeline will tunnel under Interstate 15. On the east side of Interstate 15, it will continue along Businesspark Avenue to Carroll Canyon Road and follow Hoyt Park Drive to Meanley Drive before crossing Scripps Lake Drive to the Miramar Reservoir.

The City is committed to clear communication and providing up-to-date information about construction activities. Please visit scrippsranh.purewatersd.org for more information. Please contact purewatersd@sandiego.gov or **833-MIR-PWSD (833-647-7973)** with questions about the City's Pure Water Program and the North City Pure Water Pipeline project.

Safety of the construction crews and community is our top priority.
Please slow down near work sites and follow pedestrian instructions.

About Pure Water San Diego

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.
