

CONSTRUCTION NOTICE: Reopening of Friars Road Eastbound Lane between Sea World Drive and Napa Street

Aug. 29, 2026

Eastbound Friars Road between Sea World Drive and Napa Street has been reopened to vehicle and bicycle traffic as of August 29, allowing for two-way traffic to resume in the area.

The work that occurred on Friars Road between Sea World Drive and Napa Street was for the City of San Diego Morena Pump Station project, part of the Pure Water San Diego Program.

What To Expect: The eastbound lane on Friars Road between Sea World Drive and Napa Street has been reopened to vehicle and bicycle traffic, allowing for two-way traffic to resume in the area.

When: The eastbound lane on Friars Road has been reopened as of August 29.

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Pump Station project is one of several major infrastructure projects that are part of Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on morena.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-MOR-PWSD (833-667-7973)** with questions about the City's Pure Water Program and the Morena Pump Station project, and a team member will get back to you within one business day.
