FlatironDragados

Skilled and Trained Workforce Certification Form

Month: June Year: 2026

In accordance with Public Utilities Code section 132354.7 and Public Contract Code sections 2600-2602, Flatiron Dragados West, LLC (the "Prime Contractor") certifies that all the Prime Contractor's workers performing work in an apprenticeable occupation utilized on the project known as Morena Pump Station during this monthly reporting period are either skilled journeypersons or apprentices registered in an apprenticeship program approved by the Chief of the Division of Apprenticeship Standards of the California Department of Industrial Relations (the "Chief").

"Skilled journeyperson" means a worker who either:

(1) Graduated from an apprenticeship program for the applicable occupation that was approved by the Chief or apprenticeship program located outside California and approved for federal purposes, pursuant to the apprenticeship regulations adopted by the Federal Secretary of Labor.

(2) Has at least as many hours of on-the-job experience in the applicable occupation as would be required to graduate from an apprenticeship program that is approved by the Chief.

In addition, the Prime Contractor certifies that it has met the requirements of Public Contract Code 2601(d), subject to certain exceptions set forth therein, that the required percentage of the skilled journeypersons or skilled journeyperson hours employed to perform work on the Project by the Prime Contractor are graduates of an apprenticeship program for the applicable apprenticeable occupation[1].

A graduate of an apprenticeship program means either of the following:

(1) An individual that has been issued a certificate of completion under the authority of the California Apprenticeship Council for completing an apprenticeship program approved by the Chief pursuant to Section 3075 of the Labor Code, or

(2) An individual that has completed an apprenticeship program located outside California and approved for federal purposes pursuant to the apprenticeship regulations adopted by the federal Secretary of Labor.

I declare, under penalty of perjury under the laws of the State of California, that the foregoing is true and correct. I certify that the attached Skilled and Trained Workforce Monthly Compliance Reports are complete and accurate.

To Whom It May Concern,

In June 2026 on the Morena Pump Station National Coating and Lining Co did not meet the Apprentice Graduation ratios required for the classification of Industrial Journeyman Painter

As the project progresses and the amount of available work increases, National Coating and Lining Co will continue to monitor this goal and work towards the percentage requirement.

Sincerely,

Amber Misquez

Subcontractor: Truline Masonry Inc
Regarding: Skilled and Trained Workforce Report June 2026

To whom it may concern:

Truline Masonry Inc is submitting this letter to support June 2026 Skilled and Trained Workforce report.

Truline Masonry Inc has two apprenticeable occupations with the following percentage results:
• Bricklayer ratio of skilled journeypersons performing work is 0%
• Bricktender ratio of skilled journeypersons performing work is 0%

Truline Masonry Inc requested apprentice graduates from both labor unions at the end of May 2026, Bricklayers and Allied Craftworkers Local 4 and Laborers Local 89. Local 4 dispatched two brick layer graduates with masonry experience. However, neither bricklayer reported for work as promised during the last week of May and beginning week of June 2026.

Local 89 did not have any graduates of apprenticeship available during the month of May or June 2026.

Moving forward: • Truline Masonry will continue to make a monthly request for graduates, during duration of work of project. Truline Masonry will continue to add a note for special instructions when requesting a dispatch; special instructions will read: Trained apprentice graduate.
