**RE: PQPS Oxygenation System**

To Whom it May Concern:

Penhall Company did not meet the minimum requirement of the Skilled and Trained Workforce for the month of January 2025, for the PQPS Oxygenation System project. We were hired for a certain scope of work and dis patched out the employees that we had available at the time. In the future we will be more conscious of the p roject requirements and try to dispatch out more apprentice program graduates.

Sincerely,

Brooklyn McNeal – Lead Accounting Administrator
