RE: PQPS Oxygenation System

To Whom it May Concern:

Penhall Company did not meet the minimum requirement of the Skilled and Trained Workforce for the month of March 2025, for the PQPS Oxygenation System project. We were hired for a certain scope of work and disp atched out the employees that we had available at the time. In the future we will be more conscious of the pr oject requirements and try to dispatch out more apprentice program graduates.

Sincerely,

Brooklyn McNeal – Lead Accounting Administrator
