SAN DIEGO POLICE DEPARTMENT
ORDER

DATE/TIME: AUGUST 13, 2026 2200 HOURS

NUMBER: OR 26-22

SUBJECT: MORATORIUM ON ELECTRONIC VERIFICATION OF PROBATION FOURTH AMENDMENT WAIVER STATUS

SCOPE: ALL MEMBERS OF THE DEPARTMENT

DEPARTMENT PROCEDURE AFFECTED: 4.15

Portions of this document are deemed by the San Diego Police Department to be exempt from public disclosure because the public interest served by not disclosing the information clearly outweighs the public interest served by disclosure, pursuant to California Government Code section 7922.000.

The courts have moved to a new case management system, and the Department is working to get onboarded to the system. Until access to the verification system is finalized, Department members **shall not** rely upon the JURIS system as a verification of Fourth Amendment waiver status of individuals on probation.

Effectively immediately, Department members shall cease the use of JURIS/SDLaw/County Locals/RIO1 for verifying Fourth Amendment waiver status of a probationer.

Department members shall use alternative methods to confirm Fourth Amendment waiver status, including checking the Probation Case Management System (PCMS), reaching out to Court Liaisons during normal business hours, contacting the San Diego County Probation Department, or by contacting the probation officer directly.

If a department member is unable to verify a probationer's Fourth Amendment waiver status, they shall not conduct a Fourth Amendment wavier search of the probationer. Department members are still able to conduct searches of individuals if they have consent or other valid legal basis, such as incident to arrest on a custodial arrest. Parole Fourth Amendment waivers shall be verified via Parole Leads, the California Department of Corrections and Rehabilitation (CDCR), or the parole officer.
