CALL FOR ARTISTS

Request for Qualifications

San Diego Poet Laureate

Applications Due: November 6, 2026

1.0 INTRODUCTION

The City of San Diego (City) is seeking applications from interested qualified Artists to provide literary art services for San Diego Poet Laureate Project. An Artist or Artist team is sought to be San Diego's poet laureate (Poet Laureate).

Funding for the Poet Laureate is provided by the City. The City's Department of Cultural Affairs (DCA) will administer the process of Artist selection and oversee the Artist during the Poet Laureate term.

This Request for Qualifications (RFQ) describes the project, the required scope of services, the Artist selection process, and the information that must be included in the Statement of Qualifications (hereinafter referred to as the Application). Failure to submit information in accordance with this RFQ's requirements and procedures may be cause for disqualification.

1.1 Eligibility

Any Artist^{*1} or Artist team legally residing in the City and authorized to work in the United States² is eligible to submit an Application. Individuals with conflicts of interest are not eligible for contract award under this solicitation.

**Throughout this RFQ, the singular term "artist" also means artist teams. ¹ The City adheres to definition of "artist" which is contained in San Diego Municipal Code section 22.5902. ² Artists must have all necessary documentation to work in the United States at the time of submittal of Application.*

2.0 PROJECT DESCRIPTION

2.1 Artwork Opportunity

The Artist selected through the competitive process will become the City of San Diego's Poet Laureate, serving as an ambassador and

advocate for poetry, spoken word, and the literary arts. The Poet Laureate is expected to produce engaging and conceptually rich original works inspired by and in response to the City of San Diego as a richly diverse community with many untold stories and new ones made each day. Proceeding the City's first two Poet Laureates, this Poet will be the City of San Diego's Poet, a civic poet – the People's Poet – whose role is to elevate the power of, and potential in, spoken word, to convey the City of San Diego's goals, and to work closely with City of San Diego staff to tell stories.

The Poet Laureate will elevate appreciation of the art form through public readings and civic events. They will also propose and lead a public project to celebrate the City of San Diego as an organization that serves its residents and make poetry more available and accessible to residents in their everyday lives.

The Poet Laureate will serve a two-year term, work in alignment with City of San Diego staff through Cultural Affairs, and collaborate with project partners during the two-year term. A Poet Laureate may not serve more than one full term [January 1, 2027 – December 31, 2029].

2.2 Budget

Approximately \$20,000 is allocated for Poet Laureate. The budget is all-inclusive and must cover all costs associated with the Scope of Services, including all travel expenses.

3.0 SCOPE OF SERVICES

The Artist selected for the Poet Laureate is expected to represent the City of San Diego and the literary arts through activities related to poetry and spoken word; create and

present original works at selected City of San Diego events during each year which may include readings at City Council meetings as well as public readings at City events; propose and lead a public project during their term; and participate as a juror in Poetry Out Loud, a student poetry recital initiative within the given project budget. The complete Scope of Services is contained in Exhibit A to the Draft Agreement (Attachment A).

For video samples of performed past work, please include the text of the works being performed as part of your annotated list.

Clearly explain your relationship to San Diego and your approach to communicating the experience of the community. Please describe your methodology for conceptualizing and creating art. Please do not reiterate information already contained in your résumé. This narrative is your opportunity to convey your understanding of the role and why you are well-matched for the appointment. We are eager to hear what is distinctly "you" in your approach to creating art – in particular poetry and spoken word – what excites you about being a Poet Laureate, and what the panel cannot tell about your qualifications and your art form from looking at your résumé and examples of past work. The letter must include the Artist's name, address, telephone number, and e-mail address.

4.4 CV or Professional Résumé

Submit a current professional résumé or curriculum vitae (CV) in a .pdf format. The résumé may include literary activities and achievements such as publication history, awards, performances and readings, past public poetry projects and education. 6.0 PRE-SUBMITTAL ACTIVITIES

6.1 Questions Concerning RFQ

All questions regarding the RFQ shall be sent as an e-mail to:

City of San Diego Department of Cultural Affairs

Lara Bullock, Civic Art Project Manager
lbullock@sandiego.gov

Questions shall be submitted as soon as possible, but no later than 5:00 PM local time, on October 26, 2026.

7.0 ARTIST SELECTION PROCESS, PANEL & CRITERIA

A panel appointed by the City will review and evaluate the Applications utilizing the selection criteria below. (City staff may pre-screen each Application to verify eligibility and to evaluate responsiveness to the criteria. Applications deemed to be marginally responsive may not be forwarded to the panel for review.) The panel will be comprised of City staff, community members, and literary art experts. The panel will create a shortlist of approximately three of the most qualified Artists and may interview the shortlisted Artists. It is mandatory that the designated lead Artist take part in the interview. Interviews may be via video call or in-person. Artists who accept an invitation to interview will not be expected to develop proposals. However, in the interviews, Artists will be expected to discuss past approaches and working methods as well as answer questions relating to working on projects of this nature. Based on these evaluations, the panel will recommend one Artist for the contract award.

7.1 Criteria

Criteria used to evaluate Artists as evidenced in Application materials include:

- Artistic excellence, uniqueness of vision, and strength of creativity
- Originality of approaches and methodologies used to convey meaning through literary art
- Demonstrated capacities for working with concepts that are appropriate to the opportunity and sociocultural context
- Experience with public engagement in the development of art projects
- Demonstrated artistic and technical skills necessary for this project, such as education and training as a literary Artist (formal education in this art form is not required to apply) body of work either published or presented, recognition by the literary or academic communities through awards and readings, and/or other related activities indicative of artistic achievement and experience
- Demonstrated interest in and understanding of the scope of services as well as capability in creating literary work and project in collaboration with the City of San Diego and its project partners
- A strong understanding of San Diego and San Diegans through personal experience that can apply to a larger audience via this program
- Strength of professionalism and communication skills
- If applicable, cohesiveness of team members
- If applicable, past performance on contracts with the City

The panelists who evaluate the Artists may use a four-point ranking system:

- **Ranks of 4 (4 and 4-)** designate an Artist as the most qualified. Artists ranked with a 4 meet all the review criteria to the highest degree possible. If there are no Artists that meet all the review criteria, no 4 ranking shall be given; this is not a grading curve, but a rarified achievement of near perfection given the criteria.
- **Ranks of 3 (3+, 3, and 3-)** are considered good. These Artists mostly meet the criteria in a strong or solid way, but may still need some improvement.
- **Ranks of 2 (2+, 2 and 2-)** are considered marginal. These Artists have some merit,

but do not meet the criteria in a strong or solid way.

- **Rank of 1** is not qualified under any circumstance; inappropriate for the award.

In round one of the evaluation process, panelists may give each Application a rank. Panelists' ranks are then averaged for a single, initial score per Artist. In round two, Artists are clustered by rank from highest to lowest. Rank adjustments may occur when the panel agrees that an Artist is out of place within the clusters. From this process, the shortlisted Artists will be identified and invited to interview for the project. From these, one Artist will be recommended to the City for appointment to be the San Diego Poet Laureate. An Artist may appeal under the circumstances provided in Council Policy 000-29 which is located at: <http://www.sandiego.gov/city-clerk/officialdocs/legisdocs/index.shtml>.

AGREEMENT BETWEEN

THE CITY OF SAN DIEGO AND [NAME]

FOR LITERARY ART SERVICES – SAN DIEGO POET LAUREATE

THIS agreement, and incorporated Exhibits A-F, is made and entered into between the City of San Diego, a municipal corporation (City), and [Name] a literary artist (Artist, also sometimes referred to as “Contractor” in the Exhibits), for literary art services as San Diego’s Poet Laureate (Agreement). All capitalized terms have the same meanings throughout the main body of this Agreement and its Exhibits.

ARTICLE I SCOPE OF SERVICES

1.1 Scope of Services. At the direction of the City, the Artist must provide all services as described in the Scope of Services attached to this Agreement as Exhibit A (Services), to the City.

ARTICLE II DURATION OF AGREEMENT

2.1 Term of Agreement. This Agreement will be effective on the date it is executed by the last party to sign the Agreement, and approved by the City Attorney in accordance with San Diego Charter Section 40. Unless otherwise terminated, it will be effective until completion of the Scope of Services, or December 31, 2024, whichever is earlier (Term).

2.2 Time of Essence. Time is of the essence for each provision of this Agreement, unless otherwise specified in this Agreement.

2.2.1 Unless otherwise specified herein, time is of the essence for each and every provision of this Agreement. Artist must immediately notify City in writing if there is, or it is anticipated that there will be, a delay in performance. The written notice must explain the cause for the delay and provide a reasonable estimate of the length of the delay. City may terminate this Agreement as provided herein if City, in its sole discretion, determines the delay is material.

2.2.2 If a delay in performance is caused by any unforeseen event(s) beyond the control of the parties, City may allow Artist to a reasonable extension of time to complete performance, but Artist will not be entitled to damages or additional

compensation. Any such extension of time must be approved in writing by City. The following conditions may constitute such a delay: war; changes in law or government regulation; labor disputes; strikes; fires, floods, adverse weather or other similar condition of the elements necessitating cessation of the performance; inability to obtain materials, equipment or labor; or other specific reasons agreed to between City and Artist. This provision does not apply to a delay caused by Artist's acts or omissions. Artist is not entitled to an extension of time to perform if a delay is caused by Artist's inability to obtain materials, equipment, or labor unless City has received, in a timely manner, documentary proof satisfactory to City of Artist's inability to obtain materials, equipment, or labor, in which case City's approval must be in writing.

2.3 City's Right to Terminate for Convenience. The City may, at its sole option and for its convenience, terminate all or any portion of this Agreement by giving written notice of such termination to the Artist. Such notice must be delivered by certified mail with return receipt for delivery to the City, and the termination will be effective upon receipt of the notice by the Artist. Artist will be entitled to fair and reasonable compensation for all services completed in compliance with this Agreement prior to the notice of termination. In the event that the City terminates this Agreement pursuant to this Section, the City will have no right to use the Artist's work-product or Services, to complete and display the artwork absent the written consent of the Artist.

2.4 City's Right to Terminate for Default. If the Artist fails to satisfactorily perform any obligation required by this Agreement, the Artist's failure constitutes a default. A default includes, but is not limited to, the Artist's failure to adhere to the Schedule of Work given in **Exhibit D** attached hereto. If the Artist fails to satisfactorily cure a default within ten calendar days of receiving written notice from the City specifying the nature of the default, the City may immediately terminate this Agreement, and terminate each and every right of the Artist, and any person claiming any rights by or through the Artist under this Agreement. The rights and remedies of the City enumerated in this section are cumulative and do not limit, waive, or deny any of the City's rights under any other provision of this Agreement. Nor does this section otherwise waive or deny any right or remedy, at law or in equity, existing as of the date of this Agreement or hereinafter enacted or established, that may be available to the City against the Artist.

ARTICLE III COMPENSATION

3.1 Amount of Compensation. The City will pay the Artist for performance of all Services rendered in accordance with this Agreement, including reasonably related expenses, a total amount not to exceed \$20,000.

3.2 Manner of Payment. The City will pay the Artist according to the Compensation and Fee Schedule attached hereto as **Exhibit C**. For the Term of this Agreement, the Artist will not be entitled to fees, including fees for expenses, that exceed the amounts specified in 3.1. The Artist must submit invoices in accordance with the Compensation and Fee Schedule, which must include a description of completed services. The City will pay undisputed portions of the invoice within 30 calendar days of receipt.

ARTICLE IV ARTIST'S OBLIGATIONS

4.1 Industry Standards. The Artist agrees that the services rendered under this Agreement will be performed in accordance with any standards, if such standards exist, customarily adhered to by an experienced and competent professional Artist using the degree of care and skill ordinarily exercised by reputable professionals practicing in the same field of service in the State of California. Where approval by the City Council, Mayor, or other representatives of the City is required, it is understood to be general approval only and does not relieve the Artist of responsibility for complying with all applicable laws, codes, and good consulting practices.

4.2 Maintenance of Records. The Artist must maintain books, records, logs, documents, and other evidence sufficient to record all actions taken with respect to the rendering of the Scope of Services, throughout the performance of the Services and for a period of 10 years following completion of the Services. The Artist further agrees to allow the City to reasonably inspect, copy, and audit such books, records, documents, and other evidence.

4.3 Insurance. The Artist must not begin any work under this Agreement until the Artist has: (a) obtained, and upon the City's request provided to the City, insurance certificates reflecting evidence of all insurance required in below; however, the City reserves the right to request, and the Artist must submit, copies of any policy upon reasonable request by the City; (b) obtained City approval of each insurance company or companies; and (c) confirmed that all policies contain the specific provisions required below. However, failure to obtain the required documents prior to the Services commencing will not waive Artist's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this Agreement, at any time. The Artist's liabilities, including but not limited to the Artist's indemnity obligations, under this Agreement, are not limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this Agreement and the Artist's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Agreement may be treated as a material breach of this Agreement. The Artist must not modify any policy or endorsement thereto which increases the City's exposure to loss for the Term of this Agreement.

4.3.1 Types of Insurance. At all times during the Term of this Agreement, the Artist must maintain insurance coverage as follows:

Commercial General Liability. The Artist must keep in full force and effect Commercial General Liability (CGL) Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which must cover liability arising from any and all personal injury or property damage in the amount of \$ 1 million per occurrence and subject to an annual aggregate of \$2 million. There must be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs are deemed outside the limits of the policy.

Commercial Automobile Liability. For all of the Artist's automobiles

including owned, hired and non-owned automobiles, the Artist must keep in full force and effect, automobile insurance written on an ISO form CA 00 01 12 90 or a later version of this form or an equivalent form providing coverage at least as broad for bodily injury and property damage for a combined single limit of \$1 million per occurrence. Workers' Compensation. For all of the Artist's employees who are subject to this Agreement and to the extent required by the applicable state or federal law, the Artist must keep in full force and effect, a Workers' Compensation policy. That policy must provide a minimum of \$1 million of employers' liability coverage, and the Artist must provide an endorsement that the insurer waives the right of subrogation against the City and its respective elected officials, officers, employees, agents and representatives.

4.3.2 Deductibles. All deductibles on any policy are the responsibility of the Artist and must be disclosed to the City at the time the evidence of insurance is provided.

4.3.3 Acceptability of Insurers. Except for the State Compensation Insurance Fund, all insurance required by this Agreement must only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by the City. The City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

4.3.4 Required Endorsements. The following endorsements to the policies of insurance are required to be provided to the City before any work is initiated under this Agreement.

Any insurance maintained by the City and its elected officials, officers, employees, agents, and representatives will be in excess of the Artist's insurance and will not contribute to it.

4.3.4.2 Workers' Compensation and Employer's Liability Insurance

Endorsements

WAIVER OF SUBROGATION. The Workers' Compensation policy or policies must be endorsed to provide that the insurer will waive all rights of subrogation against the City and its respective elected officials, officers, employees, agents and representatives for losses paid under the terms of this policy or these policies which arise from work performed by the named insured for the City.

4.3.5 Reservation of Rights. The City reserves the right, from time to time, to review the Artist's insurance coverage, limits, deductible, and self-insured retentions to determine if they are acceptable to the City. The City will reimburse the Artist for the cost of the additional premium for any coverage requested by the City in excess of that required by this Agreement without overhead, profit, or any other markup.

4.3.6 Additional Insurance. The Artist may obtain additional insurance not required by this Agreement.

4.3.7 Excess Insurance. All policies providing excess coverage to the City must follow the form of the primary policy or policies including but not limited to all endorsements.

4.6 Compliance with the City's Equal Opportunity Contracting Program. The Artist must comply with the City's Equal Opportunity Contracting Program Consultant Requirements. The Artist must not discriminate against any employee or applicant for employment on any basis prohibited by law. The Artist must provide equal opportunity in all employment practices. The Artist must ensure that its sub-consultants comply with the City's Equal Opportunity Contracting Program Consultant Requirements. DEFINITION OF "CONSULTANT"

2 California Code of Regulations defines a "consultant" as an individual who, pursuant to a contract with a state or local government agency:

- (A) Makes a governmental decision whether to:
 - 1. Approve a rate, rule or regulation;
 - 2. Adopt or enforce a law;
 - 3. Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement;
 - 4. Authorize the City to enter into, modify, or renew a contract provided it is the type of contract that requires City approval;
 - 5. Grant City approval to a contract that requires City approval and to which the City is a party, or to the specifications for such a contract;
 - 6. Grant City approval to a plan, design, report, study, or similar item;
 - 7. Adopt, or grant City approval of, policies, standards, or guidelines for the City, or for any subdivision thereof; or
- (B) Serves in a staff capacity with the City and in that capacity participates in making a governmental decision as defined in Regulation 18702.2 or performs the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a position specified in the City's Conflict of Interest Code.

An individual "serves in a staff capacity" if he or she performs substantially all the same tasks that normally would be performed by staff member of a governmental entity. In most cases, individuals who work on only one project or a limited range of projects for an agency are not considered to be working in a "staff capacity." The length of the individual's service to the agency is relevant. Also, the tasks over the relevant period of time must be substantially the same as a position that is or should be specified in the City's conflict of interest code.

An individual "participates in making a governmental decision" if he or she: (1) negotiates, without substantive review, with a governmental entity or private person regarding the decision; or (2) advises or makes recommendations to the decision-maker, by conducting research or an investigation, preparing or presenting a report, analysis or opinion which requires the exercise of judgment on the part of the individual and the individual is attempting to influence the decision.

City of San Diego
CONTRACTOR STANDARDS
Pledge of Compliance

The City of San Diego has adopted a Contractor Standards Ordinance (CSO) codified in section 22.3004 of the San Diego Municipal Code (SDMC). The City of San Diego uses the criteria set forth in the CSO to determine whether a contractor (bidder or proposer) has the capacity to fully perform the contract requirements and the business integrity to justify the award of public funds. This completed Pledge of Compliance signed under penalty of perjury must be submitted with each bid and proposal. If an informal solicitation process is used, the bidder must submit this completed Pledge of Compliance to the City prior to execution of the contract. All responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, Contractors must provide responses on Attachment A to the Pledge of Compliance and sign each page. Failure to submit a signed and completed Pledge of Compliance may render a bid or proposal non-responsive. In the case of an informal solicitation or cooperative procurement, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted. A submitted Pledge of Compliance is a public record and information contained within will be available for public review except to the extent that such information is exempt from disclosure pursuant to applicable law.

By signing and submitting this form, the contractor is certifying, to the best of their knowledge, that the contractor and any of its Principals have not within a five (5) year period – preceding this offer, been convicted of or had a civil judgement rendered against them for commission of a fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (Federal, State or local) contract or subcontract.

“Principal” means an officer, director, owner, partner or a person having primary management or supervisory responsibilities within the firm. The Contractor shall provide immediate written notice to the Procurement Contracting Officer handling the solicitation, at any time prior to award should they learn that this Representations and Certifications was inaccurate or incomplete.
