COOPERATIVE PROCUREMENT CONTRACT BETWEEN
THE CITY OF SAN DIEGO AND
SUNBELT RENTALS, INC.
FOR EQUIPMENT AND TOOL RENTAL SERVICES
60000070-27-C

I. RECITALS

A. San Diego Municipal Code (SDMC) section 22.3208 authorizes the City of San Diego, a municipal corporation (City), to use a cooperative procurement contract awarded by another agency where the City's Purchasing Agent certifies in writing that the cooperative procurement contract is in the City's best interests, to the City's economic advantage, and the agency's contract was awarded using a process that complies with the policies, rules, and regulations developed and implemented by the City Manager.

B. Region 4 Education Service Center (Agency), an Agency of the State of Texas, in partnership with OMNIA Partners, Public Sector, Inc., a Delaware Corporation, issued a Request for Proposals (RFP) Number 24-15 for equipment and tool rental services by posting the solicitation on the Agency and OMNIA Partner's procurement portal and in eighteen print publications of general circulation at least ten days before the proposal was due.

C. On April 22, 2025, based on the results of the competitive process, Agency awarded a contract with Sunbelt Rentals Inc. (Contractor) and executed the Equipment and Tool Rental Services contract with Contractor on May 1, 2025 for a three (3) year initial term with two (2) one-year option renewals, identified as Contract# R241502, (cumulatively referred to as the "Agency Agreement"), attached as Exhibit 1.

D. On September 18, 2026, the City's Purchasing Agent certified in writing that the Agency Agreement meets the requirements set forth in SDMC section 22.3208.

E. Contractor has agreed to provide to City the same pricing offered to Agency for equipment and tool rental services consistent with the terms and conditions in the Agency Agreement except as modified herein.

II. GENERAL PROVISIONS

In consideration of the above recitals and mutual covenants and conditions set forth in this Contract, and for good and valuable consideration, the sufficiency of which is hereby acknowledged, City and Contractor hereby agree to the terms and conditions as set forth in the Agency Agreement with the exception of the following modifications:

1. Incorporation. This Contract shall fully incorporate the Recitals which the parties agree are true and correct.

2. Effective Date. This Contract is effective on the last date that this Contract is signed by City and Contractor and approved by the City Attorney through April 30, 2028. The City may, in its sole and absolute discretion, subject to the restrictions in San Diego Charter

section 99 and provided that the Agency exercises its extension options within its Agency Agreement, extend this Contract for two (2) additional one (1) year periods. City, through the Mayor or his designee, may exercise this option by written notice to Contractor sent thirty (30) days prior to the expiration of the current term. Contractor may not decline the option to renew. The total duration of this Contract, including the exercise of any options under this section, shall not exceed five (5) years without approval of the City of San Diego Council by Ordinance.

3. Early Termination. Contractor must provide written notice within ten (10) calendar days of the date in which the Agency Agreement is terminated to the Contract Administrator identified in Section III, below. Such written notice must explain the basis for termination and the date upon which the termination is effective. Early termination of the Agency Agreement by Agency or Contractor, or failure by Agency to exercise an option to extend the Agency Agreement, shall not in any way affect the existence of this Contract.

4. Compliance with Controlling Laws. Contractor shall comply with all applicable local, state, and federal laws and regulations. In addition, Contractor shall comply immediately with all directives issued by City or its authorized representatives under authority of any laws, statues, ordinances, rules, or regulations.

5. Governing Law. The Contract shall be deemed to be made under, construed in accordance with, and governed by the laws of the State of California without regard to the conflicts or choice of law provisions thereof.

6. Jurisdiction and Venue. The venue for any suit concerning this Contract, the interpretation of application of any of its terms and conditions, or any related disputes shall be in the County of San Diego, State of California.

7. Modifications. The modifications described in Exhibit 2, which is attached hereto and incorporated herein by reference, shall affect only the page(s) and section(s) and terms and conditions referred to therein. All other terms and conditions of the Agency Agreement shall be in full force and effect as to City and Contractor as incorporated in this Contract.

III. CONTRACT ADMINISTRATOR

1. Contract Administrator. The Stormwater Department (Department) is the Contract Administrator for this Contract. Contractor shall provide the Services under the direction of a designated representative of the Department as follows:

Stormwater Department
Attn: David Wells
9370 Chesapeake Drive, Suite 100
San Diego, CA 92123
(858) 541-4339
dwells@sandiego.gov

2. Notices. Unless otherwise specified, in all cases where written notice is required under this Contract, service shall be deemed sufficient if the notice is personally delivered or deposited in the United States mail, with first class postage paid, attention to the Purchasing Agent. Proper notice shall be effective on the date of personal delivery or five (5) days after deposit in the United States postal mailbox. Notices shall be sent to:

Purchasing and Contracting Department
Attn: Taylor Cox, Senior Procurement Contracting Officer
1200 Third Avenue, Suite 200
San Diego, CA 92101
(619) 236-6044
CoxTJ@sandiego.gov

IV. COMPENSATION

1. City shall pay Contractor for the goods or services provided in accordance with this Contract in an amount not to exceed $2,500,000. Contractor is not obligated to provide goods or services in excess of this amount, and does so at its own risk, unless this Contract is amended in writing duly executed by City and Contractor increasing this not-to-exceed amount.

2. Annual Appropriation of Funds. Contractor acknowledges that the Contract term may extend over multiple City fiscal years, and agrees that work and compensation under this Contract is contingent on the City Council appropriating funding for and authorizing such work and compensation for those fiscal years. City may terminate the Contract if sufficient funds are not duly appropriated and authorized for any given fiscal year, or if funds appropriated and authorized for this Contract are exhausted before the fiscal year concludes. City is not obligated to pay Contractor for any amounts not duly appropriated and authorized by the City Council.

V. CONTRACT

1. Contract Documents. This Contract consists of this Contract and its Exhibits, the Region 4 ESC's RFP for Equipment and Tool Rental Services (Solicitation No. 24-15), Sunbelt Rentals, Inc. Proposal in response to RFP No. 24-15, the Agency Agreement, and the Modifications to the Agency Agreement, which are attached as Exhibits hereto and incorporated by reference (collectively, "Contract Documents"). These documents together contain all the terms and conditions of the Contract between City and Contractor.

2. Contract Interpretation. The Contract Documents completely describe the goods and/or services to be provided. Contractor shall provide any goods or services that may reasonably be inferred from the Contract Documents or from prevailing custom or trade usage as being required to produce the intended result whether or not specifically called for or identified in the Contract Documents. Words or phrases which have a well-known technical or construction industry trade meaning and are used to describe goods or services will be interpreted in accordance with that meaning unless a different definition has been provided in the Contract Documents.

3. Precedence. In resolving conflicts resulting from errors or discrepancies in any of the Contract Documents, City and Contractor will use the order of precedence as set forth below. The document in highest order of precedence controls. Inconsistent provisions in the Contract Documents that address the same subject, are consistent, and have different degrees of specificity, are not in conflict and the more specific language will control. The order of precedence from highest to lowest is as follows:

1st	This Contract
2nd	Agency Agreement and any properly executed written amendment(s) and modifications to the Agency Agreement
3rd	Sunbelt Rentals, Inc. Response to Region 4 ESC RFP No. 24-15
4th	Agency's Solicitation and any Addenda

4. Counterparts. This Contract may be executed in counterparts which, when taken together, shall constitute a single signed original as though all parties executed the same page.

5. Public Agencies. Other public agencies as defined by California Government Code section 6500 may choose to use the terms of this Contract, subject to Contractor's acceptance. City is not liable or responsible for any obligations related to a subsequent agreement between Contractor and another public agency.

VI. CITY'S ADDITIONAL TERMS

1. Wage Requirements: This Contract incorporates by reference the City's Wage Requirements, attached hereto as Exhibit 5.

2. Drug-Free Workplace Certification. Contractor shall comply with City's Drug-Free Workplace requirements set forth in Council Policy 100-17, which is incorporated into this Contract by reference.

3. ADA Certification. Contractor shall comply with the City's Americans with Disabilities Act Compliance/City Contracts requirements as set forth in Council Policy 100-04, which is incorporated into this Contract by reference.

4. Non-Discrimination Ordinance. Contractor shall not discriminate on the basis of race, gender, gender expression, gender identity, religion, national origin, ethnicity, sexual orientation, age, or disability in the solicitation, selection, hiring or treatment of subcontractors, vendors, or suppliers. Contractor shall provide equal opportunity for subcontractors to participate in subcontracting opportunities. Contractor understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, or other sanctions. Contracts between Contractor and any subcontractors or suppliers shall contain this language.

5. Compliance with the City's Equal Employment Opportunity Outreach Program (EOCP): Contractor shall comply with the City's EOCP requirements. Contractor shall not discriminate against any employee or applicant for employment on any basis prohibited by law. Contractor shall provide equal opportunity in all employment practices. Prime Contractors shall

ensure that their subcontractors comply with this program. Nothing in this Section shall be interpreted to hold a prime Contractor liable for any discriminatory practice of its subcontractors.

6. Compliance Investigations. Upon City's request, Contractor agrees to provide to City, within sixty calendar days, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past five years on any of its contracts that were undertaken within San Diego County, including the total dollar amount paid by Contractor for each subcontract or supply contract. Contractor further agrees to fully cooperate in any investigation conducted by City pursuant to City's Nondiscrimination in Contracting Ordinance. Contractor understands and agrees that violation of this clause shall be considered a material breach of the Contract and may result in remedies being ordered against Contractor up to and including contract termination, debarment, and other sanctions.

7. Business Tax Certificate. Unless the City Treasurer determines in writing that a contractor is exempt from the payment of business tax, any contractor doing business with the City of San Diego is required to obtain a Business Tax Certificate and to provide a copy to the City before any contract is executed.

8. Product Endorsement. Contractor shall comply with Council Policy 000-41 which requires that other than listing the City as a client and other limited endorsements, any advertisements, social media, promotions or other marketing referring to the City as a user of a product or service will require prior written approval of the Mayor or designee. Use of the City Seal or City logos is prohibited.

9. Noise Abatement. Contractor shall not operate, conduct, or construct within City's jurisdictional limits in violation the City's Noise Abatement Ordinance codified in SDMC sections 59.5.0101 through 59.5.03

10. Environmental Protection Agency's (EPA) Water Infrastructure Finance and Innovation Act (WIFIA) Program Funding Agency Provisions. This Contract incorporates by reference the EPA's WIFIA Program Funding Agency Provisions attached hereto as Exhibit 3.

IN WITNESS WHEREOF, this Contract is executed by City and Contractor acting by and through their authorized officers.

EXHIBIT 1: AGENCY AGREEMENT

Contract # R241502

for

Equipment and Tool Rental Services

with

Sunbelt Rentals, Inc.

Effective: May 1, 2025

The following documents comprise the executed contract effective: May 1, 2025

I. Vendor Contract and Signature Form

II. Approved Deviations

III. Supplier’s Response to the RFP

IV. Request for Proposal and Any Addenda, incorporated by reference

APPENDIX A-

(Region 4 ESC approved deviations)

CONTRACT

*This Contract ("**Contract**") is made as of May 1, 2025, by and between Sunbelt Rentals, Inc. ("**Contractor**") and Region 4 Education Service Center ("**Region 4 ESC**") for the purchase of Equipment and Tool Rental Services ("the products and services").*

RECITALS

WHEREAS, Region 4 ESC issued Request for Proposals Number 24-15 for Equipment and Tool Rental Services ("RFP"), to which Contractor provided a response ("**Proposal**"); and

WHEREAS, Region 4 ESC selected Contractor's Proposal and wishes to engage Contractor in providing the services/materials described in the RFP and Proposal;

WHEREAS, both parties agree and understand the following pages will constitute the Contract between the Contractor and Region 4 ESC, having its principal place of business at 7145 West Tidwell Road, Houston, TX 77092.

WHEREAS, Contractor included, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that, if agreed to by Region 4 ESC, said exceptions or deviations are incorporated into the Contract.

WHEREAS, this Contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Contract will provide that any state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("**Public Agencies**") may purchase products and services at prices indicated in the Contract upon the Public Agency's registration with OMNIA Partners.

1) Term of agreement. The initial term of the Contract is for a period of **three (3) years** unless terminated, canceled, or extended as otherwise provided herein. Region 4 ESC shall have the right in its sole discretion to renew the Contract for additional terms up to **two (2) years** after the end of the initial term or for a lesser period of time as determined by Region 4 ESC by providing written notice to the Contractor of Region 4 ESC's intent to renew thirty (30) days prior to the expiration of the original term. Contractor acknowledges and understands Region 4 ESC is under no obligation whatsoever to extend the term of this Contract. In the event the proposal term, including renewals, ends before another proposal is executed, proposal prices and discounts may be extended on a month-to-month basis by mutual consent. Extensions are limited to the lesser of: a) six (6) additional monthly terms, or b) the time which is required to complete a new solicitation for the goods and services provided for in this solicitation. Notwithstanding the foregoing paragraph, the term of the Contract, including any extension of the original term, shall be further extended until the expiration of any Purchase Order issued within the Contract term for a period of up to one year beyond the Contract term.

2) Scope: Contractor shall perform all duties, responsibilities and obligations, set forth in this agreement, and described in the RFP, incorporated herein by reference as though fully set forth herein.

3) Form of Contract. The form of Contract shall consist of this Contract, any Purchase Order (or other similar document agreed to in writing by Region 4), Region 4's Standard Terms and Conditions for Procurement Solicitations to the extent applicable to bare rental of equipment, the RFP and any Addenda (including Offeror's standard rental terms for government entities in Addendum A), Region 4's Electronic Bid Certifications, the Offeror's Best and Final Offer(s), as accepted by Region 4, and the Offeror's Proposal, as accepted by Region 4, each instrument incorporated herein by reference.

4) Order of Precedence. In the event of a conflict in the provisions of the Contract as accepted by Region 4 ESC, the following order of precedence shall prevail:

   i. This Contract,
   ii. Any Purchase Order (or other such similar document agreed to in writing by Region 4),
   iii. Region 4's applicable Standard Terms and Conditions for Procurement Solicitations,
   iv. RFP and any Addenda,
   v. Region 4's Electronic Bid Certifications,
   vi. Offeror's Best and Final Offer, as accepted by Region 4, and
   vii. Offeror's proposal, as accepted by Region 4.

5) Commencement of Work. The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives a purchase order for such work or is otherwise directed to do so in writing by Region 4 ESC.

6) Entire Agreement (Parol evidence). The Contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.

7) Assignment of Contract. No assignment of Contract may be made without the prior written approval of Region 4 ESC. Contractor is required to notify Region 4 ESC when any material change in operations is made (i.e., bankruptcy, change of ownership, merger, etc.).

8) Novation. If Contractor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. Region 4 ESC reserves the right to accept or reject any new party. A change of name agreement will not change the contractual obligations of Contractor.

9) Contract Alterations. No alterations to the terms of this Contract shall be valid or binding unless authorized and signed by Region 4 ESC.

10) Adding Authorized Distributors/Dealers. Contractor is prohibited from authorizing additional distributors or dealers, other than those identified at the time of submitting their proposal, to sell under the Contract without notification and prior written approval from Region 4 ESC. Contractor must notify Region 4 ESC each time it wishes to add an authorized distributor or dealer. Purchase orders and payment can only be made to the Contractor unless otherwise approved by Region 4 ESC. Pricing provided to members by added distributors or dealers must also be less than or equal to the Contractor's pricing.

11) TERMINATION OF CONTRACT

a) Cancellation for Non-Performance or Contractor Deficiency. Region 4 ESC may terminate the Contract if purchase volume is determined to be low volume in any 12-month period. Region 4 ESC reserves the right to cancel the whole or any part of this Contract due to failure by Contractor to carry out any obligation, term or condition of the contract. Region 4 ESC may issue a written deficiency notice to Contractor for acting or failing to act in any of the following:

i. Providing material that does not meet the specifications of the Contract;
ii. Providing work or material was not awarded under the Contract;
iii. Failing to adequately perform the services set forth in the scope of work and specifications;
iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
v. Failing to make progress in performance of the Contract or giving Region 4 ESC reason to believe Contractor will not or cannot perform the requirements of the Contract; or
vi. Performing work or providing services under the Contract prior to receiving an authorized purchase order.

Upon receipt of a written deficiency notice, Contractor shall have ten (10) days to provide a satisfactory response to Region 4 ESC. Failure to adequately address all issues of concern may result in Contract cancellation. Upon cancellation under this paragraph, all ~~goods, materials~~, work, documents, data and reports prepared by Contractor under the Contract shall immediately become the property of Region 4 ESC.

b) Termination for Cause. Conditions of cancellation are addressed in the General Terms and Conditions set forth by Region 4 ESC in the section titled “NON-PERFORMANCE /TERMINATION OF CONTRACT”.

c) Delivery/Service Failures. Failure to deliver goods or services within the time specified, or within a reasonable time period as interpreted by the purchasing agent or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the Contract to be terminated. In the event Region 4 ESC must purchase in an open market, Contractor agrees to reimburse Region 4 ESC, within a reasonable time period, for all expenses incurred.

d) Force Majeure. Conditions of Force Majeure are addressed in the General Terms and Conditions set forth by Region 4 ESC in the section titled “FORCE MAJEURE”.

e) Standard Cancellation for Convenience. Region 4 ESC may cancel this Contract in whole or in part for convenience and without cause by providing written notice. Such cancellation will take effect 30 calendar days after Region 4 sends the notice of cancellation. After the 30th calendar day all work will cease following completion of final purchase order, provided that when Region 4 may in its sole discretion direct Contractor to cease performance of the contract at any time during the 30 day notice period, in which case Contractor shall discontinue any further charges to Region 4.

12) Licenses. Maintenance of licenses are addressed in the General Terms and Conditions set forth by Region 4 ESC in the section titled “LICENSES AND PERMITS; PERFORMANCE”.

13) Survival Clause. Conditions of survival are addressed in the General Terms and Conditions set forth by Region 4 ESC in the section titled “SURVIVAL”.

14) Delivery. Conforming products shall be shipped within 7 days of receipt of Purchase Order. If delivery is not or cannot be made within this time period, the Contractor must receive authorization for the delayed delivery. The order may be canceled by Region 4 if the estimated shipping time is not acceptable. All deliveries shall be freight prepaid, F.O.B. Destination and shall be included in all pricing offered unless otherwise clearly stated in writing.

15) Inspection & Acceptance. If defective or incorrect material is delivered, Region 4 ESC may make the determination to return the material to the Contractor at no cost to Region 4 ESC. The Contractor agrees to pay all shipping costs for the return shipment. Contractor shall be responsible for arranging the return of the defective or incorrect material.

16) Payments. Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.

17) Price Adjustments. Proposal prices must remain firm for at least one (1) calendar year from the proposal opening date, unless a deviation from this standard and purpose for the deviation is noted in the Vendor's response. Such deviations are subject to Region 4 ESC approval.. Price increases requested during the term of the contract may be granted at the sole discretion of Region 4 ESC. Should it become necessary or proper during the term of this Contract to make any change in design or any alterations that will increase price, Region 4 ESC must be notified immediately. Price increases must be approved by Region 4 ESC and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter. Contractor must honor previous prices for thirty (30) days after approval and written notification from Region 4 ESC. It is the Contractor's responsibility to keep all pricing up to date and on file with Region 4 ESC. All price changes must be provided to Region 4 ESC, using the same format as was provided and accepted in the Contractor's proposal.

    Price reductions may be offered at any time during Contract. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all users equally; 2) reduction is for a specific period, normally not less than thirty (30) days; and 3) original price is not exceeded after the time-limit. Contractor shall offer Region 4 ESC any published price reduction during the Contract term.

18) Audit Rights. Audit rights are addressed in the General Terms and Conditions set forth by Region 4 ESC in the section titled "RIGHT TO AUDIT".

19) Discontinued Products. If a product or model is discontinued by the manufacturer, Contractor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.

20) New Products/Services. New products and/or services that meet the scope of work may be added to the Contract. Pricing shall be equivalent to the percentage discount for other products. Contractor may replace or add product lines if the line is replacing or supplementing products, is equal or superior to the original products, is discounted similarly or greater than the original discount, and if the products meet the requirements of the Contract. No products and/or services may be added to avoid competitive procurement requirements. Region 4 ESC may require additions to be submitted with documentation from Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 4 ESC may reject any additions without cause.

21) Options. Optional equipment for products under Contract may be added to the Contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

22) Warranty Conditions. ~~All supplies, equipment and services shall include manufacturer's minimum standard warranty and one (1) year labor warranty unless otherwise agreed to in writing. Longer warranty periods and other specifications may be required if indicated herein or through supplemental terms by Region 4.~~ The rental equipment provided will be warranted for the duration of the rental.

23) Site Cleanup. Contractor shall clean up and remove all debris and rubbish resulting from their work as required or directed. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean, safe and unobstructed condition.

24) Site Preparation. Contractor shall not begin a project for which the site has not been prepared, unless Contractor does the preparation work at no cost, or until Region 4 ESC includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

25) Registered Sex Offender Restrictions. For work to be performed at schools, Contractor agrees no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Contractor agrees a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at Region 4 ESC's discretion. Contractor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge. This requirement is in addition to other provisions contained in this RFP related to criminal history information.

26) Safety measures. Contractor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Contractor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

27) Smoking. Persons working under the Contract shall adhere to local smoking policies. Smoking will only be permitted in posted areas or off premises.

28) Stored materials. Upon prior written agreement between the Contractor and Region 4 ESC, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Region 4 ESC prior to payment. Such materials must be stored and protected in a secure location and be insured for their full value by the Contractor against loss and damage. Contractor agrees to provide proof of coverage and additionally insured upon request. Additionally, if stored offsite, the materials must also be clearly identified as property of Region 4 ESC and be separated from other materials. Region 4 ESC must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary. Until final acceptance by Region 4 ESC, it shall be the Contractor's

responsibility to protect all materials and equipment. Contractor warrants and guarantees that title for all work, materials and equipment shall pass to Region 4 ESC upon final acceptance.

29) Funding Out Clause. A Contract for the acquisition, including lease, of real or personal property is a commitment of Region 4 ESC's current revenue only. Region 4 ESC retains the right to terminate the Contract at the expiration of each budget period during the term of the Contract.

30) **INDEMNITY. CONTRACTOR SHALL PROTECT, INDEMNIFY, AND HOLD HARMLESS BOTH REGION 4 ESC AND ITS ADMINISTRATORS, EMPLOYEES AND AGENTS AGAINST ALL CLAIMS, DAMAGES, LOSSES AND EXPENSES ARISING OUT OF OR RESULTING FROM THE ACTIONS OF THE CONTRACTOR, CONTRACTOR EMPLOYEES OR SUBCONTRACTORS IN THE PREPARATION OF THE SOLICITATION AND THE LATER EXECUTION OF THE CONTRACT. ANY LITIGATION INVOLVING EITHER REGION 4 ESC, ITS ADMINISTRATORS AND EMPLOYEES AND AGENTS WILL BE IN HARRIS COUNTY, TEXAS.**

31) Marketing. Contractor agrees to allow Region 4 ESC to use their name and logo within website, marketing materials and advertisement. Any use of Region 4 ESC name and logo or any form of publicity, inclusive of press releases, regarding this Contract by Contractor must have prior approval from Region 4 ESC.

32) Certificates of Insurance. Should the original or addended proposal solicitation identify insurance is required to perform a work, certificates of insurance shall be delivered to the Region 4 ESC prior to commencement of work. The Contractor shall give Region 4 ESC a minimum of ten (10) days' notice prior to any modifications or cancellation of policies. The Contractor shall require all subcontractors performing any work to maintain coverage as specified.

33) Legal Obligations. It is Contractor's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services and shall comply with all laws while fulfilling the Contract. Applicable laws and regulation must be followed even if not specifically identified herein.

Addendum A- Equipment Rentals Agreement

This Addendum A- Equipment Rental Agreement modifies the terms of the Master Agreement to which it is attached and is incorporated into such Agreement. If there is a conflict between language in the Master Agreement and this Addendum A, the Master Agreement controls.

Notwithstanding anything to the contrary contained in the Master Agreement, the Parties hereby agree to the following as a summary of applicable terms for a Participating Public Agency.

Notwithstanding anything to the contrary, the definition of "Work" is defined in the Supplier's Quote as Equipment Rental and Labor (Services) and therefore Supplier agrees to indemnify, defend, and hold Participating Public Agency harmless from and against any third-party claims including any and all liabilities, losses, damages, claims, penalties, fines and expenses, including attorney's fees for any damages to property and/or persons including death ("Claims") to the proportionate extent arising from Supplier or any of its Suppliers, suppliers, officers, agents, or employees negligent acts or omissions in the performance of this Agreement. Participating Public Agency will (i) give Supplier prompt notice of any such Claim, and (ii) at Supplier's reasonable request, cooperate with Supplier in the defense and settlement of Claim.

Participating Public Agency has care, custody, and control of the Work at all times Supplier does not; therefore, Supplier is not responsible for any third-party claims including any and all Claims to the proportionate extent arising from Participating Public Agency's or any of its Suppliers, suppliers, officers, agents, or employees negligent acts or omissions in the performance of this Agreement. There shall be no right or authority for any claims to be arbitrated or tried on a class action basis. Neither party shall have any liability in regard to consequential, exemplary, special, incidental or punitive damages, even if it has been advised of the possibility of such damages.

Terms Summary:

1. **CREDIT APPROVAL.** If the Participating Public Agency does not have a current valid account established with Supplier, it must complete Supplier's credit application and be approved for a credit account. Supplier shall only be obligated to extend credit to those Participating Public Agencies who qualify for credit after completing Supplier's credit application. Any Participating Public Agency of OMNIA that chooses not to obtain a Supplier credit account or does not qualify for a credit account will not become a Participating Public Agency in the Program. If Participating Public Agency is an existing customer of Supplier, such Participating Public Agency must have no amounts outstanding longer than 60 days.

2. **TERMINATION.** Either Party may terminate this Agreement without cause by providing at least ninety (90) days' prior written notice to the other Party.

3. **TITLE AND RISK OF LOSS.** title will remain at all times with Contractor and risk of loss for the Equipment transfers to Customer upon taking possession of Equipment. Risk of loss transitions back to Contractor when returned to Contractor's possession.

4. **BILLING CYCLE.** The rental charged will be determined by the daily, weekly, and 4-week

rental rates in combination with the rental period. This calculation will always be billed at the most advantageous rate available to the customer. Ex. If the rental period is 4 days and the daily rental rate is $100 and the weekly rental rate is $250, the customer will be charged the weekly rate of $250 instead of $400 (4 days x $100 per day) because it is the lower of the two amounts. This same logic will work for any combination of rates within a 4-week period as the 4-week rental rate will be the most the customer will be charged for that equipment, using single shift rates. Additionally, a shift rate schedule shall apply for all hour metered machines and shall affect the rental rates accordingly.

5. **PERMITTED & PROHIBITED USE:** Participating Public Agency agrees that Supplier has no control over the manner in which the Equipment is operated during the Rental Period by Participating Public Agency or any third party that Participating Public Agency implicitly or explicitly permits. Participating Public Agency warrants that: (a) prior to each use, Participating Public Agency has or will inspect the Equipment to confirm that it is in good condition, without defects, includes readable decals and operating and safety instructions and is suitable for Participating Public Agency's intended use; (b) any apparent agent at the Site Address is authorized to accept delivery of the Equipment (and if Participating Public Agency requests the applicable waiver, Participating Public Agency authorizes Supplier to leave the Equipment at the Site Address without requirement of written receipt); (c) Participating Public Agency shall immediately notify Supplier if the Equipment is lost, damaged, stolen, unsafe, disabled, malfunctioning, levied upon, threatened with seizure, or if any Incident occurs; (d) Participating Public Agency has received from Supplier all information needed or requested regarding the operation of the Equipment; (e) Supplier is not responsible for providing operator or other training unless Participating Public Agency specifically requests in writing and Supplier agrees to provide such training which may be at an additional fee (Participating Public Agency being responsible to obtain all training that Participating Public Agency desires prior to the Equipment's use); (f) only authorized individuals shall use and operate the Equipment ("authorized individuals" being those who are properly trained to use the Equipment and who are not under the influence of drugs or alcohol or otherwise impaired); (g) the Equipment's use shall be in a careful manner, in compliance with all operational and safety instructions provided on, in or with the Equipment and all Federal, State and local laws, permits and licenses, including but not limited to, OSHA, as revised; and (h) the Equipment shall be kept in a secure location.

   Participating Public Agency shall not (a) alter or cover up any decals or insignia on the Equipment or remove any operational or safety instructions; (b) assign its rights under this Agreement; (c) move the Equipment from the Site Address without Supplier's written consent; or (d) use the Equipment in a negligent, illegal, unauthorized or abusive manner, or in any publication (print, audiovisual or electronic) nor allow the use of the Equipment by any unauthorized individual (Participating Public Agency acknowledging that the Equipment may be dangerous if used improperly or by untrained parties).

6. **MAINTENANCE.** Participating Public Agency shall perform routine maintenance on the Equipment, including maintenance of fuel and oil levels, and routine visual inspections of grease, filters, cooling system, water, batteries, cutting edges, and cleaning in accordance with the manufacturer's specifications. Participating Public Agency shall submit a request for a service call a) if upon visual inspection a need for service is required, or b) any other maintenance or repairs are required. Such service may only be performed by Supplier. Supplier has no responsibility during the Rental Period to inspect or perform any maintenance or repairs unless Participating Public Agency requests a service call. If Supplier determines that repairs to the Equipment are required, other than resulting from Ordinary Wear and Tear, Participating Public Agency shall pay the full cost of repairs and rental of the Equipment until the repairs are completed.

7. **NO WARRANTIES.** Notwithstanding anything contained in the Agreement to the contrary, Supplier provides rental equipment that is neither sold nor integrated into the work, therefore there is no warranty, expressed or implied, as to the rental equipment or to its capabilities, and no warranty of merchantability, other than those detailed in the manufacturer's specifications.

8. **RELEASE AND INDEMNIFICATION.** Participating Public Agency has care, custody, and control of the Work at all times Supplier does not; therefore, Supplier is not responsible for any third-party claims including any and all Claims to the proportionate extent arising from Participating Public Agency's or any of its Suppliers, suppliers, officers, agents, or employees negligent acts or omissions in the performance of this Agreement. There shall be no right or authority for any claims to be arbitrated or tried on a class action basis. Neither party shall have any liability in regard to consequential, exemplary, special, incidental or punitive damages, even if it has been advised of the possibility of such damages.

9. **FEES:** For Equipment that uses fuel, Participating Public Agency has two options: (a) Pay on Return Option - if Participating Public Agency returns Equipment with less fuel than when received, Participating Public Agency shall pay a refueling charge (calculated by multiplying gallons required to refill tank with fuel to level when received, by the Pay on Return per gallon rate); and (b) Return Full Option – if Participating Public Agency returns the Equipment with at least as much fuel as when it was received (most Supplier Equipment comes with a full tank of fuel, but not all), no fuel charge will be assessed. The cost of Participating Public Agency refueling Equipment itself will generally be lower than the Prepay Fuel Option or the Pay on Return Option; however, these options each allow for the convenience of not refueling.

   The rental rates for the Equipment's are for "one shift," being not more than 8 hours per day and 40 hours per week unless otherwise noted. Weekly and 4-week rental rates shall not be prorated.

   Shift Rates apply to all generators and certain other equipment with hour meters. During a Declared State of Emergency, or a pending or existing disaster or catastrophe, natural (i.e. hurricane, tornado, flood, etc.) all diesel generators and pumps rented will be billed based on a one week minimum Rental Period at triple shift rates. This one week minimum rental at triple shift rates will not affect Equipment then on rent to Participating Public Agency. To promote a clean and sustainable environment, Supplier takes various measures to comply with federal and state environmental regulations, as well as with Supplier's own policies. Supplier also incurs a wide range of environmental related expenses (both direct and indirect). These expenses may include waste disposal, construction maintenance of cleaning facilities, acquisition of more fuel- efficient equipment, labor costs, administration costs, etc. To help defray these and other costs, Supplier charges an environmental fee in connection with certain rentals. The fee is not a tax or governmentally mandated charge. It is not designated for any particular use or placed in an escrow account. Rather, it is a fee that Supplier collects as revenue and uses at its discretion.

   RENTAL PROTECTION PLAN ("RPP"). Upon execution of Supplier's Rental Out ticket, Participating Public Agency may choose to either reject or participate in Supplier's RPP program as detailed https://www.sunbeltrentals.com/customerservice/rpp/.

10. **RETURN OF EQUIPMENT:** Participating Public Agency must contact Supplier to request pickup of Equipment, retain the Pick Up Number given by Supplier and will be responsible for Equipment until actually retrieved by Supplier.

11. **WARRANTY:** Notwithstanding anything contained in the Agreement to the contrary, Supplier provides rental equipment that is neither sold nor integrated into the Work, therefore there is no warranty, expressed or implied, as to the rental equipment or to its capabilities, and no warranty of merchantability, other than those detailed in the manufacturer's specifications.

12. **LIMITATION OF SUPPLIER'S LIABILITY:** In consideration of the rental of the equipment and services provided, Participating Public Agency agrees that Supplier's liability under this contract, including any liability arising from Supplier's or any third party's comparative, concurrent, contributory, passive or active negligence or that arises as a result of any strict or absolute liability, shall not exceed one million dollars ($1,000,000).

Term Sheet

Provision	Description	Clause
Indemnity	Sunbelt indemnifies for its negligent acts or omissions Sunbelt is not responsible for any action or inaction of PPA	
Consequential Damages	Neither party shall have any liability in regard to consequential, exemplary, special, incidental or punitive damages, even if it has been advised of the possibility of such damages.	
Limitation of Supplier Liability	In consideration of the rental of the equipment and services provided, Customer agrees that Sunbelt's liability under this contract, including any liability arising from Sunbelt's or any third party's comparative, concurrent, contributory, passive or active negligence or that arises as a result of any strict or absolute liability, shall not exceed one million dollars ($1,000,000).	
Insurance	Sunbelt has insurance to cover their obligations (w/ SIR of $5M) PPA is self-insured	
Confidentiality	Supplier maintains PPA information confidential	
Use of Rental Equipment	What is allowed for use of Equipment. See Attachment A	
Maintenance	Supplier to perform all maintenance, PPA must advise if a need for service is noticed	
Return of Equipment	PPA must call Sunbelt for pick-up and receive a pick-up number that is time and date stamped	
Choice of Law	State of PPA	
Warranty	For Equipment rented – repair or replacement of faulty equipment	
Payment Terms	Net 30	
Billing Cycle	28 days	
Discount off Book Rate for non-core equipment	Day 5% / Week 10% / 4-week 15%	
Single Shift	8/40/160	
Overtime	**Shift Rates (for diesel driven generators, pumps and air compressors):** Double Shift Rate = 1.5 X Day / Week / Month Rate 8 - 16 hours per day 40.1 - 80 hours per week 160.1 - 320 hours per month Triple Shift Rate = 2 X Day / Week / Month Rate 16.1+ hours per day 80.1+ hours per week 320.1+ hours per month **Overtime charges for engine drive equipment (excluding diesel engine generators, pumps and air compressors) will be calculated as follows:** Divide the quoted rate by the hours allowed and multiply by the number of hours used over and above the hours allowed. *During a Declared State of Emergency, or a pending or existing disaster or catastrophe, natural hurricane, tornado, flood, etc.) or otherwise a one week minimum rental period at triple shift rates will apply for all diesel generators and pumps.	

OFFER AND CONTRACT SIGNATURE FORM

The undersigned hereby offers and, if awarded, agrees to furnish goods and/or services in strict compliance with the terms, specifications and conditions at the prices proposed within response unless noted in writing on the Deviation Form submitted with the request for proposal.

DEVIATION FORM

Signature on the Offer and Contract Signature form certifies complete acceptance of the terms and conditions in this solicitation and draft Contract except as noted below with proposed substitute language (additional pages may be attached, if necessary). The provisions of the RFP cannot be modified without the express written approval of Region 4 ESC. If a proposal is returned with modifications to the draft Contract provisions that are not expressly approved in writing by Region 4 ESC, the Contract provisions contained in the RFP shall prevail.

Check one of the following responses:

○ Offeror takes no exceptions to the terms and conditions of the RFP and draft Contract.

(Note: If none are listed below, it is understood that no exceptions/deviations are taken.)

● Offeror takes the following exceptions to the RFP and draft Contract. All exceptions must be clearly explained, reference the corresponding term to which Offeror is taking exception and clearly state any proposed modified language, proposed additional terms to the RFP and draft Contract must be included:

(Note: Unacceptable exceptions may remove Offeror's proposal from consideration for award. Region 4 ESC shall be the sole judge on the acceptance of exceptions and modifications and the decision shall be final.)

If an offer is made with modifications to the contract provisions that are not expressly approved in writing, the contract provisions contained in the RFP shall prevail.)

SUNBELT RENTALS

CLARIFICATIONS AND EXCEPTIONS

While Sunbelt Rentals is able to agree to most terms of the bid package; because Sunbelt is not a typical vendor we will require some modifications. Sunbelt does not perform work that will stay on your property, nor does Sunbelt supply materials that will be permanent to any structures. Sunbelt rents equipment to its customers without operators; therefore, Sunbelt's customers are responsible for using the equipment properly and only allowing trained individuals to operate the equipment.

Appendix A— Draft Contract:

- Section 11.a) Sunbelt has excluded ownership of the rental equipment upon termination. At no time will Region 4 ESC own the equipment.

  Section 11.d) The Member still has the enjoyment of the equipment during any such force majeure event and therefore should continue to pay rental fees for it. For example, if it is a generator being rented, the member is continuing to use the generator during any storm, strike, etc. Sunbelt should continue to be paid for the rental fees. Additionally, we would expect that due care will be taken with the equipment to not intentionally leave it in harm's way while in the member's possession. If a force majeure event is anticipated, the member may call the equipment off rent and Sunbelt will retrieve it and the member is no longer responsible.

- Section 12. In many instances Sunbelt is not able to pull permits, because we are not using the equipment, they will not issue them to us. The member will need to pull the permits for how they intend to utilize the equipment.

- Section 22. Once the work is complete, nothing stays behind to warrant. It makes no sense to warrant for a year after the job is complete. There is nothing there to warrant. This was changed to the duration of the rental.

  There are multiple references to "Region 4's Standard Terms and Conditions for Procurement Solicitations". We were unable to find those terms in the bid package nor in an online search. Because those are most likely terms for the purchase of goods and services and not, we respectfully reserve the right to make additional comments on those terms when provided:

  - Section 11.b) Termination for Cause - General Terms and Conditions set forth by Region 4 ESC in the section titled "NON-PERFORMANCE /TERMINATION OF CONTRACT".
  - Section 11.d) Force Majeure - General Terms and Conditions set forth by Region 4 ESC in the section titled "FORCE MAJEURE".
  - Section 12 Licenses - General Terms and Conditions set forth by Region 4 ESC in the section titled "LICENSES AND PERMITS; PERFORMANCE"
  - Section 13 Survival Clause - General Terms and Conditions set forth by Region 4 ESC in the section titled "SURVIVAL"
  - Section 18 Audit Rights - General Terms and Conditions set forth by Region 4 ESC in the section titled "RIGHT TO AUDIT".

Sunbelt will provide equipment that is well maintained, in good working condition and fit for the intended purpose. New equipment will not be guaranteed as this is a true rental contract and title will remain with Sunbelt Rentals.

There are terms that we need to have in the agreement that are specific to the rental of equipment. While we understand that there are certain terms that government and quasi-government customers are unable to agree to (like indemnity or they may be self-insured), we have limited these terms to solely permitted and prohibited use of the equipment and who is to perform maintenance, how to return the equipment to Sunbelt, etc. Please review the language that has been included herein as Addendum A for your consideration.
One of these such terms is the Limitation of Liability. Due to our limited exposure, we ask that our liability be capped. Sunbelt cannot offer such pricing without doing so. Sunbelt must manage its liability in order to remain a viable company just as any other business must do. Additionally, this is a mandate from our parent company that there be some sort of a cap. We do, however, have flexibility as to the manner that it is capped; a percentage, a flat fee, capped to insurance levels, etc. We understand that it was not provided previously, but The Board of Directors of Sunbelt's parent company has implemented new guidelines since that time to satisfy the current regulatory environment. We have inserted $1,000,000 as a place holder, but we are happy to consider any alternative that is acceptable.

Exhibit C - MICPA

Since the previous agreement, we learned some best practices from both the Public and Private Omnia sectors. For simplicity and better understanding with the Participating Public Agencies, we believe that it would be beneficial to have a simple detail of the rental terms that are needed as detailed above. Sunbelt would like respectfully request the attached term sheet for easy visibility for the Participating Public Agencies to see at a glance the applicable requirements. These are the rental terms that would not otherwise be addressed in a municipalities standard terms of purchase. Sunbelt has included two options for consideration.

- A clause table that can be posted on the OMNIA website
- Language to include relating to rentals in Exhibit C for the Participating Public Agencies registration.

Question 116 in the bid portal for Buy American Act - The Federal Regulations are very limited in the coverage of rental equipment without operators. It has been an issue we have come across for years. We do have a GSA contract in place and have had it since 2007. The instructions we had been given by our Contracting Officer is to just provide any clarification when we execute the contract detailing that we are not in compliance. The language provided below is what we give on all of our Federal Contracts/BPAs/Task Orders etc. As long as we are upfront about the fact that we don't comply, they are ok. It is up to each Federal Entity to decide if they want to continue with a contract. We have never had any Federal Entity say they do not want to move forward with us because of this. We can't say we comply and not. It has not been an issue, because they really aren't applicable to the work we provide."52.225-11 - Buy American—Construction Materials under Trade Agreements. Sunbelt Rentals, Inc. will be supplying/renting equipment that may or may not be domestic or from a qualifying country end products and due to the size and scope of our rental fleet, Sunbelt cannot confirm the state or country of origin of each brand of equipment since we are not the manufacturer."

Term Sheet

Provision	Description	Clause
Indemnity	Sunbelt indemnifies for its negligent acts or omissions Sunbelt is not responsible for any action or inaction of PPA	
Consequential Damages	Neither party shall have any liability in regard to consequential, exemplary, special, incidental or punitive damages, even if it has been advised of the possibility of such damages.	
Limitation of Supplier Liability	In consideration of the rental of the equipment and services provided, Customer agrees that Sunbelt's liability under this contract, including any liability arising from Sunbelt's or any third party's comparative, concurrent, contributory, passive or active negligence or that arises as a result of any strict or absolute liability, shall not exceed one million dollars ($1,000,000).	
Insurance	Sunbelt has insurance to cover their obligations (w/ SIR of $5M) PPA is self-insured	
Confidentiality	Supplier maintains PPA information confidential	
Use of Rental Equipment	What is allowed for use of Equipment. See Attachment A	
Maintenance	Supplier to perform all maintenance; PPA must advise if a need for service is noticed	
Return of Equipment	PPA must call Sunbelt for pick-up and receive a pick-up number that is time and date stamped	
Choice of Law	State of PPA	
Warranty	For Equipment rented – repair or replacement of faulty equipment

Overtime	**Shift Rates (for diesel driven generators, pumps and air compressors):** Double Shift Rate = 1.5 X Day / Week / Month Rate 8 - 16 hours per day 40.1 - 80 hours per week 160.1 - 320 hours per month Triple Shift Rate = 2 X Day / Week / Month Rate 16.1+ hours per day 80.1+ hours per week 320.1+ hours per month **Overtime charges for engine drive equipment (excluding diesel engine generators, pumps and air compressors) will be calculated as follows:** Divide the quoted rate by the hours allowed and multiply by the number of hours used over and above the hours allowed. *During a Declared State of Emergency, or a pending or existing disaster or catastrophe, natural hurricane, tornado, flood, etc.) or otherwise a one week minimum rental period at triple shift rates will apply for all diesel generators and pumps.	

Addendum A - *Equipment Rentals*

This Addendum modifies the terms of the Agreement to which it is attached and is incorporated into such Agreement. If there is a conflict between language in the Agreement and this Addendum, the Agreement controls.

Notwithstanding anything to the contrary, the definition in the Agreement of the term "Work" is defined in the Supplier's Quote as Equipment Rental and Labor (Services) and therefore Supplier agrees to indemnify, defend, and hold Participating Public Agency harmless from and against any third party claims including any and all liabilities, losses, damages, claims, penalties, fines and expenses, including attorneys' fees for any damages to property and/or persons including death ("Claims") to the proportionate extent arising from Supplier or any of its Suppliers, suppliers, officers, agents, or employees negligent acts or omissions in the performance of this Agreement. Participating Public Agency will (i) give Supplier prompt notice of any such Claim, and (ii) at Supplier's reasonable request, cooperate with Supplier in the defense and settlement of the Claim.
Participating Public Agency has care, custody, and control of the Work at all times Supplier does not; therefore, Supplier is not responsible for any third party claims including any and all Claims to the proportionate extent arising from Participating Public Agency's or any of its Suppliers, suppliers, officers, agents, or employees negligent acts or omissions in the performance of this Agreement. There shall be no right or authority for any claims to be arbitrated or tried on a class action basis.
Neither party shall have any liability in regard to consequential, exemplary, special, incidental or punitive damages, even if it has been advised of the possibility of such damages.

PERMITTED & PROHIBITED USE: Participating Public Agency agrees that Supplier has no control over the manner in which the Equipment is operated during the Rental Period by Participating Public Agency or any third party that Participating Public Agency implicitly or explicitly permits. Participating Public Agency warrants that: (a) prior to each use, Participating Public Agency has or will inspect the Equipment to confirm that it is in good condition, without defects, includes readable decals and operating and safety instructions and is suitable for Participating Public Agency's intended use; (b) any apparent agent at the Site Address is authorized to accept delivery of the Equipment (and if Participating Public Agency requests the applicable waiver, Participating Public Agency authorizes Supplier to leave the Equipment at the Site Address without requirement of written receipt); (c) Participating Public Agency shall immediately notify Supplier if the Equipment is lost, damaged, stolen, unsafe, disabled, malfunctioning, levied upon, threatened with seizure, or if any Incident occurs; (d) Participating Public Agency has received from Supplier all information needed or requested regarding the operation of the Equipment; (e) Supplier is not responsible for providing operator or other training unless Participating Public Agency specifically requests in writing and Supplier agrees to provide such training which may be at an additional fee (Participating Public Agency being responsible to obtain all training that Participating Public Agency desires prior to the Equipment's use); (f) only authorized individuals shall use and operate the Equipment ("authorized individuals" being those who are properly trained to use the Equipment and who are not under the influence of drugs or alcohol or otherwise impaired); (g) the Equipment's use shall be in a careful manner, in compliance with all operational and safety instructions provided on, in or with the Equipment and all Federal, State and local laws, permits and licenses, including but not limited to, OSHA, as revised; and (h) the Equipment shall be kept in a secure location.
Participating Public Agency shall not (a) alter or cover up any decals or insignia on the Equipment or remove any operational or safety instructions; (b) assign its rights under this Agreement; (c) move the Equipment from the Site Address without Supplier's written consent, or (d) use the Equipment in a negligent, illegal, unintended or abusive manner, or in any publication (print, audiovisual or electronic) nor allow the use of the Equipment by any unauthorized individual (Participating Public Agency acknowledging that the Equipment may be dangerous if used improperly or by unskilled parties).

MAINTENANCE: Participating Public Agency shall perform routine maintenance on the Equipment, including maintenance of fuel and oil levels, and routine visual inspections of grease, filters, cooling system, water, batteries, cutting edges, and cleaning in accordance with the manufacturer's specifications. Participating Public Agency shall submit a request for a service call at if upon visual inspection a need for service is required, or b) any other maintenance or repairs are required. Such service may only be performed by Supplier. Supplier has no responsibility during the Rental Period to inspect or perform any maintenance or repairs unless Participating Public Agency requests a service call. If Supplier determines that repairs to the Equipment are required, other than resulting from Ordinary Wear and Tear, Participating Public Agency shall pay the full cost of repairs and rental of the Equipment until the repairs are completed.

FUEL: For Equipment that uses fuel, Participating Public Agency has two options: (a) Pay on Return Option - if Participating Public Agency returns Equipment with less fuel than when received, Participating Public Agency shall pay a refueling charge (calculated by multiplying gallons required to refill tank with fuel to level when received, by the Pay on Return per gallon rate); and (b) Return Full Option - if Participating Public Agency returns the Equipment with at least as much fuel as when it was received (most Supplier Equipment comes with a full tank of fuel, but not all), no fuel charge will be assessed. The cost of Participating Public Agency refueling Equipment itself will generally be lower than the Prepay Fuel Option or the Pay on Return Option; however, these options each allow for the convenience of not refueling.
The rental rates for the Equipment's are for "one shift," being not more than 8 hours per day and 40 hours per week unless otherwise noted. Weekly and 4 week rental rates shall not be prorated. Shift Rates apply to all generators and certain other equipment with hour meters. During a Declared State of Emergency, or a pending or existing disaster or catastrophe, natural (i.e. hurricane, tornado, flood, etc.) all diesel generators and pumps rented will be billed based on a one week minimum Rental Period at triple shift rates. This one week minimum rental at triple shift rates will not affect Equipment that is on rent to Participating Public Agency.
To promote a clean and sustainable environment, Supplier takes various measures to comply with federal and state environmental regulations, as well as with Supplier's own policies. Supplier also incurs a wide range of environmental related expenses (both direct and indirect). These expenses may include waste disposal, construction maintenance or cleaning facilities, acquisition of more fuel-efficient equipment, labor costs, administration costs, etc. To help defray these and other costs, Supplier charges an environmental fee in connection with certain rentals. The fee is not a tax or governmentally mandated charge, it is not designated for any particular use or placed in an escrow account. Rather, it is a fee that Supplier collects as revenue and uses at its discretion.
RENTAL PROTECTION PLAN ("RPP"). Upon execution of Supplier's Rental Out ticket, Participating Public Agency may choose to either reject or participate in Supplier's RPP program as detailed https://www.mobilemosaic.com/customerservice/rpp/.

RETURN OF EQUIPMENT: Participating Public Agency must contact Supplier to request pickup of Equipment, retain the Pick Up Number given by Supplier and will be responsible for Equipment until actually retrieved by Supplier.

WARRANTY: Notwithstanding anything contained in the Agreement to the contrary, Supplier provides rental equipment that is neither sold nor integrated into the Work, therefore there is no warranty, expressed or implied, as to the rental equipment or to its capabilities, and no warranty of merchantability, other than those detailed in the manufacturer's specifications.

LIMITATION OF SUPPLIER'S LIABILITY: In consideration of the rental of the equipment and services provided, Participating Public Agency agrees that Supplier's liability under this contract, including any liability arising from Supplier's or any third party's comparative, concurrent, contributory, passive or active negligence or that arises as a result of any strict or absolute liability, shall not exceed one million dollars ($1,000,000).

TERMS SUMMARY APPLICABLE TO PARTICIPATING PUBLIC ENTITIES

Notwithstanding anything to the contrary contained in the MPA, the Parties hereby agree to the following is a summary of applicable terms to the Program.

1. **CREDIT APPROVAL.** If the Participating Public Agency does not have a current valid account established with Supplier, it must complete Supplier's credit application and be approved for a credit account. Supplier shall only be obligated to extend credit to those Participating Public Agencies who qualify for credit after completing Supplier's credit application. Any Participating Public Agency of OMNIA that chooses not to obtain a Supplier credit account or does not qualify for a credit account will not become a Participating Public Agency in the Program. If Participating Public Agency is an existing customer of Supplier, such Participating Public Agency must have no amounts outstanding longer than 60 days.

2. **TERMINATION.** Either Party may terminate this Agreement without cause by providing at least ninety (90) days' prior written notice to the other Party.

3. **TITLE AND RISK OF LOSS.** title will remain at all times with Contractor and risk of loss for the Equipment transfers to Customer upon taking possession of Equipment. Risk of loss transitions back to Contractor when returned to Contractor's possession.

4. **BILLING CYCLE.** The rental charged will be determined by the daily, weekly, and 4-week rental rates in combination with the rental period. This calculation will always bill at the most advantageous rate available to the customer. Ex. If the rental period is 4 days and the daily rental rate is $100 and the weekly rental rate is $250, the customer will be charged the weekly rate of $250 instead of the $400 (4 days x $100 per day) because it is the lower of the two amounts. This same logic will work for any combination of rates within a 4-week period as the 4-week rental rate will be the most the customer will be charged for that equipment, using single shift rates. Additionally, a shift rate schedule shall apply for all hour metered machines and shall affect the rental rates accordingly.

5. **PERMITTED & PROHIBITED USE:** Participating Public Agency agrees that Supplier has no control over the manner in which the Equipment is operated during the Rental Period by Participating Public Agency or any third party that Participating Public Agency implicitly or explicitly permits. Participating Public Agency warrants that: (a) prior to each use, Participating Public Agency has or will inspect the Equipment to confirm that it is in good condition, without defects, includes readable decals and operating and safety instructions and is suitable for Participating Public Agency's intended use; (b) any apparent agent at the Site Address is authorized to accept delivery of the Equipment (and if Participating Public Agency requests the applicable waiver, Participating Public Agency authorizes Supplier to leave the Equipment at the Site Address without requirement of written receipt); (c) Participating Public Agency shall immediately notify Supplier if the Equipment is lost, damaged, stolen, unsafe, disabled, malfunctioning, levied upon, threatened with seizure, or if any incident occurs; (d) Participating Public Agency has received from Supplier all information needed or requested regarding the operation of the Equipment; (e) Supplier is not responsible for providing operator or other training unless Participating Public Agency specifically requests in writing and Supplier agrees to provide such training which may be at an additional fee (Participating Public Agency being responsible to obtain all training that Participating Public Agency desires prior to the Equipment's use); (f) only authorized individuals shall use and operate the Equipment ("authorized individuals" being those who are properly trained to use the Equipment and who are not under the influence of drugs or alcohol or otherwise impaired); (g) the Equipment's use shall be in a careful manner, in compliance with all operational and safety instructions provided on, in or with the Equipment and all Federal, State and local laws, permits and licenses, including but not limited to, OSHA, as revised; and (h) the Equipment shall be kept in a secure location. Participating Public Agency shall not (a) alter or cover up any decals or insignia on the Equipment or remove any operational or safety instructions; (b) assign its rights under this Agreement; (c) move the Equipment from the Site Address without Supplier's written consent; or (d) use the Equipment in a negligent, illegal, unauthorized or abusive manner, or in any publication (print, audiovisual or electronic) nor allow the use of the Equipment by any unauthorized individual (Participating Public Agency acknowledging that the Equipment may be dangerous if used improperly or by untrained parties).

6. **MAINTENANCE.** Participating Public Agency shall perform routine maintenance on the Equipment, including maintenance of fuel and oil levels, and routine visual inspections of grease, filters, cooling system, water, batteries, cutting edges, and cleaning in accordance with the manufacturer's

specifications. Participating Public Agency shall submit a request for a service call a) if upon visual inspection a need for service is required, or b) any other maintenance or repairs are required. Such service may only be performed by Supplier. Supplier has no responsibility during the Rental Period to inspect or perform any maintenance or repairs unless Participating Public Agency requests a service call. If Supplier determines that repairs to the Equipment are required, other than resulting from Ordinary Wear and Tear, Participating Public Agency shall pay the full cost of repairs and rental of the Equipment until the repairs are completed.

7. **NO WARRANTIES.** Notwithstanding anything contained in the Agreement to the contrary, Supplier provides rental equipment that is neither sold nor integrated into the work, therefore there is no warranty, expressed or implied, as to the rental equipment or to its capabilities, and no warranty of merchantability, other than those detailed in the manufacturer's specifications.

8. **RELEASE AND INDEMNIFICATION.** Participating Public Agency has care, custody, and control of the Work at all times Supplier does not; therefore, Supplier is not responsible for any third party claims including any and all Claims to the proportionate extent arising from Participating Public Agency's or any of its Suppliers, suppliers, officers, agents, or employees negligent acts or omissions in the performance of this Agreement. There shall be no right or authority for any claims to be arbitrated or tried on a class action basis. Neither party shall have any liability in regard to consequential, exemplary, special, incidental or punitive damages, even if it has been advised of the possibility of such damages.

9. **FEES:** For Equipment that uses fuel, Participating Public Agency has two options: (a) Pay on Return Option - if Participating Public Agency returns Equipment with less fuel than when received, Participating Public Agency shall pay a refueling charge (calculated by multiplying gallons required to refill tank with fuel to level when received, by the Pay on Return per gallon rate); and (b) Return Full Option – if Participating Public Agency returns the Equipment with at least as much fuel as when it was received (most Supplier Equipment comes with a full tank of fuel, but not all), no fuel charge will be assessed. The cost of Participating Public Agency refueling Equipment itself will generally be lower than the Prepay Fuel Option or the Pay on Return Option; however, these options each allow for the convenience of not refueling.
The rental rates for the Equipment's are for "one shift," being not more than 8 hours per day and 40 hours per week unless otherwise noted. Weekly and 4 week rental rates shall not be prorated. Shift Rates apply to all generators and certain other equipment with hour meters. During a Declared State of Emergency, or a pending or existing disaster or catastrophe, natural (i.e. hurricane, tornado, flood, etc.) all diesel generators and pumps rented will be billed based on a one week minimum Rental Period at triple shift rates. This one week minimum rental at triple shift rates will not affect Equipment then on rent to Participating Public Agency.
To promote a clean and sustainable environment, Supplier takes various measures to comply with federal and state environmental regulations, as well as with Supplier's own policies. Supplier also incurs a wide range of environmental related expenses (both direct and indirect). These expenses may include waste disposal, construction maintenance of cleaning facilities, acquisition of more fuel-efficient equipment, labor costs, administration costs, etc. To help defray these and other costs, Supplier charges an environmental fee in connection with certain rentals. The fee is not a tax or governmentally mandated charge. It is not designated for any particular use or placed in an escrow account. Rather, it is a fee that Supplier collects as revenue and uses at its discretion.
RENTAL PROTECTION PLAN ("RPP"). Upon execution of Supplier's Rental Out ticket, Participating Public Agency may choose to either reject or participate in Supplier's RPP program as detailed https://www.sunbeltrentals.com/customerservice/rpp/.

10. **RETURN OF EQUIPMENT:** Participating Public Agency must contact Supplier to request pickup of Equipment, retain the Pick Up Number given by Supplier and will be responsible for Equipment until actually retrieved by Supplier.

11. **WARRANTY:** Notwithstanding anything contained in the Agreement to the contrary, Supplier provides rental equipment that is neither sold nor integrated into the Work, therefore there is no warranty, expressed or implied, as to the rental equipment or to its capabilities, and no warranty of merchantability, other than those detailed in the manufacturer's specifications.

12. **LIMITATION OF SUPPLIER'S LIABILITY:** In consideration of the rental of the equipment and services provided, Participating Public Agency agrees that Supplier's liability under this contract, including any liability arising from Supplier's or any third party's comparative, concurrent, contributory, passive or active negligence or that arises as a result of any strict or absolute liability, shall not exceed one million dollars ($1,000,000).

24-15 Addendum 1
Sunbelt Rentals Inc
Supplier Response

Event Information

Number: 24-15 Addendum 1
Title: Equipment and Tool Rental Services

Supplier Note

Thank you for extending this bid opportunity to Sunbelt Rentals! We are very excited to continue our solid relationship with OMNIA and Region 4. We would like to note a few items to be highlighted: • We respectfully request that Exhibits A, B, and C (in attachments) be incorporated and part of final contract • Note that we checked YES on questions 82 and 123 regarding Terms and Conditions and Indemnification–however, items called out on Deviation Form to be incorporated and part of final contract • Question 94 regarding Texas Ethics form 1295 – we have certificate # 2024-1196251 on file with state of TX—however, if requiring additional form, we will complete after contract # has been awarded. Please reach out to us for any further details or if any questions. Thank you again. Respectfully,

Bid Attributes

1 CONTRACT DURATION

The initial term of the Contract is for a period of three (3) years unless terminated, canceled, or extended as otherwise provided herein. Region 4 ESC shall have the right in its sole discretion to renew the Contract for additional terms up to two (2) years after the end of the initial term or for a lesser period of time as determined by Region 4 ESC by providing written notice to the Contractor of Region 4 ESC's intent to renew thirty (30) days prior to the expiration of the original term. Contractor acknowledges and understands Region 4 ESC is under no obligation whatsoever to extend the term of this Contract. In the event the proposal term, including renewals, ends before another proposal is executed, proposal prices and discounts may be extended on a month-to-month basis by mutual consent. Extensions are limited to the lesser of: a) six (6) additional monthly terms, or b) the time which is required to complete a new solicitation for the goods and services provided for in this solicitation. Notwithstanding the foregoing paragraph, the term of the Contract, including any extension of the original term, shall be further extended until the expiration of any Purchase Order issued within the Contract term for a period of up to one year beyond the Contract term.

☑ I certify compliance with this attribute.

2 NAME OF INDIVIDUAL COMPLETING THIS PROPOSAL

Peggi Sawick

3 HOW MANY YEARS HAS YOUR BUSINESS OPERATED UNDER ITS PRESENT NAME

42

4 WHAT IS YOUR CURRENT NUMBER OF CUSTOMER ACCOUNTS?

200000

24 **THE U.S. STATE YOUR PRINCIPAL PLACE OF BUSINESS IS LOCATED.**

South Carolina

25 **RECIPROCITY**

For Businesses not located in Texas: Does your state of residence or incorporation require out-of-state bidders to underbid vendors residing in your state by a prescribed amount or percentage to receive a comparable contract? If Yes, please input that percentage; If No, please leave the adjacent field blank.

No response

26 **PARTIAL AWARD ACCEPTANCE**

REGION 4 ESC retains the right to award this contract in such a manner that it receives the best overall value for the goods and/or services requested in this request for proposal or bid, which may include awarding to multiple vendors.

☑ I understand.

27 **PURCHASE ORDER POLICY**

REGION 4 ESC purchases tangible goods and services through the use of approved Purchase Orders. Vendors are highly discouraged from sending products, and/or performing services without prior receipt of an approved District Purchase Order. While campuses and departments may call for quotes and information, please be advised the District is not obligated to pay for any services and/or products ordered via telephone or email in without the presence of a properly executed Purchase Order.

☑ I understand.

28 **ADDENDA NOTIFICATIONS**

Any addenda to this proposal will be issued electronically through this system. It is vendor's responsibility to review addenda upon e-mailed notice and retract/amend their submission as deemed necessary. REGION 4 ESC may choose to mark a proposal received prior to the issuance of an addendum as non-responsive should REGION 4 ESC, in its sole determination, finds the addendum to be of such material change that it warrants such determination. If such proposal is found non-responsive, REGION 4 ESC will not consider the proposal for evaluation or further consideration.

☑ I understand.

29 **Provide equipment manufacturer, equipment types and discounts off published list price.**

Sunbelt Rentals offers 40+ equipment categories with thousands of Category Classes (Cat-Classes). Our equipment solutions are manufactured by the industries most notable manufacturers in the industry. Equipment brands we offer include, but are not limited to: John Deere, JCB, JLG, Genie, Bobcat, Ditch Witch, Tennant, Komatsu, Cummins, MQ Power, Hilti, Dewault, Milwaukee, Airrex, Movin Cool, Terex, Kubota, and countless others. We've provided an Omnia Partners Public Sector catalog in the attached pricing template. The template contains equipment most frequently rented by Public Sector customers as well as discount from our local book rates on all other items offered by Sunbelt Rentals. The template also outlines additional charges not included in the rental rates.

30 **Define any freight charges.**

Standard Freight Charges also known and Pickup and delivery (P&D) are $150.00 Each way, plus $4.00 a loaded mile. Please see the pricing template for details regarding pick up and delivery that requires third party carriers, tolls, permits, emergency response and more.

31 **Describe how Offeror responds to emergency orders.**

Natural and everyday disasters are difficult to project. Emergency Response at its core is ensuring a building, property, or community is operational as quickly as possible when disasters happen. We offer our customers 24/7 emergency response support year-round in all conditions and within 24-hours. We understand the unique needs of disaster response projects, and our emergency power generation, HVAC solutions, aerial work platforms, and scaffolding services are always ready. With a nationwide equipment of inventory, we offer the broadest offering for any job. Emergency Response at its core is ensuring a building, property, or community is operational. Natural and everyday disasters are difficult to project. Sunbelt Rentals can support our customers in each phase of an emergency from emergency response planning to mitigation/immediate response, to business continuity and recovery.

32 **What is Offeror's average Fill Rate?**

N/A to scope of rental equipment

33 **What is Offeror's average on time delivery rate? Describe Offeror’s history of meeting the shipping and delivery timelines.**

90% or greater. Sunbelt prides itself of meeting delivery dates as we know that it is critical to our customer's project and business success. We have a vast network of locations to go to in case any issue with deliveries at one.

34 **Describe Offeror's return and restocking policy.**

N/A to scope of rental equipment

35 **Describe Offeror's ability to meet service and warranty needs.**

During the term of this Agreement, Supplier agrees to repair or replace any defective rental equipment or workmanship that Owner, notifies Supplier of in writing; Owner shall not be charged for any such repair or replacement provided that Owner immediately, upon discovery, notifies Supplier of the need for such repair or replacement and the rental equipment has been used in accordance with normal and intended use and has not been tampered with, modified, adjusted, altered, changed or otherwise repaired or damaged, by any party other than Supplier.

36 **Describe Offeror's customer service/problem resolution process. Include hours of operation, number of services, etc.**

We take customer complaints and service concerns very seriously. When a customer reaches out to us to voice their concerns, we make sure to take the time to listen and ensure we collect all the associated details. Once the details have been captured and entered, we share this report with the appropriate Branch Manager, District Manager, and Regional Vice President. This group has 24 hours to respond to the customer and to let Customer Service know the details of the outcome or that they are working on a resolution. Sunbelt Customer Service is available 24/7.

37 **Describe Offeror's invoicing process. Include payment terms and acceptable methods of payments. Offerors shall describe any associated fees pertaining to credit cards/p-cards.**

E-processes used by Sunbelt included emailed PDF invoices, customer direct XML feed, EDI, .csv FTP Files. We are established with various portals including Ariba, Onvia, BidSync. Our web portal/app MyAccount can be utilized by each customer location to monitor usage and pay invoices directly. Payment Terms are Net 30 from date of invoice.

38 **Describe Offeror's contract implementation/customer transition plan.**

As the incumbent supplier with a proven track record, Sunbelt holds a distinct advantage over our competitors as it relates to implementation and customer transition. Implementation is seamless as the contract initially is only a matter of signature, and extension. Omnia Partner member accounts have already identified in cooperation with Omnia Partners, linked to the agreement, assigned to Sunbelt sellers, and targeted for interaction and growth. Customer transition is a matter of continuous improvement for Sunbelt. We are engaged with the Omnia Partners team to identify new customers and transition new customers to the existing Omnia Partners agreement. Regardless, Implementation and transition would continue in perpetuity. These efforts would include, but not be limited to: Training, Promotions, Target Identification, Assignment, Execution, Follow through, and follow up.

39 **Describe the financial condition of Offeror.**

Sunbelt is financially sound at over $10B revenue. Feel free to review our Annual report at https://www.ashtead-group.com/investors/results-centre/annual-reports/ and also attached in attachments tab.

40 **Provide a website link in order to review website ease of use, availability, and capabilities related to ordering, returns and reporting. Describe the website's capabilities and functionality.**

www.SunbeltRentals.com; our web portal/app MyAccount (formerly Command Center) Sunbelt's Command Center provides customers a global view of all equipment on rent and a historic look on previous rental transactions. This includes invoicing, purchase order numbers, rented-by name, equipment type and model, days on rent, total billings, etc. Reports can be set up to send on a regularly scheduled day and time, or you can pull the reports as needed.

41 **Describe the Offeror's safety record.**

Sunbelt has a dedicated Safety Dept comprised of fulltime occupational health and safety professionals whose sole mission is to work directly with our field personnel to identify hazards & eliminate incidents by making safety the #1 priority for all of our 22,000 team members. Attached please find EMR letter showing the effectiveness of such department.

42 **Provide a brief history of the Offeror, including year it was established and corporate office location.**

Established in 1983 and headquartered near Charlotte, North Carolina, Sunbelt has evolved from a small, local operation to a giant in the rental industry today. Sunbelt is a wholly owned subsidiary of Ashtead Group plc which is headquartered in London, England. Building on its solid foundation in the Southeast, the company has now established itself as the second largest rental company in the United States and will continue to grow through green field initiatives and acquisitions. Sunbelt is strategically positioned with convenient locations to provide superior customer service with more than $15 billion in rental fleet and over 1,400 plus locations combined across all 50 states within the contiguous United States, including Hawaii, and in eight provinces in Canada.

43 **Describe Offeror's reputation in the marketplace.**

Sunbelt Rentals is the second largest equipment rental company in North America. We have a solid reputation as a solutions provider with a customer experience that is second to none. A leader in the equipment rental industry, Sunbelt Rentals is constantly advancing the idea of how a company can best serve its customers, communities and the planet. With a vast network of over 1,200 locations across North America and an expansive portfolio of products and services, we deliver solutions to support any job. Moreover, our communities are an extension of our team members and their families. Sunbelt Rentals aims to positively impact these areas by leveraging our time, talents and financial resources. Our work with numerous organizations throughout North America helps support communities and emergency response needs.

44 **Describe Offeror's reputation of products and services in the marketplace.**

Sunbelt Rentals has a reputation for providing the broadest range of quality rental solutions in the industry With a strong focus on customer service, and a vast inventory of tools and equipment, we're able to cater to a diverse range of construction, facility maintenance, and industrial projects across North America.

45 **Describe if distributors/dealers/resellers/subsidiaries/partners ("affiliates") will be used to fulfill the contract. Submit a list of those affiliates authorized to sell under the proposed contract.**

Where and how does Offeror propose to maintain an authorized affiliate list so it may be accessed by Participating Agencies? How often does the supplier propose to update the affiliate list? Confirm the Offeror reviews the financial health, debarment status and overall general capacity of authorized affiliates. Offerors who us authorized affiliates are responsible for ensuring authorized affiliates are performing in accordance with the contract.

Not Applicable to scope

46 **Describe the experience and qualifications of key employees.**

Key personnel will be the Sunbelt Rentals Government Solutions Team. Sunbelt Rentals is the only nationwide equipment rental company with a team of dedicated Government sales force. This team of senior level sales professionals, each with a decade or more of public sector sales experience and equipment rental experience. The team is focused on promoting the power of Sunbelt Rentals within the public-sector, and successfully integrating those opportunities with the appropriate Sunbelt solutions and locations. See attachment for more details.

47 **Describe Offeror's experience working with the government sector.**

Sunbelt Rentals began working with the public sector on as as/if needed basis when we opened in 1983. Over the past 42 years we have we've experienced the public sectors slow but steady transitions from ownership to rental. Today, we have approximately 22 standalone state contracts, a GSA schedule, multiple local, and education contracts, and several cooperative contracts with our Omnia Partners cooperative agreement being our largest and top performing public sector opportunity.

48 **Describe past litigation, bankruptcy, reorganization, state investigations of entity or current officers and directors.**

Sunbelt has been in the past and currently is involved in litigation, however, none of the litigation is material in nature to its in relation to its provision of rental equipment.

49 **Provide Offeror's expertise in working with public sector and understanding of the unique technical regulatory requirements.**

Sunbelt Rentals is one of the largest equipment rental providers in North America. Our position in the industry affords us the luxury of being on the cutting edge of new equipment, technology, and compliance with new and existing regulatory requirements. Whether its emissions, fuel consumption, energy storage solutions, or the electrification of equipment we're often the first to have it, and at times involved in the development, design and manufacturing of such items. Additionally, Sunbelts Government Solutions team is often engaged with customers to anticipate regulatory requirements whether its equipment specifics, or the procurement process.

50 **Indicate if Offeror is licensed to do business in all 50 states.**

☑ Yes

☐ No

51 **Value Add - Provide any additional information related to products and services Offeror proposes to enhance and add value to the Contract.**

"One of the benefits of an equipment rental company is that we have the ability to help improve our customers' operational efficiency. We can do this by impacting areas such as equipment inventory, standardization, service and process improvement, among others. The following provides examples in each of the areas listed: - Equipment Inventory: Renting equipment cuts costs by eliminating the need for storage, maintenance and repair parts, service area and staff. Using a four-wheel drive backhoe as an example, the cost of ownership over a five-year period is approximately $71,000. This is based on an average purchase price of $64,000, a residual value of $25,000 and operating costs of $18,560. The cost of renting the same piece of equipment six months a year over a five-year period is roughly $45,000. This results in total savings of over $26,000. - Standardization: Using Sunbelt allows you to standardize your equipment fleet by accessing new equipment whenever you have a need. This drives efficiency by always having the right equipment for each job ready to go to work when you are. - Service: Keeping an equipment fleet serviced and ready at all times is expensive. Leveraging our fleet reduces the costs on your end by placing the burden of service on our company. This results in much lower operating costs, as you no longer have the need for maintenance staff, parts, supplies, etc. - Process Improvement: Sunbelt Rentals Command Center provides the ability to streamline the process of managing all your rentals. Using our web tools, you can move equipment from job site to job site, call equipment off rent, create alerts and custom reports, manage your AR, pay invoices online and much more. These process improvement result in fewer hours required to fulfill the needs of your company."

52 **Include a per diem rate.**

Not Applicable to scope of rental equipment

53 **For Non-Normal Working Hours, indicate if there is a minimum charge of hours and what the number of hours is.**

As it relates to Equipment rentals, the minimum rental period is 1 day/8 hours.

54 **Is pricing available for all products and services?**

Yes, pricing is available for all Sunbelt Rentals products and services including future products and services through greenfield developments or acquisitions. Some products may require a request for quote, but will be discounted according to the discount structure laid out in the pricing template. Rental industry as a whole does not publish a MSRP. Please refer to Attachment Statement of Pricing.

55 **Describe any shipping charges (where applicable).**

For equipment requiring delivery. Pickup & Delivery Charges are Not included in The Rental Rates. $150.00 Each Way plus $4.00 a Loaded Mile. * If required, fees associated with permitted, overweight, oversized loads, or Third Party Carriers are additional and will be quoted at the time of request.

56 **Provide pricing for warranties on all products and services.**

Not Applicable. - Equipment is owned by Sunbelt Rentals. Sunbelt will handle all warranty issues.

57 **Describe any return or restocking fees.**

Not Applicable

58 **Describe any additional discounts or rebates available. Additional discounts or rebates may be offered for large quantity orders, single ship to location, growth, annual spend, guaranteed quantity, etc.**

Our offer is a discount of 5/10/12% off from book rates. No additional rebates or discounts at this time, however, we are open to further discussions after award.

59 **Describe how customers verify they are receiving Contract pricing.**

Member pricing is notated in Sunbelts CRM module, Members may verify Contract Pricing through the Sunbelt Rentals Omnia Partners contract Manager, or their local sales representative. Also, encouraged to create account on MyAccount found on www.Sunbeltrentals.com to view pricing and manage account.

60 **Propose the frequency of updates to the Offeror's pricing structure. Describe any proposed indices to guide price adjustments. If offering a catalog contract with discounts by category, while changes in individual pricing may change, the category**

discounts should not change over the term of the Contract.

Pricing will be updated annually. Price adjustments will be guided by industry trends, Producer price indices for equipment, and heavy machinery for rental and leasing, transport services, fuel costs, the U.S. Energy Information Administration, and the Employment Cost Index as it relates to to equipment rental. Sunbelt is offering an equipment catalog with category discounts. The discount is on the rental period rather than the category, and as such may change.

61 **Describe how future product introductions will be priced and align with Contract pricing proposed.**

Future equipment and services introductions will be priced according to industry standards by rental market, and priced and discounted similarly to like products and categories.

62 **Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement.**

Indicate how, if at all, pricing changes when using the diversity program. If there are any diversity programs, provide a list of diversity alliances and a copy of their certifications.

Not applicable. Sunbelt Rentals self performs nearly every aspect of the rental process.

63 **Minority Women Business Enterprise Certification**

If yes, list certifying agency.

Not applicable

64 **Small Business Enterprise (SBE) or Disadvantaged Business Enterprise (DBE) Certification**

If yes, list certifying agency.

Not applicable.

65 **Historically Underutilized Business (HUB) Certification**

If yes, list certifying agency.

Not applicable.

66 **Historically Underutilized Business Zone Enterprise (HUBZone) Certification**

If yes, list certifying agency.

Not applicable

67 **Other recognized diversity certificate holder**

If yes, list certifying agency

Not Applicable

68 **Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners.**

Include a list of current cooperative contracts (regional and national) Offeror holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

Sunbelt is committed to growing the contract and collaborating with Omnia Partners on any marketing plan or strategy with OMNIA to result in an Omnia contract. However, the transition of existing public agency accounts will be at the customers discretion as to which contract vehicle they will utilize.

69 **Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions.**

Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

☑ Yes

☐ No

70 **Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners.**

All sales materials are to use the OMNIA Partners logo. At a minimum, the Offeror's sales initiatives should communicate:

- Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
- Best government pricing
- No cost to participate
- Non-exclusive

☑ Yes

☐ No

71 **Confirm Offeror will train its national sales force on the Master Agreement. At a minimum, sales training should include:**

- Key features of Master Agreement
- Working knowledge of the solicitation process
- Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
- Knowledge of benefits of the use of cooperative contracts

☑ Yes

☐ No

72 **Provide the name, title, email and phone number for the person(s), who will be responsible for:**

- Executive Support
- Marketing
- Sales
- Sales Support
- Financial Reporting
- Accounts Payable
- Contracts

As the incumbent, Sunbelt has all of the requested personnel established and set up to handle OMNIA inquiries. Please forward to governmentsales@sunbeltrentals.com and they will be directed/forwarded to appropriate people and/or departments.

73 **Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.**

Sunbelt Rentals has a robust nationwide sales force,, but more importantly Sunbelt has a dedicated Government sales team. The Government team ultimately reports to the VP of Sales. Our structure is VP of sales, then Senior Director of Sales & Operations, followed by our Director of Government Sales. There are three (3) Regional Sales Managers who report to the Director of Government Sales. The Regional sales managers each have a team of Government Sales Specialists that cover the U.S. These sellers work directly with the sales staff and end users at the 1400 Sunbelt locations nationwide. As the current contract holder all pertinent contact information is currently in place.

74 **Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.**

As the incumbent supplier, Sunbelt Rentals is currently fully implemented. Our focus is on the future, empowering our sales force, while continuously improving and refining our approach. This approach has yielded over 170% growth over the past 5 years, and will continue well into the future. Please see attached Marketing Plan for additional details.

75 **Explain in detail how Offeror will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract**

administration, etc.

Many of the details surrounding the coordination of marketing and sales efforts are laid out in our attachment for question 74. The existing relationship allows for accounts to be set up and linked within a matter of hours. The account set up and linking process identifies the account to be included in ongoing marketing and sales efforts and administration.

76 **State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.**

SAN ANTONIO ISD SAN ANTONIO, TX $4,735,430.29 SAN ANTONIO ISD-CONSTRUCTIONOL SAN ANTONIO, TX $2,445,619.25 TIPTON COUNTY BOARD OF EDUCATI COVINGTON, TN $1,321,652.89 TEXAS MILITARY DEPARTMENT AUSTIN, TX $746,878.53 DAC CONTROLLER'S OFFICE RALEIGH, NC $661,031.43 UNIVERSITY OF SOUTH ALABAMA MOBILE, AL $650,461.20 CITY OF ORLANDO-FACILITIES ORLANDO, FL $456,676.29 PASCO COUNTY BOARD COMMISSION DADE CITY, FL $377,532.16 TDCJ-FAC- PURCHASING HUNTSVILLE, TX $364,397.46 PRAIRIE VIEW A&M UNIVERSITY PRAIRIE VIEW, TX $340,635.30

77 **Year 1 - Provide the Contract Sales (as defined in Section 12 of OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").**

To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

$52306810.00

78 **Year 2 - Provide the Contract Sales (as defined in Section 12 of OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement**

To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

$60152832.00

79	**Year 3 - Provide the Contract Sales (as defined in Section 12 of OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement** To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales. $69175757.00
80	**Please download and thoroughly review the Scope of Work, located on the Attachments Tab. Indicate your review and acceptance.** ☑ Yes
81	**Oral Communications concerning this RFP shall not be binding and shall in no way excuse an Offeror of the obligations set forth in this proposal.** ☑ Yes
82	**Please download and thoroughly review the Terms and Conditions, located on the Attachments Tab. Indicate your review and acceptance.** ☑ Yes
83	**Products/Pricing - Upload on Response Attachments Tab** i. Offerors shall provide pricing based on coefficient pricing completing Appendix D; or on a discount from a manufacturer's or other price list or catalog, or fixed price, or a combination of both with indefinite quantities. Prices listed will be used to establish the extent of a manufacturer's product lines, services, warranties, etc. that are available from Offeror and the pricing per item. Multiple percentage discounts are acceptable if, where different percentage discounts apply, the different percentages are specified. Additional pricing and/or discounts may be included. Products and services proposed are to be priced separately with all ineligible items identified. Discounts proposed shall remain the same throughout the term of the contract and at all renewal options. At a minimum the Awarded Offeror must hold the proposed price list firm for the first 12 months after the contract award. Offerors may elect to limit their proposals to any category or categories. · Complete the applicable Pricing information o Provide equipment manufacturer, equipment types and discount off published list price. o Define any freight charges. o Provide classifications of labor with billable rates for each respondent's office(s), territories or district(s) along with any sub-office pricing as required. Each of these labor classification rates shall be fully burdened, defined and will be set for Normal Working Hours and Non-Normal Working Hours. Sub-contractor labor shall not be recognized. Each respondent shall determine their sub-contractor's labor rate as a prime labor classification. For example, an electrician's labor rate shall be calculated based on the respondent's sub-contractor's labor billable rate plus respondent's normal margins on sub-contractor labor. Labor classification shall be provided in the response. o If using coefficient pricing, the Normal Working Hours and Non-Normal Working Hours for tasks identified in the Scope of Work shall use a benchmark against an established data set (e.g.; RSMeans or others) to ensure that the hours provided can be verified. Each of these hourly tasks shall have a coefficient of labor against an established data set (e.g.; RSMeans or others) city cost index by each respondent's office(s), territories or district(s) to determine effectiveness of providing these tasks. Offerors using coefficient pricing will complete Appendix D. Federal Funding Pricing: Due to products and services potentially being used in response to an emergency or disaster recovery situation in which federal funding may be applied, provide alternative pricing that does not include cost plus a percentage of cost or pricing based on time and materials; if time and materials is necessary, a ceiling price that the contract exceeds at its own risk will be needed. Products and services provided in a situation where an agency is eligible for federal funding, Offeror is subject to and must comply with all federal requirements applicable to the funding including, but not limited to the FEMA Special Conditions section located in the Federal Funds Certifications Exhibit F.

84 **Not to Exceed Pricing**

Region 4 ESC requests pricing be submitted as not to exceed pricing. Unlike fixed pricing, the Contractor can adjust submitted pricing lower if needed but, cannot exceed original pricing submitted. Contractor must allow for lower pricing to be available for similar product and service purchases. Cost plus pricing as a primary pricing structure is not acceptable.

85 **Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.**

as of 1/20/2025 there are 1,393 Sunbelt locations throughout USA for a comprehensive/updated list please visit www.sunbeltrentals.com/location

86 **Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide,**

to include, but not limited to:

i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days

ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days

As Sunbelt is incumbent and currently holds the OMNIA contract, there will not have to be a transition per se, as all protocols and processes are in place on both sides. Given the 170% growth over the last 5 years, we feel this is a well oiled machine--however, we are open to tweaking if both sides feel necessary.

87 **Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective**

Public Agencies nationwide immediately upon award, to include, but not limited to:

i. Creation and distribution of a co-branded press release to trade publications

ii. Announcement, Master Agreement details and contact information published on the Supplier's website within first 90 days

iii. Design, publication and distribution of co-branded marketing materials within first 90 days

iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement

v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.

vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement

vii. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)

viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

- OMNIA Partners standard logo;
- Copy of original Request for Proposal;
- Copy of Master Agreement and amendments between Principal Procurement Agency and Supplier;
- Summary of Products and pricing;
- Marketing Materials
- Electronic link to OMNIA Partners' website including the online registration page;
- A dedicated toll-free number and email address for OMNIA Partners

as Sunbelt is incumbent and currently holds the OMNIA contract, there will not have to be a transition per se--as all protocols and processes are in place on both sides.

88 **GENERAL TERMS AND CONDITIONS**

Respondent agrees to comply with the Contract and General Terms and Conditions provided as an attachment to this online bid event. Any deviations to the Contract and General Terms and Conditions may be provided using the procedures set forth in the attribute pertaining to deviations.

☑ I certify compliance with this attribute.

89 **DEVIATIONS TO TERMS AND CONDITIONS**

Any Deviation from the RFP documents, including the General Terms and Conditions, Notice to Offeror, or any other document presented with terms for consideration by the proposer MUST be documented and presented on the Deviation Form and attached to this electronic bid event via an electronic upload to the "Response Attachments" tab. In addition to indicating the requested deviations on the form, additional pages may be provided to more thoroughly explain each deviation listed on the Deviation Form.

☑ I certify compliance with this attribute.

90 **FELONY CONVICTION NOTIFICATION**

State of Texas Legislative Senate Bill No. 1 Section 44.034, Notification of Criminal History, Subsection (a), states “a person or business entity that enters into an agreement with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony”.

Subsection (b) states “a school district may terminate the agreement with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a), or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract”.

Subsection (c) states “this section does not apply to a publicly held corporation”.

Use the list of values associated with this item to identify your status as it relates to this legal requirement.

Non-Felon - person/owner IS NOT a convicted felon

91 **NAME OF FELON AND NATURE OF FELONY, IF APPLICABLE**

If response to previous attribute was "Felon - person/owner IS a convicted felon", vendor shall give the name of the felon and details of conviction.

If you did not answer "Felon - person/owner IS a convicted felon" in the previous question, type "N/A" in the respective field.

N/A

92 **CRIMINAL HISTORY RECORDS REVIEW OF CERTAIN CONTRACT EMPLOYEES**

Texas Education Code Chapter §22.0834 requires that criminal history records be obtained regarding covered employees of entities that contract with a school entity in Texas to provide services for that school entity (“Contractors”) and entities that contract with school entity contractors (“Subcontractors”). Covered employees with disqualifying criminal histories are prohibited from serving at a school entity. Contractors/Subcontractors contracting with a school entity shall (1) maintain compliance with the requirements of Texas Education Code Chapter 22 to the school entity; and (2) require that each of their subcontractors complies with the requirements of Texas Education Code Chapter 22. Contractors performing work at a school entity in Texas must comply with these statutes.
Compliance includes providing or causing employees and sub-contractor employees to provide requested information and fingerprinting upon request.
Covered employees: Employees of a Contractor/Subcontractor who have or will have continuing duties related to the service to be performed at a school entity *and* have or will have direct contact with students. The school entity will be the final arbiter of what constitutes *continuing duties* and *direct contact* with students at their school.

☑ I certify compliance with this attribute.

93

HISTORICALLY UNDERUTILIZED BUSINESS (HUB) CERTIFICATION

Businesses that have been certified by the Texas Building and Procurement Commission (TBPC) or other qualified agency as Historically Underutilized Business (HUB) entities are encouraged to indicate their HUB status when responding to this proposal invitation. The electronic catalogs will indicate HUB certifications for vendors that properly indicate and document their HUB certification on this form.
Select one of the available options:

OPTION A: My business has NOT been certified as HUB.

OPTION B: I certify that my business has been certified as a Historically Underutilized Business (HUB), and I have/will upload the certification information into the "Response Attachments" Tab located in this online bidding event.

OPTION A - Not HUB

94

DISCLOSURE OF INTERESTED PARTIES

Texas state law requires the Disclosure of Interested Parties be filed with a public entity, including regional service centers and school districts, for any contract which:
(1) requires an action or vote by the governing body; or
(2) has a value of $1 million or more; or
(3) for any services provided that would require an individual to register as a lobbyist under TX Gov't Code Chapter 305.

NOTE: This form is not required if the vendor is a publicly-traded business entity, including a wholly-owned subsidiary of the business entity (a company in which ownership is dispersed among the general public via shares of stock which are traded via at least one stock exchange or over-the-counter market).

If you are required by law to submit this form, it must be completed online at the Texas Ethics Commission website. Obtain a numbered certificate and click the link below to access the instructions and to complete this required form. Upon completion, vendors required to submit the form must attach it to the proposal via the "Response Attachments" Tab.

Click here to complete the form on the Texas Ethic Commission's 1295 Form webpage.

Please note: The District must verify receipt of all required 1295 forms received within 30 days on the Texas Ethics Commission website. This verification does not indicate a contract award. Contract awards will be issued via direct communication from the AISD Purchasing Department. A contract requiring a Disclosure of Interested Parties form is voidable at any time if:
(1) the governmental entity or state agency submits to the business entity written notice of the business entity's failure to provide the required disclosure; and
(2) the business entity fails to submit to the governmental entity or state agency the required disclosure on or before the 10th business day after the date the business entity receives the written notice.

IF UNDER LAW YOU ARE EXEMPT FROM SUBMITTING THIS 1295 FORM, PROPOSERS MUST SUBMIT A DOCUMENT THAT SHOWS PROOF OR PROVIDES EXPLANATION OF THIS EXEMPTION.

THE FOLLOWING CONTRACTS ARE EXEMPT FROM THE REQUIREMENTS OF TEXAS DISCLOSURE OF INTERESTED PARTIES LAWS:
- *a sponsored research contract of an institution of higher education;*
- *an interagency contract of a state agency or an institution of higher education;*
- *a contract related to health and human services if:*
  - *the value of the contract cannot be determined at the time the contract is executed; and*
  - *any qualified vendor is eligible for the contract;*
- *a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity;*
- *a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code; or*
- *a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code.*

☑ I certify compliance with this attribute.

95

CONFLICT OF INTEREST QUESTIONNAIRE

Region 4 Education Service Center (Region 4) is required to comply with Texas Local Government Code Chapter 176, Disclosure of Certain Relationships with Local Government Officers. House Bill 23 significantly changed Chapter 176 as well as the required disclosures and the corresponding forms. As of September 1, 2015, any vendor who does business with Region 4 or who seeks to do business with Region 4 must fill out the new Conflict of Interest Questionnaire (CIQ) if a conflict of interest exists. A conflict of interest exists in the following situations:

1) If the vendor has an employment or other business relationship with a local government officer of Region 4 or a family member of the officer, as described by section 176.003(a)(2)(A) of the Texas Local Government Code; or
2) If the vendor has given a local government officer of Region 4, or a family member of the officer, one or more gifts with the aggregate value of $100, excluding any gift accepted by the officer or a family member of the officer if the gift is: (a) a political contribution as defined by Title 15 of the Election Code; or (b) a gift of food accepted as a guest; or
3) If the vendor has a family relationship with a local government officer of Region 4.

"Vendor" means a person who enters or seeks to enter into a contract with a local governmental entity. The term includes an agent of a vendor. The term includes an officer or employee of a state agency when that individual is acting in a private capacity to enter into a contract. The term does not include a state agency except for Texas Correctional Industries. Texas Local Government Code 176.001(7).

"Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on: (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity; (B) a transaction conducted at a price and subject to terms available to the public; or (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency. Texas Local Government Code 176.001(3).

"Family relationship" means a relationship between a person and another person within the third degree by consanguinity or the second degree by affinity, as those terms are defined by Subchapter B, Chapter 573, Government Code. Texas Local Government Code 176.001(2-a).

"Local government officer" means: (A) a member of the governing body of a local governmental entity; (B) a director, superintendent, administrator, president, or other person designated as the executive officer of a local governmental entity; or (C) an agent of a local governmental entity who exercises discretion in the planning, recommending, selecting, or contracting of a vendor. Texas Local Government Code 176.001(4).

Individuals serving as a Member of the Board of Directors, the Executive Director, Cabinet Members, and other local government officers may be found at: https://www.esc4.net/about/about-region-4.

For additional information on Conflict of Interest Questionnaire, and the statutes that mandate it, please visit the following links:
Texas Local Government Code, Section 176
Texas House Bill 23

A blank Conflict of Interest Questionnaire is available by clicking:
https://www.ethics.state.tx.us/data/forms/conflict/CIQ.pdf.

If your firm is required to return a completed Conflict of Interest Questionnaire with your proposal submission, use the "Response Attachments" Tab to upload the completed document.

☑ I certify compliance with this attribute.

96

ENTITITES THAT BOYCOTT ISRAEL

Pursuant to Chapter 2271 of the Texas Government Code, the Respondent hereby certifies and verifies that neither the Respondent , nor any affiliate, subsidiary, or parent company of the Respondent , if any (the "Respondent Companies"), boycotts Israel, and the Respondent agrees that the Respondent and Respondent Companies will not boycott Israel during the term of this Agreement. For purposes of this Agreement, the term "boycott" shall mean and include refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

EXCEPTIONS: Clause only applies to contracts and contractors that meet the following criteria: (i) Respondent is not a sole proprietorship; (ii) with 10 or more full-time employees; and (iii) with a contract to be paid a value of $100,000 or more wholly or partially from public funds of the governmental entity.

☑ I certify compliance with this attribute.

97

FOREIGN TERRORIST ORGANIZATIONS

Section 2252.152 of the Texas Government Code prohibits Region 4 ESC from awarding a contract to any person who does business with Iran, Sudan, or a foreign terrorist organization as defined in Section 2252.151 of the Texas Government Code. Respondent certifies that it not ineligible to receive the contract.

☑ I certify compliance with this attribute.

98

FIREARMS ENTITIES AND TRADE ASSOCIATIONS DISCRIMINATION

Respondent verifies that: (1) it does not, and will not for the duration of the contract, have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association or (2) the verification required by Section 2274.002 of the Texas Government Code does not apply to the contract. If circumstances relevant to this provision change during the course of the contract, Respondent shall promptly notify Region 4 ESC.

APPLICABILITY: This clause applies only to a contract that: (1) is between a governmental entity and a company with at least 10 full-time employees; and (2) has a value of at least $100,000 that is paid wholly or partly from public funds of the governmental entity.

EXCEPTIONS: This clause is not required when a state Agency: (1) contracts with a sole-source provider; or (2) does not receive any bids from a company that is able to provide the written verification required by Section 2274.002(b) of the Texas Government Code.

☑ I certify compliance with this attribute.

99

ENERGY COMPANY BOYCOTT PROHIBITED

Respondent represents and warrants that: (1) it does not, and will not for the duration of the contract, boycott energy companies or (2) the verification required by Section 2274.002 of the Texas Government Code does not apply to the contract. If circumstances relevant to this provision change during the course of the contract, Respondent shall promptly notify Region 4 ESC.

EXCEPTIONS: Clause only applies to contracts and contractors that meet the following criteria: (i) a "company" within the definitions of Section 2274.001(2) of the Tex. Gov't Code; (ii) with 10 or more full-time employees; and (iii) with a contract to be paid a value of $100,000 or more wholly or partially from public funds of the governmental entity.

☑ I certify compliance with this attribute.

100

CRITICAL INFRASTRUCTURE AFFIRMATION

Pursuant to Government Code Section 2274.0102, Respondent certifies that neither it nor its parent company, nor any affiliate of Respondent or its parent company, is: (1) majority owned or controlled by citizens or governmental entities of China, Iran, North Korea, Russia, or any other country designated by the Governor under Government Code Section 2274.0103, or (2) headquartered in any of those countries.

EXCEPTION: Clause only applies to solicitations and contracts in which the contractor would be granted direct or remote access to or control of critical infrastructure, as defined by Section 2274.0101 of the Texas Government Code, in this state, other than access specifically allowed for product warranty and support purposes.
The Governor of the State of Texas may designate countries as a threat to critical infrastructure under Section 2274.0103 of the Texas Government Code. Agencies should promptly add any country that is designated by the Governor to this clause."

☑ I certify compliance with this attribute.

101

OPEN RECORDS POLICY

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

OPTION A: We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

OPTION B: We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act and these requested exemptions are uploaded into the "Response Attachments" Tab located in this online bidding event.

(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confidential and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)

OPTION A - No proprietary information

102

CONSENT TO RELEASE PROPOSAL TABULATION

Notwithstanding anything explicitly and properly declared as Confidential or Proprietary Information to the contrary, by submitting a Proposal, Vendor consents and agrees that, upon Contract award, the District may publicly release, including posting on the public Region 4 ESC and/or OMNIA Partners website(s), a copy of the proposal tabulation for the Contract including Vendor name; proposed catalog/pricelist name(s); proposed percentage discount(s), unit price(s), hourly labor rate(s), or other specified pricing; and Vendor award notice information.

☑ I certify compliance with this attribute.

103 **CONTRACTING INFORMATION**

If Vendor is not a governmental body and

(a) this Agreement has a stated expenditure of at least $1 million in public funds for the purchase of goods or services by REGION 4 ESC; or

(b) this Agreement results in the expenditure of at least $1 million in public funds for the purchase of goods or services by REGION 4 ESC in a fiscal year of REGION 4 ESC, the following certification shall apply; otherwise, this certification is not required.

As required by Tex. Gov't Code § 552.374(b), the following statement is included in the RFP and the Agreement (unless the Agreement is

(1) related to the purchase or underwriting of a public security;

(2) is or may be used as collateral on a loan; or

(3) proceeds from which are used to pay debt service of a public security of loan):

"The requirements of Subchapter J, Chapter 552, Government Code, may apply to this RFP and Agreement and the contractor or vendor agrees that the contract can be terminated if the contractor or vendor knowingly or intentionally fails to comply with a requirement of that subchapter."

Pursuant to Subchapter J, Chapter 552, Texas Government Code, the Vendor hereby certifies and agrees to

(1) preserve all contracting information related to this Agreement as provided by the records retention requirements applicable to REGION 4 ESC for the duration of the Agreement;

(2) promptly provide to REGION 4 ESC any contracting information related to the Agreement that is in the custody or possession of the Vendor on request of REGION 4 ESC; and

(3) on completion of the Agreement, either

(a) provide at no cost to AISD all contracting information related to the Agreement that is in the custody or possession of Vendor, or

(b) preserve the contracting information related to the Agreement as provided by the records retention requirements applicable to REGION 4 ESC.

☑ I certify compliance with this attribute.

104 **ANTI-TRUST CERTIFICATION STATEMENT**

Vendor affirms under penalty of perjury of the laws of the State of Texas that:

(1) I am duly authorized to execute this contract on my own behalf or on behalf of the company, corporation, firm, partnership or individual (Company) listed below;

(2) In connection with this bid, neither I nor any representative of the Company have violated any provision of the Texas Free Enterprise and Antitrust Act, Tex. Bus. & Comm. Code Chapter 15;

(3) In connection with this bid, neither I nor any representative of the Company have violated any federal antitrust law; and

(4) Neither I nor any representative of the Company have directly or indirectly communicated any of the contents of this bid to a competitor of the Company or any other company, corporation, firm, partnership or individual engaged in the same line of business as the Company.

☑ I certify compliance with this attribute.

105 **FEDERAL RULE (A) - CONTRACT TERM VIOLATIONS**

(A) Contracts for more than the simplified acquisition threshold currently set at $250,000 (2 CFR §200.320), which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

*Pursuant to Federal Rule (**A**) above, when federal funds are expended by Region 4 ESC, Region 4 ESC reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.*

☑ I certify compliance with this attribute.

106

FEDERAL RULE (B) - TERMINATION CONDITIONS

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

*Pursuant to Federal Rule (**B**) above, when federal funds are expended by REGION 4 ESC, REGION 4 ESC reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor, in the event vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation; (4) to the greatest extent authorized by law, if an award no longer effectuates the program goals or priorities of the Federal awarding agency or REGION 4 ESC. REGION 4 ESC also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if REGION 4 ESC believes, in its sole discretion that it is in the best interest of REGION 4 ESC to do so. The vendor will be compensated for work performed and accepted and goods accepted by REGION 4 ESC as of the termination date if the contract is terminated for convenience of REGION 4 ESC. Any award under this procurement process is not exclusive and REGION 4 ESC reserves the right to purchase goods and services from other vendors when it is in the best interest of REGION 4 ESC.*

☑ I certify compliance with this attribute.

107

FEDERAL RULE (C) - EQUAL EMPLOYMENT OPPORTUNITY

(C) Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

It is the policy of REGION 4 ESC not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or disabling conditions in its programs. Vendor agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Contract, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Vendor further agrees that every subcontract entered into for the performance of this Contract shall contain a provision requiring non-discrimination in employment herein specified binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Contract.

*Pursuant to Federal Rule (**C**) and the requirements stated above, when federal funds are expended by REGION 4 ESC on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.*

☑ I certify compliance with this attribute.

108

FEDERAL RULE (D) - DAVIS BACON ACT/COPELAND ACT

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146- 3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

*Pursuant to Federal Rule (**D**) above, when federal funds are expended by REGION4 ESC, during the term of an award for all contracts and subgrants for construction or repair, the vendor will be in compliance with all applicable Davis-Bacon Act provisions.*

☑ I certify compliance with this attribute.

109

FEDERAL RULE (E) - CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

(E) (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

*Pursuant to Federal Rule (**E**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act.*

☑ I certify compliance with this attribute.

110

FEDERAL RULE (F) - RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

(F) If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

*Pursuant to Federal Rule (**F**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.*

☑ I certify compliance with this attribute.

111

FEDERAL RULE (G) - CLEAN AIR ACT/FEDERAL WATER POLLUTION CONTROL ACT

(G) The Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When federal funds are expended by REGION 4 ESC for any contract resulting from this procurement process, the vendor certifies that the vendor will be in compliance with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

When federal funds are expended by REGION 4 ESC for any contract resulting from this procurement process in excess of $100,000, the vendor certifies that the vendor is in compliance with all applicable standards, orders, regulations, and/or requirements issued pursuant to the Clean Air Act of 1970, as amended (42 U.S.C. 1857(h)), Section 508 of the Clean Water Act, as amended (33 U.S.C. 1368), Executive Order 117389 and Environmental Protection Agency Regulation, 40 CFR Part 15.

*Pursuant to Federal Rule (**G**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor agrees to comply with all applicable requirements as referenced in Federal Rule (**G**) above.*

☑ I certify compliance with this attribute.

112

FEDERAL RULE (H) - DEBARMENT AND SUSPENSION

(H) (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

*Pursuant to Federal Rule (**H**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency or by the State of Texas. Vendor shall immediately provide written notice to REGION 4 ESC if at any time the vendor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. REGION 4 ESC may rely upon a certification of a vendor that the vendor is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless REGION 4 ESC knows the certification is erroneous.*

☑ I certify compliance with this attribute.

113

FEDERAL RULE (I) - BYRD ANTI-LOBBYING AMENDMENT

(I) (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

*Pursuant to Federal Rule (**I**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term and after the awarded term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:*

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.
This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certificate is a prerequisite for making or entering into this transaction imposed by Section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

☑ I certify compliance with this attribute.

114

FEDERAL RULE (J) - PROCUREMENT OF RECOVERED MATERIALS

(J) When federal funds are expended by REGION 4 ESC, REGION 4 ESC and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include: (1) procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; (2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and (3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

*Pursuant to Federal Rule (**J**) above, when federal funds are expended REGION 4 ESC, as required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6962(c)(3)(A)(i)), the vendor certifies, by signing this document, that the percentage of recovered materials content for EPA-designated items to be delivered or used in the performance of the contract will be at least the amount required by the applicable contract specifications or other contractual requirements.*

☑ I certify compliance with this attribute.

115

FEDERAL RULE (K) - PROHIBITION ON CERTAIN TELECOM AND SURVEILLANCE SERVICE AND EQUIPMENT

(K) Region 4 ESC, as a non-federal entity, is prohibited from obligating or expending Federal financial assistance, to include loan or grant funds, to: (1) procure or obtain,
(2) extend or renew a contract to procure or obtain, or
(3) enter into a contract (or extend or renew a contract) to procure or obtain, equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as a critical technology as part of any system. Covered telecommunications equipment is telecommunications equipment produced Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities) and physical security surveillance of critical infrastructure and other national security purposes, and video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities) for the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes detailed in 2 CFR § 200.216.

The Respondent certifies that it will not purchase equipment, services, or systems that use covered telecommunications, as defined herein, as a substantial or essential component of any system, or as critical technology as part of any system.

☑ I certify compliance with this attribute.

116

FEDERAL RULE (L) - BUY AMERICAN PROVISIONS

(L) As appropriate and to the extent consistent with law, REGION 4 ESC has a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States, including but not limited to iron, aluminum, steel, cement, and other manufactured products, when spending federal funds. Vendor agrees that the requirements of this section will be included in all subawards including all contracts and purchase orders for work or products under this award, to the greatest extent practicable under a Federal award. Purchases that are made with non-federal funds or grants are excluded from the Buy American Act.

Vendor certifies that it is in compliance with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must still follow the applicable procurement rules calling for free and open competition.

"Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

☑ I certify compliance with this attribute.

117

FEDERAL RULE - REQUIRED AFFIRMATIVE STEPES FOR SMALL, MINORITY, AND WOMEN-OWNED FIRMS FOR CONTRACTS PAID FOR WITH FEDERAL FUNDS

When federal funds are expended by REGION 4 ESC, Vendor is required to take all affirmative steps set forth in 2 CFR 200.321 to solicit and reach out to small, minority and women owned firms for any subcontracting opportunities on the project, including:

1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

☑ I certify compliance with this attribute.

118

FEDERAL RULE - FEDERAL RECORD RETENTION

When federal funds are expended by REGION 4 ESC for any contract resulting from this procurement process, the vendor certifies that it will comply with the record retention requirements detailed in 2 CFR §200.334. The vendor further certifies that vendor will retain all records as required by 2 CFR §200.334 for a period of five (5) years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Vendor agrees that REGION 4 ESC, Inspector General, Department of Homeland Security, FEMA, the Comptroller General of the United States, or any of their duly authorized representatives shall have access to any books, documents, papers and records of Vendor, and its successors, transferees, assignees, and subcontractors that are directly pertinent to the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents. Vendor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. Vendor agrees to provide the FEMA Administrator or his authorized representative access to construction or other work sites pertaining to the work being completed under the Contract.

☑ I certify compliance with this attribute.

119

FEDERAL RULE - PROFIT NEGOTIATION

For purchases using Federal funds in excess of $250,000, REGION 4 ESC may be required to negotiate profit as a separate element of the price. (See 2 CFR 200.324(b)).

When required by REGION 4 ESC, Vendor agrees to provide information relating to profitability of the given transaction and itemize the profit margin as a separate element of the price.

☑ I certify compliance with this attribute.

120

FEDERAL RULE - SOLID WASTE DISPOSAL ACT

A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Sold Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceed $10,000; procuring sold waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. (78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014.)

Pursuant to this federal rule, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of all contracts resulting from this procurement process, the vendor agrees to comply with all applicable requirements as referenced in this paragraph.

☑ I certify compliance with this attribute.

121

APPLICABLITY TO SUBCONTRACTORS

Vendor agrees that all contracts it awards pursuant to this procurement action shall be bound by the terms and conditions of this procurement action.

☑ I certify compliance with this attribute.

122

COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When REGION 4 ESC expends federal funds for any contract resulting from this procurement process, Vendor certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

☑ I certify compliance with this attribute.

123

INDEMNIFICATION

Acts or Omissions

Vendor shall indemnify and hold harmless Region 4, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES arising out of, or resulting from any acts or omissions of the Vendor or its agents, employees, subcontractors, Order Fulfillers, or suppliers of subcontractors in the execution or performance of the Contract and any Purchase Orders issued under the Contract.

Infringements

a) Vendor shall indemnify and hold harmless Region 4 and Customers, AND/OR THEIR EMPLOYEES, AGENTS, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES from any and all third party claims involving infringement of United States patents, copyrights, trade and service marks, and any other intellectual or intangible property rights in connection with the PERFORMANCES OR ACTIONS OF VENDOR PURSUANT TO THIS CONTRACT. VENDOR AND THE CUSTOMER AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. VENDOR SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE INCLUDING ATTORNEYS' FEES.

b) Vendor shall have no liability under this section if the alleged infringement is caused in whole or in part by: (i) use of the product or service for a purpose or in a manner for which the product or service was not designed, (ii) any modification made to the product without Vendor's written approval, (iii) any modifications made to the product by the Vendor pursuant to Customer's specific instructions, (iv) any intellectual property right owned by or licensed to Customer, or (v) any use of the product or service by Customer that is not in conformity with the terms of any applicable license agreement.

c) If Vendor becomes aware of an actual or potential claim, or Customer provides Vendor with notice of an actual or potential claim, Vendor may (or in the case of an injunction against Customer, shall), at Vendor's sole option and expense; (i) procure for the Customer the right to continue to use the affected portion of the product or service, or (ii) modify or replace the affected portion of the product or service with functionally equivalent or superior product or service so that Customer's use is non-infringing.

Taxes/Workers' Compensation/Unemployment Insurance – Including Indemnity

a) VENDOR AGREES AND ACKNOWLEDGES THAT DURING THE EXISTENCE OF THIS CONTRACT, VENDOR SHALL BE ENTIRELY RESPONSIBLE FOR THE LIABILITY AND PAYMENT OF VENDOR'S AND VENDOR'S EMPLOYEES' TAXES OF WHATEVER KIND, ARISING OUT OF THE PERFORMANCES IN THIS CONTRACT. VENDOR AGREES TO COMPLY WITH ALL STATE AND FEDERAL LAWS APPLICABLE TO ANY SUCH PERSONS, INCLUDING LAWS REGARDING WAGES, TAXES, INSURANCE, AND WORKERS' COMPENSATION. THE CUSTOMER AND/OR REGION 4 SHALL NOT BE LIABLE TO THE VENDOR, ITS EMPLOYEES, AGENTS, OR OTHERS FOR THE PAYMENT OF TAXES OR THE PROVISION OF UNEMPLOYMENT INSURANCE AND/OR WORKERS' COMPENSATION OR ANY BENEFIT AVAILABLE TO A STATE EMPLOYEE OR EMPLOYEE OF ANOTHER GOVERNMENTAL ENTITY CUSTOMER.

b) VENDOR AGREES TO INDEMNIFY AND HOLD HARMLESS CUSTOMERS, REGION 4 AND/OR THEIR EMPLOYEES, AGENTS, REPRESENTATIVES, CONTRACTORS, AND/OR ASSIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEYS' FEES, AND EXPENSES, RELATING TO TAX LIABILITY, UNEMPLOYMENT INSURANCE AND/OR WORKERS' COMPENSATION IN ITS PERFORMANCE UNDER THIS CONTRACT, VENDOR SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE INCLUDING ATTORNEYS' FEES.

☑ I certify compliance with this attribute.

124

EXCESS OBLIGATIONS PROHIBITED

Proposer understands that all obligations of Region 4 ESC under the contract are subject to the availability of state funds. If such funds are not appropriated or become unavailable, the contract may be terminated by Region 4 ESC.

☑ I certify compliance with this attribute.

125

SUSPENSION AND DEBARMENT

Respondent certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in the contract by any state or federal agency.

☑ I certify compliance with this attribute.

126

CHANGE IN LAW AND COMPLIANCE WITH LAWS

Proposer shall comply with all laws, regulations, requirements and guidelines applicable to a vendor providing services and products required by the contract to the Region 4 ESC, as these laws, regulations, requirements and guidelines currently exist and as amended throughout the term of the contract. Region 4 ESC reserves the right, in its sole discretion, to unilaterally amend the contract prior to award and throughout the term of the contract to incorporate any modifications necessary for compliance with all applicable state and federal laws, regulations, requirements and guidelines.

☑ I certify compliance with this attribute.

127

For the following categories, the Offeror shall provide the following information to include;

o **HVAC Refrigeration**
· Type (e.g., Rotary, Centrifugal, Scroll, Reciprocating., Absorption)
· Cooling medium (e.g., air, water)
· Brand Name(s)
· Capacity Range (tons)
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Range of Efficiencies (KW/Ton)
· Estimated Market Share (North America)
· Provide example data on each type of product provided
· Detail Features & Benefits

o **Indoor Air Quality Products and Devices**
· Type (Active polarization, non-ionizing, electronic air cleaning systems intended to replace passive filtration, any other.)
· Brand Name(s)
· Capacity Range
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Range of Efficiencies
· Estimated Market Share (North America)
· Provide example data on each type of product provided
· Detail Features & Benefits

o **Unitary**
· Type (e.g., rooftops, split systems, VRFs, Heat Pumps, PTACs, water source, mini-splits)
· Brand Name(s)
· Capacity Range
· Heating Medium (Electric, Gas, Steam, Hot Water)
· Cooling Medium (DX, Chilled Water)
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Range of Efficiencies (EER, SEER, COP)
· Estimated Market Share (North America)
· Provide example data on each type of product provided
· Detail Features & Benefits

o **Air handling**
· Type (e.g. central station-manufactured or custom makeup air, fan,
· filter, coil sections)
· Brand Name(s)
· Fan Types (e.g. Backward incline, Forward curve, airfoil)
· Capacity Range (CFM)
· Heating Medium (Electric, Gas, Steam, Hot Water)
· Cooling Medium (DX, Chilled Water)
· Standard Warranty (Parts & Labor)

· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Estimated Market Share (North America)
· Provide example data on each type of product provided
· Detail Features & Benefits

o **Air Terminal Devices and Heating Products**

· Type (e.g. VAV, Fan Coils, Unit Ventilators, Unit Heaters, Fin Tube Radiation/Convectors)
· Brand Name(s)
· Capacity Range (CFM)
· Heating Medium (Electric, Gas, Steam, Hot Water)
· Cooling Medium (DX, Chilled Water)
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Estimated Market Share (North America)
· Provide example data on each type of product provided
· Detail Features & Benefits

o **DDC Controls**

· Type (core components, end devices, lighting, panels) Brand Name(s)
· System Protocol (BACnet, LonWorks, Proprietary or Combo)
· LAN Communication Structure (Peer-to-peer, Polling)
· Human Machine Interface (HMI) types (PC, Notebooks, Handheld terminals)
· Third party interface (Drivers and Gateways)
· Remote alarm and message capabilities
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Estimated Market Share (North America)
· Detail Features & Benefits

o **Cooling Towers**

· Type (e.g., open, closed, evaporative, other)
· Brand Name(s)
· Capacity Range (tons)
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Range of Efficiencies
· Estimated Market Share (North America)
· Provide example data on each type of product provided
· Detail Features & Benefits

o **Pumps**

· Type (e.g., single stage, split case, end suction, inline, circulator, turbines)
· Brand Name(s)
· Capacity Range (GPM)
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Range of Efficiencies
· Estimated Market Share (North America)
· Provide example data on each type of product provided
· Detail Features & Benefits

o **Invertors**

· Brand Name(s)
· Capacity Range (HP)
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)

· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Estimated Market Share (North America)
· Provide example data on each type of product provided
· Detail Features & Benefits
o **Boilers & Water Heaters**
· Type (e.g., modulating, condensing, cast iron, water tube, packaged, other)
· Brand Name(s)
· Heating Medium (Electric, Gas, Steam, Hot Water)
· Capacity Range (MBH)
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time
· Location of Manufacturing (City, State or Country)
· Range of Efficiencies
· Estimated Market Share (North America)
· Provide example data on each type of product provided
· Detail Features & Benefits
o **HVAC Specialty Products**
· Type (e.g., modular, outside/inside, S&T Heat Recovery, Humidity
· Control, Heat Wheel, Heat Pipe, Heat Exchangers)
· Brand Name(s)
· Heating Medium (Electric, Gas, Steam, Hot Water)
· Cooling Medium (DX, Chilled Water)
· Capacity Range (CFM and/or MBH)
· Standard Warranty (Parts & Labor)
· Optional Warranty (components covered & Labor)
· Estimated Lead/Delivery Time

Detail Features & Benefits

128	**Offerors are requested to provide service forms with detailed description of your service offerings. Provide service forms with detailed descriptions; at a minimum, Offerors are to include the following information as it is applicable to their product,** service, and solutions offering: o **Startup & Commissioning Services**

· Define process for validation of system or equipment operation to design
· Type (e.g., equipment startups, system checkouts, control verification, retro commissioning, M & V verifications, rebate auditing, other)
· List key personnel (factory, sub-contract, other)
· References (public sector only)
· Case studies describing benefits of services

o **Service & Maintenance**
· Type (e.g., preventative and full maintenance contracts, man-at attendance, remote monitoring, annuals, emergency services, regulatory compliance, cleaning (e.g., duct, coils and filters), scheduled maintenance (e.g., oil, chemical and vibration analysis) and other)
· Define processes for each type of service and/or maintenance of the system or the equipment
· List key personnel (factory, sub-contract, other)
· References (public sector only)
· Case studies describing benefits of services

o **Installation and Turnkey Contracting**
· Type (e.g., retrofit, new construction, energy retrofit, controls new- and upgrade and other)
· Define processes for each type install of the system or the equipment
· Bonding and licensing capabilities
· List key personnel (factory, sub-contract, other)
· References (public sector only)
· Case studies describing benefits of services

o **Warranty Services**
· Type (e.g., Extended parts & labor (define maximum number of years available), delayed start-up and other)
· Define processes for each type of warranty
· List key personnel (factory, sub-contract, other)
· References (public sector only)
· Case studies describing benefits of services

o **Energy Services**
· Type (e.g., (Energy Tracking, Energy Analysis, Evaluation of potential upgrades, demand response, rebates and others)
· Define processes for each type of energy services
· Certifications of personnel
· List key personnel (factory, sub-contract, other)
· References (public sector only)
· Case studies describing benefits of services

o **Equipment Rentals**
· Type (e.g., chillers, pumps, transformers, terminal units, generators, cooling towers, packaged unitary and other)
· Brands available
· Locations of rental fleet
· Process of accessing rental fleet during disaster event
· List key personnel (factory, sub-contract, other)
· References (public sector only)
· Case studies describing benefits of services

o **Financial Services**
· Type (e.g., leasing, prompt and pre-payment discounts, guaranteed
· savings and other)
· Describe type of each funding and availability
· Funding Sources (internal and/or external)
· List key personnel (internal and/or external)
· References (public sector only)

· Describe type of survey
· Licensing and certification capabilities

· Advanced technology uses for each type of survey
· List key personnel (internal and/or external)
· References (public sector only)
· Case studies describing benefits of services

Sunbelt Rentals responses to questions 127. And 128.

Sunbelt Rentals responses to questions 128.

Question 127 reads as though it is structured around the purchase, warranty, and service of the categories rather than rental. Additionally, the scope of each category is very broad with a great deal of crossover between the categories. In general, rentals are facilitated on an as/ if needed basis for short term planned maintenance, or unplanned emergencies. Sunbelt Rentals offers multiple types of equipment within each category with exception of DDC controls, Inverters, and LED lighting products as written in the question. As rental solutions, each of these categories has their own mediums, range of efficiencies, brand names, capacities, and manufacturing origin. All warranty related issues are handled by Sunbelt Rentals. The nature of rental makes it difficult to determine overall market share. However, we can tell you Sunbelt Rentals is one of the largest equipment rental companies in North America with these product categories and more inventoried throughout North America. Every major quipment manufacturer is represented within these categories and they are generally available in 4 -48 hours depending upon availability and the nature of the request. Product data examples, features, and benefits are available upon request once the categories are clarified.

Sunbelt Rentals responses to questions 128.

Question 128. Is rather unclear and reads as though it's merging the lines between construction, installation, commodities, and services. There is a great deal of crossover, and yet some areas that can be relative to one another in the proper context. Sunbelts response relates to the Equipment Rental section, and rental industry standards. The equipment rental products categories are inventoried throughout North America, they represent every major manufacturer and are generally available in 4 -48 hours depending upon availability and the nature of the request. Emergency and after-hours requests can be made by calling 1-866-909-0954. References are in our Attribute responses, key contacts and case studies are within the attachments. Product data examples, features, and benefits are available upon request once the categories are clarified.

CAPABILITIES GUIDE

SUNBELT RENTALS

At Sunbelt Rentals, we are committed to delivering the equipment, service, and expertise your project requires. And that's not merely a claim. We back it up. Armed with the support and strength of 14,000+ empowered team members, our U.S. and Canadian network of rental locations is poised to quickly deliver ready-to-work equipment when and where you need it.

It's simple, really. Our people, range of products, and broad solutions set us apart in the rental industry, enabling us to provide unparalleled customer experiences.

THE SUNBELT PROMISE

WE PROMISE

AVAILABILITY

We promise to have our core equipment available in the market you are in, or we will leverage our network to source it.

WE PROMISE

RELIABILITY

We will deliver your equipment within 1 hour of our promised delivery time.

While our equipment is on rent, we will be on site within 1 hour of our promised service time.

We provide 24/7 customer support.

WE PROMISE

EASE

We promise total customer satisfaction – in person, online, and by phone.

HOW IT WORKS

Sunbelt Rentals empowers our team members to make renting equipment the easiest part of your job. When you have a job to do, we have a job to do. Your challenges are our challenges, and your deadlines drive ours. That's why when it comes to our people and products, we promise availability, reliability, and ease.

THE POWER OF SUNBELT

FULL-SERVICE SOLUTIONS

It's not enough to provide the equipment you need. We're in the problem-solving business. Our team of experts leverage a vast network and "make it happen" attitude to deliver full-service solutions for any project, large or small.

PLANNED AND UNPLANNED NEEDS

Whether you need regular maintenance support or a solution for an unplanned situation, we have the expertise to get the job done. From staged events to long-term rentals, our equipment portfolio is always ready, because your downtime is our go time.

24/7 SUPPORT

Accidents, breakdowns, and emergencies can wreak havoc on project schedules. That's why we offer 24/7 support. When trouble strikes, strike back with a call to the Sunbelt Rentals team of experts.

ONE RENTAL PARTNER DOES IT ALL

Time is money when you're working to meet a tight timeline. Save both by partnering with Sunbelt Rentals. Whether it's a full-service solution or a single tool rental, we're the one stop source for all of your project needs.

SOLUTIONS FOR ANY PROJECT

CLIMATE CONTROL SERVICES

Outfitted with the industry's largest fleet of temperature control equipment, our team of seasoned professionals provides turnkey engineered cooling, heating, and dehumidification solutions for a wide variety of applications.

FLOORING SOLUTIONS

Our flooring experts provide customized solutions for cleaning, maintaining, and restoring all hard and soft surfaces using scrubbers, sweepers, carpet extractors, vacuums, grinders, polishers, and accessories ideal for everything from carpet and resilient surfaces, to finished and unfinished concrete.

GENERAL TOOL & EQUIPMENT

With more than 8,000 product types, we stock the broadest fleet in the rental industry for commercial, residential, industrial, municipal, specialized service industries, and homeowners.

GROUND PROTECTION

We serve the industry with the largest inventory of composite ground protection mats and accessories for rent. Our team of experts will handle everything from initial site visit and installation, to post-project teardown.

INDUSTRIAL HEAT

We deliver site-specific engineered solutions for all industrial heating applications. Our heaters can withstand the harshest weather conditions and include indirect-fired, flameless, hydronic, rig heaters, and more.

INDUSTRIAL SERVICES

Providing comprehensive tool and equipment packages, including on-site tool management, to support all projects and special needs for industrial applications, including plant shutdowns, outages, turnarounds, plant maintenance, and more.

OIL & GAS SERVICES

We offer full start-to-finish support. From site prep to frack, coil tube to completions, we can meet the needs of the most challenging oil and gas project.

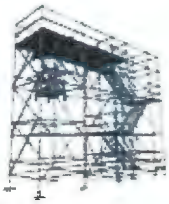

POWER & HVAC SERVICES

Backed by a diverse fleet of portable and containerized generators, load banks, air compressors, desiccant dehumidifiers, chillers, cooling towers, and more, our experts specialize in providing custom-designed solutions for a diverse array of projects across a broad range of industries.

PUMP SOLUTIONS

We have equipment and expertise for all major pumping projects, including dewatering job sites, performing large sewer bypasses, fluid handling for industrial facilities, and more.

SCAFFOLD SERVICES

Whether you require 1 assembler or 500, Sunbelt Rentals delivers the scaffolding and manpower you need in a full turnkey solution for commercial and industrial projects.

SHORING SOLUTIONS

Supported by a comprehensive fleet of excavation shoring, structural shoring, and bridging equipment, our team delivers unrivaled safety on any project with the most cost-effective rental options in the industry. Available equipment includes steel and aluminum trench boxes, road plates, sheet pile, frames, slide rail, bridging, and more.

COMMAND CENTER CAPABILITIES & APPLICATIONS

2022

Make It Happen From Anywhere

PLAY VIDEO

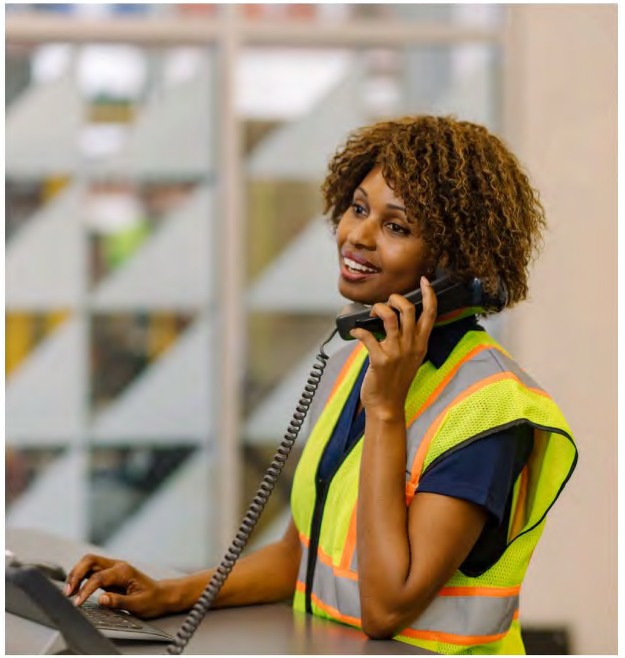

On-Demand Account Management

- Reserve, rent, or release equipment
- Use *Quick Rent* to reorder your most frequent, recent, and favorite equipment
- View and manage equipment at the project
- Manage purchase orders and invoice payments
- Manage and track fleet in real time
- Receive alerts and notifications

SUNBELT RENTALS

Benefits of Command Center

- Streamlined communication and collaboration
- Improved jobsite, rental, and invoice management
- Increased awareness
- Empowerment to immediately take action
- Access from any computer or mobile device
- Ability to customize user access and key functions
- Insights via real time and historical data to improve efficiencies and planning
- Access to all transactional documents
- Streamlined A/P processes

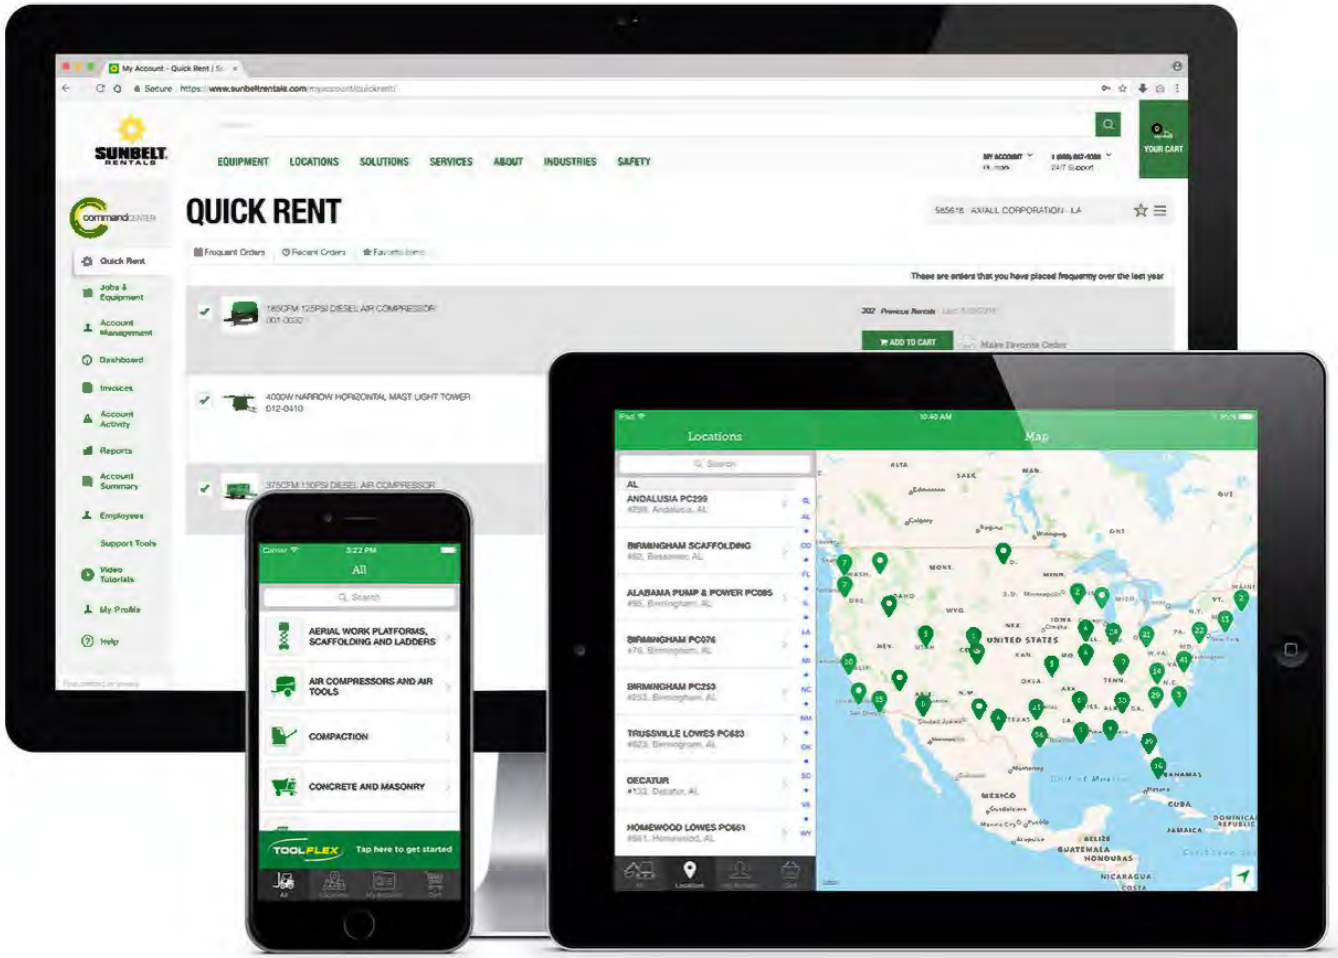

Website and Mobile App

Website

- ❑ Accessed from computer or tablet
- ❑ Robust functionality
- ❑ Order & manage equipment
- ❑ Access reports, alerts, payments
- ❑ Used by multiple customer types

Mobile App

- ❑ Tablet or phone
- ❑ Available on iOS or Android
- ❑ Tactical functionality
- ❑ Used frequently by field teams
- ❑ Order & manage equipment

User Empowerment

- Empower your teammates with customizable access
  - Account Administrator (full control)
  - Submit Online Orders
  - Off-rent Equipment
  - Pay Online
  - Access Reporting
  - Subscribe to Alerts
  - Update Jobsite Info
  - Manage Paperless Billing Preferences
- Review last-log-in data and manage peer user profiles to secure your data

Online Equipment Catalog

Sunbelt Rentals' Online Catalog provides immediate access to:

- Equipment Uses and Applications
- Specifications to verify that the equipment can meet your needs
- *Rental Rates

Cat Class: 035-0140

7,500lb Mini Excavator

Add to Favorites

With a maximum digging force of 6,968 lbs. and outstanding maneuverability, the mini-excavator has a maximum digging depth of 10 feet and 16 feet of reach. The mini-excavator is an excellent solution for digging around obstacles or alongside structures.

- Peak digging force of 6,968 lbs
- Maximum digging depth of 10 feet and 16 feet of reach
- Backfill blade for leveling and stabilizing
- Rubber tracks reduce damage to hard surfaces

Online Rate:

1 Day: **$320** USD 1 Week: **$880** USD 4 Weeks: **$1,965** USD

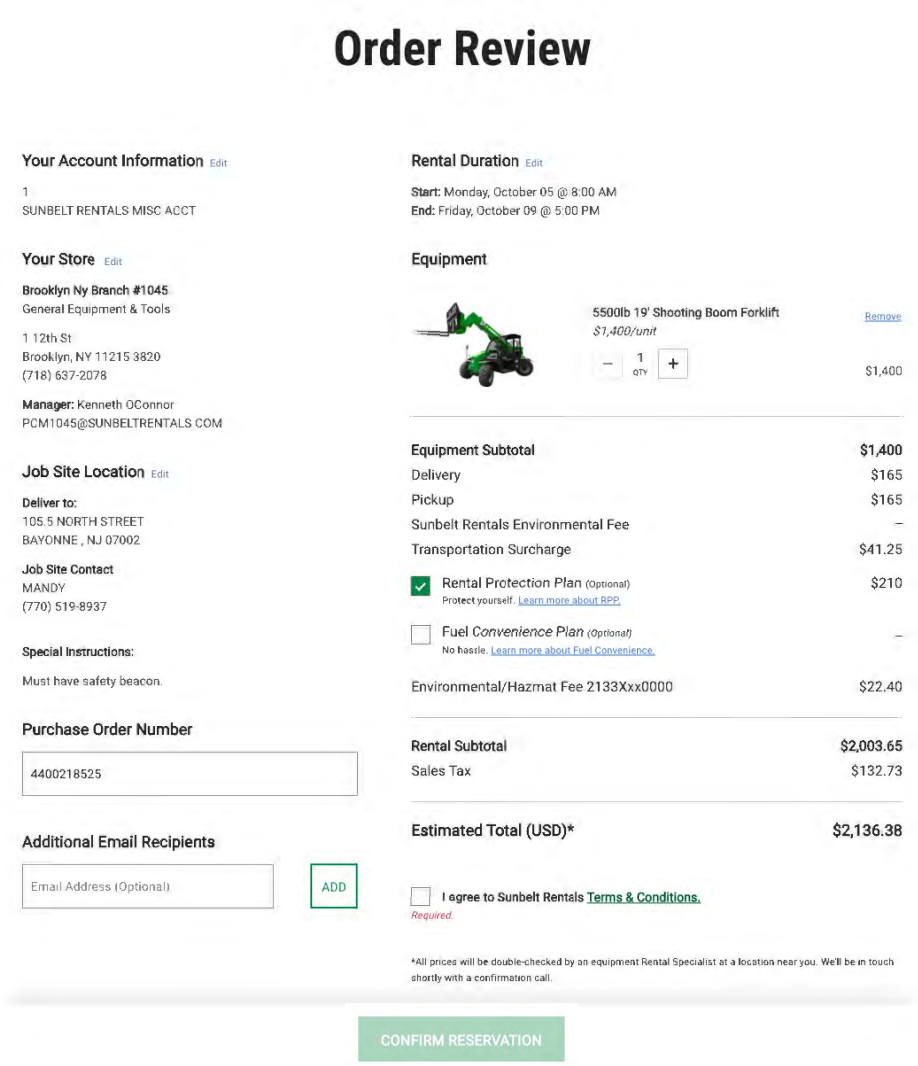

The displayed rates do not include the taxes or optional charges that may be selected later in the checkout process.

Online Ordering Made Simple

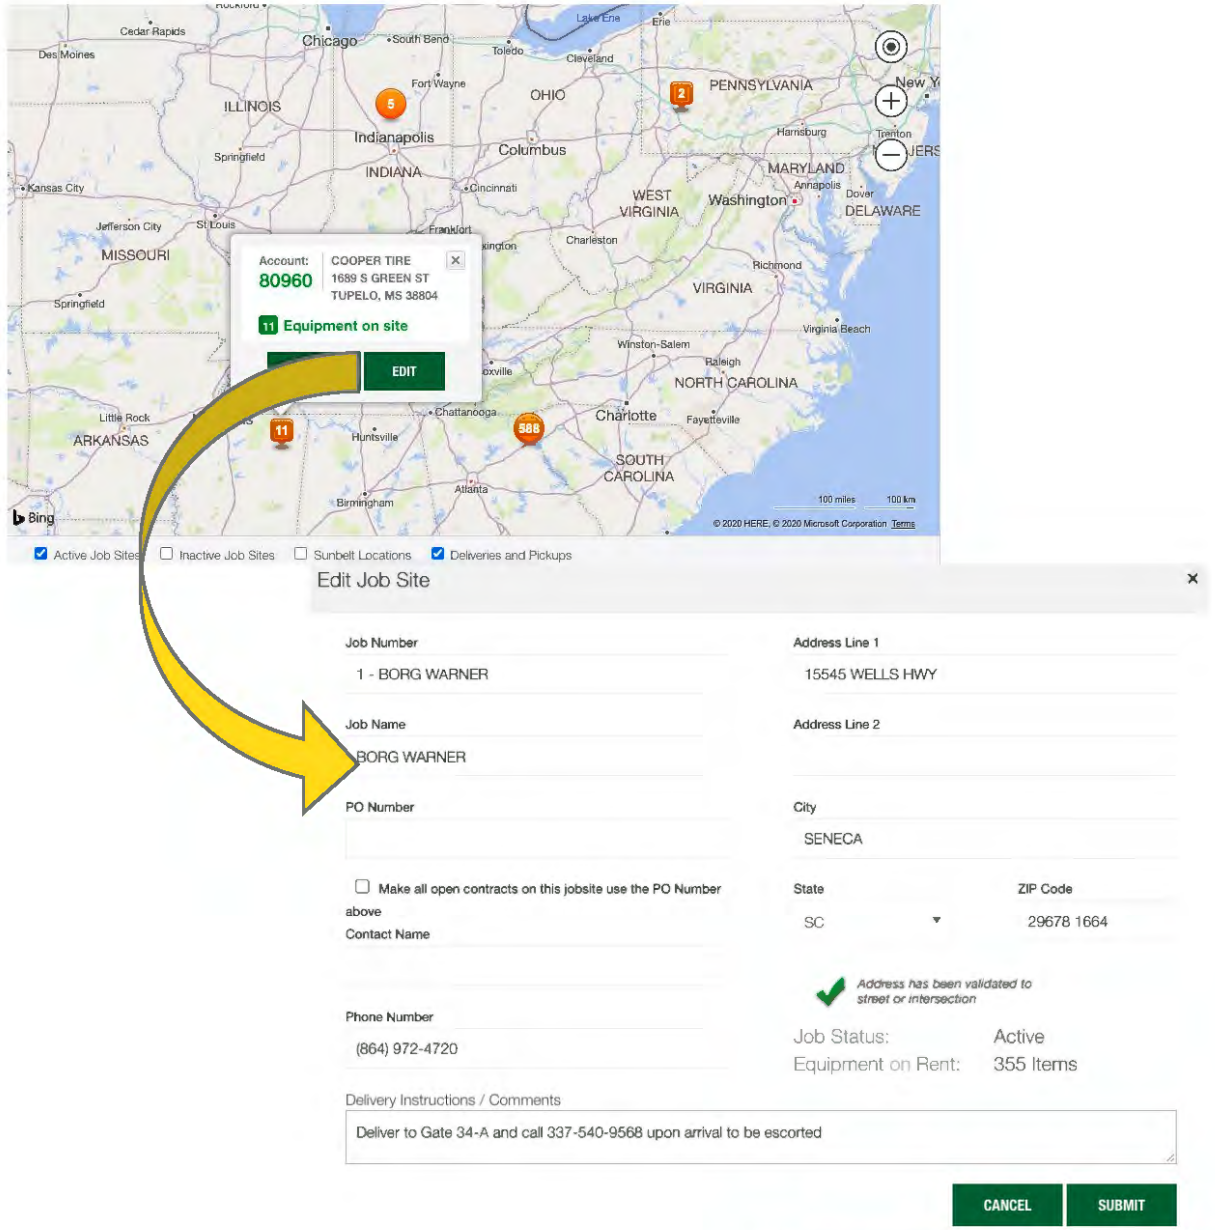

1. Select desired equipment from:
   a. Online Catalog
   b. Quick Rent tab
      i. Recent, Frequent, or Favorite Orders
2. Choose rental duration
3. Select existing Jobsite or create a new one
4. Enter PO or additional billing references*
5. Submit

Managing Jobsites

Manage/Update Jobsite Info

- Job Name (your internal reference)
- Default PO # for future orders
- Contact Name/Phone
- Delivery Instructions

Managing Rentals (Jobs & Equipment)

Manage your rental equipment via personalized layouts that empower you to quickly identify and act on key items including:

-Delivery Signatures on Contracts

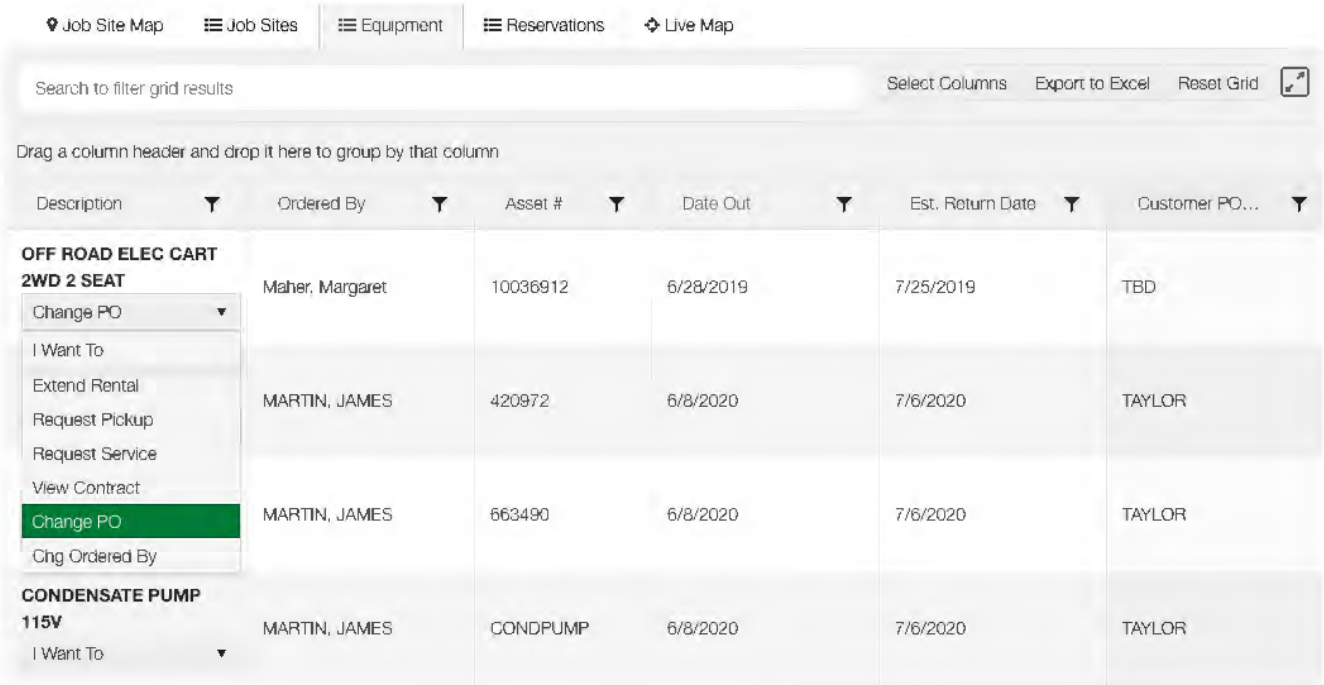

-Underutilized assets

-Overdue equipment

-Missing/Inaccurate POs

-Outdated Ownership

-Future Rentals

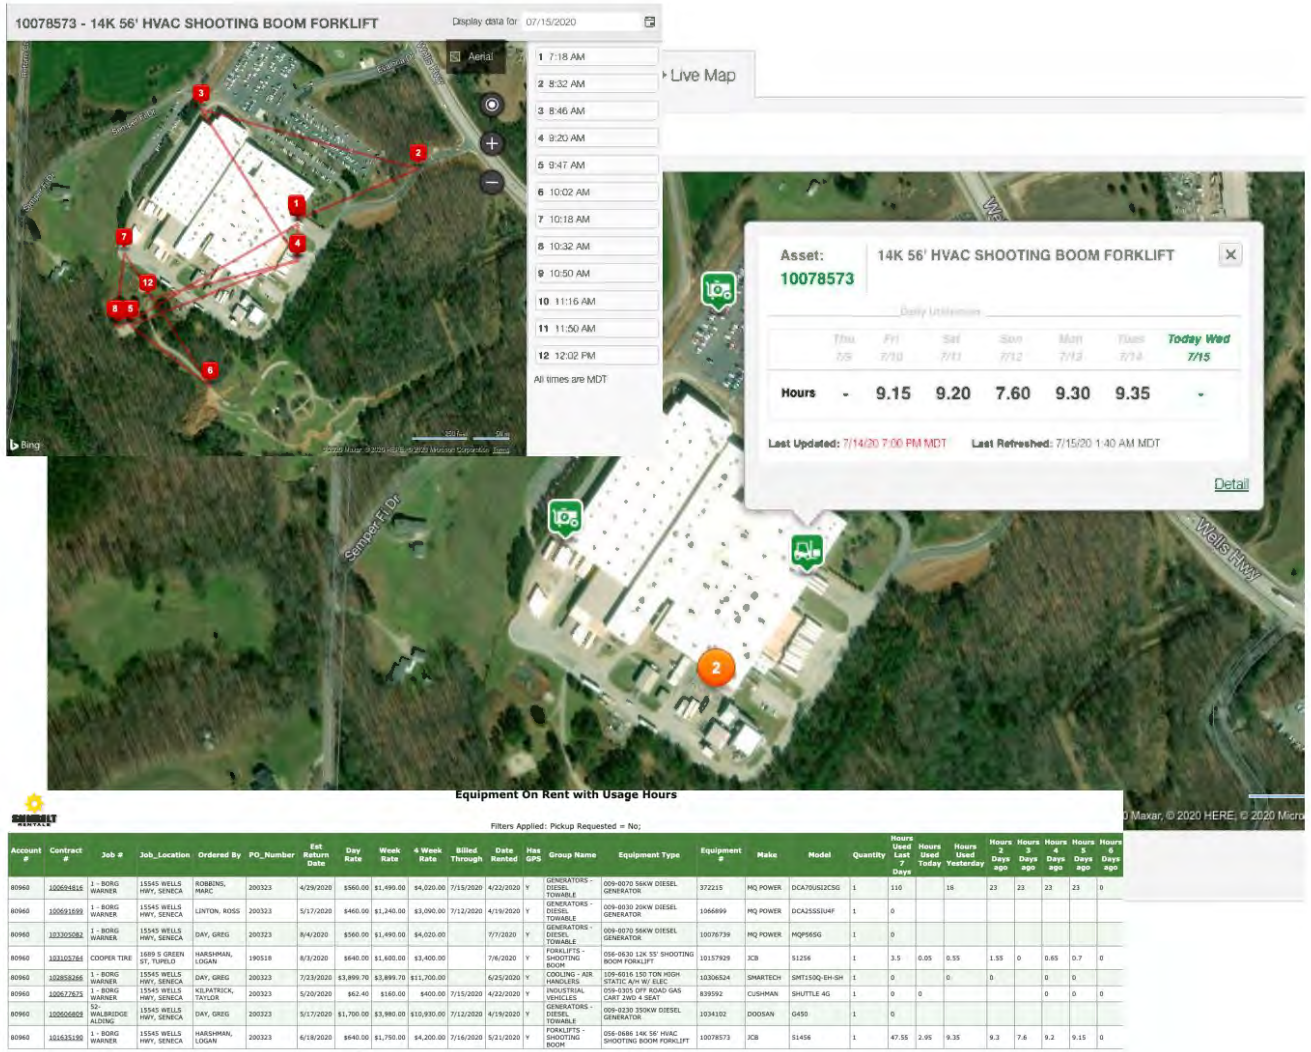

Telematics Data

Sunbelt's Telematics Program empowers you to:

- Identify the last known location of missing assets
- Assess utilization trends via reporting and/or alerts to right-size your rental fleet
- Analyze historical utilization data to impactfully guide future projects

Key internal developments:

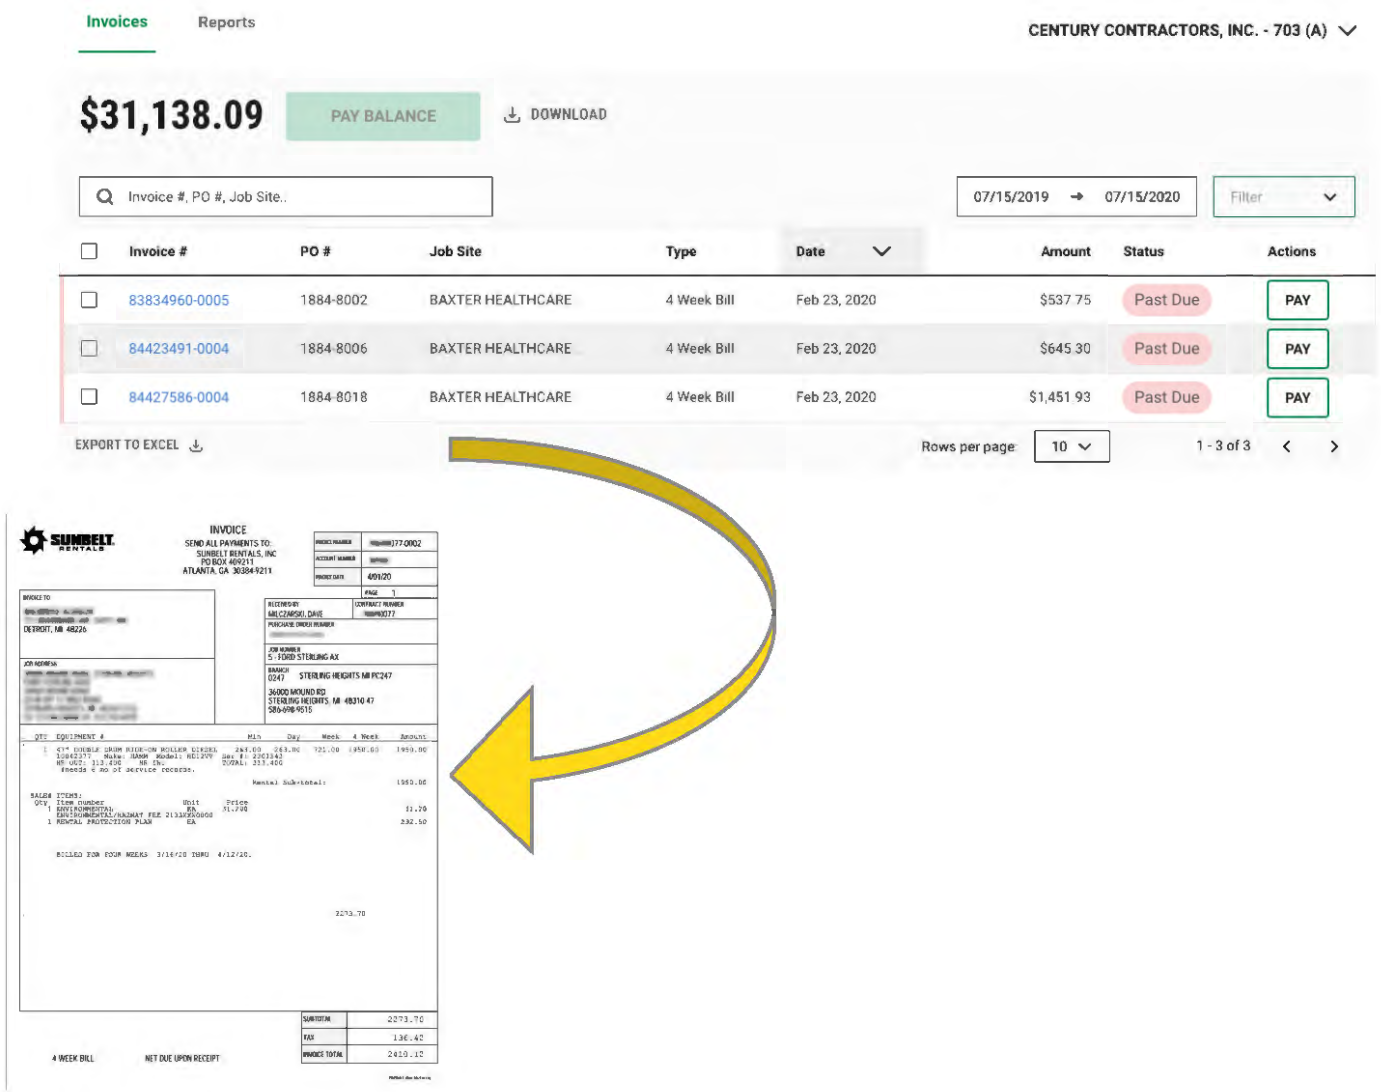

- Mandated factory installation for much of Sunbelt's Equipment Catalog
- Proactive real-time monitoring of data feeds
- Integration of remote diagnostics for the Sunbelt Service Team
- Integration with Sunbelt's dispatch system for safer and more efficient pickups

To learn more, please contact your local Sunbelt Account Manager

Managing Invoicing

- Review, approve, and pay invoices
- Analyze spend for a specific project, timeframe, or PO
- Identify missing/inaccurate POs
- Review Paperless Billing options
- Identify and act upon oldest invoices

Data Insights (Reporting)

Seven standard reports are already built for quick access:

- Equipment On Rent
- Invoice History
- Invoice History with Details
- Payment History
- Rental History

Reports can also be customized with the options to **save** any changes for future use, as well as **schedule** the report to be automatically emailed to you or your team at a time and cadence of your choice.

Real-Time Awareness (Account Activity)

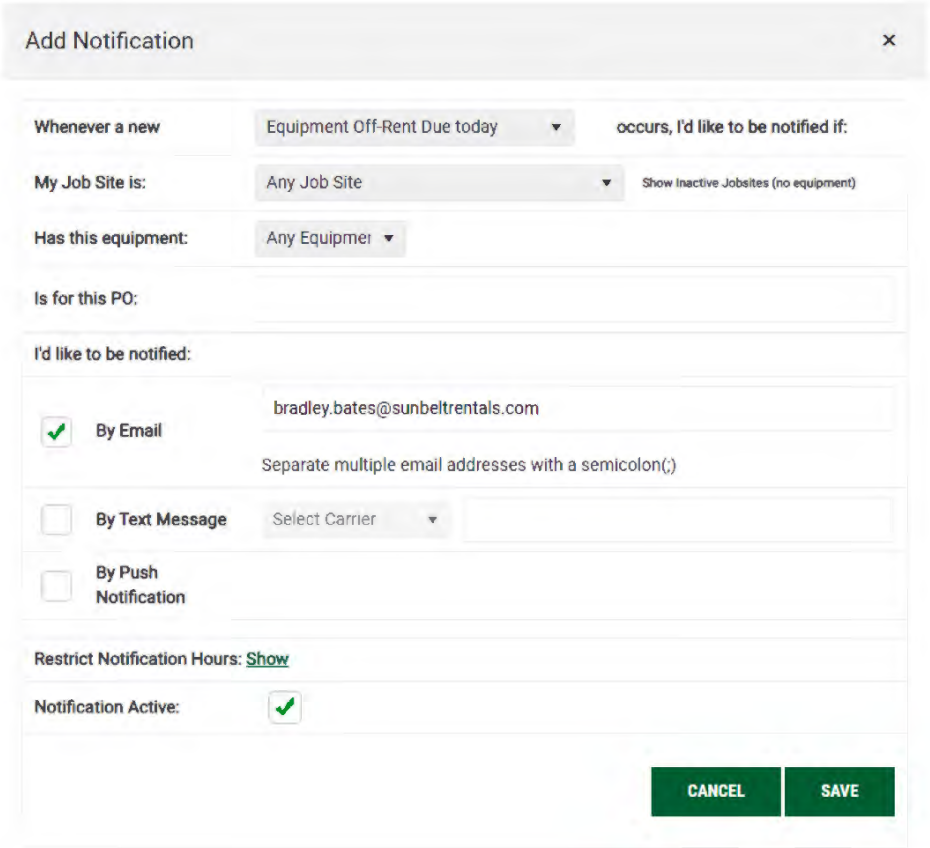

Utilize the Account Activity tab to proactively manage transactions by:

- Reviewing the last 30 days of activity
- Subscribing to and of the 22 customizable notifications based on an event, Jobsite, or PO
  - Examples include “Delivery Complete” and “Equipment Off-rent Due Today”

THE POWER OF SUNBELT

Sunbelt Rentals helps professionals and do-it-yourselfers get things done. With a highly diversified offering of equipment and services available, we help customers extend their capabilities, complete projects on-time and handle times of crisis. No matter if you are in commercial, industrial, residential or municipal industries, we are constantly advancing the idea of what a rental equipment company can do for its customers.

WE MAKE IT HAPPEN!

VISIT **SUNBELTRENTALS.COM** TO FIND OUT WHAT WE CAN DO FOR YOU.

TEAM OF 20,000+ PASSIONATE RENTAL EXPERTS

Aren't sure what is the best tool for the job? Reach out to the team to help. No project is too big or small.

RESERVE, RENT AND RETURN YOUR EQUIPMENT WITH EASE

Manage all your projects from start to finish with the Sunbelt Rentals mobile app.

READY 24/7

Not everything can be planned. We are ready to get you what you need, for planned and emergency situations.

14,000+ TYPES OF TOOLS AND EQUIPMENT READY TO WORK

The right tool or piece of equipment can make all the difference in helping to get a job done fast and efficiently.

SOLUTIONS FOR ANY PROJECT

CLIMATE CONTROL SERVICES

Outfitted with the industry's largest fleet of temperature-control equipment, our team of seasoned professionals provides turnkey engineered cooling, heating and dehumidification solutions for a wide variety of applications.

FLOORING SOLUTIONS

Our flooring experts provide customized solutions for cleaning, maintaining, and restoring all hard and soft surfaces using scrubbers, sweepers, carpet extractors, vacuums, grinders, polishers and accessories — ideal for everything from carpet and resilient surfaces to finished and unfinished concrete.

GENERAL TOOL & EQUIPMENT

With more than 8,000 product types, we stock the broadest fleet in the rental industry for commercial, residential, industrial, municipal, specialized service industries and homeowners.

GROUND PROTECTION

We serve the industry with the largest inventory of composite ground protection mats and accessories for rent. Our team of experts will handle everything from initial site visit and installation to post-project teardown.

INDUSTRIAL HEAT

We deliver site-specific engineered solutions for all industrial heating applications. Our heaters can withstand the harshest weather conditions and include indirect-fired, flameless, hydronic, rig heaters and more.

INDUSTRIAL SERVICES

Providing comprehensive tool and equipment packages, including on-site tool management, to support all projects and special needs for industrial applications, including plant shutdowns, outages, turnarounds, plant maintenance and more.

OIL & GAS SERVICES

We offer full start-to-finish support. From site prep to frack, coil tube to completions, we can meet the needs of the most challenging oil and gas project.

POWER & HVAC SERVICES

Backed by a diverse fleet of portable and containerized generators, load banks, air compressors, desiccant dehumidifiers, chillers, cooling towers and more; our experts specialize in providing custom-designed solutions for a diverse array of projects across a broad range of industries.

PUMP SOLUTIONS

We have equipment and expertise for all major pumping projects, including dewatering job sites, performing large sewer bypasses, fluid handling for industrial facilities and more.

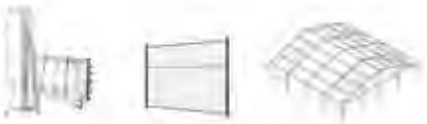

SCAFFOLD SERVICES

Whether you require one assembler or 500, Sunbelt Rentals delivers the scaffolding and manpower you need in a full turnkey solution for commercial and industrial projects.

TRENCH SAFETY

Supported by a comprehensive fleet of excavation shoring, structural shoring, and bridging equipment, our team delivers unrivaled safety on any project with the most cost-effective rental options in the industry. Available equipment includes steel and aluminum trench boxes, road plates, sheet pile, frames, slide rail, bridging and more.

CONTAINMENT WALLS, FENCING & STRUCTURES

Temporary containment walls, fencing and structures provide flexible structures and solutions to control and secure your jobsite keeping your project moving foward with little downtime.

GENERAL INFORMATION

OPERATING HOURS

Standard business hours at most Sunbelt Rentals locations are from 7:00 a.m. to 5:00 p.m. Monday through Friday (weekend operating hours vary by location). We also offer a 24-hour emergency hotline to accommodate both after-hours service and rental needs: **800-667-9328.**

RENTAL TERMS

For more information on rental terms and conditions visit **www.sunbeltrentals.com/about/terms-and-conditions.**

To apply, complete the credit application online at **sunbeltrentals.com/creditapplication** or toll-free at **800-508-4756.**

FUEL PAYMENT OPTIONS

Prepay Fuel Option
Customer may purchase a full tank of fuel for the Equipment at the start of the rental, in which case a "convenience charge" will appear on this Contract (calculated by multiplying the estimated fuel capacity of Equipment by the Prepay per Gallon rate). As an added benefit, Customer may return the Equipment full of fuel and the convenience charge will be refunded (however, if not returned full, Customer will not obtain any credit for fuel left in the Equipment upon return).

Pay on Return Option
If Customer returns Equipment with less fuel than when received, Customer shall pay a refueling charge (calculated by multiplying gallons required to refill tank with fuel to level when received, by the Pay on Return per gallon rate).

Return Full Option
If Customer returns the Equipment with at least as much fuel as when it was received (most Sunbelt Equipment comes with a full tank of fuel, but not all), no fuel charge will be assessed.

The cost of Customer refueling Equipment itself will generally be lower than the Prepay Fuel Option or the Pay on Return Option; however these options each allow for the convenience of not refueling. Customer agrees that none of these options are a retail sale of fuel.

DELIVERY & PICK-UP

Sunbelt Rentals maintains an extensive fleet of delivery vehicles to provide responsive transport of equipment for our customers at competitive rates. We also offer trailers for rent, specially designed for hauling the types of equipment we offer.

TRANSPORTATION SURCHARGE

There is a charge intended to defray a wide range of transportation expenses (both direct and indirect), which are not always fully recovered by other transportation charges.

GSA CONTRACT HOLDER

Sunbelt Rentals, Inc. is a GSA contract holder on Schedule 51 V–Hardware Superstore. Sunbelt Rentals is committed to offering our federal government customers the best service in the rental industry. In order to ensure this high level of service we have established a team that is dedicated exclusively to your needs.

We offer a large portion of our rental fleet on our GSA schedule. Any equipment that is not on our GSA schedule is also available.

GSA Contract # GS-21F-0028T
Section 833 Qualified
FSC Group 51 V – Hardware Superstore
SIN's: 105-001 & 515-002
CCR Registered: Duns #: 101776490
CCR Registered: Cage Code: 1LCW3

SAFETY IS A CORE VALUE

We put it first for both you and our team members every moment of every day. Not only do we earn one of the highest safety records year in and year out, but our rigorous training and prevention model includes the industry's best customer safety training, too.

Training classes available:

- Earth moving
- Excavation
- Forklift
- MEWP
- Supported and suspended scaffolding

View training courses at **sunbeltrentals.com/safety**

Safety Icon Key

It is important that you use all the manufacturer's recommended safety equipment, review all safe operation manuals and decals, and observe all safety precautions when utilizing tools and operating equipment. The operator/user assumes all responsibility for the use, care, or inspection of PPE (Personal Protective Equipment).

MANAGE ALL ASPECTS OF YOUR SUNBELT RENTALS EQUIPMENT AND ACCOUNT FROM YOUR MOBILE DEVICE.

RENTAL PROTECTION PLAN

The Rental Protection Plan (RPP) is NOT an insurance policy. The RPP is an extended rental protection plan for you or your company, to offset possible damages or theft that may occur during the equipment rental period. While the RPP is completely optional, it is recommended to maximize your total protection while renting equipment. The RPP can also cover gaps in your insurance coverage such as when the loss is within your insurance deductible or when the loss is greater than the deductible, but not large enough to make filing a claim in your best interest. Actual terms of the RPP are outlined in the rental contract.

Theft Protection
For equipment stolen, customer is only responsible for 10% of the manufacturer's suggested list price, up to a maximum of $500.

In the case of theft of equipment, the customer's responsibility is limited when you have paid for the RPP and comply with the rental contract, including filing a proper police report of the theft within 48 hours of discovery of theft. If the equipment is recovered at a later date, Sunbelt Rentals retains ownership. Without the RPP, if equipment is stolen from your job site, you are 100% responsible for replacing the equipment. Even if your insurance covers the stolen equipment, you will likely have to meet your deductible. With the RPP, your maximum responsibility for stolen equipment is 10% of the manufacturer's suggested list price, up to a maximum of $500.

Damage Protection (Incidental & Accidental)
For the cost of repairs, the customer is only responsible for 10% of the cost of the repairs, up to a maximum of $500.

The RPP can shield you, as the customer, against unexpected expenses that could result from damage during the use of rental equipment. Typically insurance does not cover the cost of repair or such repair cost is within your deductible amount.

Tire Protection
First $50 of tire puncture repair costs are covered for each occurrence.

Rental Liability
Customers are exempt from rental charges on damaged equipment covered by RPP while it is being repaired.

The RPP limits your responsibility for cost of repairs, as well as eliminating your liability for the rental amount normally charged during the period in which the equipment is repaired.

There are limitations to the RPP coverage which are clearly listed on the Rental Contract. Please refer to your contract or ask to speak to a manager if you have questions about the RPP. FOC-713R

ENVIRONMENTAL FEE

In order to meet the equipment needs of our valued customers, Sunbelt Rentals handles potentially hazardous materials like fuel, oil, cleaners, batteries and sediment every day. Proper management of these materials and their by-products is expensive, but we are committed to protecting the environment and our communities. As a result, Sunbelt Rentals invests in solutions intended to minimize impacts to our environment and comply with Federal, State/Provincial and local regulations, such as containing our potentially hazardous materials, treating our wash bay run-off/waste, and proper disposal or recycling of oil, filters, fluids, tires, batteries and shop waste.

The Sunbelt Rentals Environmental Fee is not a government mandated tax or fee. This fee helps offset a wide-range of environmental-related risks and expenses (direct and indirect) incurred through activity of our rental fleet, such as:

- Waste disposal
- Oil recycling
- Fuel and fluid handling
- Construction and operation of cleaning facilities
- Treating our wash bay run-off/waste
- Investment in low emission rental assets (i.e., Tier IV)
- Labor costs related to environmental compliance
- Governmental reporting
- Administrative costs

This fee is not intended for any particular purpose or placed in an escrow account. It becomes part of Sunbelt Rentals revenue and is used at our discretion. This fee is intended to be added to each piece of rental equipment identified as having a potential for environmental impact, and in accordance with the groupings set forth in the following chart.

TIER 1: Equipment requires no cleaning	
How is the fee calculated?	No charge
What is the rate of the fee?*	0.00%
What is the minimum charged?	N/A

TIER 2: Equipment requires general cleaning	
How is the fee calculated?	% of rental rate
What is the rate of the fee?*	1.25%
What is the minimum charged?	$1.00 USD or CAD

TIER 3: Equipment contains propane, kerosene, battery, hydraulic fluid or natural gas	
How is the fee calculated?	% of rental rate
What is the rate of the fee?*	1.50%
What is the minimum charged?	$1.00 USD or CAD

TIER 4: Equipment contains a combustion engine	
How is the fee calculated?	% of rental rate
What is the rate of the fee?*	1.95%
What is the minimum charged?	$1.00 USD or CAD

*Percentage charged against the total rental amount

AIR COMPRESSORS

For more information, scan code or visit sbr.com

Air compressors are designed for contractors' rugged demands and numerous applications, including demolition, road and bridge building, sandblasting and general construction work. Sunbelt Rentals carries a wide variety of air compressors that are portable, towable or industrial size – all built to answer the demands of whatever job needs to get done.

- Aftercooler/Dryer/Filter Packages

- Air Hoses
- Air Manifolds
- Custom Filter Packages
- Desiccant Dryers
- Electric Air Compressors
- Instrument-Quality Air Compressors
- Membrane Dryer/Aftercooler Packages
- Portable Air Compressors
- Standard Diesel Air Compressors
- Towable Air Compressors

AIR COMPRESSORS

AIR TYPES

Standard Compressed Air (Oil-Flooded)

- Hot (Heat of compression is approximately 110ºF over ambient)
- Wet (Humidity in ambient air is sent downstream)
- Oily (Oil-flooded compressors will pass oil downstream)

Instrument-Quality (IQ) Compressed Air

- Oil-flooded air with after-treatment
- After-cooled (15–25ºF of ambient)
- Filtered (.01 micron and .01 ppm remaining oil content)
- 99.99% of all impurities are removed
- Cleanest compressed air available

Oil-Free Compressed Air (Dry Screw)

- No oil utilized in the compression cycle
- After-cooled (25ºF of ambient)
- Minimal filtration (filtered to 25 microns)
- Not cost effective and not needed for compressing air (in most applications)

ISO 8573.1 Quality Classes

QUALITY CLASSES	SOLIDS (MAX PARTICLE SIZE IN MICRONS)	MOISTURE DEW POINT		OIL LIQUID & GAS

Jenny	G8HGA-17P	Gas Cart	8	16.2	17 gal.	250 lbs.	003-0045

*CFM rating is at 100 PSI rated output, except Mi-T-M AS2-SH08-30M, which is at 175 PSI rated output.

TOWABLE AIR COMPRESSORS are designed for the rugged demands of contractors in numerous applications, including demolition, road and bridge building, sandblasting and general construction work. They feature single-axle trailer mounting for towing at speeds up to 55 mph. Diesel-driven models ranging from 90 cfm to 375 cfm are available. Smaller models include two 3/4-inch discharge outlets; 375 cfm models include one 1-1/4-inch outlet.

AIR COMPRESSORS

STANDARD DIESEL (LUBRICATED AIR END) AIR COMPRESSORS are ideal for meeting emergency and supplemental air requirements at industrial plants and commercial facilities where critical air quality is not required. They are also well-suited for construction applications such as powering large portable drills and multiple smaller air tools. They feature efficient rotary screw compressor units coupled with continuous duty-rated diesel engines for sustained, dependable operation.

INSTRUMENT-QUALITY (I-Q) AIR COMPRESSORS provide extremely clean, high-quality compressed air on a cost-effective basis for a wide range of industrial and construction applications. This is achieved by combining a rotary screw air compressor with an aftercooler, a moisture separator, dual coalescing filters and a condensate burn-off system in an efficient, self-contained package.

*Units operate on a 460V 3-phase power.

QUICK QUESTIONS

Here's a quick checklist with the questions you should ask before renting an air compressor:

- ☐ Is there enough room for all the equipment?
- ☐ Can you unload the equipment?
- ☐ Who is going to fuel an auxiliary tank?
- ☐ If the air compressor is electric, can the breaker handle the inrush amps?
- ☐ Do you need low ambient protection (below 35°F)?
- ☐ Do you need a receiver tank?
- ☐ Is this application critical or is the site remote?
- ☐ Will you need a back-up?

Air Pressure Regulator	150-0085
Blow Pipe	150-0090
660 gal. Air Receiver Tank	150-0053

AIR MANIFOLDS provide multiple 3/4-inch air outlets with ball valve controls from a larger (1-1/2-inch or 2-inch) air inlet. Both tank-type and cage-type air manifolds are offered, both types with a 200 psi pressure rating. (Cat-Class 150-0095) Note: Other types and sizes of air manifolds are available.

TEXAS PNEUMATIC TX-2AMF
Tank-type air manifold
(8) ball valve controlled outlets
2" air inlet with 4-prong coupler on one end and flow-through plug on the other end allows using multiple units in tandem.

TEXAS PNEUMATIC TX-1AMF-WF
Cage-type air manifold w/ water filter
(6) ball valve controlled outlets and a 1-1/2" air inlet.

AIR COMPRESSORS

AACA-450
10 scfm

AFTERCOOLER/SEPARATORS reduce compressed air temperatures to within 5ºF to 20ºF of ambient temperature. These units help to make air safe, usable and capable of further filtering and drying. These are also capable of eliminating up to 70% of water. Maximum working pressures to 400 psig are available. Air-driven fans include air motor, regulator, lubricator and relief valve.

Capacity Selection Chart*: Max scfm @ 5ºF, 10ºF, 15ºF and 20ºF approach temperature to ambient.

INLET TEMPERATURE ºF	150				200				250

AACA-1600	70 scfm	3" npt	73" x 48" x 72"	800 lbs.

AFTERCOOLER/FILTER PACKAGES

Obtain oil-free air with lubricated (oil-flooded) compressors. Units are skid-mounted, require no power and feature filter gauges that indicate element replacement.

AFCS1000
1,000 scfm

This package includes an aftercooler with air-driven fan motor which reduces air temperature leaving the compressor to within 10ºF to 15ºF of ambient temperature.

Eliminates 80% of water and utilizes a separator/filter to remove bulk liquids. Prefilters the air for finer filtration. Large-in-depth bed eliminates heavy particulate loads. Employs an ultra-high efficiency coalescing oil removal filter that removes fine oil droplets (aerosols) and solid particles 0.01 microns and larger.

Oil content after filtration: 001 ppm w/w. Ideal for Construction, bridge repair, sandblasting, painting, manufacturing, refineries, shipyards, paper and chemical.

MODEL	CAPACITY (SCFM)	DIMENSIONS (H x W x D)	WEIGHT

AFCS750	750	68" x 48" x 60"	675 lbs.
AFCS1000	1,000	73" x 48" x 72"	950 lbs.
AFCS1600	1,600	73" x 48" x 72"	1,000 lbs.

AIR COMPRESSORS

MEMBRANE DRYER/AFTERCOOLER PACKAGES

Features a three-part filtration system, air cooling and sturdy design.

Includes an aftercooler that is rated for 10ºF approach from ambient temperature.The unit features an air-driven fan motor, regulator, lubricator and muffler/separator. Our three-stage filtration system includes a separator/prefilter to remove liquids to 3 microns, two-stage prefilter to remove liquid water and oil to 1 micron, and high-efficiency oil removal to remove solids and aerosols to 0.01 micron. Filters are oversized and staged to increase particulate loading capacity. Drains on prefilter housings are float type. Steel channel construction with forklift slots included. Also features 2-inch npt Male in and out compressed air connections.

AFTERCOOLER/DRYER/FILTER PACKAGES

A complete air treatment system in one package (cfm air loss 15%–20%).

The aftercooler with air-driven fan motor lowers temperature of air leaving the compressor to within 7.5ºF of ambient temperature and eliminates 70% of water. Prefilter 1 serves as a separator/filter that removes bulk liquids and prefilters the air. Prefilter 2 is an ultra-high efficiency coalescing type oil removal filter that removes fine oil droplets (aerosols) and solid particles 0.01 microns and larger. Oil content after filtration = 0.001 ppm w/w. Our pressure-swing (heatless) regenerative desiccant dryer—produces extra dry air (-40ºF or -80ºF pressure dew point). The efficient design minimizes purge air requirements. Dryer runs on 12V dc—115V ac optional and units are pre-piped with convenient in/out connections. Can be utilized industrially in spray painting, powder coating, blow molding, pneumatic instrumentation, nitrogen generation and process air. Construction (with portable compressors) applications include bridge repair, sandblasting, painting and pipeline dehydration.

CUSTOM FILTER PACKAGES

Compressed air as clean as you need it— we offer custom filter packages tailored to meet your specific requirements. Examples include coalescing type oil removal filters, oil vapor removal filters, separator/filters, air line filters and any combination of these filters. Each filter package includes automatic drains and filter change indicators.

MANAGE ALL ASPECTS OF YOUR SUNBELT RENTALS EQUIPMENT AND ACCOUNT FROM YOUR MOBILE DEVICE.

AIR COMPRESSORS

Sunbelt Rentals also offers air hose and accessory items including connectors and fittings, safety whipchecks, OSHA valves, inline water separators, inline oilers, pressure regulators, blow pipes and receiver tanks.

DESICCANT DRYERS: For dew points of -40ºF and -80ºF (cfm air loss 15–20%)

Features

- Mounted particulate and oil removal prefilters complete with automatic condensate drains and a one micron afterfilter—no field installation of filters is required
- Heavy-duty frame with lifting lugs and forklift channels for easy handling
- NEMA 4, 115/1/60 electrics—suitable for outdoor operation (all pneumatic units are also available)
- Units can be field adjusted for -40ºF or -80ºF pressure dew point
- Full instrumentation package provides ready indication of system malfunction
- High-pressure models (350 psi) are available

Operating Conditions

- Maximum inlet compressed air temperature: 120ºF
- Minimum/maximum ambient temperature: 35/120ºF standard (-10/120ºF with low ambient package installed)

Note: Transport desiccant dryers on air-ride trucks only.

AIRREX AHSC-18
1.5 Ton AC

AIRREX AHSC-60
5 Ton AC

PORTABLE AIR CONDITIONERS/DEHUMIDIFIERS are ideal for small area cooling and spot cooling—the ability to direct cool air to precise locations. These efficient units provide comfort for workers and protection for sensitive equipment in all types of environments. Spot cooling provides substantial energy savings compared to central air conditioning by cooling only the area, people or equipment necessary. Energy-efficient and ultra-quiet, these units can achieve temperature drops of 12°F to 30°F in just minutes.

AIR CONDITIONERS

PORTABLE WATER-COOLED AIR CONDITIONERS offer an extremely efficient and effective way to control the climate in any sized room. Because water cooled air conditioners do not discharge large amounts of heat, they do not require exhaust ducting and are used to great effect in enclosed areas.

WE'LL MAKE IT HAPPEN

FULL-SERVICE SOLUTIONS

It's not enough to merely have the equipment you need. Unlike drop-and-go rental providers, we're in the problem-solving business too. So, no matter what obstacles you face, we'll work to help you find a solution. We do this by leveraging project expertise others can't match.

PLANNED AND UNPLANNED NEEDS

We specialize in supporting scheduled maintenance projects and emergency situations when vital systems fail. Our Climate Control experts work closely with you to identify the equipment that best fits your unique application, so you're up and running in no time.

CLIMATE CONTROL SERVICES

It's our job to understand the importance of precise temperature control and to deliver engineered solutions. Our dedicated team of sales engineers and technicians provide white-glove delivery, installation, and removal for temporary heating, cooling, dehumidifying, and indoor air quality control rental equipment.

SMART FAMILY SMT-020QLT
20 Ton Low Temp

AIR HANDLING UNITS are designed and constructed for ease of operation and mobility as well as the rigors of everyday use. Our units are mounted on a structural steel frame that incorporates tube slots for forklift handling. Our units also include a certified structural lifting/stacking protective cage for optional overhead positioning with an onsite crane for hard-to-reach site setup locations. The units are ready for operation with minimal setup of two 4-foot hose connections and four Camlock power cables.

COOLING TOWERS are specialized heat exchangers that bring water and air into direct contact with one another in order to lower the temperature of the water being circulated through the enclosed basin. Our units are modular in design and can be used in both direct systems – augmentation process cooling and HVAC cooling tower change-out – and indirect systems for process cooling in industrial applications. Our fleet of cooling towers helps customers reach their cooling goals while using less energy and experiencing less downtime for maintenance. Typical rental applications include retrofit or replacement of an existing tower and emergency and planned maintenance.

AIR IMPACT WRENCHES provide high-speed bolt torqueing in industrial and construction applications. Factors to consider when selecting an impact wrench for a specific application are the diameter of the bolts being tightened, the approximate torque requirement and the intended use frequency. Oilers, air filters and whip checks can be supplied with the impacts.

Note: Impact sockets are also available for rent. (Cat-Class 150-0155)

AIR POST DRIVERS are ideal for driving fence posts, channel posts, ground rods, beams and stakes in both open space and hard to reach locations. They feature fast, one-man or two-man operation. Two sizes of air post drivers are available plus a selection of chucks to accommodate specific applications.

Note: A transport cart is available for the model PD-55. (Cat-Class 044-0250)

CHIPPING HAMMERS are utilized for many light demolition applications including scaling, chiseling, removing concrete buildup from cement mixers and other surfaces and form stripping. They feature compact designs, making them ideal for working in tight spaces. The 20-pound class models are light paving breakers that function as clay diggers suitable for digging and tunneling around foundations. Demolition tool steel, including chisels, points, spades and bushing heads, is also available for rent.

PAVING BREAKERS are heavy-duty air hammers utilized for the demolition of concrete floors, pavement, masonry walls and bridge decks. All models feature T-style handles for a secure grip and lever-type latches for easy tool changes. 35-pound, 65-pound and 90-pound class hammers are available to accommodate a variety of demolition applications. Demolition tool steel, including chisels, points, spades and bushing heads, is also available for rent.

ROCK DRILLS are designed for drilling through granite, hard faced rock, quarry drilling, drilling secondary holes for blasting and numerous other construction and plant maintenance applications. Utilizing steel or carbide rock bits attached to drill steel, these units apply both impact and rotation to penetrate hard surfaces. The 9-pound models are ideal for drilling holes for anchor bolts and dowel holes. They feature a D-style handle and a 3/4-inch by 3-3/4-inch round chuck. Larger models feature T-style handles for secure grip and clamp-type latches for quick tool changes.

[1]Weight excludes chain.

AIR CHAIN HOISTS are ideal for lifting applications where a compressed air supply is available. With no electrical hazard, they provide freedom from electrical shock and are ideal for use in flammable environments such as chemical plants and refineries. Air chain hoists are the preferred choice for use in dusty or dirty environments.

Note: By removing the bottom block on the 2-ton and 12-ton hoists, the lift capacity is halved (1 ton and 6 tons respectively) and the lifting speed is doubled. Air requirements remain the same.

COMPACTION EQUIPMENT

For more information, scan code or visit sbr.com

Soil compaction is a delicate yet vital process that requires the proper machinery. The goal is to reduce the amount of pore space within your soil. Sunbelt Rentals can help you find the right piece of equipment necessary for your job's compaction needs.

- **Electric Plate Vibratory Compactors**
- **Jumping Jack Tampers/Rammers**
- **One-Way Plate Vibratory Compactors**
- **Reversible Vibratory Plate Compactors**
- **Ride-On Asphalt Rollers**
- **Single-Drum Ride-On Vibratory Compactors**
- **Walk-Behind Asphalt Rollers**
- **Walk-Behind Vibratory Trench Rollers**

COMPACTION EQUIPMENT

WALK-BEHIND VIBRATORY TRENCH ROLLERS feature dual vibratory padfoot tamping drums for compacting cohesive soils and clay in utility trenches and other confined areas. Powered by electric-start diesel engines with hydrostatic drive, they feature articulated steering for easy operation and maximum productivity. Drums are completely clear at the sides, allowing compaction right along the walls of a trench or other obstructions. All models feature infrared or radio remote control operation for increased worker safety.

SEGMENTED—LASER WELDED
For use on a wide variety of materials. Suitable for all-purpose cutting and hard materials.

CONTINUOUS T-RIM TURBO
Excellent for use when less chipping or spalling is desired in all-purpose applications.

TUCK POINTING BLADES
These blades are used for cleaning and removing mortar joints. For use on right angle grinders.

DIAMOND SAW BLADES are available for use with concrete saws, masonry saws and tile saws. Small diameter diamond blades, suitable for portable power tools such as circular saws and right-angle grinders, are also available. Diamond blades consist of a precision-made, steel disc with a diamond edge attached by welding or bonding. Three basic types of diamond blades are illustrated above.

APPLICATION GUIDE FOR DIAMOND BLADES	
BLADE TYPE	**APPLICATIONS**
Abrasive Block	Cutting very abrasive concrete and cinder blocks
Abrasive Material	Cutting green/abrasive concrete and soft abrasive block
All Purpose	Cutting most concrete, concrete block and medium hard brick
Asphalt	Cutting asphalt pavement
Block	Cutting most concrete blocks
Brick	Cutting hard brick, brick pavers and certain types of hard tile
Combo	Cutting a mixture of bricks and blocks
Cured Concrete	Cutting well-cured concrete over 7 days old with medium to hard aggregate
Green Concrete	Cutting green concrete 2 days or newer
Hard Material	Cutting very hard brick, granite and marble
Overlay	Cutting asphalt over concrete
Soft Material	Cutting soft abrasive block
Tile	Cutting most types of ceramic and quarry tile

MULTIQUIP HHN-31V-TCSL5
Twin 48" Ride-on

POWER TROWELS are utilized to float and finish new concrete surfaces. Several types and sizes of power trowels including edging, standard and twin ride-on types are available. All models feature air-cooled gasoline engines, 4-blade design and variable pitch control for adjusting blades to changing surface conditions. Float pans and float, finish and combination blade sets are available for both sale and rental.

[1]These models are available with either standard or Quick-Pitch handles.

POWER SCREEDS provide increased productivity over manual screeding of freshly poured concrete utilizing a vibratory blade. Vibratory action is achieved by a flexible shaft coupled to eccentric weights, which are adjustable to match the centrifugal force to the blade size. Several blade widths are available. Units disassemble in minutes for easy storage and transportation.

CONCRETE & MASONRY EQUIPMENT

HYDRAULIC SPLITTERS break reinforced concrete and rock with up to 385 tons of splitting force. It is ideal for many demolition applications including bridge decks and abutments, retaining walls and foundations, especially in environmentally sensitive areas where breakers and blasting cannot be used. After drilling a pilot hole with a pneumatic rock drill, the plug and feather end of the hydraulic splitter is inserted. An air-driven hydraulic pump applies hydraulic pressure to force the plug between the feathers, splitting the concrete or rock.

INDUSTRIAL CONCRETE GRINDERS are heavy-duty grinders utilized for the surface preparation of concrete floors prior to the application of new coatings. They are also ideal for grinding, honing and polishing concrete, terrazzo and stone surfaces. Each unit is equipped with a water system and tank for wet grinding and should be used in conjunction with a dust collector vacuum.

CONCRETE & MASONRY EQUIPMENT

CONCRETE FLOOR GRINDERS (scarifiers) utilize rotating discs to level, smooth or clean the top surface of a concrete slab. Applications include eliminating trowel marks, smoothing rough edges, removing coatings, grinding high spots and adding texture to slippery surfaces. Several sizes and types of floor grinders are available including electric edge grinders, electric and gas conventional grinders (single and dual disc) and high-speed turbo grinders (electric, gas and propane models available). All models accommodate a dust collector vacuum.

BLASTPRO BP-9-110V
9" Electric Push-Type

BLASTPRO BP-10-SUPER
10" Electric Self-propelled

BLASTPRO BP-10-27
10" Propane Ride-on

PORTABLE SHOT BLASTERS provide one-step surface preparation for a variety of concrete surface applications where a minimum amount of material must be removed in preparation for resurfacing. Blast media (shot) is directed in a controlled pattern to scour the surface. A powerful dust collector vacuum separates the blasted debris from the shot and stores it safely for disposal. Steel shot is recycled through the chamber until it is too small to be effective and then it is removed with the debris by the vacuum. Several types of shot blasters are available including an electric push-type edger model, electric self-propelled models and a propane-powered ride-on model, providing blast patterns up to 10-inches wide.

CRANES

For more information, scan code or visit sbr.com

Industrial lifting calls for heavy equipment. Manpower isn't always enough to handle larger than normal loads, materials, or equipment. The Sunbelt Rental fleet of cranes stands at the ready to help your project reach new heights.

Carry Deck Cranes
Portable Industrial Cranes

CRANES

PORTABLE INDUSTRIAL CRANES feature 48V self-propelled operation. Narrow 37-inch width and short 6-foot 7-inch turning radius allow traveling through narrow corridors and doorways. Low 5-foot 6-inch retracted height helps clear overhead obstructions. Units include an onboard charger.

EXHIBIT 2: MODIFICATIONS TO THE AGENCY AGREEMENT

1. References. All references to "[Agency]" in the Agency Agreement shall mean and be understood to be "City of San Diego".

2. Insurance. Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by Contractor, his agents, representatives, employees or subcontractors. Contractor shall provide, at a minimum, the following:

2.1 **Commercial General Liability.** Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury, and personal and advertising injury with limits no less than $1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

2.2 **Commercial Automobile Liability.** Insurance Services Office Form Number CA 0001 covering Code 1 (any auto) or, if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than $1,000,000 per accident for bodily injury and property damage.

2.3 **Workers' Compensation.** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

2.4 **Other Insurance Provisions.** The insurance policies are to contain, or be endorsed to contain, the following provisions:

2.5 **Additional Insured Status.** The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

2.6 **Primary Coverage.** For any claims related to this contract, Contractor's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by City, its officers, officials, employees, or volunteers shall be excess of Contractor's insurance and shall not contribute with it.

2.7 **Notice of Cancellation.** Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to City.

2.8 **Waiver of Subrogation.** Contractor hereby grants to City a waiver of any right to subrogation which the Workers' Compensation insurer of said Contractor may acquire against City by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

2.9 **Self-Insured Retentions.** Self-insured retentions must be declared to and approved by City. City may require Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self- insured retention may be satisfied by either the named insured or City.

2.10 **Acceptability of Insurers.** Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A-VI, unless otherwise acceptable to City.City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

2.11 **Verification of Coverage**. Contractor shall furnish City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive Contractor's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

2.12 **Special Risks or Circumstances.** City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

2.13 **Additional Insurance.** Contractor may obtain additional insurance not required by this Contract.

2.14 **Excess Insurance.** All policies providing excess coverage to City shall follow the form of the primary policy or policies including but not limited to all endorsements.

2.15 **Subcontractors.** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors. For CGL coverage, subcontractors shall provide coverage with a format at least as broad as the CG 20 38 04 13 endorsement.

3. Indemnification. To the fullest extent permitted by law, Contractor shall defend (with legal counsel reasonably acceptable to City), indemnify, protect, and hold harmless City and its elected officials, officers, employees, agents and representatives (Indemnified Parties) from and against any and all claims, losses, costs, damages, injuries (including, without limitation, injury to or death of an employee of Contractor or its subcontractors), expense, and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, and litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, any goods provided or performance of services under this Contract by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or anyone that either of them control. Contractor's duty to defend, indemnify, protect and hold harmless shall not include any claims or liabilities arising from the sole negligence or willful misconduct of the Indemnified Parties.

4. Governing Law. The Contract shall be deemed to be made clear, construed in accordance with, and governed by the laws of the State of California without regard to the conflicts or choice of law provisions thereof.

5. Venue. The venue for any suit concerning solicitations or the Contract, the interpretation of application of any of its terms and conditions, or any related disputes shall be in the County of San Diego, State of California.

6. The remaining portions of the Agency Agreement shall remain in full force and effect.

EXHIBIT 3

WATER INFRASTRUCTURE FINANCE AND INNOVATION ACT (WIFIA) PROGRAM FUNDING AGENCY PROVISIONS

By signing this Contract, Contractor certifies that they are aware of the WIFIA provisions described herein and shall comply with such provisions before commencing services.

A. Equal Employment Opportunity. The Contractor shall comply Equal Employment Opportunity requirements found in Department of Labor regulations (41 CFR Chapter 60).

Contractor's compliance shall be based on implementation of the Equal Opportunity Clause, and specific affirmative active obligations required by the Standard Federal Equal Employment Opportunity Construction Contract Specifications, as set forth in 41 CFR Part 60-4.

During the performance of this contract, Contractor agrees as follows:

1. Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City of San Diego contracting officer setting forth the provisions of this nondiscrimination clause.

2.Contractor will, in all solicitations or advancements for employees placed by or on behalf of Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with Contractor's legal duty to furnish information.

4. Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice,

to be provided by the agency contracting officer, advising the labor union or workers' representative of Contractor's commitments under 41 CFR Chapter 60, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5. Contractor will comply with all provisions of the rules, regulations, and relevant orders of the Secretary of Labor.

6. Contractor will furnish all information and reports required by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7. In the event of Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in 41 CFR Chapter 60, and such other sanctions may be imposed and remedies invoked as provided by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8. Contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor, so that such provisions will be binding upon each subcontractor or vendor. Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, Contractor may request the United States to enter into such litigation to protect the interests of the United States. [Sec. 202 amended by EO 11375 of Oct. 13, 1967, 32 FR 14303, 3 CFR, 1966–1970 Comp., p. 684, EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230, EO 13665 of April 8, 2014, 79 FR 20749, 79 FR 42971]

B. Standard Federal Equal Employment Opportunity Construction Contract Specifications. (41 CFR 60-4.3).

1. As used in these specifications:

a) "Covered area" means the geographical area described in the solicitation from which this contract resulted;

b) "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;

c) "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941.

d) "Minority" includes:

i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);

ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);

iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of $10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.

3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered

Contractor's or Subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7 a through p of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered Construction contractors performing construction work in geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications or 41 CFR Chapter 60.

6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

a) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.

b) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

c) Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

d) Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor’s efforts to meet its obligations.

e) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.

f) Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

g) Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with onsite supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

h) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

i) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one

month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

j) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.

k) Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR part 60-3.

l) Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

m) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.

n) Ensure that all facilities and company activities are non-segregated except that separate or single- user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

o) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

p) Conduct a review, at least annually, of all supervisors' adherence to and performance under the Contractor's EEO policies and affirmative action obligations.

8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through p). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these Specifications provided that Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to 41 CFR Chapter 60.

12. The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to 41 CFR Chapter 60. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and 41 CFR Chapter 60as amended.

13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed according with 41 CFR 60-4.8.

14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

Segregated Facilities. (41 CFR 60-1.8) Contractor must ensure that facilities provided for employees are provided in such a manner that segregation on the basis of race,

color, religion, sex, sexual orientation, gender identity, or national origin cannot result. Contractor may neither require such segregated use by written or oral policies nor tolerate such use by employee custom. Contractor's obligation extends further to ensuring that its employees are not assigned to perform their services at any location, under Contractor's control, where the facilities are segregated. This obligation extends to all contracts containing the equal opportunity clause regardless of the amount of the contract. The term "facilities," as used in this section, means waiting rooms, work areas, restaurants and other eating areas, time clocks, restrooms, wash rooms, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing provided for employees; Provided, That separate or single-user restrooms and necessary dressing or sleeping areas shall be provided to assure privacy between the sexes.

C. Federal Wage Requirements for Federally Funded Projects:

a. Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the Decision of the Secretary and bound into the specifications book. Should there be any difference between the state or federal wage rates, including health and welfare funds for any given craft, mechanic, or similar classifications needed to execute the Work, it shall be mandatory upon the Contractor or subcontractor to pay the higher of the two rates.
b. The minimum wage rate to be paid by the Contractor and the Subcontractors shall be in accordance with the Federal Labor Standards Provisions (see below) and Federal Wage Rates (see Wage Rates below) and General Prevailing Wage Determination made by the State of California, Director of Industrial Relations pursuant to California Labor Code Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1, whichever is higher.

D. Compliance with Davis-Bacon and Related Acts.

(a) *Required contract clauses.* Any contract in excess of $2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from Federal funds or in accordance with guarantees of a Federal agency or financed from funds obtained by pledge of any contract of a Federal agency to make a loan, grant or annual contribution (except where a different meaning is expressly indicated), and which is subject to the labor standards provisions of any of the laws referenced by § 5.1, shall include the following clauses (or any modifications thereof to meet the particular needs of the agency, provided that such modifications are first approved by the Department of Labor):

(1) Minimum wages -

(i) *Wage rates and fringe benefits.* All laborers and mechanics employed or working upon the site of the work (or otherwise working in construction or development of the project under a development statute), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of basic hourly wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed

at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between Contractor and such laborers and mechanics. As provided in paragraphs (d) and (e) of this section, the appropriate wage determinations are effective by operation of law even if they have not been attached to the contract. Contributions made or costs reasonably anticipated for bona fide fringe benefits under the Davis-Bacon Act (40 U.S.C. 3141(2)(B)) on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(v) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics must be paid the appropriate wage rate and fringe benefits on the wage determination for the classification(s) of work actually performed, without regard to skill, except as provided in paragraph (a)(4) of this section. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under paragraph (a)(1)(iii) of this section) and the Davis-Bacon poster (WH-1321) must be posted at all times by Contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii) *Frequently recurring classifications.*

(A) In addition to wage and fringe benefit rates that have been determined to be prevailing under the procedures set forth in 29 CFR part 1, a wage determination may contain, pursuant to § 1.3(f), wage and fringe benefit rates for classifications of laborers and mechanics for which conformance requests are regularly submitted pursuant to paragraph (a)(1)(iii) of this section, provided that:

(1) The work performed by the classification is not performed by a classification in the wage determination for which a prevailing wage rate has been determined;

(2) The classification is used in the area by the construction industry; and

(3) The wage rate for the classification bears a reasonable relationship to the prevailing wage rates contained in the wage determination.

(B) The Administrator will establish wage rates for such classifications in accordance with paragraph (a)(1)(iii)(A)(3) of this section. Work performed in such a classification must be paid at no less than the wage and fringe benefit rate listed on the wage determination for such classification.

(iii) Conformance.

(A) The City of San Diego contracting officer must require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract be classified in conformance with the wage determination. Conformance of an additional classification and wage rate and fringe benefits is appropriate only when the following criteria have been met:

1. The work to be performed by the classification requested is not performed by a classification in the wage determination; and
2. The classification is used in the area by the construction industry; and
3. The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) The conformance process may not be used to split, subdivide, or otherwise avoid application of classifications listed in the wage determination.

(C) If Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the City of San Diego contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken will be sent by the City of San Diego contracting officer by email to DBAconformance@dol.gov. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the City of San Diego contracting officer or will notify the City of San Diego contracting officer within the 30-day period that additional time is necessary.

(D) In the event Contractor, the laborers or mechanics to be employed in the classification or their representatives, and the City of San Diego contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the City of San Diego contracting officer will, by email to DBAconformance@dol.gov, refer the questions, including the views of all interested parties and the recommendation of the City of San Diego contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the City of San Diego contracting officer or will notify the City of San Diego contracting officer within the 30-day period that additional time is necessary.

(E) The City of San Diego contracting officer must promptly notify Contractor of the action taken by the Wage and Hour Division under paragraphs (a)(1)(iii)(C) and (D) of this section. Contractor must furnish a written copy of such determination to each affected worker or it must be posted as a part of the wage determination. The wage rate (including fringe benefits where appropriate) determined pursuant to paragraph (a)(1)(iii)(C) or (D) of this section must be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iv) Fringe benefits not expressed as an hourly rate. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a

fringe benefit which is not expressed as an hourly rate, Contractor may either pay the benefit as stated in the wage determination or may pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(v) *Unfunded plans*. If Contractor does not make payments to a trustee or other third person, Contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of Contractor, in accordance with the criteria set forth in § 5.28, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require Contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(vi) *Interest*. In the event of a failure to pay all or part of the wages required by the contract, Contractor will be required to pay interest on any underpayment of wages.

(2) Withholding -

(i) *Withholding requirements.* The City of San Diego may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from Contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for the full amount of wages and monetary relief, including interest, required by the clauses set forth in paragraph (a) of this section for violations of this contract, or to satisfy any such liabilities required by any other Federal contract, or federally assisted contract subject to Davis-Bacon labor standards, that is held by the same prime contractor (as defined in § 5.2). The necessary funds may be withheld from Contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to Davis-Bacon labor standards requirements and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy Contractor liability for which the funds were withheld. In the event of Contractor's failure to pay any laborer or mechanic, including any apprentice or helper working on the site of the work (or otherwise working in construction or development of the project under a development statute) all or part of the wages required by the contract, or upon Contractor's failure to submit the required records as discussed in paragraph (a)(3)(iv) of this section, the Environmental Protection Agency may on its own initiative and after written notice to Contractor, sponsor, applicant, owner, or other entity, as the case may be, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(ii) *Priority to withheld funds.* The Department has priority to funds withheld or to be withheld in accordance with paragraph (a)(2)(i) or (b)(3)(i) of this section, or both, over claims to those funds by:

A. A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;
B. A contracting agency for its reprocurement costs;
C. A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;
D. A contractor's assignee(s);
E. A contractor's successor(s); or
A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901-3907.

(3) Records and certified payrolls –

(i) Basic record requirements –

A. *Length of record retention.* All regular payrolls and other basic records must be maintained by Contractor and any subcontractor during the course of the work and preserved for all laborers and mechanics working at the site of the work (or otherwise working in construction or development of the project under a development statute) for a period of at least 3 years after all the work on the prime contract is completed.
B. *Information required*. Such records must contain the name; Social Security number; last known address, telephone number, and email address of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act); daily and weekly number of hours actually worked in total and on each covered contract; deductions made; and actual wages paid.
C. *Additional records relating to fringe benefits.* Whenever the Secretary of Labor has found under paragraph (a)(1)(v) of this section that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act, Contractor must maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits.
D. *Additional records relating to apprenticeship*. Contractors with apprentices working under approved programs must maintain written evidence of the registration of apprenticeship programs, the registration of the apprentices, and the ratios and wage rates prescribed in the applicable programs.

(ii) Certified payroll requirements –

A. *Frequency and method of submission.* Contractor or subcontractor must submit weekly, for each week in which any DBA- or Related Acts-covered work is performed, certified payrolls to the

Environmental Protection Agency if the agency is a party to the contract, but if the agency is not such a party, Contractor will submit the certified payrolls to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to the Environmental Protection Agency. The prime contractor is responsible for the submission of all certified payrolls by all subcontractors. A contracting agency or prime contractor may permit or require contractors to submit certified payrolls through an electronic system, as long as the electronic system requires a legally valid electronic signature; the system allows Contractor, the contracting agency, and the Department of Labor to access the certified payrolls upon request for at least 3 years after the work on the prime contract has been completed; and the contracting agency or prime contractor permits other methods of submission in situations where Contractor is unable or limited in its ability to use or access the electronic system.

B. *Information required*. The certified payrolls submitted must set out accurately and completely all of the information required to be maintained under paragraph (a)(3)(i)(B) of this section, except that full Social Security numbers and last known addresses, telephone numbers, and email addresses must not be included on weekly transmittals. Instead, the certified payrolls need only include an individually identifying number for each worker (e.g., the last four digits of the worker's Social Security number). The required weekly certified payroll information may be submitted using Optional Form WH-347 or in any other format desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division website at https://www.dol.gov/sites/dolgov/files/WHD/legacy/files/wh347/.pdf or its successor website. It is not a violation of this section for a prime contractor to require a subcontractor to provide full Social Security numbers and last known addresses, telephone numbers, and email addresses to the prime contractor for its own records, without weekly submission by the subcontractor to the sponsoring government agency (or the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records).

C. *Statement of Compliance*. Each certified payroll submitted must be accompanied by a "Statement of Compliance," signed by Contractor or subcontractor, or Contractor's or subcontractor's agent who pays or supervises the payment of the persons working on the contract, and must certify the following:

    1) That the certified payroll for the payroll period contains the information required to be provided under paragraph (a)(3)(ii) of this section, the appropriate information and basic records are being maintained under paragraph (a)(3)(i) of this section, and such information and records are correct and complete;
    2) That each laborer or mechanic (including each helper and apprentice) working on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions

have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR part 3; and

3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification(s) of work actually performed, as specified in the applicable wage determination incorporated into the contract.

D. *Use of Optional Form WH-347.* The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 will satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(C) of this section.

E. *Signature*. The signature by Contractor, subcontractor, or Contractor's or subcontractor's agent must be an original handwritten signature or a legally valid electronic signature.

F. *Falsification*. The falsification of any of the above certifications may subject Contractor or subcontractor to civil or criminal prosecution under 18 U.S.C. 1001 and 31 U.S.C. 3729.

G. *Length of certified payroll retention.* Contractor or subcontractor must preserve all certified payrolls during the course of the work and for a period of 3 years after all the work on the prime contract is completed.

(iii) Contracts, subcontracts, and related documents. Contractor or subcontractor must maintain this contract or subcontract and related documents including, without limitation, bids, proposals, amendments, modifications, and extensions. Contractor or subcontractor must preserve these contracts, subcontracts, and related documents during the course of the work and for a period of 3 years after all the work on the prime contract is completed.

(iv) Required disclosures of access –

A. *Required record disclosures and access to workers.* Contractor or subcontractor must make the records required under paragraphs (a)(3)(i) through (iii) of this section, and any other documents that the Environmental Protection Agency or the Department of Labor deems necessary to determine compliance with the labor standards provisions of any of the applicable statutes referenced by § 5.1, available for inspection, copying, or transcription by authorized representatives of the Environmental Protection Agency or the Department of Labor, and must permit such representatives to interview workers during working hours on the job.

B. *Sanctions for non-compliance with records and worker access requirements*. If Contractor or subcontractor fails to submit the required records or to make them available, or refuses to permit worker interviews during working hours on the job, the Federal agency may, after written notice to Contractor, sponsor, applicant, owner, or other entity, as the case may be, that maintains such records or that employs such workers, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available, or to permit worker interviews during working hours on the job, may be

grounds for debarment action pursuant to § 5.12. In addition, any contractor or other person that fails to submit the required records or make those records available to WHD within the time WHD requests that the records be produced will be precluded from introducing as evidence in an administrative proceeding under 29 CFR part 6 any of the required records that were not provided or made available to WHD. WHD will take into consideration a reasonable request from Contractor or person for an extension of the time for submission of records. WHD will determine the reasonableness of the request and may consider, among other things, the location of the records and the volume of production.

C. *Required information disclosures.* Contractors and subcontractors must maintain the full Social Security number and last known address, telephone number, and email address of each covered worker, and must provide them upon request to the Environmental Protection Agency if the agency is a party to the contract, or to the Wage and Hour Division of the Department of Labor. If the Federal agency is not such a party to the contract, Contractor, subcontractor, or both, must, upon request, provide the full Social Security number and last known address, telephone number, and email address of each covered worker to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to the Environmental Protection Agency, Contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or other compliance action.

(4) Apprentices and equal employment opportunity –

(i) Apprentices –

A. *Rate of pay.* Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship (OA), or with a State Apprenticeship Agency recognized by the OA. A person who is not individually registered in the program, but who has been certified by the OA or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice, will be permitted to work at less than the predetermined rate for the work they perform in the first 90 days of probationary employment as an apprentice in such a program. In the event the OA or a State Apprenticeship Agency recognized by the OA withdraws approval of an apprenticeship program, Contractor will no longer be permitted to use apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

B. *Fringe benefits.* Apprentices must be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the

applicable apprentice classification, fringe benefits must be paid in accordance with that determination.

C. *Apprenticeship ratio*. The allowable ratio of apprentices to journey workers on the job site in any craft classification must not be greater than the ratio permitted to Contractor as to the entire work force under the registered program or the ratio applicable to the locality of the project pursuant to paragraph (a)(4)(i)(D) of this section. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated in paragraph (a)(4)(i)(A) of this section, must be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under this section must be paid not less than the applicable wage rate on the wage determination for the work actually performed.

D. *Reciprocity of ratios and wage rates*. Where a contractor is performing construction on a project in a locality other than the locality in which its program is registered, the ratios and wage rates (expressed in percentages of the journey worker's hourly rate) applicable within the locality in which the construction is being performed must be observed. If there is no applicable ratio or wage rate for the locality of the project, the ratio and wage rate specified in Contractor's registered program must be observed.

(ii) Equal employment opportunity. The use of apprentices and journey workers under this part must be in conformity with the equal employment opportunity requirements of 41 CFR Chapter 60, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act requirements. Contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts. Contractor or subcontractor must insert in any subcontracts the clauses contained in paragraphs (a)(1) through (11) of this section, along with the applicable wage determination(s) and such other clauses or contract modifications as the Environmental Protection Agency may by appropriate instructions require, and a clause requiring the subcontractors to include these clauses and wage determination(s) in any lower tier subcontracts. The prime contractor is responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this section. In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and may be subject to debarment, as appropriate.

(7) *Contract termination: debarment*. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) *Compliance with Davis-Bacon and Related Act requirements*. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) *Disputes concerning labor standards*. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between Contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives

(10) *Certification of eligibility.*

i. By entering into this contract, Contractor certifies that neither it nor any person or firm who has an interest in Contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of 40 U.S.C. 3144(b) or § 5.12(a).
ii. No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of 40 U.S.C. 3144(b) or § 5.12(a).
iii. The penalty for making false statements is prescribed in the U.S. Code, Title 18 Crimes and Criminal Procedure, 18 U.S.C. 1001.

(11) Anti-retaliation. It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:

i. Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the DBA, Related Acts, this part, or 29 CFR part 1 or 3;
ii. Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under the DBA, Related Acts, this part, or 29 CFR part 1 or 3;
iii. Cooperating in any investigation or other compliance action, or testifying in any proceeding under the DBA, Related Acts, this part, or 29 CFR part 1 or 3; or
iv. Informing any other person about their rights under the DBA, Related Acts, this part, or 29 CFR part 1 or 3.

(b) *Contract Work Hours and Safety Standards Act (CWHSSA).* The clauses set forth in paragraphs (b)(1) through (5) of this section must be included in full, or (for contracts covered by the Federal Acquisition Regulation) by reference, in any contract in an amount in excess of $100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses must be inserted in addition to the clauses required by paragraph (a) of this section or 29 CFR 4.6. As used in this paragraph (b), the terms “laborers and mechanics” include watchpersons and guards.

1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than

one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. *Violation; liability for unpaid wages; liquidated damages*. In the event of any violation of the clause set forth in paragraph (b)(1) of this section Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages and interest from the date of the underpayment. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchpersons and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $32 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1).
3. *Withholding for unpaid wages and liquidated damages —*
    a. *Withholding process.* The City of San Diego may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from Contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for any unpaid wages; monetary relief, including interest; and liquidated damages required by the clauses set forth in this paragraph (b) on this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract subject to the Contract Work Hours and Safety Standards Act that is held by the same prime contractor (as defined in § 5.2). The necessary funds may be withheld from Contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to the Contract Work Hours and Safety Standards Act and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy Contractor liability for which the funds were withheld.
    b. *Priority to withheld funds.* The Department has priority to funds withheld or to be withheld in accordance with paragraph (a)(2)(i) or (b)(3)(i) of this section, or both, over claims to those funds by:
        i. A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;
        ii. A contracting agency for its reprocurement costs;
        iii. A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;
        iv. A contractor's assignee(s);
        v. A contractor's successor(s); or
        vi. A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901-3907

4. *Subcontracts*. Contractor or subcontractor must insert in any subcontracts the clauses set forth in paragraphs (b)(1) through (5) of this section and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor is responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (5). In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and associated liquidated damages and may be subject to debarment, as appropriate.
5. Anti-retaliation.
    a. It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for: Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the Contract Work Hours and Safety Standards Act (CWHSSA) or its implementing regulations in this part;
    b. Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under CWHSSA or this part;
    c. Cooperating in any investigation or other compliance action, or testifying in any proceeding under CWHSSA or this part; or
    d. Informing any other person about their rights under CWHSSA or this part.

(c) *CWHSSA required records clause.* In addition to the clauses contained in paragraph (b) of this section, in any contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other laws referenced by § 5.1, the following clause requiring that Contractor or subcontractor must maintain regular payrolls and other basic records during the course of the work and must preserve them for a period of 3 years after all the work on the prime contract is completed for all laborers and mechanics, including guards and watchpersons, working on the contract must be inserted. Such records must contain the name; last known address, telephone number, and email address; and social security number of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid; daily and weekly number of hours actually worked; deductions made; and actual wages paid. Further, the Agency Head must cause or require the contracting officer to insert in any such contract a clause providing that the records to be maintained under this paragraph must be made available by Contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Environmental Protection Agency and the Department of Labor, and Contractor or subcontractor will permit such representatives to interview workers during working hours on the job.

(d) I*ncorporation of contract clauses and wage determinations by reference. Although agencies are required to insert the contract clauses set forth in this section, along with appropriate*

wage determinations, in full into covered contracts, and contractors and subcontractors are required to insert them in any lower-tier subcontracts, the incorporation by reference of the required contract clauses and appropriate wage determinations will be given the same force and effect as if they were inserted in full text.

(e) Incorporation by operation of law. The contract clauses set forth in this section (or their equivalent under the Federal Acquisition Regulation), along with the correct wage determinations, will be considered to be a part of every prime contract required by the applicable statutes referenced by § 5.1 to include such clauses, and will be effective by operation of law, whether or not they are included or incorporated by reference into such contract, unless the Administrator grants a variance, tolerance, or exemption from the application of this paragraph. Where the clauses and applicable wage determinations are effective by operation of law under this paragraph, the prime contractor must be compensated for any resulting increase in wages in accordance with applicable law.

E. Debarment and Suspension and Prohibitions Relating to Violations of CWA and CAA with Respect to Federal Contracts, Grants, or Loans

1. Vendor certifies that it is not debarred, suspended, or otherwise excluded from participating in federal contracts under 2 CFR Parts 180 and 1532, pursuant to Executive Order 12549.

2. Vendor is not prohibited from participating in federal contracts under Section 306 of the Clean Air Act or Section 508 of the Clean Water Act.

3. Suspension and debarment information can be accessed at http://www.sam.gov. Contractor represents and warrants that it has or will include a term or conditions requiring compliance with this provision in all of its subcontracts under this Agreement.

F. Federal Lobbying Restrictions (31 U.S.C 1352).

Recipients of federal financial assistance may not pay any person for influencing or attempting to influence any officer or employee of a federal agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress with respect to the award, continuation, renewal, amendment, or modification of a federal grant, loan, or contract. These requirements are implemented for USEPA in 40 CFR Part 34, which also describes types of activities, such as legislative liaison activities and professional and technical services, which are not subject to this prohibition. Upon award of this contract, Contractor shall complete and submit to the City the Certification Regarding Lobbying form and, if necessary, Disclosure of Lobbying Activities form, as found in Appendix A and Appendix B to 40 CFR Part 34. Contractor shall also require all subcontractors and suppliers of any tier awarded a subcontract over $100,000 to similarly complete and submit the certification and disclosure forms pursuant to the process set forth in 40 CFR 34.110.

G. Age Discrimination Act, Section 504 of the Rehabilitation Act, Title VI of the Civil Rights Act of 1964, and Section 13 of the Clean Water Act

Civil Rights Obligations. Contractor shall comply with the following non-discrimination requirements:

- Title VI of the Civil Rights Act of 1964, which prohibits discrimination based on race, color, and national origin, including limited English proficiency (LEP). (42 U.S.C 2000D, et. seq)
- Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination against persons with disabilities. (29 U.S.C. 794, supplemented by EO 11914, 41 FR
- 17871, April 29, 1976 and EO 11250, 30 FR 13003, October 13, 1965)
- The Age Discrimination Act of 1975, which prohibits age discrimination. (42 U.S.C 6101 et. seq)
- Section 13 of the Federal Water Pollution Control Act Amendments of 1972, which prohibits discrimination on the basis of sex.
- 40 CFR Part 7, as it relates to the foregoing.

H. Prohibition on Certain Telecommunications.

The John S McCain Nation Defense Authorization Act for Fiscal Year 2019 prohibits EPA financial assistance recipients, including WIFIA borrowers, from expending loan funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in the Act, "covered telecommunications equipment or services" means:

a. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). Telecommunications or video surveillance services produced by such entities;
b. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).
c. Telecommunication or video surveillance services provided by such entities or using such equipment.
d. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country
e. The Act does not prohibit:
    1. Procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements.
    2. Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles

I. WAGE RATES: This Contract shall be subject to the following Davis-Bacon Wage Determination:

"General Decision Number: CA20260001 05/18/2026

State: California

Construction Types: Building, Heavy, Highway and Residential

Counties: California Counties of
San Diego

Building Construction Projects
Dredging Projects-Includes Dredging Projects (does not include hopper dredge work)
Heavy Construction Projects (excludes water well drilling)
Highway Construction Projects
Residential Construction Projects (Consisting of single family homes and apartments up to and including 4 stories).

AND UP TO 50 YDS. STRUCK) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL.

COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 67.41 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 19- ROTEX CONCRETE BELT OPERATOR (OR SIMILAR TYPES); RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR, OPERATING IN TANDEM (SCRAPERS, BELLY DUMPS AND SIMILAR TYPES IN ANY COMBINATION, EXCLUDING COMPACTION UNITS - SINGLE ENGINE, CATERPILLAR, EUCLID, ATHEY WAGON AND SIMILAR TYPES WITH ANY AND ALL ATTACHMENTS OVER 25 YDS.AND UP TO AND INCLUDING 50 CU. YDS. STRUCK); RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR, OPERATING IN TANDEM (SCRAPERS, BELLY DUMPS AND SIMILAR TYPES IN ANY COMBINATION, EXCLUDING COMPACTION UNITS - MULTIPLE ENGINE, UP TO AND INCLUDING 25 YDS. STRUCK) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 67.29 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 18- RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR, OPERATING IN TANDEM (SCRAPERS, BELLY DUMPS AND SIMILAR TYPES IN ANY COMBINATION, EXCLUDING COMPACTION UNITS - SINGLE ENGINE, UP TO AND INCLUDING 25 YDS. STRUCK) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 67.18 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 17- RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR, OPERATING EQUIPMENT WITH PUSH-PULL SYSTEM (MULTIPLE ENGINE, EUCLID, CATERPILLAR AND SIMILAR, OVER 50 CU. YDS. STRUCK); TANDEM TRACTOR OPERATOR (OPERATING CRAWLER TYPE TRACTORS IN TANDEM - QUAD 9 AND SIMILAR TYPE) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 67.08 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 16- RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR, OPERATING EQUIPMENT WITH PUSH-PULL SYSTEM (SINGLE ENGINE, OVER 50 YDS. STRUCK); RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR, OPERATING EQUIPMENT WITH PUSH-PULL SYSTEM (MULTIPLE ENGINE, EUCLID, CATERPILLAR AND SIMILAR, OVER 25 YDS. AND UP TO 50 YDS. STRUCK) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR

WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 66.91 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 15- RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR, OPERATING EQUIPMENT WITH PUSH-PULL SYSTEM (SINGLE ENGINE, CATERPILLAR, EUCLID, ATHEY WAGON AND SIMILAR TYPES WITH ANY AND ALL ATTACHMENTS OVER 25 YDS. AND UP TO AND INCLUDING 50 YDS. STRUCK); RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR, OPERATING EQUIPMENT WITH PUSH-PULL SYSTEM (MULTIPLE ENGINE-UP TO AND INCLUDING 25 YDS. STRUCK) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 66.79 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 14- CANAL LINER OPERATOR; CANAL TRIMMER OPERATOR; REMOTE- CONTROL EARTH-MOVING EQUIPMENT OPERATOR (OPERATING A SECOND PIECE OF EQUIPMENT: $1.00 PER HOUR ADDITIONAL); WHEEL EXCAVATOR OPERATOR (OVER 750 CU. YDS.) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 66.71 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 13- RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR OPERATING EQUIPMENT WITH PUSH-PULL SYSTEM (SINGLE ENGINE, UP TO AND INCLUDING 25 YDS. STRUCK) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 66.68 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 12- AUTO GRADER OPERATOR; AUTOMATIC SLIP FORM OPERATOR; DRILLING MACHINE OPERATOR, BUCKET OR AUGER TYPES (CALWELD, AUGER 200 CA OR SIMILAR TYPES - WATSON, AUGER 6000 OR SIMILAR TYPES - HUGHES SUPER DUTY, AUGER 200 OR SIMILAR TYPES - DRILLING DEPTH OF 175' MAXIMUM); HOE RAM OR SIMILAR WITH COMPRESSOR; MASS EXCAVATOR OPERATOR LESS THA 750 CU. YARDS; MECHANICAL FINISHING MACHINE OPERATOR; MOBILE FORM TRAVELER OPERATOR; MOTOR PATROL

OPERATOR (MULTI-ENGINE); PIPE MOBILE MACHINE OPERATOR; RUBBER-TIRED EARTH- MOVING EQUIPMENT OPERATOR (MULTIPLE ENGINE, EUCLID, CATERPILLAR AND SIMILAR TYPE, OVER 50 CU. YDS. STRUCK); RUBBER-TIRED SELF- LOADING SCRAPER OPERATOR (PADDLE-WHEEL-AUGER TYPE SELF-LOADING - TWO (2) OR MORE UNITS) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON   WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR......$ 66.58 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 10- DRILLING MACHINE OPERATOR, BUCKET OR AUGER TYPES (CALWELD 200 B BUCKET OR SIMILAR TYPES-WATSON 3000 OR 5000 AUGER OR SIMILAR TYPES-TEXOMA 900 AUGER OR SIMILAR TYPES-DRILLING DEPTH OF 105' MAXIMUM); DUAL DRUM MIXER, DYNAMIC COMPACTOR LDC350 (OR SIMILAR TYPES); MONORAIL LOCOMOTIVE OPERATOR (DIESEL, GAS OR ELECTRIC); MOTOR PATROL-BLADE OPERATOR (SINGLE ENGINE); MULTIPLE ENGINE TRACTOR OPERATOR (EUCLID AND SIMILAR TYPE-EXCEPT QUAD 9 CAT.); RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR (SINGLE ENGINE, OVER 50 YDS. STRUCK); PNEUMATIC PIPE RAMMING TOOL AND SIMILAR TYPES; PRESTRESSED WRAPPING MACHINE OPERATOR; RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR (SINGLE ENGINE, OVER 50 YDS. STRUCK); RUBBER TIRED EARTH MOVING EQUIPMENT OPERATOR (MULTIPLE ENGINE, EUCLID, CATERPILLAR AND SIMILAR OVER 25 YDS. AND UP TO 50 YDS. STRUCK), TOWER CRANE REPAIRMAN; TRACTOR LOADER OPERATOR (CRAWLER AND WHEEL TYPE OVER 6-1/2 YDS.); WOODS MIXER OPERATOR (AND SIMILAR PUGMILL EQUIPMENT) PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON   WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR......$ 66.41 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 8- ASPHALT OR CONCRETE SPREADING OPERATOR (TAMPING OR FINISHING); ASPHALT PAVING MACHINE OPERATOR (BARBER GREENE OR SIMILAR TYPE); ASPHALT-RUBBER DISTRIBUTION OPERATOR; BACKHOE OPERATOR (UP TO AND INCLUDING 3/4 YD.), SMALL FORD, CASE OR SIMILAR TYPES; CABLE BUNDLING MACHINE OPERATOR (EXCLUDING HANDHELD); CABLE TRENCHING MACHINE OPERATOR (SPIDER PLOW OR SIMILAR TYPES) CAST-IN-PLACE PIPE LAYING MACHINE OPERATOR; COMBINATION MIXER AND COMPRESSOR OPERATOR (GUNITE WORK); COMPACTOR OPERATOR (SELF-PROPELLED); CONCRETE MIXER OPERATOR (PAVING); CRUSHING PLANT OPERATOR; DRILL DOCTOR; DRILLING MACHINE OPERATOR, BUCKET OR AUGER TYPES (CALWELD 150 BUCKET OR SIMILAR TYPES - WATSON 1500, 2000 2500 AUGER OR SIMILAR TYPES - TEXOMA 700, 800 AUGER OR SIMILAR TYPES - DRILLING DEPTH OF 60' MAXIMUM); ELEVATING GRADER OPERATOR; GRADE CHECKER; GRADALL OPERATOR; GROUTING MACHINE OPERATOR; HEAVY-DUTY REPAIRMAN; HEAVY EQUIPMENT ROBOTICS OPERATOR; KALAMAZOO BALLISTE REGULATOR OR SIMILAR TYPE; KOLMAN BELT LOADER AND SIMILAR TYPE; LE TOURNEAU

BLOB COMPACTOR OR SIMILAR TYPE; LOADER OPERATOR (ATHEY, EUCLID, SIERRA AND SIMILAR TYPES); MOBARK CHIPPER OR SIMILAR; OZZIE PADDER OR SIMILAR TYPES; P.C. SLOT SAW; PNEUMATIC CONCRETE PLACING MACHINE OPERATOR (HACKLEY-PRESSWELL OR SIMILAR TYPE); PUMPCRETE GUN OPERATOR; RCM CEMENTING UNIT OPERATOR, RAIL/SWITCH GRINDER OPERATOR (HARSCO OR SIMILAR TYPES) ROCK DRILL OR SIMILAR TYPES; ROTARY DRILL OPERATOR (EXCLUDING CAISSON TYPE); RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR (SINGLE ENGINE, CATERPILLAR, EUCLID, ATHEY WAGON AND SIMILAR TYPES WITH ANY AND ALL ATTACHMENTS OVER 25 YDS. UP TO AND INCLUDING 50 CU. YDS. STRUCK); RUBBER-TIRED EARTH-MOVING EQUIPMENT OPERATOR (MULTIPLE ENGINE UP TO AND INCLUDING 25 YDS. STRUCK); RUBBER-TIRED SCRAPER OPERATOR (SELF-LOADING PADDLE WHEEL TYPE-JOHN DEERE, 1040 AND SIMILAR SINGLE UNIT); SELF- PROPELLED CURB AND GUTTER MACHINE OPERATOR; SHUTTLE BUGGY; SKIPLOADER OPERATOR (CRAWLER AND WHEEL TYPE OVER 1-1/2 YDS. UP TO AND INCLUDING 6-1/2 YDS.); SOIL REMEDIATION PLANT OPERATOR; SURFACE HEATERS AND PLANER OPERATOR; TRACTOR COMPRESSOR DRILL COMBINATION OPERATOR; TRACTOR OPERATOR (ANY TYPE LARGER THAN D-5 - 100 FLYWHEEL H.P. AND OVER, OR SIMILAR-BULLDOZER, TAMPER, SCRAPER AND PUSH TRACTOR SINGLE ENGINE); TRACTOR OPERATOR (BOOM ATTACHMENTS), TRAVELING PIPE WRAPPING, CLEANING AND BENDNG MACHINE OPERATOR; TRENCHING MACHINE OPERATOR (OVER 6 FT. DEPTH CAPACITY, MANUFACTURER'S RATING); TRENCHING MACHINE WITH ROAD MINER ATTACHMENT (OVER 6 FT DEPTH CAPACITY): ULTRA HIGH PRESSURE WATERJET CUTTING TOOL SYSTEM MECHANIC; WATER PULL (COMPACTION) OPERATOR PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 66.29 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 6- ARTICULATING MATERIAL HAULER; ASPHALT PLANT ENGINEER; BATCH PLANT OPERATOR; BIT SHARPENER; CONCRETE JOINT MACHINE OPERATOR (CANAL AND SIMILAR TYPE); CONCRETE PLANER OPERATOR; DANDY DIGGER; DECK ENGINE OPERATOR; DERRICKMAN (OILFIELD TYPE); DRILLING MACHINE OPERATOR, BUCKET OR AUGER TYPES (CALWELD 100 BUCKET OR SIMILAR TYPES - WATSON 1000 AUGER OR SIMILAR TYPES - TEXOMA 330, 500 OR 600 AUGER OR SIMILAR TYPES - DRILLING DEPTH OF 45' MAXIMUM); DRILLING MACHINE OPERATOR; HYDROGRAPHIC SEEDER MACHINE OPERATOR (STRAW, PULP OR SEED), JACKSON TRACK MAINTAINER, OR SIMILAR TYPE; KALAMAZOO SWITCH TAMPER, OR SIMILAR TYPE; MACHINE TOOL OPERATOR; MAGINNIS INTERNAL FULL SLAB VIBRATOR, MECHANICAL BERM, CURB OR GUTTER(CONCRETE OR ASPHALT); MECHANICAL FINISHER OPERATOR (CONCRETE, CLARY-JOHNSON-BIDWELL OR SIMILAR); MICRO TUNNEL SYSTEM (BELOW GROUND); PAVEMENT BREAKER OPERATOR (TRUCK MOUNTED); ROAD OIL MIXING MACHINE OPERATOR; ROLLER OPERATOR (ASPHALT OR FINISH), RUBBER-TIRED EARTH MOVING EQUIPMENT (SINGLE ENGINE, UP TO AND INCLUDING 25 YDS. STRUCK); SELF-PROPELLED TAR PIPELINING MACHINE OPERATOR; SKIPLOADER OPERATOR (CRAWLER AND WHEEL TYPE, OVER 3/4 YD. AND UP TO AND INCLUDING 1-1/2 YDS.); SLIP FORM PUMP

OPERATOR (POWER DRIVEN HYDRAULIC LIFTING DEVICE FOR CONCRETE FORMS); TRACTOR OPERATOR-BULLDOZER, TAMPER-SCRAPER (SINGLE ENGINE, UP TO 100 H.P. FLYWHEEL AND SIMILAR TYPES, UP TO AND INCLUDING D-5 AND SIMILAR TYPES); TUGGER HOIST OPERATOR (1 DRUM); ULTRA HIGH PRESSURE WATERJET CUTTING TOOL SYSTEM OPERATOR; VACUUM BLASTING MACHINE OPERATOR PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON   WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 66.18 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 4- ASPHALT PLANT FIREMAN; BACKHOE OPERATOR (MINI-MAX OR SIMILAR TYPE); BORING MACHINE OPERATOR; BOXMAN OR MIXERMAN (ASPHALT OR CONCRETE); CHIP SPREADING MACHINE OPERATOR; CONCRETE CLEANING DECONTAMINATION MACHINE OPERATOR; CONCRETE PUMP OPERATOR (SMALL PORTABLE);DIRECT PUSH OPERATOR (GEOPROBE OR SIMILAR TYPES) DRILLING MACHINE OPERATOR, SMALL AUGER TYPES (TEXOMA SUPER ECONOMATIC OR SIMILAR TYPES - HUGHES 100 OR 200 OR SIMILAR TYPES - DRILLING DEPTH OF 30' MAXIMUM); EQUIPMENT GREASER (GREASE TRUCK); GUARD RAIL POST DRIVER OPERATOR; HIGHLINE CABLEWAY SIGNALMAN; HYDRA-HAMMER-AERO STOMPER; MICRO TUNNELING (ABOVE GROUND TUNNEL); POWER CONCRETE CURING MACHINE OPERATOR; POWER CONCRETE SAW OPERATOR; POWER-DRIVEN JUMBO FORM SETTER OPERATOR; POWER SWEEPER OPERATOR; ROCK WHEEL SAW/TRENCHER; ROLLER OPERATOR (COMPACTING); SCREED OPERATOR (ASPHALT OR CONCRETE); TRENCHING MACHINE OPERATOR (UP TO 6 FT.); VACUUM OR MUCH TRUCK PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 65.96 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 3- ASPHALT-RUBBER BLEND OPERATOR; BOBCAT OR SIMILAR TYPE (SKID STEER); EQUIPMENT GREASER (RACK); FORD FERGUSON (WITH DRAGTYPE ATTACHMENTS); HELICOPTER RADIOMAN (GROUND); STATIONARY PIPE WRAPPING AND CLEANING MACHINE OPERATOR PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 64.67 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 2- ASPHALT-RUBBER PLANT OPERATOR (NURSE TANK OPERATOR);COIL TUBING RIG OPERATOR, CONCRETE MIXER OPERATOR-SKIP TYPE; CONVEYOR OPERATOR; FIREMAN;

FORKLIFT OPERATOR (INCLUDES LOED, LULL OR SIMILAR TYPES OVER 5 TONS; HYDROSTATIC PUMP OPERATOR; OILER CRUSHER (ASPHALT OR CONCRETE PLANT); PETROMAT LAYDOWN MACHINE; PJU SIDE DUM JACK; SCREENING AND CONVEYOR MACHINE OPERATOR (OR SIMILAR TYPES); SKIPLOADER (WHEEL TYPE UP TO 3/4 YD. WITHOUT ATTACHMENT); TAR POT FIREMAN; TEMPORARY HEATING PLANT OPERATOR; TRENCHING MACHINE OILER PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON   WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. COMBINATION MIXER AND COMPRESSOR OPERATOR ON GUNITE WORK SHALL BE CLASSIFIED AS A CONCRETE MOBILE MIXER OPERATOR.....$ 64.18 33.20

OPERATOR: POWER EQUIPMENT, ALL OTHER WORK: GROUP 1- BARGEMAN; BRAKEMAN; COMPRESSOR OPERATOR; DITCH WITCH, WITH SEAT OR SIMILAR TYPE EQUIPMENT; ELEVATOR OPERATOR-INSIDE; ENGINEER OILER; FORKLIFT OPERATOR (INCLUDES LOED, LULL OR SIMILAR TYPES UNDER 5 TONS; GENERATOR OPERATOR; GENERATOR, PUMP OR COMPRESSOR PLANT OPERATOR; PUMP OPERATOR; SIGNALMAN; SWITCHMAN PREMIUM PAY: $10.00 PER HOUR SHALL BE PAID ON ALL POWER EQUIPMENT OPERATOR WORK ON THE FOLLOWNG MILITARY BASES: CHINA LAKE NAVAL RESERVE, VANDENBERG AFB, POINT ARGUELLO, SEELY NAVAL BASE, FORT IRWIN, NEBO ANNEX MARINE BASE, MARINE CORP LOGISTICS BASE YERMO, EDWARDS AFB, 29 PALMS MARINE BASE AND CAMP PENDLETON   WORKERS REQUIRED TO SUIT UP AND WORK IN A HAZARDOUS MATERIAL ENVIRONMENT: $2.00 PER HOUR ADDITIONAL. WELDERS - Receive rate prescribed for craft performing
operation to which welding is incidental.
==========
Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the
Davis-Bacon Act for which the contract is awarded (and any
solicitation was issued) on or after January 1, 2017. If this
contract is covered by the EO, the contractor must provide
employees with 1 hour of paid sick leave for every 30 hours
they work, up to 56 hours of paid sick leave each year.
Employees must be permitted to use paid sick leave for their
own illness, injury or other health-related needs, including
preventive care; to assist a family member (or person who is
like family to the employee) who is ill, injured, or has other
health-related needs, including preventive care; or for reasons
resulting from, or to assist a family member (or person who is
like family to the employee) who is a victim of, domestic
violence, sexual assault, or stalking. Additional information
on contractor requirements and worker protections under the EO
is available at https://www.dol.gov/agencies/whd/government-contracts.

Note: Executive Order 13658 generally applies to contracts subject to the Davis-Bacon Act that were awarded on or between January 1, 2015 and January 29, 2022, and that have not been renewed or extended on or after January 30, 2022. Executive Order 13658 does not apply to contracts subject only to the Davis-Bacon Related Acts regardless of when they were awarded. If a contract is subject to Executive Order 13658, the contractor must pay all covered workers at least $13.65 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract from May 11, 2026, through December 31, 2026. The applicable Executive Order minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under Executive Order 13658 is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than "SU", "UAVG", "SA", or "SC" denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The "SU" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates

reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

"SU" wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The "SA" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the "SA" identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

a) a survey underlying a wage determination
b) an existing published wage determination
c) an initial WHD letter setting forth a position on a wage determination matter
d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment

data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.

CERTIFICATION REGARDING LOBBYING

CERTIFICATION FOR CONTRACTS, GRANTS, **LOANS AND COOPERATIVE AGREEMENTS**

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31 U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Expiration Date: 06/30/2028

1. * Type of Federal Action:

- [ ] a. contract
- [x] b. grant
- [ ] c. cooperative agreement
- [ ] d. loan
- [ ] e. loan guarantee
- [ ] f. loan insurance

2. * Status of Federal Action:

- [ ] a. bid/offer/application
- [x] b. initial award
- [ ] c. post-award

3. * Report Type:

- [x] a. initial filing
- [ ] b. material change

4. Name and Address of Reporting Entity:

- [x] Prime
- [ ] SubAwardee

** Name*

** Street 1* *Street 2*

** City* *State* *Zip*

Congressional District, if known:

5. If Reporting Entity in No.4 is Subawardee, Enter Name and Address of Prime:

6. * Federal Department/Agency:

7. * Federal Program Name/Description:

Assistance Listing Number, *if applicable:*

8. Federal Action Number, *if known:*

9. Award Amount, *if known:*

$

10. a. Name and Address of Lobbying Registrant:

Prefix ** First Name* *Middle Name*

** Last Name* *Suffix*

** Street 1* *Street 2*

** City* *State* *Zip*

b. Individual Performing Services (including address if different from No. 10a)

Prefix ** First Name* *Middle Name*

** Last Name* *Suffix*

** Street 1* *Street 2*

** City* *State* *Zip*

11. Information requested through this form is authorized by title 31 U.S.C. section 1352. This disclosure of lobbying activities is a material representation of fact upon which reliance was placed by the tier above when the transaction was made or entered into. This disclosure is required pursuant to 31 U.S.C. 1352. This information will be reported to the Congress semi-annually and will be available for public inspection. Any person who fails to file the required disclosure shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

EXHIBIT 4: PRICING PAGES

Solicitation Number 24-15 – Equipment and Tool Rental Service

Sunbelt Rentals Statement of Pricing

In place of part numbers, the rental industry identifies equipment by Category & Classification, (Cat-Class) Each category is a grouping of similar equipment with multiple classifications representing the size and specifications for the equipment represented within that category. Cat-Classes have no brand affiliation, only a product type and specification affiliation. For these reasons as well as the type of equipment, manufacturer, options, accessories, age, and condition of equipment make maintaining an industry MSRP impossible. Sunbelt Rentals currently, provides rental solutions in over 175 equipment categories.

Sunbelts pricing proposal contains our "Top Items" list made up of the most frequently rented public sector items and based on historical usage data. In addition to the market basket items, we are offering discounts from our Day, Week, and Month rates for all catalog items. Our catalog can be located at https://www.sunbeltrentals.com
Or by contacting your local Sunbelt Rentals location.
Discounts are as follows: 5% off of Day, 10% off of Week, and 12% off of the Monthly rate.

Rental rate pricing is developed by geographic area and is based on input from local, regional, and national market conditions relative to public sector equipment trends.
Rates can vary over time based on market conditions, and geographic area. However, the discount remains the same. All market Basket and discounted prices are ceiling rates flagged as "Not to Exceed" (NTE) within our system. Our approach in presenting this is to provide the broadest scope of rental solutions to participating entities at competitive rates in every market across North America.

Category	Class	Cat-Class	Description	Day	Week	Month

Additional Charges and Shift Rate Schedule If Applicable – Rental rates are not inclusive of the following charges.

Taxes and Surcharges
Customer will be responsible for all applicable taxes and governmental fees and any applicable transportation and fuel surcharges.
Fuel Charges
Equipment will be delivered full of fuel. If equipment is not returned full, fuel amount used will be charged at the pay on return full-service price per gallon posted at the location at the time of return.
Labor Rates
Labor rates will be charged for service work done in relation to rental contracts as well as any customer damage service done on rented equipment. Rates will be charged at prevailing area rates and will be quoted prior to performing work.
After Hours Store Opening Fee
Should an after-hours call require an employee to open a Sunbelt Rentals location for equipment pick-up, loading or unloading, or other event, an After-Hours Emergency Response Charge of $300 will be assessed for each occurrence and will be independent of any standard charges that shall apply to the order. This charge will not apply to any after-hours service calls, or equipment swap-outs resulting from service-related issues.
Mobilization Fees
Costs associated with preparing, moving and deploying equipment relative to emergency response, after hours, and large-scale equipment and accessory deployments.
Additional Freight Charges.
Additional charges may apply for permitted loads, overweight loads, third party carriers, and tolls. Fees will be quoted prior to performing work.
Consumables
All rates quoted are for the rental equipment only. Consumables such as blades, bits, and discs are additional charges, whether they are sold or rented with applicable wear charges. Some consumables will be sold as there will be no residual value after use. Other consumables will be rented such as diamond blades, dyma grinder wheels, and core bits. The rental rate for these does not include any applicable wear charges. Each rental consumable will have individual rates that are charged per unit of usage based on the type of consumable.
Damages and Cleaning Fees
Customer will be responsible for any damages to equipment outside of normal wear and tear. Customer will be notified of these damages and the charge amounts prior to repair. Cleaning fees may be applicable if equipment is returned with excess debris, concrete, etc. that requires excess time to clean or remove from the equipment.
Environmental Charges
The environmental fee is NOT a government mandated tax or fee. It is our fee designed to offset continually rising environmental-related costs and to help us manage our stores in an environmentally friendly manner.

Shift Rate Schedule
Daily: 24 Hours 8 Equipment Hours (By Hour Meter)
Weekly: 7 days 40 Equipment Hours (By Hour Meter)
Monthly: 28 Days 160 Equipment Hours (By Hour Meter)
Shift Rates (for diesel driven generators, pumps and air compressors):
Double Shift Rate = 1.5 X Day / Week / Month Rate
8 - 16 hours per day
40.1 - 80 hours per week
160.1 - 320 hours per month

Triple Shift Rate = 2 X Day / Week / Month Rate
16.1+ hours per day
80.1+ hours per week
320.1+ hours per month
Overtime charges for engine drive equipment (excluding diesel engine generators, pumps and air compressors) will be calculated as follows: Divide the quoted rate by the hours allowed and multiply by the number of hours used over and above the hours allowed. *During a Declared State of Emergency, or a pending or existing disaster or catastrophe, natural hurricane, tornado, flood, etc.) or otherwise a one week minimum rental period at triple shift rates will apply for all diesel generators and pumps.

EXHIBIT 5

WAGE REQUIREMENTS: SERVICE AND MAINTENANCE CONTRACTS EXECUTED ON OR AFTER JANUARY 1, 2015

By signing this Contract, Bidder certifies that he or she is aware of the wage provisions described herein and shall comply with such provisions before commencing services.

A. PREVAILING WAGES. Pursuant to San Diego Municipal Code section 22.3019, construction, alteration, demolition, repair and maintenance work performed under this Contract is subject to State prevailing wage laws. For construction work performed under this Contract cumulatively exceeding $25,000 and for alteration, demolition, repair and maintenance work performed under this Contract cumulatively exceeding $15,000, Bidder and its subcontractors shall comply with State prevailing wage laws including, but not limited to, the requirements listed below. This requirement is in addition to the requirement to pay Living Wage pursuant to San Diego Municipal Code Chapter 2, Article 2, Division 42. Bidder must determine which per diem rate is highest for each classification of work (i.e. Prevailing Wage Rate or Living Wage Rate), and pay the highest of the two rates to their employees. Living Wage applies to workers who are not subject to Prevailing Wage Rates.

1. Compliance with Prevailing Wage Requirements. Pursuant to sections 1720 through 1861 of the California Labor Code, Bidder and its subcontractors shall ensure that all workers who perform work under this Contract are paid not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations (DIR). This includes work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work.

1.1. Copies of such prevailing rate of per diem wages are on file at the City of San Diego's Equal Opportunity Contracting Department and are available for inspection to any interested party on request. Copies of the prevailing rate of per diem wages also may be found at http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm. Bidder and its subcontractors shall post a copy of the prevailing rate of per diem wages determination at each job site and shall make them available to any interested party upon request.

1.2. The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this Contract. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Contract in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Contract, each successive predetermined wage rate shall apply to this Contract on the date following the expiration date

of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Contract, such wage rate shall apply to the balance of the Contract.

2. Penalties for Violations. Bidder and its subcontractors shall comply with California Labor Code section 1775 in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. This shall be in addition to any other applicable penalties allowed under Labor Code sections 1720 – 1861.

3. Payroll Records. Bidder and its subcontractors shall comply with California Labor Code section 1776, which generally requires keeping accurate payroll records, verifying and certifying payroll records, and making them available for inspection. Bidder shall require its subcontractors to also comply with section 1776. Bidder and its subcontractors shall submit weekly certified payroll records online via the City's web-based Labor Compliance Program. Bidder is responsible for ensuring its subcontractors submit certified payroll records to the City. Bidder and its subcontractors shall also furnish the records specified in Labor Code section 1776 directly to the Labor Commissioner in the manner required in Labor Code section 1771.4.

4. Apprentices. Bidder and its subcontractors shall comply with California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. Bidder shall be held responsible for their compliance as well as the compliance of their subcontractors with sections 1777.5, 1777.6 and 1777.7.

5. Working Hours. Bidder and its subcontractors shall comply with California Labor Code sections 1810 through 1815, including but not limited to: (i) restrict working hours on public works contracts to eight hours a day and forty hours a week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specify penalties to be imposed on design professionals and subcontractors of $25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in violation of California Labor Code sections1810 through 1815.

6. Required Provisions for Subcontracts. Bidder shall include at a minimum a copy of the following provisions in any contract they enter into with a subcontractor: California Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.

7. Labor Code Section 1861 Certification. Bidder in accordance with California Labor Code section 3700 is required to secure the payment of compensation of its employees and by signing this Contract, Bidder certifies that "I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Contract."

8. Labor Compliance Program. The City has its own Labor Compliance Program authorized in August 2011 by the DIR. The City will withhold contract payments when

payroll records are delinquent or deemed inadequate by the City or other governmental entity, or it has been established after an investigation by the City or other governmental entity that underpayment(s) have occurred. For questions or assistance, please contact the City of San Diego's Equal Opportunity Contracting Department at 619-236-6000.

9. Contractor and Subcontractor Registration Requirements. This project is subject to compliance monitoring and enforcement by the DIR. A Bidder or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or enter into any contract for public work, as defined in this chapter of the Labor Code unless currently registered and qualified to perform the work pursuant to Section 1725.5. In accordance with Labor Code section 1771.1(a), "[i]t is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded."

9.1. A Bidder's inadvertent error in listing a subcontractor who is not registered pursuant to Labor Code section 1725.5 in a response to a solicitation shall not be grounds for filing a bid protest or grounds for considering the bid non-responsive provided that any of the following apply: (1) the subcontractor is registered prior to bid opening; (2) within twenty-four hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in Labor Code section 1725.5; or (3) the subcontractor is replaced by another registered contractor pursuant to Public Contract Code section 4107.

9.2. A Contract entered into with any Bidder or subcontractor in violation of Labor Code section 1771.1(a) shall be subject to cancellation, provided that a Contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, Bidder, or any subcontractor to comply with the requirements of section 1725.5 of this section.

9.3. By submitting a bid or proposal to the City, Bidder is certifying that he or she has verified that all subcontractors used on this public works project are registered with the DIR in compliance with Labor Code sections 1771.1 and 1725.5, and Bidder shall provide proof of registration for themselves and all listed subcontractors to the City at the time of bid or proposal due date or upon request.

10. Stop Order. For Bidder or its subcontractor(s) engaging in the performance of any public work contract without having been registered in violation of Labor Code sections 1725.5 or 1771.1, the Labor Commissioner shall issue and serve a stop order prohibiting the use of the unregistered Bidder or unregistered subcontractor(s) on ALL public works until the unregistered Bidder or unregistered subcontractor(s) is registered. Failure to observe a stop order is a misdemeanor.

11. List of all Subcontractors. The City may ask Bidder for the most current list of subcontractors (regardless of tier), along with their DIR registration numbers,

utilized on this contract at any time during performance of this contract, and Bidder shall provide the list within ten (10) working days of the City's request. Additionally, Bidder shall provide the City with a complete list of all subcontractors utilized on this contract (regardless of tier), within ten working days of the completion of the contract, along with their DIR registration numbers. The City shall withhold final payment to Bidder until at least 30 days after this information is provided to the City.

12. Exemptions for Small Projects. There are limited exemptions for installation, alteration, demolition, or repair work done on projects of $25,000 or less. The Bidder shall still comply with Labor Code sections 1720 et. seq. The only recognized exemptions are listed below:

12.1. Registration. The Bidder will not be required to register with the DIR for small projects. (Labor Code section 1771.1).

12.2. Certified Payroll Records. The records required in Labor Code section 1776 shall be required to be kept and submitted to the City of San Diego, but will not be required to be submitted online with the DIR directly. The Bidder will need to keep those records for at least three years following the completion of the contract. (Labor Code section 1771.4).

12.3. List of all Subcontractors. The Bidder shall not be required to hire only registered subcontractors and is exempt from submitting the list of all subcontractors that is required in section 11 above. (Labor Code section 1773.3).

EXHIBIT 6: REQUIRED CITY FORMS

City of San Diego

CONTRACTOR STANDARDS

Pledge of Compliance

The City of San Diego has adopted a Contractor Standards Ordinance (CSO) codified in section 22.3004 of the San Diego Municipal Code (SDMC). The City of San Diego uses the criteria set forth in the CSO to determine whether a contractor (bidder or proposer) has the capacity to fully perform the contract requirements and the business integrity to justify the award of public funds. This completed Pledge of Compliance signed under penalty of perjury must be submitted with each bid and proposal. If an informal solicitation process is used, the bidder must submit this completed Pledge of Compliance to the City prior to execution of the contract. All responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, Contractors must provide responses on Attachment A to the Pledge of Compliance and sign each page. Failure to submit a signed and completed Pledge of Compliance may render a bid or proposal non-responsive. In the case of an informal solicitation or cooperative procurement, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted. A submitted Pledge of Compliance is a public record and information contained within will be available for public review except to the extent that such information is exempt from disclosure pursuant to applicable law.

By signing and submitting this form, the contractor is certifying, to the best of their knowledge, that the contractor and any of its Principals have not within a five (5) year period – preceding this offer, been convicted of or had a civil judgement rendered against them for commission of a fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (Federal, State or local) contract or subcontract.

"Principal" means an officer, director, owner, partner or a person having primary management or supervisory responsibilities within the firm. The Contractor shall provide immediate written notice to the Procurement Contracting Officer handling the solicitation, at any time prior to award should they learn that this Representations and Certifications was inaccurate or incomplete.

This form contains 10 pages, additional information may be submitted as part of *Attachment A.*

A. BID/PROPOSAL/SOLICITATION TITLE:

60000070-27-C, Equipment and Tool Rental Services

B. BIDDER/PROPOSER INFORMATION:

Sunbelt Rentals Inc.

C. OWNERSHIP AND NAME CHANGES:

1. In the past five ten (5) years, has your firm changed its name?
   ☐**Yes** ☑**No**

   If **Yes**, use Attachment A to list all prior legal and DBA names, addresses, and dates each firm name was used. Explain the specific reasons for each name change.

2. Is your firm a non-profit?
   ☐**Yes** ☑**No**

   If **Yes,** attach proof of status to this submission.

3. In the past five (5) years, has a firm owner, partner, or officer operated a similar business?
   ☐**Yes** ☑**No**

   If **Yes**, use Attachment A to list names and addresses of all businesses and the person who operated the business. Include information about a similar business only if an owner, partner, or officer of your firm holds or has held a similar position in another firm.

D. BUSINESS ORGANIZATION/STRUCTURE:

Indicate the organizational structure of your firm. Fill in only one section on this page. Use Attachment A if more space is required.

☑ **Corporation** Date incorporated: 06/06/2000 State of incorporation: NC

List corporation's current officers:
President: Brendan Horgan - CEO
Vice Pres: Rod Samples - CFO
Secretary: John Washburn - COO
Treasurer: _____

Type of corporation: C ☑ Subchapter S ☐

Is the corporation authorized to do business in California: ☑ **Yes** ☐ **No**

If **Yes,** after what date: _____

Is your firm a publicly traded corporation? ☐**Yes** ☑**No**

If **Yes,** how and where is the stock traded? _____

If **Yes**, list the name, title and address of those who own ten percent (10 %) or more of the corporation's stocks:

Ashtead Group, PLC - owns 100%

Do the President, Vice President, Secretary and/or Treasurer of your corporation have a third party interest or other financial interests in a business/enterprise that performs similar work, services or provides similar goods? ☐**Yes** ☑**No**

If **Yes,** please use Attachment A to disclose.

Please list the following:	Authorized	Issued	Outstanding
a. Number of voting shares:	_____	_____	_____
b. Number of nonvoting shares:	_____	_____	_____
c. Number of shareholders:			_____
d. Value per share of common stock:		Par	$_____
		Book	$_____
		Market	$_____

Limited Liability Company Date formed: _____ State of formation: _____

List the name, title and address of members who own ten percent (10%) or more of the company:

☐**Partnership** Date formed: _____ State of formation: _____

List names of all firm partners:

☐**Sole Proprietorship** Date started: _____

List all firms you have been an owner, partner or officer with during the past five (5) years. Do not include ownership of stock in a publicly traded company:

☐**Joint Venture** Date formed: _____

List each firm in the joint venture and its percentage of ownership:

_____
_____
_____
_____

Note: To be responsive, each member of a Joint Venture or Partnership must complete a separate *Contractor Standards form*.

E. FINANCIAL RESOURCES AND RESPONSIBILITY:

1. Is your firm preparing to be sold, in the process of being sold, or in negotiations to be sold?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain the circumstances, including the buyer's name and principal contact information.

2. In the past five (5) years, has your firm been denied bonding?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances; include bonding company name.

3. In the past five (5) years, has a bonding company made any payments to satisfy claims made against a bond issued on your firm's behalf or a firm where you were the principal?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances.

4. In the past five (5) years, has any insurance carrier, for any form of insurance, refused to renew the insurance policy for your firm?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances.

5. Within the last five years, has your firm filed a voluntary petition in bankruptcy, been adjudicated bankrupt, or made a general assignment for the benefit of creditors?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances.

6. Are there any claims, liens or judgements that are outstanding against your firm?
   ☑ **Yes** ☐ **No**

   If **Yes,** please use Attachment A to provide detailed information on the action.

7. Please provide the name of your principal financial institution for financial reference. By submitting a response to this Solicitation Contractor authorizes a release of credit information for verification of financial responsibility.

   Name of Bank: Bank of America

   Point of Contact: Craig Torrence

   Address: 901 Main Street

   Phone Number: (888) 715-1000

8. By submitting a response to a City solicitation, Contractor certifies that he or she has sufficient operating capital and/or financial reserves to properly fund the requirements identified in the solicitation. At City's request, Contractor will promptly provide to City

a copy of Contractor's most recent balance sheet and/or other necessary financial statements to substantiate financial ability to perform.

9. In order to do business in the City of San Diego, a current Business Tax Certificate is required. Business Tax Certificates are issued by the City Treasurer's Office. If you do not have one at the time of submission, one must be obtained prior to award.

   Business Tax Certificate No.: 015041 Year Issued: 2026

F. PERFORMANCE HISTORY:

1. In the past five (5) years, has your firm been found civilly liable, either in a court of law or pursuant to the terms of a settlement agreement, for defaulting or breaching a contract with a government agency?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances.

2. In the past five (5) years, has a public entity terminated your firm's contract for cause prior to contract completion?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances and provide principal contact information.

3. In the past five (5) years, has your firm entered into any settlement agreement for any lawsuit that alleged contract default, breach of contract, or fraud with or against a public entity?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances.

4. Is your firm currently involved in any lawsuit with a government agency in which it is alleged that your firm has defaulted on a contract, breached a contract, or committed fraud?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances.

5. In the past five (5) years, has your firm, or any firm with which any of your firm's owners, partners, or officers is or was associated, been debarred, disqualified, removed, or otherwise prevented from bidding on or completing any government or public agency contract for any reason?
   ☐ **Yes** ☑ **No**

   If **Yes**, use *Attachment A* to explain specific circumstances.

6. In the past five (5) years, has your firm received a notice to cure or a notice of default on a contract with any public agency?

   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances and how the matter resolved.

7. Performance References:

Please provide a minimum of three (3) references familiar with work performed by your firm which was of a similar size and nature to the subject solicitation within the last five (5) years.

Please note that any references required as part of your bid/proposal submittal are in addition to those references required as part of this form.

G. COMPLIANCE:

1. In the past five (5) years, has your firm or any firm owner, partner, officer, executive, or manager been criminally penalized or found civilly liable, either in a court of law or pursuant to the terms of a settlement agreement, for violating any federal, state, or local law in performance of a contract, including but not limited to, laws regarding health and safety, labor and employment, permitting, and licensing laws?
   ☐ **Yes** ☑ **No**

   If **Yes**, use Attachment A to explain specific circumstances surrounding each instance. Include the name of the entity involved, the specific infraction(s) or violation(s), dates of instances, and outcome with current status.

2. In the past five (5) years, has your firm been determined to be non-responsible by a public entity?
   ☐ **Yes** ☑ **No**

If **Yes**, use Attachment A to explain specific circumstances of each instance. Include the name of the entity involved, the specific infraction, dates, and outcome.

H. BUSINESS INTEGRITY:

1. In the past five (5) years, has your firm been convicted of or found liable in a civil suit for making a false claim or material misrepresentation to a private or public entity?
☐**Yes** ☑**No**

   If **Yes**, use Attachment A to explain specific circumstances of each instance. Include the entity involved, specific violation(s), dates, outcome and current status.

2. In the past five (5) years, has your firm or any of its executives, management personnel, or owners been convicted of a crime, including misdemeanors, or been found liable in a civil suit involving the bidding, awarding, or performance of a government contract?
☐**Yes** ☑**No**

   If **Yes**, use Attachment A to explain specific circumstances of each instance; include the entity involved, specific infraction(s), dates, outcome and current status.

3. In the past five (5) years, has your firm or any of its executives, management personnel, or owners been convicted of a federal, state, or local crime of fraud, theft, or any other act of dishonesty?
☐**Yes** ☑**No**

   If **Yes**, use Attachment A to explain specific circumstances of each instance; include the entity involved, specific infraction(s), dates, outcome and current status.

4. Do any of the Principals of your firm have relatives that are either currently employed by the City or were employed by the City in the past five (5) years?

   ☐**Yes** ☑**No**

   If **Yes,** please disclose the names of those relatives in Attachment A.

I. BUSINESS REPRESENTATION:

1. Are you a local business with a physical address within the County of San Diego?
☑**Yes** ☐**No**

2. Are you a certified Small and Local Business Enterprise certified by the City of San Diego?
☐**Yes** ☑**No**

   Certification #_____

3. Are you certified as any of the following:
   a. Disabled Veteran Business Enterprise Certification #_____
   b. Woman or Minority Owned Business Enterprise Certification # _____
   c. Disadvantaged Business Enterprise Certification #_____

J. WAGE COMPLIANCE:

In the past five (5)years, has your firm been required to pay back wages or penalties for failure to comply with the federal, state or local **prevailing, minimum, or living wage laws**? ☐**Yes** ☑**No** If **Yes**, use Attachment A to explain the specific circumstances of each instance. Include the entity involved, the specific infraction(s), dates, outcome, and current status.

By signing this Pledge of Compliance, your firm is certifying to the City that you will comply with the requirements of the Equal Pay Ordinance set forth in SDMC sections 22.4801 through 22.4809.

K. STATEMENT OF SUBCONTRACTORS & SUPPLIERS:

Please provide the names and information for all subcontractors and suppliers used in the performance of the proposed contract, and what portion of work will be assigned to each subcontractor. Subcontractors may not be substituted without the written consent of the City. Use Attachment A if additional pages are necessary. If no subcontractors or suppliers will be used, please write "Not Applicable."

L. STATEMENT OF AVAILABLE EQUIPMENT:

A full inventoried list of all necessary equipment to complete the work specified may be a requirement of the bid/proposal submission.

By signing and submitting this form, the Contractor certifies that all required equipment included in this bid or proposal will be made available one week (7 days) before work shall commence. In instances where the required equipment is not owned by the Contractor, Contractor shall explain how the equipment will be made available before the commencement of work. The City of San

Complete all questions and sign below.

Under penalty of perjury under the laws of the State of California, I certify that I have read and understand the questions contained in this Pledge of Compliance, that I am responsible for completeness and accuracy of the responses contained herein, and that all information provided is true, full and complete to the best of my knowledge and belief. I agree to provide written notice to the Purchasing Agent within five (5) business days if, at any time, I learn that any portion of this Pledge of Compliance is inaccurate. Failure to timely provide the Purchasing Agent with written notice is grounds for Contract termination.

I, on behalf of the firm, further certify that I and my firm will comply with the following provisions of SDMC section 22.3004:

(a) I and my firm will comply with all applicable local, State and Federal laws, including health and safety, labor and employment, and licensing laws that affect the employees, worksite or performance of the contract.

(b) I and my firm will notify the Purchasing Agent in writing within fifteen (15) calendar days of receiving notice that a government agency has begun an investigation of me or my firm that may result in a finding that I or my firm is or was not in compliance with laws stated in paragraph (a).

(c) I and my firm will notify the Purchasing Agent in writing within fifteen (15) calendar days of a finding by a government agency or court of competent jurisdiction of a violation by the Contractor of laws stated in paragraph (a).

(d) I and my firm will notify the Purchasing Agent in writing within fifteen (15) calendar days of becoming aware of an investigation or finding by a government agency or court of competent jurisdiction of a violation by a subcontractor of laws stated in paragraph (a).

(e) I and my firm will cooperate fully with the City during any investigation and to respond to a request for information within ten (10) working days.

Failure to sign and submit this form with the bid/proposal shall make the bid/proposal non-responsive. In the case of an informal solicitation, the contract will not be awarded unless a signed and completed *Pledge of Compliance* is submitted.

The City of SAN DIEGO

Work Force Report

HISTORY

The Work Force Report (WFR) is the document that allows the City of San Diego to analyze the work forces of all firms wishing to do business with the City. We are able to compare the firm's work force data to County Labor Force Availability (CLFA) data derived from the United States Census. CLFA data is a compilation of lists of occupations and includes the percentage of each ethnicity we track (American Indian or Alaska Native, Asian, Black or African-American, Native Hawaiian or Pacific Islander, White, and Other) for each occupation. Currently, our CLFA data is taken from the 2010 Census. In order to compare one firm to another, it is important that the data we receive from the consultant firm is accurate and organized in the manner that allows for this fair comparison.

WORK FORCE & BRANCH WORK FORCE REPORTS

When submitting a WFR, especially if the WFR is for a specific project or activity, we would like to have information about the firm's work force that is actually participating in the project or activity. That is, if the project is in San Diego and the work force is from San Diego, we want a San Diego County Work Force Report[1]. By the same token, if the project is in San Diego, but the work force is from another county, such as Orange or Riverside County, we want a Work Force Report from that county[2]. If participation in a San Diego project is by work forces from San Diego County and, for example, from Los Angeles County and from Sacramento County, we ask for separate Work Force Reports representing your firm from each of the three counties.

MANAGING OFFICE WORK FORCE

Equal Opportunity Contracting may occasionally ask for a Managing Office Work Force (MOWF) Report. This may occur in an instance where the firm involved is a large national or international firm but the San Diego or other local work force is very small. In this case, we may ask for both a local and a MOWF Report[1, 3]. In another case, when work is done only by the Managing Office, only the MOWF Report may be necessary.[3]

TYPES OF WORK FORCE REPORTS:

Please note, throughout the preceding text of this page, the superscript numbers one [1], two [2] & three [3]. These numbers coincide with the types of work force report required in the example. See below:

[1] One San Diego County (or Most Local County) Work Force – Mandatory in most cases

[2] Branch Work Force *

[3] Managing Office Work Force

**Submit a separate Work Force Report for all participating branches. Combine WFRs if more than one branch per county.*

RACE/ETHNICY CATEGORIES

American Indian or Alaska Native – A person having origins in any of the peoples of North and South America (including Central America) and who maintains tribal affiliation or community attachment.

Asian – A person having origins in any of the peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American – A person having origins in any of the Black racial groups of Africa.

Native Hawaiian or Pacific Islander – A person having origins in any of the peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White – A person having origins in any of the peoples of Europe, the Middle East, or North Africa.

Hispanic or Latino – A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin.
