Dear Christina Bibler,

Under the terms of the Exclusive Negotiation Agreement (“ENA”), the City and Midway Rising LLC agreed to negotiate for two years starting on December 5, 2022. Pursuant to Section 1.2 of the ENA, the Mayor or designee may administratively extend the Negotiation Period for two extensions of one year each. As the initial term of the Negotiation Period is set to expire on December 5, 2024, we are formally requesting that the first extension of one year be exercised. Following the one-year extension, the ENA Negotiation Period will extend to December 5, 2025.

Please let us know if you have any questions.
