Climate Action Plan (CAP) Impact – Not applicable.

Strategic/Tactical Equity Plan Impact – Not applicable.

Environmental - The proposed activity which involves the reallocation of Regional Park Improvement Funds is not subject to CEQA based on CEQA Guidelines Section 15378(b)(4) as it is a government fiscal activity that does not involve any commitment to a specific project that may result in a potentially significant physical impact on the environment and therefore is not subject to CEQA pursuant to CEQA Guidelines Section 15060(c)(3).

BACKGROUND

The San Diego Regional Park Improvement Fund (RPIF) is one of two capital improvement project funds to receive revenues from leaseholds in Mission Bay Park. The other fund is the Mission Bay Park Improvement Fund (MBPIF) for specific improvements in Mission Bay Park.

The two funds were established by voter approval of revisions to the City Charter, Article V, Section 55.2 (Charter Section 55.2). The initial Charter 55.2 became effective on July 1, 2009, under Proposition C, and a subsequent amendment to Charter 55.2 became effective after voters approved Measure J on November 8, 2016, with those amendments going into effect on December 19, 2016.

Mission Bay lease revenues are allocated by a formula based on Charter Section 55.2 as follows:

- Initial $20 million of Mission Bay lease revenues goes into the City's General Fund and may be used for any municipal purpose
- Next $3.5 million goes to RPIF (total lease revenue is $23.5 million)
- Next $6.5 million goes to MBPIF (total lease revenue is $30 million)
- Revenue received thereafter is split at a ratio of 35% to RPIF and 65% to MBPIF

The following parks are eligible for use of RPIF, in accordance with Charter Section 55.2(a)(9) and Ordinances O-20088, O-20311, and O-21372:

- Balboa Park (Charter)
- Beaches and Shoreline Parks (Charter)
- Chicano Park (O-20311)
- Chollas Creek Watershed Parks (O-21372)[1]
- Chollas Lake Park (Charter)
- Mission Trails Regional Park (Charter)
- Open Space Parks (Charter)
- Otay Valley Regional Park (Charter)

[1] Chollas Creek Watershed Regional Park includes the following parks: 30th Street Mini-Park, 41st Street Mini-Park, Adams Avenue Community Park and Recreation Center, Dennis V. - Torrey Pines City Park (O-20088)

The RPIF aims to support capital improvement projects within the City's Capital Improvement Program (CIP) for regional parks, as identified in the City Charter or by City Council Ordinance.

DISCUSSION

Department staff recommend that $200,000 of RPIF be allocated to the project listed in this report. The allocation comes from the following projects:

- Regional Park Improvements, CIP# AGF00005 – These are new revenue budgeted in this annual allocation for Fiscal Year 2027.

If approved, these allocations will be heard by council in a separate council action. The recommended projects are as follows:

- ***Starlight Bowl Improvements, CIP# S23009, $200,000***

  Scope: This project provides for, but is not limited to, replacement of existing pavement to meet American with Disabilities Act standards, replacement of sewer lines, and renovation of restroom interiors.

  Financial: $600,000 has been allocated to this project to date. This would be the first allocation of RPIF. The total project cost is anticipated to be $800,000. The project cost increased due to a revised cost estimate.

  Status: Design began and was completed in Fiscal Year 2025. Construction is anticipated to begin and be completed in Fiscal Year 2027.

ALTERNATIVES

1. Approve the recommended funding allocation to the project listed in this report.
2. Do not approve the recommended funding allocation to the project listed in this report.
3. Recommend alternative allocations to specific eligible capital projects.
