## Plan medical groups

A plan medical group (PMG) is a designated group of doctors and hospitals associated with your network.<sup>2</sup> You have access to hospitals, specialty care and urgent care centers affiliated with your PMG. It is important to keep in mind that referrals and prior authorizations do not transfer between PMGs, and you have access to only one PMG at a time. You can visit [sharphealthplan.com/PMG](https://sharphealthplan.com/PMG) to learn more.
