E. REPORTS - CHAIR, VICE-CHAIR, SECRETARY
-Mr. Cords: There was an incident with a neighbor at Tuxedo park on Monday, October 19. The neighbor was walking through the park yelling profanities, threatening the kids playing soccer and kicking their balls into the street. The police were called and came out, although it's not known if they made contact with the neighbor, because he didn't initially answer the door.

F. PARKS AND RECREATION STAFF REPORTS
-Jerry Abbott, District Manager: A pilot program has begun as a progressive warning system for off-leash dogs at joint-use sites. If there continues to be incidents with off-leash dogs and feces not being picked up, the public could lose temporary access to the park.

H. INFORMATION ITEMS - Staff Update regarding Foster Elementary School Proposed Joint-Use Facility General Development Plan

-City staff member, Shannon Scoggins, reported the following:

- The next step for the Foster Elementary School proposed joint-use facility GDP is to be presented to the Parks and Recreation Board in the Winter.

-The item was voted on and approved by the CRG on November 3, 2025 with the following Conditions: 1) The JU field opens to the public at 3:30p.m. on school days so it's not being opened at the same time as Magnolia Charter's dismissal. 2) The City provides crosswalks, signage and curb painting before the JU field opens to the public.

-There is now a parking loop in the design so cars will be let out on 51st st. instead of 50th.

-New crosswalks on Orcutt Ave. would be feasible, but funding is needed.

-A City work order has been placed for a new crosswalk on the north side of 50th st.

-A traffic signal is recommended at Estrella and Zion, but is currently unfunded.

-For these traffic issues and any other issues, we encourage the public to submit Get-It-Done requests.
