December Nights 2026

Friday & Saturday, December 4 & 5, 2026
We perform rain or shine!

San Diego Civic Dance Arts transforms the interior courtyard of the Casa del Prado Building into a holiday wonderland, coming alive with great dancing, magical lights, hot beverages and pastries, and photos with Santa and his elves and reindeer! Nine shows over the course of two evenings feature the performing level companies (T-Troupe, Young Adult Ensemble, Adult Ensemble and Company) and include the Company's signature Rockette-style number "We Need a Little Christmas".

Saturday daytime has three recreation level shows featuring hundreds of dancers 4 - 18 years from areas such as Kearny Mesa, Hourglass and Canyonside Recreation Centers, as well as dancers from the War Memorial Building in Balboa Park.
