City of San Diego's Homelessness Strategies and Solutions Department to Host Technology Community Meeting

SAN DIEGO – In compliance with the City of San Diego's Transparent and Responsible Use of Surveillance Technology (TRUST) Ordinance, the Homelessness Strategies and Solutions Department (HSSD) will hold a community meeting to share information about two of its existing technologies on Wednesday, Nov. 4, at 12 p.m.

The existing technologies to be presented include:

- **Homeless Management Information System (HMIS)** – a secure, web-based data system used by the Regional Task Force on Homelessness (RTFH) and participating agencies to collect, store, and manage client-level information about individuals and families experiencing homelessness to support coordinated service delivery, track program outcomes, and meet federal reporting requirements.

- **Community Information Exchange (CIE)** – a community-governed infrastructure that enables information to be effectively and responsibly shared among many organizations, using different, interoperable technologies, in support of holistic coordination of care and equitable systems change. Specifically, a CIE enables the sharing of data among multiple kinds of stakeholders, such as providers who need to share data to deliver more holistic care, people in need who must navigate complex systems of care, and decision makers.

The community meeting will consist of one location serving as the main presentation hub, with eight other locations throughout the City simulcasting the presentation and allowing in-person attendance and public comment.

The simulcast meeting on Nov. 4 will occur at each of the following locations:

- **District 1: Riford Library**
  - 7555 Draper Ave., La Jolla, CA 92037
- **District 2: Hervey Branch Library**
  - 3701 Voltaire St., San Diego, CA 92107

- **District 3: City Administration Building (*Main Presentation Hub*)**
  - 202 C St., San Diego, CA 92101 (Floor 12)
- **District 4: Skyline Hills Branch Library**
  - 7900 Paradise Valley Rd., San Diego, CA 92139
- **District 5: Rancho Bernardo Branch Library**
  - 17110 Bernardo Center Dr., San Diego, CA 92128
- **District 6: Mira Mesa Library**
  - 8405 New Salem St., San Diego, CA 92126
- **District 7: Serra Mesa-Kearny Mesa Branch Library**
  - 9005 Aero Dr., San Diego, CA 92123
- **District 8: Logan Heights Library**
  - 567 S 28th St., San Diego, CA 92113
- **District 9: City Heights/Weingart Branch Library**
  - 3795 Fairmount Ave., San Diego, CA 92105

To allow for greater public participation, a hybrid evening meeting will also be hosted on Wednesday, Nov. 4, at 5:30 p.m. It is important to note that this meeting will only be a recording of the afternoon presentation, and HSSD staff will not be in attendance for Q&A. This is an additional opportunity to provide public comment, and any questions will be answered in follow-up communications afterwards. The meeting locations are:

- **In-person:** City Administration Building, 202 C St., San Diego, CA 92101 (City Council Chambers, Floor 12)
- **Virtually:** https://sandiego.zoomgov.com/j/1655773511

In addition to the in-person meeting in all nine City Council Districts and the hybrid evening meeting, recordings of the meetings will be posted to the Privacy Advisory Board website. Online public comment for the technologies will be accepted until 5 p.m. on Nov. 11 on the Office of Boards and Commissions website.
