FY 2023 Budget Development and FY 2022 Budget Monitoring Key Dates

OVERVIEW

The draft FY 2023 Budget Development and FY 2022 Budget Monitoring calendar (“Key Dates”) are prepared with input from the Office of the IBA, the Department of Finance, Engineering and Capital Projects, Public Utilities, Human Resources, the Budget and Government Efficiency Committee Consultant, the Active Transportation and Infrastructure Committee Consultant, and the Director of Legislative Affairs. The Key Dates are based on timelines required by the City Charter as well as those established by the previous fiscal year’s legislative calendar. The Key Dates include planned release dates of budget-related reports for both the operating and Capital Improvements Program (CIP) budgets, and their corresponding presentations to Council committees and to the full City Council.

The Office of the IBA believes that the proposed Key Dates for the development and adoption of the FY 2022 budget provide numerous opportunities for input from the public and for City Council review and deliberation, while complying with all City Charter requirements. We recommend that the Budget and Government Efficiency Committee review and approve the calendar and forward it to the City Council for consideration.
