STATEMENT SUPPORTING REASON FOR ENVIRONMENTAL DETERMINATION: This action is exempt pursuant to CEQA Guidelines sections 15269(c), Emergency Project, and 15359, Emergency. This action is necessary to prevent or mitigate an emergency, and is also necessary to address a sudden and unexpected occurrence involving a clear and imminent danger, demanding immediate action to prevent or mitigate the loss of, or damage to, life, health, property, or essential public services related to the COVID-19 pandemic. This permit will allow the City to implement actions needed to prevent or mitigate the adverse effects to public health, safety, and welfare related to the spread of COVID-19 by allowing the use of public spaces for COVID-19 safety and economic recovery. Specifically, the use of these public spaces is immediately necessary to ensure that restaurant and retail uses, which are critical to the City's economy, and therefore, have the ability to provide essential services, and have sufficient physical areas to ensure social distancing to prevent or mitigate the spread of COVID-19. If additional spaces cannot be made available for these uses, social distancing would be physically constrained, and could therefore, could result in the spread of COVID-19.
