SECTION 10. Records and Accounts.

Each Public Agency shall be strictly accountable for all funds and shall report all receipts and disbursements related to the acquisition of real property for OVRP and to the operation and maintenance of OVRP under this Agreement.

Termination of this Agreement shall not change the right, title, or interest of any real property comprising the OVRP. If the property is in another jurisdiction, the Public Agency that acquired the real property may retain ownership of the property or may transfer ownership to the jurisdiction in which the property is located if the

Public Agency in whose jurisdiction the property is located provides its written consent to the transfer.

B. At its cost, the County of San Diego shall operate and maintain the public lands designated for natural open space purposes in Areas "B" and "C" on Exhibit "A." The County of San Diego shall maintain these lands in a good and sanitary order, condition and repair and in a manner reasonably acceptable to the City of Chula Vista and City of San Diego. This obligation shall be subject to the availability of funds as determined by the San Diego City Council.

D. The obligations of the City of San Diego and County of San Diego to operate and maintain the natural open space property in Areas "A" and "B" on Exhibit "A" owned by the City of Chula Vista in fee or through an easement restricting development are contingent on the

City of Chula Vista paying to the City and County of San Diego the funds reasonably necessary for this purpose. However, the City of Chula Vista's obligation to pay the City and County of San Diego is subject to the availability of funds as determined by the Chula Vista City Council.

E. The obligations specified above to operate and maintain the public lands designated for natural open space purposes in Areas "A" and "B" on Exhibit "A" do not include those responsibilities specified in the Multiple Species Conservation Program Subarea Plans, the Otay Ranch Resource Management Plan or the Western Otay Valley Regional Park Natural Resources Management Plan, unless otherwise agreed to under separate instrument.

F. The City of San Diego, the City of Chula Vista and the County of San Diego shall each be solely responsible for operating and maintaining lands in OVRP that the respective Public Agency acquires or acquired that is or will be developed for purposes of active recreation (lands not designated for natural open space purposes).

**COUNTY OF SAN DIEGO
BOARD OF SUPERVISORS
WEDNESDAY, DECEMBER 14, 2005**

MINUTE ORDER NO. 9

**SUBJECT: APPROVE NEW JOINT EXERCISE OF POWERS AGREEMENT
AMONG THE COUNTY OF SAN DIEGO AND THE CITIES OF CHULA
VISTA AND SAN DIEGO FOR OTAY VALLEY REGIONAL PARK
(DISTRICT: 1)**

OVERVIEW:

On January 30, 1990 (77), the County of San Diego and the Cities of San Diego and Chula Vista entered into a Joint Exercise of Powers Agreement for the coordination of planning, acquisition, and design of Otay Valley Regional Park. The original agreement is outdated, in part, because it does not address operations and maintenance of the park. The Otay Valley Regional Park Policy Committee has approved a new agreement dated May 12, 2005, and has directed Joint Staff (staff representing the three jurisdictions) to present the agreement to their respective governing bodies for approval.

The proposed action is to approve the new agreement which has been updated to include a provision rescinding the existing agreement and provisions for operations and maintenance of the newly constructed and proposed recreational facilities that did not exist at the time the original agreement was approved.

The proposed agreement defines the conceptual planning area for Otay Valley Regional Park. The area is located in the southern portion of San Diego County, four miles north of the international border. The regional park extends over 13 miles from the southeastern edge of the South Bay Wildlife Refuge east through the Otay River Valley to the land surrounding the Otay Lakes. The agreement clearly identifies the responsibilities of each of the public agencies for acquisition, planning, design, operations, and maintenance of the park.

FISCAL IMPACT:

There is no fiscal impact associated with this action. The proposed action is to approve a new Joint Exercise of Powers Agreement with the Cities of Chula Vista and San Diego for Otay Valley Regional Park (OVRP). As facilities are developed, each agency, according to provisions of the agreement will be responsible for operations and maintenance. Currently, operations and maintenance of the County's portion of OVRP is being managed with existing budgeted staff from the nearby Otay Lakes County Park. Operations and maintenance of any future facilities in OVRP will be addressed at the time each project is approved.

RECOMMENDATION:

CHIEF ADMINISTRATIVE OFFICER

1. Find in accordance with section 15301 of the California Environmental Quality Act (CEQA) Guidelines that the proposed project is exempt from CEQA.
2. Approve the Joint Exercise of Powers Agreement Among the County of San Diego and the Cities of Chula Vista and San Diego for the Otay Valley Regional Park dated May 12, 2005, and authorize the Director of the Department of Parks and Recreation to execute the agreement.

ACTION:
