Dear Sir,

Petitioner is a Filipino, and has lived in San Diego for a number of years, and is known to a lot of the old time police officers, He has had licensse for this same kind of business once before. but when the ordinance regulating dance halls of this nature was repealed, he discontinued his daces, ^{He} has also had a number of licenses for pool halls & Etc, in San Diego.

In his petition he states there is no dance hall in San Diego at the present time who caters to the nationalities mentponed in the petition, and only expects to have this class of instructors.

The Building Inspector informs me that the building is perfectly safe to accomodate all the persons who will patronize this hall if a license is granted.

Respectfully,

Sgt. of Police. license detail,
