Dear Mr. Dentz:

Reference is made to your letter of February 18, addressed to the Chief of Police, a copy of which was filed with the City Clerk.

I am happy to advise you that all the items mentioned in your letter are receiving our attention. The La Jolla beach area is scheduled for cleaning twice a week during the winter months, and four times a week during the summer. Also, in preparation for the summer season, the Police Department will put on an additional night patrol, commencing in May, to increase traffic enforcement and, in conjunction with Recreation Department personnel, to assure observation of all regulations governing use of the parks and beaches.

With regard to the property north of the La Jolla Beach and Tennis Club which we have recently leased to provide offstreet parking, it is our intention to have this flush coated before putting it into use, and this will be done before the summer season starts.

We very much appreciate your interest in this and other matters affecting the welfare of the community.

Very truly yours,

E. W. Blom,
Acting City Manager
