TECHNICAL ASSISTANCE AGREEMENT**

AGREEMENT

This Specialized Small and Disadvantaged Business Outreach and Technical Assistance Agreement (“Agreement”) is entered into between the City of San Diego, a municipal corporation (“City”), and the Asian Business Association Foundation, a California nonprofit corporation (the “Contractor” or “Program Administrator”), effective as of September 11th, 2020.

RECITALS

WHEREAS, health and governmental authorities around the globe are responding to a large-scale pandemic due to the outbreak of a respiratory disease caused by a novel coronavirus named “SARS-CoV-2,” and the disease it causes has been named “coronavirus disease 2019,” abbreviated COVID-19; and

WHEREAS, states and local governments across the United States, including the State of California, have issued stay-at-home orders to prevent the spread of the highly contagious and deadly COVID-19, resulting in massive and largely unprecedented disruptions in the economy, including record levels of unemployment and loss of compensable work hours or wages by numerous San Diego residents, and sharply limiting the ability of businesses to provide, and customers to purchase, goods and services; and

WHEREAS, it is in the public interest to provide economic support that addresses the continued and serious negative impacts of the COVID-19 emergency on the local economy, including promotion of a stable business market to which business owners and employees can return once the COVID-19 emergency is abated; and

WHEREAS, the City recognizes that San Diego County Data on positive COVID-19 cases, unemployment statistics, and other economic-based metrics demonstrates that there are historically disadvantaged communities and businesses that have been disproportionately impacted by the pandemic, with higher than average unemployment rates and positive cases of COVID-19; and

WHEREAS, it is in the public interest to identify small local businesses that are most vulnerable to impacts of COVID-19, including businesses located in the Promise Zone, Opportunity Zone, Low & Moderate Income Census tracts, areas of higher than average unemployment, and other economic corridors most impacted by COVID-19, and including businesses that have lower credit scores, operate on low profit margins, or rely on an owner’s personal funds or external financing (collectively, “at-risk businesses”), to provide at-risk businesses with economic support to address the continued and serious negative impacts of the COVID-19 emergency on the local economy, and to promote a stable business market to which business owners and employees can return once the COVID-19 emergency is abated; and

WHEREAS, the U.S. Congress provided for various forms of relief for the COVID-19 pandemic through enacting the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act,

including the Coronavirus Relief Fund (“CRF”) established under Title V, Section 5001 thereof; and

WHEREAS, the City has received an allocation from the CRF under the CARES Act; and

WHEREAS, CRF funding may only be used to cover costs that:

- (a) are necessary expenditures incurred due to the public health emergency with respect to COVID-19;
- (b) were not accounted for in the City budget most recently approved as of March 27, 2020; and
- (c) were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020; and

WHEREAS, the City finds that expenditures in support of conducting outreach and provide technical assistance to at-risk businesses are necessary due to the public health emergency with respect to COVID-19 and that such expenditures are eligible expenses under the CARES Act; and

WHEREAS, the Program Administrator is a Section 501(c)(3) tax-exempt public charity that is organized and operated for charitable, recreational, scientific and educational purposes, and serves as an existing San Diego and Imperial Small Business Development Center to support the provision of no-cost business assistance to small business owners and entrepreneurs in San Diego County; and

WHEREAS, effective August 4, 2020, the San Diego City Council adopted Resolution No. R-2432269, allocating funding for the purposes set forth in this Agreement; and

WHEREAS, the Program Administrator desires to enter into this Agreement in furtherance of its nonprofit purposes and mission and in support of the efforts of the City of San Diego to address the needs of at-risk businesses, vulnerable communities, and the general public of the City of San Diego; and

WHEREAS, the City wishes to utilize the services of Program Administrator as a contractor to manage the disbursement of the CRF funds consistent with the purposes and requirements thereof; and

NOW, THEREFORE, in consideration of the mutual promises contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City and Program Administrator agree as follows:

The defaulting Program Administrator shall cure the default within thirty (30) business days following receipt of the notice of default, contingent on federal expenditures and reporting deadlines, and earlier if reasonably possible under the circumstances, or within such additional time period to which City may agree contingent on federal expenditures and reporting deadlines, which agreement shall not unreasonably be withheld. If the defaulting Program Administrator fails to cure the default within that time, the City may terminate this Agreement with respect to the defaulting Program Administrator by giving the defaulting Program Administrator written notice of termination, effective immediately upon receipt. Following receipt of such notice of termination, the defaulting Program Administrator shall promptly provide City's administrator with documentation of fund expenditures setting forth the defaulting Program Administrator's total actual expenditures for the intended purposes as of the effective date of termination. The City may also seek any and all legal and equitable remedies against the defaulting Program Administrator for breaching this Agreement.

10. Independent Capacity. In the performance of this Agreement, Program Administrator and their respective officers, agents, employees and volunteers, shall each act in an independent capacity and not as officers, employees, agents or volunteers of the City or each other. 12. Defense and Indemnity. To the fullest extent permitted by law, Contractor shall protect, defend (with legal counsel reasonably acceptable to City), indemnify, and hold harmless City and its elected officials, officers, representatives, agents and employees ("Indemnified Parties") from and against any and all claims, losses, costs, damages, injuries (including, without limitation, injury to or death of an employee of Contractor or its subcontractors), expense, and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, and litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, any performance of services under this Agreement by Program Administrator, any subcontractor, anyone directly or indirectly employed by either of them, or anyone that either of them control. Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c) (3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a) (1) and 170(b) (1) (A) (vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a) (1) or 509(a) (2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make

Letter 1045 (DO/CG)

ASIAN BUSINESS ASSOCIATION

a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return. Because you will be treated as a public charity for return filing purposes during your entire advance ruling period, you should file Form 990 for each year in your advance ruling period.

ASIAN BUSINESS ASSOCIATION

that you exceed the \$25,000 filing threshold even if your sources of support do not satisfy the public support test specified in the heading of this letter.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are spent only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence that the funds will remain dedicated to the required purposes and that the recipient will use the funds for those purposes.

If you distribute funds to individuals, you should keep case histories

ASIAN BUSINESS ASSOCIATION

showing the recipients' names, addresses, purposes of awards, manner of selection, and relationship (if any) to members, officers, trustees or donors of funds to you, so that you can substantiate upon request by the Internal Revenue Service any and all distributions you made to individuals. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Steven T. Miller
