Mrs. Bulland has no phone and as tires and gasoline are precious I do not want to make the extra trips out there just now.

I hope this meets with your pleasure and convenience

Sincerely

Mrs Mabel Williams

35-53 - 4th Ave.
San Diego. Cal.
Jackson 6474

Dear Sirs -

Mrs. Bulland did not want to have the expense of burial in a lot or that of niche and as I am in possession of a burial place in the Odd Fellows Cemetery, S.D. which I shall never have use for I have told her that she may have Mrs. Bulland's ashes buried there where there is also room for herself when her time comes.

I will tell her she may have the center so that she may be between her two husbands.

35597

Her last husband, Mr. McLaren is buried in the center of the lot - but she need not know that - and then is no use of paying to take his ashes up. That lot happens to be just behind a headstone - so when I placed the foot-stone for Mr. McLaren - I had it put to the left where it could be easily seen -

My Mother bought the four lots 55 years ago when my Father died. A funeral then was an all day trip from Coronado by hack with the original Johnson Lacey firm in charge.

I went out to the lot yesterday and explained to the man in the office, who wrote out this little card and penciled $2.50 as the cost of buying the ashes.

I expect her to pay that.

I suppose you look after the placement - so perhaps it will be best for you to make the charge to her.

I want to be there when it is done, so if you will please notify me I will be there.

A call in the early morning will always find me.
