Mrs. Bulland has no phone and as tires and gasoline are precious I do not want to make the extra trips out there just now.

I hope this meets with your pleasure and convenience.

Sincerely

Mrs Mabel Williams

3553 - 4th Ave.
San Diego. Cal.
Jackson 6474

Dear Sirs -

Mrs. Bulland did not want to have the expense of burial in a lot or that of niche and as I am in possession of a burial place in the Odd Fellows Cemetery, S.D. which I shall never have use for I have told her that she may have Mrs. Bulland's ashes buried there where there is also room for herself when her time comes.

I will tell her she may have the center so that she may be between her two husbands.

Her last husband, Mr. McLaren is buried in the center of the lot - but she need not know that - and then is no use of paying to take his ashes up. That lot happens to be just behind a headstone - so when I placed the foot stone for Mr. McLaren - I had it put to the left where it could be easily seen -

My Mother bought the four lots 55 years ago when my Father died. A funeral then was an all day trip from Coronado by hack with the original Johnson Lacy firm in charge.

I went out to the lot yesterday and explained to the man in the office, who wrote out this little card and penciled $2.50 as the cost of buying the ashes -

I expect her to pay that.

I suppose you look after the placement - so perhaps it will be best for you to make the charge to her.

I want to be there when it is done, so if you will please notify me I will be there.

A call in the early morning will always find me.

My dear Sir:

This is to certify to the fact that I
sold John Thumbo a grave in the
flat marker section in Mt Hope Cemetery.
not far from the Eagle post. I don't find
marking of the location but it is near

Sabe Culpepper's old grave. I moved her to Greenwood.

Sincerely yours

Grace Culpepper.
