Reference: Skilled and Trained Workforce Act-Plan to Achieve
Project: Morena Pump Station-Flatiron Job#3222

National Coating & Lining by BrandSafway findings regarding the Skilled and Trained Workforce:

- The goal for Industrial Journeyman Painter is 60%. For the month of October, National Coating & Lining Co by BrandSafway achieved 0%.
- National Coating & Lining Co by BrandSafway was not expected on the jobsite until Jan 2023 and due to unforeseen circumstances was called out 3 months before, which didn't give the opportunity to execute our plan to be compliant with Skilled & Trained Workforce.
- Flatiron required a Certified Welder and the only person available to dispatch was Chris Osburn. All the work done was time and material work not part of original contract work.

National Coating & Lining by BrandSafway Plan to achieve the required goal going forward:

- National Coating and Lining by BrandSafway plans to train their trained graduate apprentices to be Certified Welders to be ready when work starts in January 2023.
- We will be creating a list of qualified employees. To dispatch to jobsite, attached is what we have so far.
- We have modified our Dispatch Request Form to specify that a journeyman dispatch must be both a trained apprentice graduate and a certified welder, see attached.
