SOCIAL WELFARE DEPARTMENT

This establishment located on the northeast corner of 4th and F Streets, San Diego, California, was for years a dine-dance hall known as Cardenelli's. There have never been protests from property owners against dine-dance halls at this intersection of 4th and F Streets. The establishment qualifies under the ordinance with ample dancing floor space. The applicant was for years manager for dine-dance halls in San Diego and as such is thoroughly experienced in the business. For over two years he has been owner and manager of a locker club at the above address and desires now to convert it into a dine-dance hall.

Consequently, not having sufficient grounds for the recommendation of denial of this license, I recommend approval of same.
